

| Nepal | Miraculously Healed from Limited Life of No Hope

Sunil Shaka (Nepal Manmin Mission Center)

I had suffered from dizziness for two years and, one day in January 2008, I collapsed while sitting on the balcony and was taken to a nearby hospital. The doctor said that I was in critical situation with complications caused by diabetes. I moved to a big general hospital and again received a medical checkup, but

they only said that I would die within a month. I was a mere human vegetable and depended on an oxygen mask. My entire body was paralyzed. My family was saddened to see me and they shed tears. After leaving the hospital, I waited only for death to approach my bedside. On a day in July one of my wife's

relatives came over and introduced to us the Nepal Manmin Mission Center. A few days later, Pastor Grace Lee came to visit me. Though I couldn't speak and move my body, I could hear. She said to me, "You can surely be healed when you believe in the almighty God. Repent of your past days and accept Jesus Christ as your Savior." She delivered her message and eagerly prayed for me laying the handkerchief on my head that Dr. Jaerock Lee had prayed upon. I became peaceful and tears ran down my face. Amazingly, after the prayer my body

started to recover. Our family became overjoyed. And after I received Dr. Lee's prayer for the sick that had been recorded in other member's mobile phone, I started to move my hands and feet. This gave faith to my family so they sprayed Muan Sweet Water on my lips and my neck. Each time I received the prayer, I was unbelievably changed, my face looked better and I could speak. Now I can stand up by myself and my body came back to normal without paralysis. Hallelujah! After God saw our family becoming one in love and depending wholly on Him even before death itself, God answered our prayers and healed me.

| Nicaragua | Providing the Word of Life to the Poor

Pastor Maira Talabery (Sanctuary of Faith Church)

I am currently working as a pastor in Esteli, Nicaragua and before I came back to Nicaragua I heard the message of Dr. Jaerock Lee at Honduras Manmin Church. I was impressed by his spiritual and deep message. Since I came to Esteli, I armed myself with words with Spanish editions of *Manmin News*, Dr. Lee's books and DVDs of his sermon series "The Message of the Cross," "The Measure of Faith" and "The Beatitudes" that were sent from Manmin Central Church in Seoul according to my request. And as we are using these materials in worship services and Bible

study, members are leading their lives of faith filled with joy. I hope that these precious messages will spread to more people through Radio programs so they can have firm faith in Christ and reach salvation. Of course, many people are already watching Dr. Lee's messages through Enlace TV-The largest Christian TV in Central America. But there are still many people who are too poor to watch the sermons on Cable TV. Esteli Manmin Church introduces Dr. Lee's sermons and his prayer for the sick and Manmin

Central Church through local radio programming. Through this radio broadcasting and DVD sermons, many are receiving answers and healing and glorifying God. While offering the Wednesday service by DVD, Serfida Serfiya Perez was healed of asthma by Dr. Jaerock Lee's prayer after the message. The mother of Veronica Harokin was healed of gastroenteric trouble, and a one-year-old daughter of his younger sister was healed of anemia and kidney problems, and the children of Harny Baskes were healed by Dr. Lee's prayer

for the sick through radio and are leading faithful lives in Christ. Many people are enjoying their lives in Christ and are filled with Holy Spirit through the messages and prayers of Dr. Jaerock Lee. And they came to hope for New Jerusalem, the most beautiful kingdom in Heaven. I give all the glory and thanks to God for allowing us this precious word of life.

| Taiwan | I Found the Way to Sanctification that Seemed Impossible.

Sister Yingtong Yang

On June 3, 2009 Pastor Kyunghee Kim took nineteen students of Manmin Taiwanese Seminary to Manmin Central Church and they stayed in Korea for six days. They were impressed by the gospel of sanctification and the powerful ministry of the church. Now they are expecting to accomplish more in their ministries. And one of them is Sister Yingtong Yang who is helping Pastor Kyunghee Kim with the translation of Dr. Lee's

books and MIS textbooks. She also is active in the evangelization of Taiwan. She was deeply touched by Dr. Jaerock Lee's testimonial memoirs *Tasting Eternal Life Before Death* published by the Grace Publishing House in Taiwan. And then she read all the Chinese translations of Dr. Jaerock Lee's books including *The Message of the Cross*, *The Measure of Faith*, *Heaven I & II*, *Hell* and *The Power of God*. Through this visit, she learned how to love the souls and take care of them, and she confessed, "I am thankful to Dr. Jaerock Lee for letting me realize what the life for the soul is." And she said, "I want to bear abundant fruit as an instrument in spreading the

gospel of sanctification." In May 2007, she was among eighty-five pastors and church workers who visited Manmin Central Church for the first time from Taiwan. When she listened to Dr. Lee's sermons during her stay, she could not completely understand them, but now it turned into the full assurance of sanctification. She said, "Previously, I considered it very hard to live by the word of God. The way to sanctification seemed just vague. But Dr. Lee gave very clear and plain explanation on the word of the Bible. As I learned the way to sanctification, I could find myself and easily throw away the sins." When she heard about 'Light and

Salt Mission' for those who have to work on the Sabbath day, she was touched and have prayed to establish the same mission in Taiwan. So now some seeds of faith are growing in a couple of department stores.

