

The Doctor Said, “Something Amazing Happened! The Cancer Cell Is No Longer Seen!”

Brother Keumhyn Kim (Kwangju Manmin Church)

In 2000, I was engaged in agricultural business treating agricultural chemicals and fertilizers with my retirement pension, some amount of loan from a bank, and investments from some acquaintances. One day a fire broke out at my factory and I had to close the door. A couple of years later I reopened the factory but it ended up complete failure with a big amount of debt—150 million Won (\$130,000 USD).

Stricken with Meniere's Syndrome in the midst of Failure, Frustration and Despair

Humans are sometimes merciless. After I failed in business, my close friends, relatives and neighbors abandoned me and even my family was not a shelter to me anymore. And I was shocked at the failure in business and this caused tinnitus to happen to me and I suffered from cicada's chirring sound in my ears. Finally I was stricken with Meniere's syndrome which is a disorder of the inner ear that can affect hearing and balance to a varying degree and is characterized by episodes of vertigo and tinnitus and progressive hearing loss, usually in one ear. Frequent vertigo and nausea followed me and I was often sent to emergency care unit.

In 2006, I was losing a desire to live in the midst of despair. I thought I could not live in that condition of failure and unsuccessful life and went to a fortuneteller. The fortuneteller told me about my last failed life exactly. From that time I dreamed of a bright future relying on fortunetellers and sorceresses and tried to comfort myself by visiting a Buddhism temple.

In 2007 I entered an insurance company and as an insurance planner, I first gained a bigger amount of income than expected. But the income was not enough to pay a great amount of debts caused by credit cards and private loans. Meanwhile I was cheated by a client and swindled out of tens of

thousands of dollars, and fell into deep despair. One more problem was that no one seemed trustworthy at all because I had been cheated by the people around me.

In 2009, Deaconess Chunrye Kim, an insurance client began telling me the gospel of the Lord. She said, "It is difficult for you to overcome this situation with human strength. When you attend church you can receive real blessing. Let's go to church." I answered, "OK. It's not difficult to me." She gave me a map to her church, and told me to visit there on the coming Sunday.

In the mid May I visited Kwangju Manmin Church. It was around 2:30 PM before Sunday evening service started. Deaconess Chunrye Kim welcomed me and guided me into the sanctuary. When the worship service began, I felt a little awkward and couldn't understand the message, but my heart calmed down and was in peace.

Healed of My Disease by the Work of the Holy Spirit

After the service ended, I was guided into an office and Pastor Hyungryul Park received me with smile and shook hands with me, saying, "Brother Kim, welcome!" I shared some talks with the pastor and he played a DVD titled with "The Power of God" for me. It showed many works of God are taking place and countless people are healed of their long and chronic diseases. I was so touched at the

healing cases and welled up tears. And I made up my mind to attend the church continually.

I registered at the church and kept the Lord's Day holy and gave my full tithe to God. As a result, God began working on me and healing me of my diseases.

In the end of May I attended a divine healing meeting Pastor Park led with the handkerchief Dr. Jaeroock Lee had prayed on. I received his prayer, and felt something like a hand entered my chest and something warm was running through my body. And I welled up many tears with runny nose without restraint. Afterwards all the symptoms of Merniere's syndrome completely disappeared. In addition, until that time I had suffered from ankylosing spondylitis. One night Senior Pastor Dr. Jaeroock Lee appeared in my dream and touched my crooked back. After that my spine was straightened.

I was serious smoker. When someone says to me, "If you keep smoking like this, you will die tomorrow," I answered, "Today I enjoy smoking, and tomorrow I'll die." I liked smoking that much. I attended church, but kept on smoking. In August of 2009, I attended the nation-wide men's and women's missions' summer retreat, and received the gift of speaking in tongues at the Holy Spirit's Fullness Prayer Meeting. After that smoking smelled severely foul and I could quit smoking completely.

Cancer Cells Disappeared by Receiving Prayer with faith

The medical checkup showed the possibility of stomach cancer. After coming back home from the summer retreat, I went to the Chonnam University Hwasun Hospital and I was diagnosed with Non-Hodgkin's lymphomas, which is also called lymphatic cancer because cancer cells radiate to stomach, lungs, and the neck.

Some church leaders visited me and explained to me about what the faith is and how to receive healing, but I didn't completely rely on God. My relatives recommended to me I receive medical treatments at the hospital and I thought of a big amount of cancer insurance because I expected I would be able to pay for hospital treatment payment with that big insurance money.

