

Holiness Gospel Brought Happiness and Healing of Quadriplegia

Jennifer Lacarrie (25)

Jennifer and her daughter Chelsea Alexander

Before I listened to the holiness gospel, my life was just a continuation of emptiness, fear, worries, tears, and sorrow. Each morning, when I woke up, I wished that God would take my life away.

I had a daughter who was born with

cerebral palsy and infantile paralysis. With quadriplegia she could only eat food through a tube and her suffering was beyond words. And when I got pregnant with my second child, my husband and I were physically and

mentally, I could find no reason to live when people tried to avoid me. When I couldn't bear it all any longer, I moved to my mother's house with my daughter.

Then one morning, I turned on the television to watch the Christian channel,

but there was problem with the TV cables, so I could only watch GCN. When I first heard Dr. Jaerock Lee's message from the channel, my heart was touched and for 6 months I watched the GCN programs several times a day.

And I was so impressed while reading Dr. Jaerock Lee's books, 'Heaven' and 'Tasting Eternal Life Before Death'. I hadn't ever heard this kind of clear and spiritual message before, telling me that I should live according to the word, cast off the lust of the flesh, love God the most, and be faithful in all God's houses anywhere else.

I earnestly prayed to God to lead me to a church that preaches this holiness gospel. And only a few months later I was given Pastor James Sim's e-mail address and visited New York International Manmin Church. When I told Pastor James about

my problems, he suggested that I send a picture to Seoul and receive Dr. Jaerock Lee's prayer. So I sent my daughter's picture and received prayer on it.

Soon after that, her eyes, muscles, and sleeping problems were healed. Previously, her bones protruded and she didn't even have strength to grab anything. She always had to visit the hospital and take medication. She was pretty much a vegetable human. But after the prayer, she can now eat well and has gained much weight.

Now, she is singing praises, walking around, and growing up well in good health. All of these were made possible by the power of God.

Believing that the time of suffering was the process of meeting the living God, I felt only thankfulness. Now I am really happy because I can live for the glory of God.

I Was Completely Healed of New Influenza

Danitza Villazon Gabriel (11)

On the night of July 11th, I suddenly had a severe headache and pain all over my bones. I had a stomach ache, diarrhea, and my body temperature rose to 40 degrees C (104 degrees F). After spending the entire night in pain, I was taken to a hospital on an ambulance the very next day.

All of this turned out to be the Swine flu. I was scared. The doctor said that I had to wear a mask and be quarantined. He said I needed to take antibiotics and injections.

My family called Pastor David Jungyeon Chang (Ministering Peru Manmin Church) and I received the handkerchief prayer (Acts

19:11-12). At that moment I felt a strong fire surrounding my body and had an assurance that I was healed! Then, I knelt down with my family members and earnestly prayed to God.

God reminded me of the moments that I didn't live by His word and I felt so sorry before God. After I repented, the fever that didn't seem to go away gradually disappeared. All the symptoms went away one by one, so I could enjoy a deep sleep at night.

The following day, Pastor David Jungyeon Chang ministered the

handkerchief prayer over the phone. And the pain and diarrhea was completely gone.

I quickly recovered my health.

I didn't take any medication or injections, nor did I receive any hospital treatment. This experience was an opportunity for my family to have faith and be united as one in love. I give thanks and glory to God for this wonderful experience.

Swine flu is a new strain of the influenza virus. The number of patients amounts to hundreds of thousands of victims and there are over 6000 patients in Korea alone, and the number of casualties is only rising. People are afraid that the disease might spread throughout the world by this coming autumn.

I Taiwan I

We Were Protected from Typhoon Morakot

Pastor Miao Zhen Hong (Chinese Christian Miracle Association)