Getting Away from the New Incurable Diseases and Atopic Dermatitis

Two out of ten infant babies are patients and the number is increasing

Yeji Kim received the healing of her skin with three weeks of prayer. Deaconess Ahyun Kim's left hand was healed.

Sujung Lee was healed of impetigo contagiosa that spread all over her body. Sungbum Kim was healed of atopic dermatitis around his neck. Seungrgi Ryu was healed of symptoms around her face and joints.

Atopic dermatitis is threatening modern people's lives. It is becoming known as a newly well-established and thriving incurable disease of mankind. The word 'atopic' comes from a Greek word 'atopia' which means "uncommonness" so it implies that the cause of the disease is uncommon or unclear. This disease is recognized as one of major problems that modern medicine has to resolve. Severe itchiness is one of the symptoms of this disease, and the disease is believed to be caused mainly by improper diet, heredity, and stress. In Korea, 20 percent of the babies have this disease and this is becoming a big social issue. There are also many adults who suffer from this disease. It is estimated that the number of atopic patients totals two million in Korea and among them about half of them, about one million people, need to receive medical treatment.

The frightening thing about this disease is that the long struggle with itchiness brings variety of mental and physical diseases. There are even people who decide to emigrate to get away from the suffering of atopic dermatitis. This church overflows with instances of atopic dermatitis being healed without any medical treatment, and those who were healed by God don't have any scars and don't suffer from other after-effects. When children of God depended wholly on God by offering earnest prayer, fasting and deeds of faith which are pleasing to God, such as drinking and applying Muan Sweet Water just as written in the Bible, God has answered them through the prayer of Dr. Jaerock Lee. By showing faith, even atopic dermatitis can easily be healed by the power of God.

GCN TV Power Praise Season 2

This world is being flooded with mass culture that tempts people's sensuality, but here at the Manmin Central Church the grace of God was overflowing from 'GCN Power Praise Season 2' that took place on the specially fitted stage in the church's main sanctuary on June 23, 2009. The first season of GCN Power Praise was kicked off in December of 2006. The first season's twenty-five sessions were taped. The second season began filming again in August of 2008 due to the applause from not only GCN viewers, but also from many people who watched it on DVD.

Column One Who Pays Attention to the Words of Others

While sharing the Gospel with people, we sometimes find those who say "I will believe in God only if I see Him or hear His voice." Though God is invisible to our eyes, He shows His existence to us through nature, wonders, signs, and miracles, but also through men of faith. Still humans cannot feel or recognize these things because they don't seek God with their hearts. Anyone who opens his heart and pays attention to the word of God can hear His voice and lead a blessed life of meeting and experiencing God by obeying His word.

"For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made" (Romans 1:20).
From Dr. Jaerock Lee's column series 'The Way' carried on the Dong-A Daily

One Who Longs for Spiritual Things

"Now concerning spiritual gifts, brethren, I do not want you to be unaware . . . Now there are varieties of gifts, but the same Spirit. And there are varieties of ministries, and the same Lord. There are varieties of effects, but the same God who works all things in all persons. But to each one is given the manifestation of the Spirit for the common good" (1 Corinthians 12:1, 4-6).

When you long for spiritual things, you can throw off and get rid of the worldly things. You can receive the strength and the power of God and bear the fruits God wants.

How much do you long for spiritual things? God who is spirit wants His children to long for spiritual things.

It is because only when you long for the spiritual things, can you quickly accomplish the heart of the spirit and go into a better heavenly dwelling place.

Senior Pastor Dr. Jaerock Lee

1. What Are the Spiritual Things?

'Spiritual things' are the things which are the opposite of what is known as 'flesh'. We live in the 3rd dimension but there is a 4th dimension world we don't understand and cannot see. In such a spiritual realm it is a never changing world and moves under the control of God. Especially the spiritual realm that belongs to the light, namely everything that exists in the Kingdom of Heaven is spiritual.

When you accept Jesus Christ and receive the Holy Spirit as a gift, your dead soul is revived and you become a spiritual person. Your name is written in the book of life and you receive your citizenship in Heaven. For this reason you should know about the spiritual realm. If you go to church, but you don't long for the spiritual things even though you say you believe in God, you can't communicate with God. When you hear about the spiritual realm you don't believe, but doubt. You doubt because you can't receive answers to your prayer and you don't experience the works of God. This is why Jesus and His disciples were persecuted in the Bible.