The doctor said I should receive anti-cancer treatments 8 times. After the second treatment, I felt

so sorry before God. I had once experienced His healing power and tasted the strength of God's grace at the last summer retreat, but I was not acting with the deeds of faith. However, I had the faith as small as a mustard seed and repented before God, and then wished to receive the prayer from Senior Pastor Dr. Jaeroock Lee. I earnestly relied on God praying, "God! Help me possess true faith!"

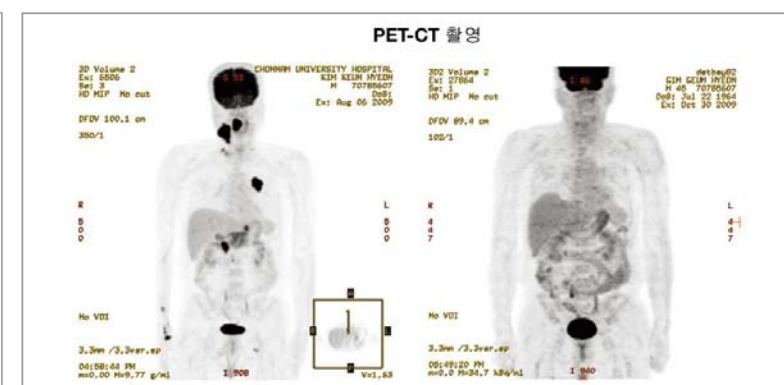

On August 29, I heard members of Kwangju Manmin Church were scheduled to meet Senior Pastor. I prepared for the meeting with him by earnest prayer. At last I received his prayer. He prayed for me, saying, "Father God! Please work on this son! In the name of Jesus Christ, I command, cancer cells go away from him! Be clean!"

Two days later I went to the hospital again, and to my amazement all cancer cells had already disappeared. My doctor was also surprised to see the result saying, "Oh! Something amazing happened to you! No more cancer cell!" I answered, "Yes, God healed me! I was healed by prayer."

Since then, I received the medical checkup every three months and the results showed I am normal and healthy. I am still defected but how thankful it is that God gave me such a great grace and love! I give thanks to God for healing me and send my heartfelt thanks to Senior Pastor Dr. Jaeroock Lee who prayed for me in the name of Jesus Christ.

After the prayer: Healed of tinnitus and recovery of hearing

Before the prayer: Lymphatic cancer cells are seen at many parts. After the prayer: Lymphatic cancers disappeared

Since the year of 2000, praise and dance teams have participated in decades of Dr. Jaeroock Lee's overseas crusades and spearheaded at the spiritual wars and opened the victorious doors to those crusades with praises just the way Jehoshaphat the king of Judah appointed those who sang to God and those who praised Him in holy attire and they went out before the army, and praised and gave thanks

to God (2 Chronicles 20).

The performance teams accompanied Dr. Jaeroock Lee at his 12 crusades held in Uganda, Japan, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, DR Congo, and the New York City of USA, and 2009 Israel United Crusade, and sang praises in many foreign languages as well as their local language, including English, French, Spanish, Japanese, German, Russian, Urdu, Arabic, Hebrew, Lingala, Tamil, Hindi

In addition, such performance teams from the Performing Arts Committee have showed the world-top class Christian performances and lifted up the name of God at many worship services, Christian events and handkerchief healing crusades. Their performances at the church

The Seven Spirits

"And I saw between the throne (with the four living creatures) and the elders a Lamb standing, as if slain, having seven horns and seven eyes, which are the seven Spirits of God, sent out into all the earth." (Revelation 5:6)

Senior Pastor Dr. Jaerock Lee

'The seven Spirits' refers to the heart of God who is spirit. In order for us to receive answers from God, we have to understand the heart and will of God and ask in accordance with His will for His answers. The standard of God's answers is the word of the seven Spirits. 'Seven' here does not mean that God has seven spirits. Seven is the number of completion in a spiritual sense, and the seven Spirits are the complete Spirit of God.

God sees and examines all men on the whole earth with the seven Spirits that are sent from the heart of God (Revelation 5:6). The seven Spirits exactly examine and measure the hearts, thoughts, words and deeds of all men and God gives His answers and blessings to those who are proper according to His justice and measurements. Just as we have to pay for vegetables or meat according to their measure of weight to buy them, we have to meet the conditions of God's answers according to the measurements of the seven Spirits to receive God's answers. What do the seven Spirits measure?

First is the measurement of our faith.

The faith that the seven Spirits measure is spiritual faith accompanied with deeds, which is given by God as much as we cast off evils and become sanctified (James 2:22). The reason that the first measurement is faith is that all the other measurements are conducted based on faith.