Due to typhoon Morakot, Taipei had a rainstorm that dropped 3000mm (about 118 inches) of rainfall with violent winds. All of Taipei was devastated; buildings, stores, and apartments collapsed, roads and bridges cracked open. The casualties amounted to over 500. The news channels around the world reported that this was the worst typhoon damage in 50 years. The high mountain village, where I work, was also within reach of the typhoon. The Shin Zhu Shi Rei prayer center is located at the summit of this mountain. Due to the storm, the rain poured unceasingly, causing landslides in several places and closing off many roads. The violent winds in the high mountain area were so strong that it looked like they could blow the houses away. The residents had to have

been in great fear that something might happen to them. I called Taipei Manmin Church before the Friday all night service and asked for prayer. Pastor Kyunghee Kim notified the situation to Manmin Central Church, asking for Dr. Jaerock Lee's prayer. When Dr. Jaerock Lee prayed for our church after the message, a miracle happened. Though the typhoon stayed in Taipei for 3 days, not only the prayer center, but our houses and facilities were perfectly fine as though nothing had even happened. Hallelujah! I confess from the center of my heart that God Almighty is surely living. I would like to give my heartfelt thanks to Dr. Jaerock Lee, Senior Pastor of Manmin Central Church, for manifesting the great power of God!

Manifestation of Love

The First man Adam disobeyed God's command, "In the day that you eat from it you will surely die." As a result, Adam and his descendants became sinners and therefore could no longer have eternal life. But God sent His begotten Son Jesus to save mankind.

Jesus, who came to this world only performed good deeds; preached the gospel of heaven, healed the sick, and finally died on the cross to redeem us from our sins. Then, on the third day, He resurrected from the dead. From thence, anyone who accepts Jesus Christ receives the right to become God's child and gains eternal life and can enter heaven. God manifested this great love toward us.

Book of Life, Book of Remembrance

"And I saw the dead, the great and the small, standing before the throne, and books were opened; and another book was opened, which is the book of life." Revelation 20:12
 "Then those who feared the LORD spoke to one another, and the LORD gave attention and heard it, and a book of remembrance was written before Him for those who fear the LORD and who esteem His name." Malachi 3:16

There are many different kinds of books in this world: history books, technical books, novels, books of poetry, biographies and autobiographies. There are many different kinds of books in the heavenly kingdom, too. The Book of Life and the Book of Remembrance are the two most significant of these books. The reason being, these books are a record of people's salvation, and the rewards they receive in heaven.

1. The Book of Life

As recorded in the book of Revelation chapter 20 verse 15, the book of life will become the main piece of evidence during the Judgment of the Almighty God.

The Book of Life has a bright-white cover surrounded by a bluish light. In the Book of Life is recorded the names of those who have received salvation. It records the time, day, month and year in which each individual accepted Jesus Christ, was born by the Spirit, and became a child of God.

However, it is possible for a person's name to be erased from the Book of Life, even after it is recorded there. This is because if that person once accepted Christ, but later returns to the way of death, he comes to have nothing to do with salvation. Psalm 69:28 talks about just this kind of case, "May they be blotted out of the Book of Life and may they not be recorded with the righteous." Revelation 3:5 also says, "... and I will not erase his name from the Book of Life."

Therefore, we must live according to the word of God and never let our names be erased or blotted out of the Book of Life.

2. The Book of Remembrance

The Book of Remembrance records in detail when, where, how, and in what condition a person fulfilled God's work; how this event came to be, and what the outcome was.

When an event is carried out by one individual, it is recorded under his or her name, and when it's carried out by a group, it is recorded under the name of the group's leader. The details of the event are clearly recorded, and some of the most important parts can be replayed so vividly as if in real life, just like a video record, supporting the writings in the book.

When seen with spiritual eyes, the Book of Remembrance captures everything in such detail that the book is very thick, and it gives off a golden color, with very elegant patterns on its cover.

Just by looking at its cover, we can see that it is a very valuable book.

God rewards greatly, those individuals who are recorded in this book.

This is because these individuals accomplished things that greatly glorified God and their deeds are worthy of being remembered throughout history; just as

Dr. Jaerock Lee

people in this world write biographies or build monuments to commemorate great persons or meaningful events. Now then, can the names of those people who end up in Paradise, the lowest level in the kingdom of heaven be written in the Book of Remembrance?

The book of life is bright white in color and is surrounded by a blue light. In it, are the names of those who received salvation.

The book of remembrance gives off a golden light, and recorded in it are all the memorable events that give great glory to God which should be remembered for eternity.

Malachi 3:16 says, "Then those who feared the LORD spoke to one another, and the LORD gave attention and heard it, and a book of remembrance was written before Him for those who fear the LORD and who esteem His name."