Then, what does it mean 'to long for spiritual things'?

Forever, there is nothing in Heaven that perishes and the lights will never dim. There is also no evil in Heaven, but it is full of only goodness. There is no darkness, but only light. There is no sorrow, pain, or hardship. There is only joy, happiness, and peace. Therefore, to long for spiritual things is to long for this Kingdom of Heaven. It is to hope that your heart will become like the Kingdom of Heaven itself.

We are living in a physical world. How can we long not for the flesh but for the kingdom of Heaven and spiritual things? It is possible with the help of the Holy Spirit. John 14:17 says, "that is the Spirit of truth, whom the world cannot receive, because it does not see Him or know Him, but you know Him because He abides with you and will be in you." It is because the Holy Spirit who is the Spirit of truth is in our hearts. Those who are full of the Holy Spirit are those who are

longing for spiritual things.

2. When You Become One Who Longs for Spiritual Things

First of all, those who long for spiritual things can easily forsake the meaningless things of the world. What if a person who likes pears eats a spoon of honey and then eats the pear? Because the honey he tasted first is so sweet, you may feel that the pear tastes like a radish.

Likewise, those who tasted the spiritual things cannot sense any taste or fun that comes from the things of this world. That is why they can easily forsake worldly things and let go of them.

The apostle Paul considered all the worldly things rubbish after he tasted the spiritual things. The apostle Paul forsook the world completely just by the one-time experience of meeting the Lord. He was thankful for the grace of the Lord who forgave him while he was persecuting the Lord, and so Paul continually denied his self.

The more he changed into spirit this way, the deeper he came to experience the spiritual realm. He came to realize deeply the heart of God by the clear inspiration of the Holy Spirit. He also had the experience of visiting the heavenly kingdom in spirit. He was sometimes facing persecutions and hardships, but his heart was always in the heavenly kingdom.

It is in these ways that the spiritual things cannot be compared with anything of this world. Through God's grace you can experience peace, joy, and thanksgiving that you cannot gain from anything or any place else in this world.

So, you can easily cast away all the meaningless things of the world and have the good heart God desires of us.

Secondly, those who long for spiritual things will receive strength. Furthermore, they can receive the power of God. When they go into spirit because of longing for spiritual things, they can receive spiritual strength from above. If they go into whole spirit after accomplishing complete sanctification, they can receive the power of God.

From the first moment I met God, I just wanted to live by the will of God because I was so thankful for His grace in

giving me eternal life before death. So, I attended many revival meetings, read the Bible with a great deal of eagerness and I prayed whenever I had time.

I gradually realized the will of God more and more and put it into practice because I longed for God's grace. If I couldn't cast off something right away, I fasted for 3 days or even 7 days to cast it off. As I longed for the spirit earnestly and lived by the word of God I readily received the answers to prayers (1 John 3:22). Then, after going through the 3 years of refinement I went into spirit. Then even greater power of God was bestowed upon me. As I went into the whole spirit, the power and authority of God could be manifested.

If anyone longs for spirit and cultivates the spiritual heart this way, power will descend on him from above. He will also receive the authority to drive away the power of darkness. If one achieves the whole spirit and prays fervently, he can also receive both the power and authority together.

Thirdly, those who long for spiritual things will bear the fruit that God desires of them. Whether they do the work of God or do the work of the world, they can bear the fruit that God desires of them and give Him glory.

It is because those who long for spirit and whose souls are prosperous can work by hearing the voice and receiving the guidance of the Holy Spirit. It's not they who do the work, but they work with the wisdom given by God. Therefore, they can bear the fruits that are more than what they can achieve with human power and wisdom.

Daniel and Joseph were captured by a Gentile country they were in the position of prisoners and slaves. But no matter what the situation, they kept the law of God and lived with spiritual hearts. So, they had the wisdom and understanding from above. They had all the qualities to be capable of handling the job as the prime minister of the country so that they were loved and acknowledged by both the kings and the people. They understood the heart of God and bore the fruit that God desired of them.

The more you long for spiritual things and go into spirit, the more deeply you will realize the heart of God who is spirit. If you obey the voice and guidance of the Holy Spirit you will hear the voice of the Holy Spirit and receive His guidance more clearly. You will be prosperous in all things. You can be so outstanding that even the worldly people will recognize you.

I pray in the name of the Lord that you will bear the good fruit that God desires of you in your life and give Him all the glory in all respects of your life by becoming those who long for spiritual things.

My Happy Story as Manager of A-Dollar Vegetable Store

From a Jobless Man to the Owner of Two Vegetable Stores

Deacon Hangsuk Bang (1-2 Parish, 2-1 Men's Mission)

Happy moment of his family (From left Jion, Jisung, Deacon Hangsuk Bang and his wife Deaconess Jungsuk Park)

"We find life thrilling when unexpected things happen in our lives. A good example is the following story of a man who was once a salaried businessman but now has become the head of a few vegetable stores."