The God of justice set up different standards of measurement in accordance with each one's measure of faith and the seven Spirits measure each one with the different standards. The seven Spirits first measure each one's faith and then measure the 6 other fields according to his measure of faith. We have to show the deed of faith that goes over his level of faith in order to receive God's answers to our big prayers, and this is a chance for us to improve our faith to a higher level.

Second is the measurement of our joy.

Joy is one of the representative proofs confirming that we have been saved and become God's children. With what else can you compare the joy of being rescued from the path to hell, eternal death and gaining eternal life and entering the kingdom of Heaven? Joy is the proof of our faith. Because we have the full assurance of the existence of God and the firm belief in God's answer to our prayer and supplication, we can rejoice in any kind of circumstances and situations. Joy comes from peace, so if we are at peace with everyone around us, the Holy Spirit gives us peace and joy overflows in us.

Third is the measurement of our prayer.

As said in the Bible, we have to pray to receive answers from God. The ways of prayer that is pleasing to God are as the following: to pray on a regular basis; to kneel down in prayer; to pray seeking the will of God; to pray in a loud voice; and to pray earnestly and fervently (Luke 22:39-44). If we pray to God in those ways, we can naturally cry out to God with all our hearts, show the attitude of honoring Him and pray with faith and love, and then we can receive His answers soon.

Fourth is the measurement of our thanksgiving.

If we clearly believe that God blessed us with salvation and answers, we have to give thanks to God from the bottom of our heart. How thankful it is that we were doomed to fall into eternal death but have gained eternal life because of God's love! And if we believe God guides us in every affair as our Father, we can give thanks in everything. And if we give thanks to God not only in a thankful condition but also in difficulties and always pray to God with faith, God will cause everything to work for the good for us.

Fifth is the measurement of our obedience to the Ten Commandments.

The Bible has many commandments of God telling us to do something, not to do something, to keep something and

to cast away something. The core points of all the commandments of God are embedded in the Ten Commandments. Keeping His commandments is the proof of our love for God (1 John 5:3). Just as we can do whatever our loved one wants, it is the same in our faith. If we really love and believe God, we keep and obey His commandments with joy.

Sixth is the measurement of our faithfulness.

God wants us to be faithful in both our God-given duty and all the aspects that are related to us (Numbers 12:7). When we not only faithfully perform our duties assigned by the church but also are faithful in all the fields including our homes and working places, we can be deemed to be completely faithful. God is delighted when we are faithful in all aspects according to the Word of the truth of God not only in action but also from the heart.

Seventh is the measurement of our love.

Love plays the role of a cord of making the 6 other measurements complete. No matter how much we have prayed, performed all our duties, accomplished God's works, and kept God's commands, everything is made complete and true only through our love for God and brothers in faith.

As the measurements of the seven Spirits say, faith is the first of all the seven measurements because only he who has true faith can rejoice and give thanks, pray without ceasing, keep God's commandments, be faithful in all aspects and lead our everyday life worthy for the children of God. But our faith and all other factors profit nothing unless we have love, so the seven Spirits lastly measure our love.

Dear brothers and sisters in Christ, God wants to give His beloved children whatever they ask for. I pray in the name of our Lord Jesus Christ you may receive answers and blessings according to the measurements of the seven Spirits.

Friday All-night Service Filled with the Holy Spirit and the Grace of God

Lecture on the Book of Genesis Attract the Hearts of Countless People at Home and Overseas

Friday all-night service at Manmin Central Church is very famous for Dr. Jaerock Lee's life-filled messages preached in the inspiration of the Holy Spirit, heart-touching praise and prayer, and manifestations of God's powerful works. A myriad of people have experienced God-anointing grace and received His answers and blessings attending the Friday all-night service filled with works of the Holy Spirit.

World-wide Worship Service Transcending Nations, Races and Denominations

The Friday all-night service has been offered in commemoration of the holy Friday when our Lord Jesus was crucified. This service is held from 11:00 PM Friday until 4:00 AM Saturday, and is attended by numerous pastors and brothers and sisters in faith all over the world via satellite TV and the Internet. The audience and viewers transcend nations, races and denominations, and their longing heart to listen to Dr. Jaerock Lee's anointing messages

becomes more fervent.

This service is broadcast on the Internet into 6 languages—English, Chinese, Japanese, Spanish, French, and Mongolian, and broadcast live to 130 nations via 3 satellites—ThaiComm5, NSS6, and ABS1 into 4 languages—English, Japanese, Chinese, and Tagalog. The Russian translation service is available only to the audience in attendance. So many viewers have been touched by Dr. Lee's messages, and received healing by his prayer for the sick, and thereby they have sent their thanksgiving letters to Dr. Lee and paid

visits to Manmin Central Church in gratitude.

