

With the youngest son David (the second from right of the front row), who was at a critical state but received healing and became healthy

"I am thankful to God for not only healing my youngest son who was on the verge of dying, but also for increasing our faith through this experience."

When it had been about 30 days from the time that David Eu Junior, our youngest son, had been born, his belly swelled up with fever. My husband and I thought it was just gastrodynia and prayed for him with the handkerchief of power. However, ten days later his body temperature rose to 40 degrees C (104 F) without any improvement.

My husband (David Eu) is a medical doctor. He said, "He seems to have a viral infection. If so, then he can't be healed with medications." We just waited for him to recover while administering handkerchief prayers over him. But the fever wouldn't stop even in 10 days, so we examined his blood and urine in pediatrics on November 30, 2009.

The doctor diagnosed him with urinary tract infection and said that he had to take antibiotics. He also added that the baby was in a critical medical state indicating that the white blood cell count and CRP (C-Reactive Protein) in his urine was well above the normal level. Finally, on December 3, his belly swelled up with fever and got stiff. He also showed symptoms of nausea.

My husband said that it was peritonitis. At the moment, I remembered members of Manmin Central Church who were healed of peritonitis, so we requested prayer from Dr. Jaerock Lee's time-and-space-transcending prayer and to attend the New Year's Service at our church. She was born in Malaysia and was raised in a Christian family. She immigrated to New Zealand when she was 18 and has lived in Singapore since she was 28.

She came to know about our church in 2007 when she was working as a producer and was in charge of overseas ministry in Far East Broadcasting Company-Singapore. She received the book authored by Dr. Jaerock Lee *The Measure of Faith* from her mother-in-law, Pastor Mary Eu, and read it. Her heart was greatly moved by the

"My husband and I discovered ourselves. Although we were listening to the holiness gospel we found that we still loved worldly things. Through our sick baby we truly repented. We believed our

baby would be healed perfectly if Senior Pastor would pray for him." After repenting before God, we sent an email along with a photo to Manmin Central Church and requested Senior Pastor's prayer. After Senior Pastor Dr. Jaerock Lee prayed during the Friday All-

night Service on December 4, 2009, Sunday Morning Service on January 6, and Friday All-night Service on January 11, the healing work happened transcending space and time. His urinary tract infection and sepsis disappeared, and his belly, which had been

swollen up, relaxed dramatically.

Not only did the symptoms of peritonitis completely go away, but the pus coming out from his anus stopped and the red spots on his skin disappeared. By Dr. Jaerock Lee's prayer, the healing work took place really quickly. At

the medical checkup taken at the hospital on December 30 we found that our son had become totally normal. Hallelujah!

Now David is growing up well. Through this experience, we received comprehensive blessing; not only did our faith grow, but our children became healthier than ever.

We have made up our minds to strive to become people of spirit who are God-pleasing children of God in 2010. And I hope that my parents and other family members living in New Zealand can hear and listen to the holiness gospel as well.

"I Am Thankful to God Who Healed My Son Who Was Close to Death"

Minister Deborah Hwang (Singapore)

David Eu Junior, who was in a critical medical state with a urinary tract infection and sepsis, but became normal by the prayer of Dr. Jaerock Lee

On last December 31, 2009 Deborah Hwang and her husband David Eu came to Korea from Singapore to visit our church along with their son David Eu Junior. This visit was to express thanks for the healing of their youngest son David by Dr. Jaerock Lee's time-and-space-transcending prayer and to attend the New Year's Service at our church. She was born in Malaysia and was raised in a Christian family. She immigrated to New Zealand when she was 18 and has lived in Singapore since she was 28.

She came to know about our church in 2007 when she was working as a producer and was in charge of overseas ministry in Far East Broadcasting Company-Singapore. She received the book authored by Dr. Jaerock Lee *The Measure of Faith* from her mother-in-law, Pastor Mary Eu, and read it. Her heart was greatly moved by the

book, and she heard the voice of Holy Spirit that said 'This is what you should broadcast in your program.' After this, she wanted to visit Korea and meet Senior Pastor but couldn't decide to do it. But she again heard the voice of the Holy Spirit saying 'Go! Then you will hear what you couldn't hear in Singapore.' Meanwhile her mother-in-law, Pastor Mary Eu also wanted to visit Korea after reading Dr. Jaerock Lee's book, *Heaven*. Eventually, she visited our church with Deborah Ting, who is currently dedicated to the literary mission in Malaysia.

"I was very impressed when I met Dr. Jaerock Lee in person. Although he is a pastor who has led huge overseas crusades and manifested great power of God, he was very gentle and humble."