This was what happened after I lost my job during the Korea's IMF financial crisis in 1999. I was eating at a restaurant and saw a truck loaded with vegetables passing by. I thought this was what I really needed, and prepared a truck and started to sell vegetables going around in the streets. Without experience I had to undergo many troubles. But as God was with Joseph wherever he was, I believed God is watching me all the time and makes me learn through difficulties. So I tried to give thanks even when the sales were not good.

Then God made me open up a little store at the corner of a street in Nangok-dong, Gwanak District,

Seoul, Korea. I named the store 'A Dollar Vegetable Store' wanting to sell vegetables at an affordable price. And I treated each customer with kindness and walked the right path by providing fresh and good quality vegetables.

I had to calm myself down to keep from provoking my mental anxiety whenever I went to the wholesale market. In that place where people argue about money, I felt sorry before God when I sometimes raised my voice. Can I act like this as a believer in God? I prayed and discovered myself seeking my benefit and giving hard times to others. But as I accomplished the generous heart and conceded to others, my heart couldn't be more comfortable.

Nothing can block it when God is willing to give blessing. Actually I was inspired to open up another chain store while I was in prayer. Though others advised me saying "What you are thinking is impossible! You have to think more before you act." However, I gain even greater assurance. That's how I opened up a new chain of the 'A Dollar Vegetable Stores.'

Before I took charge of this place, I stood in front of the store on a daily basis and prayed "I want to take charge of this place if You let me. Otherwise, I will give up."

I opened the third, fourth and fifth stores and I was fully dependant on God.

I paid the whole tithe on my total income including salaries for the staff and other expenses.

When I failed to keep the tithe due to financial troubles, I wrote it down and later offered everything

at one time. It was in 1995 when I was led to Manmin Central Church through Dr. Jaerock Lee's testimonial memoirs *Tasting Eternal Life Before Death*. At that time I was thirsty for the word of God and was deep in love with spiritual messages. I remember I knelt down overwhelmingly touched while listening to the message 'Heaven' on audio tapes. Everywhere in the church was filled with grace so I felt like I was in Heaven. I felt happy just being a Manmin member. With a thankful heart for the grace, my wife and I are dedicating ourselves as one of the Prayer Devotees and a member of Manmin Volunteers' Mission.

And our family again felt the deep love of God through our youngest, six-year-old son, Jion, He suffered from runny nose and had difficulty breathing. At the hospital he was diagnosed with otitis media, empyema, and rhinitis. We prepared to receive the prayer of Senior Pastor with prayer and fasting, and after receiving his prayer, Jion was healed completely.

We feel nothing but thankfulness for the love of God who embraces us more warmly when we trust and rely on Him in any kind of situation.

"God Healed Me of Cystitis"

Deaconess Jungim Kang (Gumi Manmin Church)

With her husband Yoonbok Kang

Beginning on March 21st I passed urine that looked like water leftover from washing rice and urinating was painful to the point of making my whole body ache. Even after sitting on the toilet twenty to thirty minutes I didn't feel good at all.

And I couldn't sleep deeply at night going to the bathroom excessively. When I searched internet to find out

what was wrong, I knew that I had Cystitis.

"Our church members have given glory to God after being healed of more serious diseases than this. I also have to commit this to God."

On March 31st I received the prayer from Senior Pastor. But the symptoms seemed to get worse. But with an assurance of healing I wasn't discouraged. And in four days, I realized that I was healed.

At night I could fall into deep sleep without waking up until morning.

When I passed urine that once looked like rice water, the urine became normal. My husband saw this and it gave him faith. Now the Cystitis has completely gone and I feel like I am flying in the air.

"I Get Promoted This Time?"

Deacon Sungkyu Baek (1-3 Canaan Mission, PS Research and Development Technology Team at SamKwang PS Inc.)

"Congratulations on your promotion! Now I have to call you 'Deputy Manager Baek.'

I was amazed to hear this unexpected news after just two years from the time that I had started working because it was difficult for others even in three years. I thought I have to glorify God by being blessed in both spirit and flesh as a Christian. So in the workplace I tried to do my best in everything even if

it was not something my job required.

In addition, I attended the Daniel Prayer Meeting every night to spiritually take care of myself and I tried to keep the fullness of the Holy Spirit in my heart through joining volunteer activities in Canaan Mission, which is a gathering of college graduates within the church who are not married.

I was so grateful for the love of God when I heard about the news thinking 'Blessings come in a totally unexpected ways!'

My colleagues rejoiced with me, saying, "Since you joined here, you've kept your faith. It was good to see you always working faithfully."

I give thanks to God who has answered me since I prayed to find my job, and now blessed me with a good salary.