Here, "those who fear the LORD" signifies people who keep away from evil. This therefore means that we have to be at least in the fourth level of faith, which is the level where one does not have any evil in their hearts.

Therefore, those that end up in Paradise, or the First, or Second kingdom of Heaven cannot be recorded in the Book of Remembrance.

3. Other Books in Heaven

In the heavenly kingdom there are many other books in addition to the Book of Life and the Book of Remembrance. For example, there are books that are sorted and recorded by categories of the history of human cultivation. There are also books that keep a record of all the people used by God in a given time period. There are also books that record all the things that Jesus did

during his lifetime here on earth, and there is also the biography of the life of Abraham.

When we go to the heavenly kingdom, we will have the opportunity to gain spiritual knowledge. Sometimes those who are in New Jerusalem will teach those who are in the Third kingdom of heaven, the Second kingdom of heaven, the First kingdom of heaven, and Paradise. So there are special textbooks for this purpose. But this doesn't mean we can only learn through books in heaven. There will be many different resources for learning spiritual things, including vivid video materials.

There are some books that are as special as the Book of Remembrance. One of these is the book that records all the names of those who overcame persecutions and trials for the Lord's sake with thanksgiving. There is also another book that records the trials that some of the people faced before entering into New Jerusalem. They are those who are among the 24 elders or higher in the spiritual rank. In the case of men, they are Elijah, Enoch, Abraham, Moses, and the 24 elders. In the case of women, those who have faith equivalent to the faith of the 24 elders are written in this book. This book records information about each person in detail, and the kinds of trials they endured to become perfect in faith.

The Book of Remembrance mostly records the superior achievements of people, whereas these books focus on the trials that people faced and overcame.

4. The Authority to Read Books in Heaven

In the heavenly kingdom, there are some books that we can freely read, while there are other books that only authorized persons can read. And there are books we can see only when it is opened by the Triune God. One of them is this Book of Remembrance. We can read it only when God allows it.

God the Father will choose a special day to show a part of this book.

On one particular day, He may begin with the cover and flip through, displaying all the pages. And on another day, He may take an excerpt from a part of this book to explain something.

When God the Father opens this book and explains about a part of its contents, everyone will listen with joy. Then we will all praise God the Father and give Him glory. This is just one of the joyful things that we will get to enjoy in the heavenly life.

Dear brothers and sisters in Christ, in the kingdom of heaven, angels are writing about you every day. And a special part of your journal may be quoted in other books in heaven, according to the subject matter. Therefore, I pray in the name of the Lord that you will live a life of giving glory to God the Father in all ways, whether you eat, or drink, or whatever you do on this earth.

My Family Filled with Happiness, Joy and Love

Deaconess Sunryul Park (2-15 Parish)

"Honey, I got into a big accident today."
 "What? Really?"

My Husband Protected in an Accident

When my husband said this at first, I thought he was kidding because he had no visible injuries on any part of his body. The story goes like this. My husband commutes to work every day on his bicycle. And on that particular day he was running across the crosswalk when the light was green, but he was hit by a taxi. But he says that he didn't feel even a bit of pain when he fell.

He was taken to the hospital on an ambulance, where they examined him. But there was nothing wrong! Rather, my husband was trying to comfort the taxi driver and protect him from punishment. He didn't even demand for settlement money either.

I was so thankful to God for protecting my husband. On top of that, I was so happy that my husband thoughtfully considered others first. If he hadn't been changed by the word of God he would have definitely stayed in the hospital. Just several years ago, he persecuted me about my going to church, but he has now become a completely different man.

The Past Days

In 1992, I was touched by Manmin News and began attending the Daniel Prayer Meetings. Becoming filled with the Holy Spirit through prayer, I registered at Manmin Church by myself and started my life of faith. And though I had led a religious life before that, I wasn't quite sure about heaven and hell. But as I listened to the messages of Dr. Jaerock Lee, I was able to feel and touch the spiritual realm and my soul was like a fish that finally found water.

Becoming fully drenched in God's word, I strived only for heaven. And so I began to neglect things around me. I didn't care about my husband's complaints and I had no worries about my children. I tried to comfort myself with the hope of heaven and the love of the Lord that filled my heart. But the relationship with my husband only grew worse. And now looking back on these days, I know that I was very wrong. While praying for my family's salvation, God helped me realize this.