Receiving a lot of grace at her first visit, she returned to Singapore and told her husband about it. When she visited Manmin Central Church again

2 weeks later with her husband, there was Pastors' Seminar with the Speaker Pastor Dongcho Shin. While she was attending the seminar, she gained a deeper understanding of the holiness gospel and spiritual realm.

She received much grace through Dr. Jaerock Lee's testimonial memoirs *Tasting Eternal Life before Death*; and the books *My Life, My Faith I and II*. She also received grace through Dr. Jaerock Lee's sermon series' *The Message of the Cross, Heaven I, Heaven II and Hell*. The books clearly explained to her about true faith and salvation, Heaven and Hell, and filled her with joy by giving her more hope for New Jerusalem. She had led a Chinese gospel program for 2 hours each day from the second part of 2007 to 2008 using these books by Dr. Jaerock Lee.

"This program was broadcast in Singapore, Malaysia, and

Indonesia as well as in China, and it was a fresh spiritual shock of awakening for many souls. Many listeners were deeply impressed and ordered the program on CDs"

She is now making Dr. Jaerock Lee's books in audio books using her talents.

She has a special grace and longing toward the holiness gospel, so at his point she has now come to Korea to visit our church 7 times. She realized how important the circumcision of her heart was and is never lazy in the growth of her faith and trying to resemble the Lord as well. Through this faith and these deeds she could show her faith even when her youngest son, David, was in such a critical medical situation with several diseases.

"This is the literary adaptation of the contents of the interview with Minister Deborah Hwang."

"May the Hearts of the Lord's Servants Be Filled with God Alone!"

The First Devotional Service of 2010 Was Offered as the Lord's Servants' Devotional Service

At 3 PM, January 10, during Sunday Evening Service, our church offered the first devotional service of the new year with the Lord's Servants' Devotional Service. This service was presided over by Pastor Soojin Lee, President of Pastors' Association. Following the representative prayer by Pastor Jaesu Choi, President of Yeungnam Regional Assembly, all of the devotees offered praise with a special song that was titled 'Only My Lord', a

song that has been given from God. They glorified God with thankfulness for the grace and love from the Lord. And then, Senior Pastor Dr. Jaerock Lee delivered the message under the title 'Heaven Is More Precious than Anything' based on the scripture taken from Matthew 25:14-30.

Dr. Jaerock Lee urged the devotees in his message saying, "If you consider Heaven as the most precious possession

of all, first of all, your heart should be full of God alone. You have to crucify the flesh with our passions and desires. You must then fill your heart with God, the Lord, the shepherd, and the flock together with the attributes of faith, hope, and love. Secondly, your words should be perfect. You should never speak a word that causes your flock to stumble. You should provide them with strength and hope and life by your words. Thirdly, you must have no adultery in either spirit or body. You have to throw away the sinful nature in the heart completely, and your eyes, heart, language, behavior, and even your dress, that is, everything has to be perfect."

The devotees prepared devotional offerings with their hearts and offered it to God a GCN Mission Offering. And they made up their mind to be dedicated for the kingdom of God until all the souls would receive salvation.

God-Pleasing Aroma of Goodness

"Jesus said to her, 'Woman, why are you weeping? Whom are you seeking?' Supposing Him to be the gardener, she said to Him, 'Sir, if you have carried Him away, tell me where you have laid Him, and I will take Him away.' Jesus said to her, 'Mary!' She turned and said to Him in Hebrew, 'Rabboni!' (which means, Teacher). Jesus said to her, 'Stop clinging to Me, for I have not yet ascended to the Father; but go to My brethren and say to them, 'I ascend to My Father and your Father, and My God and your God.'" Mary Magdalene came, announcing to the disciples, 'I have seen the Lord,' and that He had said these things to her."(John 20:15-18)

As beautiful and fragrant flowers make us happy, those who serve other from the depths of their hearts give out the pleasing aroma of goodness and are able to touch other peoples' hearts. Mary Magdalene was the woman who gave out such a God-pleasing aroma. So she was blessed to be the first person who saw the resurrected Lord. Then, what is the aroma of goodness that pleases God the Father like Mary Magdalene?

Senior Pastor Dr. Jaerock Lee

At the time of Jesus there were many other women and disciples in addition to Mary Magdalene. When Jesus complimented somebody, Mary Magdalene rejoiced as if she had been complimented. If somebody pleased Jesus and became strength to Him, she was grateful to that person. She did not become discouraged thinking, "Why can't I become strength to Jesus? Why can't I please Him?" She just remained at Jesus' side fulfilling her duty faithfully with joy and thanks. This is the way that Mary Magdalene always gave out the aroma of goodness that pleases God.

First, it is service.

Those who serve from heart will sincerely serve any kind of person. They don't just serve their seniors or those who are worthy to be served. They will obviously serve their seniors as is proper, as well as their juniors or subordinates. It does not matter whether they are children, adults, the poor, or the rich, they serve everybody.

