"The Lord of Love Healed My Pain from Divorce and Restored Joy in My Life!"

Deaconess Yuriko Takeda (Osaka Manmin Church, Japan)

When I finished the lawsuit of divorce with my second husband in September of 2009, I was at a loss what to do. I tried to become clear-minded and struggled to earn a living with my two children.

Hearing the Gospel when Exhausted in the Pain of the Second Divorce

One day when I went to the kindergarten to bring my second child, I chanced to meet Deaconess Yukiko Enshu who was attending Osaka Manmin Church. Even during a short conversation, I shared my story with her, and she listened to my words shedding tears. She also prayed for me, and let me hear a word of Jesus saying, "Come to Me, all who are weary and heavy-laden, and I will give you rest" (Matthew 11:28). I didn't understand the meanings of the word and her prayer, but was touched in my heart and wept with her explanation of the existence of God and His word. And I felt my heart was being healed. A few days later she gave me a card with a Scripture saying "So do not worry about tomorrow; for tomorrow will care for itself. Each day has enough trouble of its own," and the word comforted me (Matthew 6:34).

At that time I thought all problems were from my fault, and determined that I would not rely on anyone else but overcome for myself. But I was extremely exhausted. That's why I got interested in the existence of God who had given me comfort and peace.

I Made My Goal of Life of the Word of God, and Accordingly My Heart and Body Were Healed

In September of 2009, I came to attend Osaka Manmin Church. It was the 10th anniversary of the church and Pastor Heesun Lee led the handkerchief healing meeting. When I received the prayer from her, I was immediately healed of the pain on the spine.

Next Sunday I went to the church again and prayed to God for the lawsuit for the divorce with my second husband. I didn't know what to do, but just prayed, "God, I commit everything to You. Lead my family to the best way." After that many problems that had not been solved until then began to be solved, and the lawsuit of divorce that was expected to take much time came to close very quickly.

The pain on my ankles was so severe that I had difficulty in walking around and going to church, and I felt dizziness and nausea. But all these were healed even while I was attending the service. I also left my financial matter to God, and my apartment was sold at the proper price and I could purchase a new house located at the place I wanted.

I attended the worship service of Manmin Central Church via the satellite and through the messages preached by Senior Pastor Dr. Jaerock Lee, I came to understand what true life is. I had not known where I was going, but I came to believe that if I would continue listening to the word of God preached by Dr. Jaerock Lee and keep it, my steps of life would be prosperous.

I saw Senior Pastor Dr. Jaerock Lee harbor and pray for each of the souls that are poor, rejected, and abandoned, and suffer from diseases because he had experienced diseases and poverty before meeting God. He really wants the souls to be released from diseases, pain and poverty. I was so thankful to God for allowing me to meet this truthful shepherd, and expected I would be able to leave my life to him and follow him.

Thanks and Joy Overflow in the Blessing Given by God

I am so happy since God is leading all the moments of my life. I wondered why so many afflictions came upon me and thought affliction would not come to an end even though I was overcoming them one by one. I asked myself, 'What is the original problem? What was wrong with me?' But I couldn't get the answer. Now how thankful everything is! I give thanks to God because I met the living God due to those painful and difficult days.

At the Bible study meeting, I was told the Lord is my eternal bridegroom, and was so comforted and pleased. I have no anxiety and worry at all because the Lord is my bridegroom.

I am praying what I will to repay the grace of God, and living a happy and joyful life. I really appreciate God for His leading me to true and happy life and I hope to become a true child of God without forgetting my gratitude for His grace.

"We Were Protected from a Big Traffic Accident"

Pastor Jacob Lee
(Kinshasa Manmin Church, Democratic Republic of the Congo)

Kinshasa Manmin Church was so busy with the preparation for holding the handkerchief healing meeting that would be held at the Mikonga Local Sanctuary. On April 22, Women's Mission was scheduled to spread the flyers and evangelize at the Mikonga Area.

I prayed with the handkerchief for the safety of the vehicles and the fruit of evangelism, and we got on a van and a car. After spreading the gospel all day long, they came back to the church filled with grace. Mama Rose, President of Women's Mission gave a testimony they had experienced on the way to Mikonga.

On a downhill road, the van suddenly made a popped sound and ran down in a zigzag manner. The driver tried to stop the van but it didn't stop. The two back wheels went flat and were flown away.

What was worse, a big bus was running after our van and seemed to bump into our van. It was not easy to stop our van because the road was not good.

All the members in the van had no fear and prayed to God crying out "God of the shepherd." By the help and work of God, the van that couldn't be controlled came to be pulled over at one side of the road. God protected them from a big traffic accident.

The 7th International Christian Medical Conference was held at the Conference Hall of Hotel Sheraton in Rome, Italy on May 21 and 22, 2010, under the auspices of WCDN (World Christian Doctors Network). This 7th annual conference was attended by 270 doctors and medical professionals from 40 nations including USA, Russia, UK, Australia, Brazil, Uganda, and India.

The Organizing Committee for this conference chose 7 divine healing cases through exact and analytic examination among many powerful works of God, and the 7 cases were presented with medical data. The audience applauded the four cases: the case of a patient's revival from a heart attack presented by Dr. Chauncey Crandall, Cardiovascular Disease Physician, Palm Beach Cardiovascular Clinic in Palm Beach Gardens, Florida, USA; the healing case by Dr. Teh Mii Lii, Obstetrician & Gynecologist from Malaysia in which a woman had an amnion rupture in 19th week of pregnancy and accordingly had the possibility of miscarriage or premature delivery, but later delivered a normal child easily by prayer; the cases in pediatrics and pediatric surgery by Dr. Cesare Ghinelli, pediatrician of the University Hospital of Parma in Italy; and the case of the healing of stomach cancer by Dr. Fidel Fernandez, pathologist from the Philippines.