"If someone says, 'I love God,' and hates his brother, he is a liar; for the one who does not love his brother whom he has

From left: her son Sangkyu, husband Jaewoo Lee, daughter Hyerim

seen, cannot love God whom he has not seen." (1 John 4:20)

I discovered that I didn't really love my husband from my heart, and I repented with tears. And then, once again, I began taking care of my family members whom I had neglected. I tried to understand my husband and tried hard to serve him. And to my husband's complaints, I began to reply with a big smile on my face, "Yes honey, I am sorry. I will be more careful next time."

God Healed My Son and Led My Husband

One day, while my second son Sangkyu was playing with his ball, he fell and broke his toe. Sangkyu had been a Manmin member since he was in my womb. My husband wanted to take him to the hospital. And although he always listens to his dad, this time he refused, saying "Dad I won't go to the hospital. If it's ok with you, I want to go to church and receive prayer from the Senior Pastor."

On the following Sunday, my husband took Sangkyu to church. That day, Dr. Jaerock Lee was on an overseas business trip so he received prayer from Pastor Sooyul Cho instead. But after his prayer, he ran up and down the stairs without any pain. After seeing this, my husband began attending Sunday morning services that very week.

Moles Disappeared Only by Shaking Hands.

"Mom! The mole is gone!" My daughter Hyerim exclaimed, "Wow, it just disappeared!" She pointed to the place where a

mole on her hand used to be. Three years ago, Hyerim began to develop about 30 moles on her feet, knee, and hands. All she did was shake hands with Dr. Jaerock Lee with a prayer request sticker labeled "Healing of moles", and one of the moles had vanished! As a teenage girl, the mole had been an emotional burden for her.

Through this experience, Hyerim came to have faith, and once again received prayer from Dr. Jaerock Lee a week later. Soon after that, many of her moles disappeared, some of them just falling off here and there. And soon after, she became completely clean. From this experience, Hyerim deeply felt the love of God, and she now worships God in spirit and in truth during the services. But surprisingly, my husband was rejoicing more than Hyerim herself. He always felt heartbroken when he saw her daughter's hands. He was so overjoyed by her healing and his faith grew so much that he now fully keeps the Sabbath day holy and makes full tithes. And this is why, according to His justice, God protected him in the traffic accident that could have been fatal, leaving him perfectly unharmed.

I am just overjoyed because my prayer and wish that my entire family would attend church together has been answered.

Hyerim's Hand Healed of Moles (before(left) and after(right) the prayer)

I am especially thankful for my supportive husband. Nowadays when I come back from Friday night service, my husband kindly says "Feel free to sleep dear, I will take care of the breakfast."

Looking back on the past, I feel sorry for not serving my husband more. And now my husband seems to feel sorry for having persecuted me about going to church. I give all thanksgiving and glory to God, who led our family to the way of faith with such an amazing experience and His amazing love.

After MMTC Europe Camp 'The Message of the Cross'

Yejin Cho (First Year High School Mission)

As I arrived in Breuexell, Belgium where EU headquarters is located, I could feel a spiritually dreary atmosphere. Looking at the graffiti covered walls and lascivious posters.

Nevertheless, the work of the Holy Spirit was surely happening here through the MMTC camp entitled 'The Message of the Cross.' After showing 'The Power of God' DVD, Missionary Jane Mpologoma preached the message while Pastor Guy Davits led praise. After the praise, the trainees took out the handkerchiefs that Dr. Jaerock Lee had prayed upon and earnestly prayed for the attendees. The place quickly exhibited the strong workings of the Holy Spirit; People praying for the Lord's grace, shedding

tears, and receiving tongues.

One member, a volunteer translating Spanish, had been suffering from severe dermatitis on his abdomen for two weeks. Missionary Hyun-sook Noh sprayed Muan sweet water on him and prayed for him, using the handkerchief (Acts 19:11-12). And the very next day he was perfectly healed, and though a practicing Catholic, he converted to Christianity. Seeing a member coming all the way from France to attend the meeting, I truly felt that world evangelism was becoming a reality. Thinking, "What I can do for these souls?" I, as a person nurtured in the Manmin Church from childhood, felt a great weight of responsibility.