Jesus said in Matthew 10:42, "And whoever in the name of a disciple gives to one of these little ones even a cup of cold water to drink, truly I say to you, he shall not lose his reward." Nobody can give a small child a cup of cold water to drink. However it is this kind of service that pleases the Father and for such service He will give us rewards. When Jesus said 'in the name of a disciple,' it means to serve others with good hearts that are cultivated by the word of God.

It is not service coming out of educated etiquette or human sympathy. It is when the goodness in service comes from the heart and is shown as true deeds. Because such people can hear the voice of the Holy Spirit and receive His guidance very well, they can serve others exactly according to the others' situations.

Mary Magdalene served Jesus by understanding His heart completely, and she desired nothing in return. Jesus gave her such great love and grace and she loved the Lord so much that Mary just served with a heart that could sacrifice her everything without sparing anything. In this same way, if you serve without wanting something in return because you are just happy to serve even though others don't recognize you or your service, it is the service of loving goodness.

Secondly, aroma of goodness that pleases God the Father is from the heart that rejoices with the truth.

The spiritual love in 1 Corinthians 13 has this attribute. This is the attitude of sincere rejoicing even when others bear more fruit, and receive more praise, recognition, and more love than you. God the Father wants all of you to have the heart of goodness to sincerely rejoice. When others are well-off, you rejoice like it's your own good fortune. When others bear more fruit than you, you are thankful that they filled up the amount that you couldn't fulfill. When others go into whole spirit quicker than you, you rejoice together for there has come forth a fruit that fulfills the Gospel of Holiness. If you have this kind of heart, you will give out the aroma of goodness that pleases God.

Thirdly, the aroma of goodness that pleases God is to love the Lord more deeply in all situations.

When is the moment that you can feel the love of Mary Magdalene for the Lord to the utmost degree? It is when Jesus was taking the sufferings of the cross. When Jesus was arrested, most of the disciples ran away out of fear of also getting into trouble. But Mary Magdalene, along with the Virgin Mary, stayed with Jesus until He died on the cross. She stayed with Jesus until the end with the kind of mind that thought only, "If I could just take the blood that my Lord shed! If only I could just bear the pain of the Lord! How can I comfort Him in His pain? How can I share His pain?"

After Jesus died, she was the first to go to His tomb in the early morning to put perfume on His body. She was blessed to be the first person who saw the resurrected Jesus Christ. Many people followed Jesus when He was performing many signs and wonders. Mary Magdalene just seemed to be one of them at that time. But during those times, Mary Magdalene increased her love for the Lord. She received the words of the Lord as her own and she bore the perfect fruit of spirit in her heart. As a result, she could show deeper love for the Lord when He was in the worst of situations. God the Father wants you to love the Lord more deeply and show perfect love in any kind of situation.

Dear brothers and sisters in Christ, in the church we can see the fruits of the leaders are different when they take care of the souls, according to how much they are united with the Lord in love. The more they are united with the Lord in love, the more love of the Lord is delivered to the souls through those leaders. So, the believers are also connected to the Lord and they grow in their faith. Therefore, to be united with the Lord in love is very important. In the name of the Lord, Jesus Christ, I pray that you will not only lead many souls into salvation and sending out a God-pleasing aroma from your love for the Lord, but I hope that you will become a precious one in the kingdom of Heaven!

"Manmin News Is a Partner in My Ministry"

I am Pastor Tariq Zia in Pakistan. I received much grace while reading the message titled 'Blessing' in the 'Word of Life' section of *Manmin News*. When I preached the same message at my own church, the members became filled with joy and were thankful for the precious message. The reason is that they realized how their families and themselves could receive blessings from God. And when I shared the grace with the testimonies carried in the newspaper, they glorified God crying out "Hallelujah" at the amazing works of God's power. My church experienced many changes and is in revival because I preached the sermons with the teachings that I learned from *Manmin News*. The newspaper has been of big help in my ministry.

"Manmin News Has Been a Blessing to the Church and Members"

I am Pastor Raja Ram Tiagi in Sultanpur located in Northern India. I met Pastor John Kim at a meeting held in Barabanki, India, and that was where he handed *Manmin News* to me. The newspaper was a blessing to me and my members. One of my members once came over and asked this question, "Why did God place the tree of knowledge of good and evil although he knew Adam would eat from it?" I couldn't give him a clear answer. But through reading the weekly column 'The Message of the Cross' carried in the newspaper, I could give him the answer to that question. Many souls are accepting the Lord when I distribute *Manmin News* in Hindi and showing them the 'The Power of God' DVD. In addition, various diseases have been healed.
