

Artistic Dance Mission Team Spreading the Hope for Heaven with Korean Traditional Dance

As recorded in Psalm 149:3, "Let them praise His name with dancing; Let them sing praises to Him with timbrel and lyre," the Artistic Dance Team which is a part of the Performing Arts Committee of Manmin Central Church, has glorified God with beautiful dance and performance accompanied by various musical instruments. They've been invited to many Christian events at home and overseas such as the Welfare Centers for the Elderly, jails, and military camps in Korea. They've appeared in many crusades held in the Philippines, Japan, Taiwan, USA, and Russia where they gave glory to God with beautiful performances.

The Artistic Dance Team consists of 27 female members. They serve one another and demonstrate their unity in the performances. Sometimes they make props and practice their performance from late night until early morning. They prepare with all their hearts to offer only the best performances to God. When heaven-like performance is presented through them, the audience is moved and misses the kingdom of Heaven shedding tears of emotion. Deaconess Myungsook Kim, Manager of the team, said, "Most of the members are college students and laywomen, but they are happy even in the night-time practice. It's because they hope to dance and show the beautiful performances in front of the throne of God in the Holy City of New Jerusalem. Some members are greatly moved in their heart and shed tears of emotion during the practice." They have various testimonies.

Deaconess Eunyoung Lee's 2-year-old son Yejun was healed of burns to the palm by prayer, and Deaconess Youbin Park was healed of a small cyst on the right breast and uterine myoma. Last year, Sister Hyewon Park slipped and fell to the floor while climbing the stairs in a rehearsal for 27th church anniversary. She found that her index toe was bruised, turned black and blue and was severely swollen. She even couldn't walk properly. She had to limp, but she still joined in practicing performances after spraying Muan sweet water on her toe and praying by faith. The next day she was completely healed and could participate in the anniversary celebration performance. A sister who has entered a college and started majoring in dance passed the entrance examination easily by the grace of God, and some other members who are attending college earned good grade point averages and received scholarships.

Through their dance performances and in the midst of beautiful songs the audience can experience the kingdom of Heaven. Through the performance of Artistic Dance Team, the believers of the church add to the hope for Heaven.

The Performing Arts Committee consists of 5 choirs, the Nissi Orchestra, 25 praise teams, and 16 soloists. The Committee serves the worship services, healing crusades, Christian meetings and events with praise, dance and various performances. They lift up praise and give glory to God through high class Christian performances.

At the Sunday evening service offered on September 5, 2010, the Artistic Dance Mission Team expressed the beauty of Heaven, our sweet memory of earthly life and gratitude for the love of God with beautiful fan dance to the music 'Beautiful Hope'.

"My Hope Is to Exalt the Name of God with Beautiful Dance!"

Deaconess Kyung-ae Seo (Teacher of Artistic Dance Team)

In January of 1997, I attended a service at Manmin Central Church for the first time, and my heart became filled with emotions. From that day and for a few weeks, whenever I attended the services tears welled up in the midst of my emotions. I had sought goodness until then, so when I listened to Dr. Jaerock Lee's messages on goodness and love my heart was so touched.

I was later commissioned to teach and help members of the Artistic Dance Team with the dancing performances. It was my major in college. I began fulfilling that duty only with the gratitude for the grace and guidance of God for the truth, and I always thought about how I could help them to improve their dancing skills, how we could show inspirational performances

by the inspiration of God, and how we could become clean and beautiful vessels that are pleasing to the Lord.

My 14-year-old daughter, Jiyang, suffered from severe atopic dermatitis from the age of 5 until she was 7 years old but she was completely healed by the prayer of Dr. Jaerock Lee. In 2009, when she received his prayer and

her eyesight was restored from 0.3/0.4 (left/right) to 1.5 in her both eyes. That same year I was also blessed to guide the Artistic Dance Team in giving performances at the 2009 Israel United Crusade, 27th Church Anniversary Celebration, and the 2009 Christmas Celebration and New Year's Day Celebrations. Above all else, my delight is to see those I work with growing and coming forth as competent and skillful performers.

This year I have been entrusted with more duties as secretary of Performing Arts Committee, guidance teacher of Heavenly Dance Team and the Beautiful Fragrance Dance Team. I also help other teams practice dancing.

I give all thanks and glory to God who has guided me in His love and has given me the hope of having dance performances before the throne of God in the City of New Jerusalem!

NO. 202 SEPTEMBER 26, 2010

Pastors and Church Leaders' Seminars and Handkerchief Healing Crusades with Rev. Soojin Lee Held in the Two Prefectures of Nagano and Aichi in Japan

Rev. Soojin Lee, Vice-chairperson of the United Holiness Church of Jesus Christ was delivering a special lecture at a seminar for pastors, missionaries and church leaders, and the message was translated into Japanese by Pastor Seung-gil Ryu, Chairperson of the United Holiness Church of Jesus Christ, Japan

Rev. Dr. Jaerock Lee, Senior Pastor and Chairperson of The United Holiness Church of Jesus Christ, together with the 9,000 branch and associative churches has been spreading the Fivefold Gospel of Holiness which includes Regeneration, Divine Healing, Sanctification, Resurrection and Return of the Lord Jesus Christ to all the corners of the globe. In

September, Bishop Dr. Myong-ho Cheong, Chairperson of the United Holiness Church of Jesus Christ, Africa, was invited to preach on the anniversary of the 2009 Israel United Crusade, of which the title was 'This Is for Your Day for the Miracle,' held in the ICC, Haifa, Israel (Refer to the *Manmin News* Issue No. 201). During the first week of September, Rev. Soojin Lee, Vice-

chairperson of the United Holiness Church of Jesus Christ, conducted 3 seminars for pastors and church leaders, and 3 healing crusades in Nagoya, Japan's fourth largest city and the capital of Aichi Prefecture, as well as Nagano Prefecture's cities of Ida and Matsumoto.