The two cases of the healing of oligohydramnios and stomach cancer were manifested through the prayer of Dr. Jaerock Lee, Founder and Board Chairman of WCDN and Senior Pastor of Manmin Central Church. The presentation and discussion of the divine healing cases confirmed the power of the living God. Dr. Roberto Fernandez Vina, a world pioneer in developing adult stem cell therapies for heart diseases, Type 2 Diabetes, and serious lung disorders, gave a special lecture on 'Adult Stem Cells and Stem Cell Therapies.' This 7th conference held in the eternal city of Rome, the martyrdom place of the apostle Paul was featured with many more divine healing cases of a better quality than ever before, and estimated to be a fruit of the 3rd stage of the takeoff in the ministry of Manmin Central Church.

Many medical doctors said, "This conference was very successful with the higher level of the takeoff in various phases. The divine healing cases and speeches certainly confirmed the existence and power of the living God."

In particular, Italian versions of Dr. Jaerock Lee's books, including *The Message of the Cross, Heaven I & II, Hell* and *God the Healer* were displayed and touched the hearts of many Italian doctors who were thirsty for the Word of life. Nothing Is Impossible with God!

"'If You can?' All things are possible to him who believes." (Mark 9:23)

Senior Pastor Dr. Jaerock Lee

People meet with not only happy and joyful things but sorrowful and painful thins as well. Some people suffer from diseases, financial difficulties, problems at home and schools. Some others seem to have no problem outwardly but have inexpressible conflicts and discords between parents and children, couples, and parents-in-law. All these problems, however, can be resolved through the faith in God in whom nothing is impossible, as recorded in the Bible.

By the power of God the Creator of the whole universe, the dead are revived, the blind come to see, the mute speak, those who couldn't walk are made whole and come to walk, and all kinds of incurable diseases and terminal diseases are healed. What should we do in order to experience the almighty power of God and lead a successful life by faith?

1. 'If You can?'

In Mark 9:14-23 are conversations between Jesus and the father whose son was possessed with an evil spirit and made mute and deaf by that. The son also suffered from epilepsy. The father always lived a hopeless life in the midst of anxieties and pains.

One day he came to possess a hope because he heard about the miracles Jesus had performed—reviving the dead, healing people of various illnesses and sicknesses, and opening the eyes of the blind. The father expected Jesus would heal his son, and came to Jesus with the hope for his son's recovery and said to Him, "If You can do anything, take pity on us and help us!"

And Jesus rebuked the father of his unbelief, saying, "'If You can?' All things are possible to him who believes." The father had the knowledge of Jesus' powerful ministry, but just expected accidental healing would happen because he didn't believe from the heart.

If the father had believed Jesus is the Son of God and can do everything with His almighty power, he wouldn't have expressed a conditional word, "If You can do anything, take pity on us and help us!" It is impossible to please God or to receive His answers without faith. To give the father a spiritual awakening, Jesus said to him, "If You can?" and rebuked him of his incomplete belief.

2. Nothing Is Impossible to Him Who Believes

What do we have to do in order to receive answers with complete faith?

First of all, we have to destroy the barriers of sin between God and us. Isaiah 59:1-2 says, "Behold, the LORD's hand is not so short that it cannot save; nor is His ear so dull that it cannot hear. But your iniquities have made a separation between you and your God, and your sins have hidden His face from you so that He does not hear."

If we have the barriers of sin before God, we cannot either receive answers or understand His will. Since we cannot obey the will of God, we have nothing to do with Him. That's why we have to shatter the barriers of sin into pieces by repenting of our sins, and struggle against and throw away sins to the point of shedding blood. We have to hate and dislike sins until we cannot commit sins. Then, we can have communication with God and possess perfect faith.

Secondly, we have to seek the will of God. It is recorded in Matthew 22:37-38, "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind. This is the great and foremost commandment," and in 1 John 5:3, "For this is the love of God, that we keep His commandments; and His commandments are not burdensome." Therefore, we should clearly discern the will of God and throw away whatever we like if it is against His will. On the contrary, we should be able to practice whatever will of God even if we dislike it. If we seek and practice the will of God with all our sincerity, all our hearts, and all our strength, God will give us complete faith.

Thirdly, we have to love and please God. Psalm 37:45 says, "Delight yourself in the LORD; and He will give you the desires of your heart." We should do all to the glory of God, whether we eat or drink, or whatever we do (1 Corinthians 10:31), and please God to the point of sacrificing ourselves. Then, we can receive the faith that makes the impossible possible.

If we receive complete faith, we can believe not only what is seen and seems to be possible with our strength but also believe and obey what is invisible and seems to be impossible. We can receive whatever we ask for by this complete faith and glorify God.

Dear brothers and sisters in Christ, God proclaims, "'If You can'? All things are possible to him who believes." If this Word of God comes upon our heart and complete faith is given us, any kind of problem can be resolved. Therefore, we should look at everything by faith without getting involved in any fleshly thoughts and patiently pray for God's answers. May you please God with this complete faith and patient prayers, and glorify God by receiving answers quickly, in the name of the Lord Jesus Christ I pray!