Beautiful Performances of Choir and Orchestra, and Weekly Video News Program

At the first section of the Friday all-night service, choir's anthem is offered along with the performance of Nissi Orchestra and it is followed by special songs and dances of many performance teams that belong to the Performing Arts Committee. Church members are refreshed and renew their strength at those inspirational praises and heaven-like performances, and they are prepared to open their hearts and listen to the message attentively.

'Manmin Magazine' weekly video news program produced by Manmin TV is so attractive to the audience and the viewers. This video presentation deals with current church news, testimonies to God's powerful works, and overseas ministries including pastors' seminars, handkerchief healing meetings, and many other various conferences. This program has contributed to planting living faith into the hearts of the audience.

God's Providence of Creation Revealed through Lectures on the Book of Genesis

On June 26, 2009, Dr. Jaerock Lee began delivering the messages on the Book of Genesis and the providences of God's creation and mysteries of the salvation of crucifixion have been revealed through lectures on the Book of Genesis. The first series of lectures on Genesis had attracted the eyes of many pastors, church leaders and workers, and according to their requests, Dr. Jaerock Lee is preaching the second series of lectures on Genesis as the revised version.

A pastor from another church, after listening to the lectures on Genesis, said, "Through this lecture on Genesis, I've got the clear answers to many questions I had wondered about for long. Since Dr. Jaerock Lee is explaining spiritual meanings in a simple and easy manner, even newcomers can understand and be touched."

Dr. Lee explains about the works of God before the beginning of time as well as His 6-day creation, and proclaims with tangible proofs that God is the only Creator and the Ruler of the history of human beings. His exact and powerful messages are destroying the fallacy of evolutionary Darwinism that has been planted deep within the knowledge of modern people, and quench the spiritual thirsts of those who have a longing heart for the truth.

Inspirational Praise and Fervent Prayer in the Work of the Holy Spirit

Between the first section of Friday all-night service and the second section is a 30-minute intermission, when brothers and sisters have fellowship in Christ drinking a cup of coffee provided by Women's Mission. After having happy and refreshing intermission, they come together again and attend the second section of Friday all-night service, and offer praises and prayers to God. By singing praises and praying to God with a fervent and longing heart, they are renewed in their hearts, empowered with spiritual strength and filled with the Holy Spirit. A worship leader helps the congregation sing praises to the Lord with love and faith, and in between praising the leader gives them prayer titles and leads them to pray for the kingdom and righteousness of God. At the midpoint of the second part of the service there are special songs, dances, and performances prepared by praise teams of each mission or branch churches, or testimonies of church members.

This all-night service is attended by various church members including children, students, young people, and adults. When the congregation sings praises clapping their hands and earnestly prays to God in unity, how pleased God is to see them and accept their fragrance! In particular, the songs that are received through God's revelation strengthen the longing heart for sanctification and the hope for Heaven of the congregation attending the service overnight, and fill their hearts with the love of the Lord.

Divine Healing Meeting Held on the Last Friday Every Month

On the last Friday of every month, divine healing meeting is held during the second part of the Friday all-night service. At this divine healing meeting, various works of the Holy Spirit including healing of diseases, the gift of spiritual tongues, and the anointing of the Holy Spirit take place.

From 9 PM until 11 PM before the divine healing meeting, the sick are supposed to apply at the Newcomers' Room and receive their nametags with their diseases' names, and then sit on the prepared pews in the Main Sanctuary.

The divine healing meeting is held with five sessions—First is the prayer and praise for repentance; second, the prayer to receive the Holy Spirit; third, the prayer to be influenced and anointed by and filled with the Holy Spirit; fourth, Dr. Jaerock Lee's prayer for the sick; and last and fifth, testimony-sharing time. While Dr. Lee is praying for the sick, many people who have received healing come up to the altar to testify to their healing. The worship leader helps the testifiers give the audience their testimonies properly and help them glorify God.

A sister from another church testified to her healing and said with joy, "I have been blessed attending the Friday all-night service. But I couldn't think I would be able to be healed. But God healed me of my ruptured ligament on the shoulder."

Those who have received healing experience the living God, come to possess true faith and the full assurance of salvation, and give thanks to God. Because too many people come up to the altar to testify to their healing, not all of them have the chance to give their testimonies.

Thus, Friday all-night service helps church members possess spiritual faith and strengthen their hope for Heaven and love for the Lord by works of the Holy Spirit. It is expected that all people attending this Friday all-night service of Manmin Central Church will be filled with the Holy Spirit and the grace of God and the love of the Lord pour down on their hearts.