On September 4, 5, and 8, Rev. Soojin Lee conducted healing crusades with the handkerchief

Dr. Jaerock Lee had prayed on at Nagoya Manmin Church, Ida Manmin Church and Matsumoto Manmin Church respectively. While she was delivering the message, the strong presence of the Holy Spirit came down onto the audience, and then she prayed for them from the podium. They repented of their sins with tears and contrite hearts and then by the fiery works of the Holy Spirit they received healing and answers to their prayers.

A 21-year-old woman Chihomi Tomita couldn't move her fingers freely and had difficulty walking properly due to arthritis throughout her body. However, after receiving the prayer, she came to move her fingers freely and walk properly. A 13-year-old boy Is Eskil Koyama and 53-year-old man Shigeru Morikawa recovered their eyesight, and a 66-year-old woman Takkako Morimoto was healed of an inflammation brought on by air-conditioning. In addition, many people were healed of varying degrees of paralysis of the shoulders, pain in the knees, kidney failure, myiodesopsia, and heatstroke. There were testimonies and confessions saying, "I've been released from the forces of darkness" or "I've come to possess true faith this time."

At 2:00 PM, September 7, at the

Ida Manmin Church, Rev. Soojin Lee held a special seminar for all the pastors, missionaries, and church workers who are serving in the branch churches of the United Holiness Church of Jesus Christ, Japan. She delivered a lecture entitled "A Prayer of Spirit and a Prayer of Flesh" and in her message, she asked them "to become more united with the Holy Spirit who is indwelling in you and offer deep prayers of faith."

On September 6 and 7, 2010, at 7:00 PM, Rev. Soojin Lee again led seminars for many of the pastors and church workers who came from the branch churches throughout Japan at the Mitsubasa Welfare Center for the Elderly and then at the Ida Manmin Church. She delivered the message entitled "Until You Have Confidence before God" which was based on the Scripture from 1 John 3:21-22. In her message she urged the attendees emphasizing the needs "to thoroughly repent of the sins you have committed before you believed in God and even after you came to believe in Him; discover what kind of uneasiness you have in your mind that hinders you from accomplishing the heart of the spirit; and look at everyone only with the eyes of goodness like the Lord and the shepherd."

"Make It a Good Rule to Memorize Bible Verses!"

The 10th Bible Verse Memorizing Contest: 63 People Competed in Zeal

Shortly after the Sunday evening service on Sunday, September 12, 2010 the 10th Bible Verse Memorizing Contest took place at the main sanctuary of Manmin Central Church. It was hosted by Men's Mission. There were 63 people who had passed preliminaries and competed at this 10th main contest. The number included 14 pastors, 2 elders, 7 senior deaconesses, 14 deacons, 21 deaconesses, 4 sisters and 1 brother. The competitors had to write the verses given them verbatim from memory and give answers to applicable questions.

The grand prize was awarded to Pastor Keumran Hwang, Guidance Teacher of Light and Salt Mission. Deaconess Soojin Chang from Daejeon Manmin Church won first

prize. There were two second prize winners, Senior Deaconess Jungjoo Sim of 2-3 Women's Mission, and Deaconess Hyunjoo Heo from Yeosu Manmin Church. Pastor Heungyong Park from Daejeon Manmin Church, and Deaconess Kyehyun Ahn from Daejeon Manmin Church tied for the third prize. After receiving the grand prize, Pastor Keumran Hwang confessed, "While meditating on and memorizing the Scripture every day, I felt God's love and goodness and felt so happy."

The youngest participant was 15 year-old Sister Hayoung Lee from Cheonan Manmin Church and the oldest was Elder Youngsun Kim, 73 years old, of 5-1 Men's Mission. Elder Kim said, "I've made it a rule to read the Bible and Senior

Pastor's books and to memorize the verses. As a result, I've got the strength to overcome drowsiness and idle thoughts during the service and prayer meetings. I can also pray to God with a sincere heart."

For the last 10 years Deacon Kyeongseok Ko, who won the grand prize in 2001 has participated in the Bible Verse Memorizing Contest every year without missing a single year. Several others have similar records of participation. Memorizing and meditating on the verses is a part of their life. One other interesting point was that a group of pastors and participants from Daejeon Manmin Church had practiced in group and all earned good results in their scores at the contest. This event was broadcast live via the Internet.

At the 10th Bible Verse Memorizing Contest, 63 finalists were absorbed in taking the examination. Some participants had to sit on the floor for the examination because there were so many participants.

Love

"Jesus said to [Mary], 'Stop clinging to Me, for I have not yet ascended to the Father; but go to My brethren and say to them, "I ascend to My Father and your Father, and My God and your God.'" Mary Magdalene came, announcing to the disciples, "I have seen the Lord," and that He had said these things to her'" (John 20:17-18).

Not only at the times when Jesus performed various signs and wonders and changed many souls with His powerful and anointing messages, Mary Magdalene followed Jesus without any change of mind also when Jesus was tormented and afflicted by Roman soldiers and when He took the cross on the way to Golgotha.

She followed Him as He took the cross up to Golgotha. Mary Magdalene was near Him even at the moment that Jesus was hung on the cross. That could have resulted in harm to her, but she was never concerned about it. She followed Him.

Her true love for the Lord touched the heart of God. In order to accomplish such true love, we have to love the Lord with unchanging heart just like Mary Magdalene. She loved the Lord until she bore the first witness to the risen Lord. The most important factor of true love that God wants His children to accomplish is an unchanging heart. This unchanging heart is characterized by three aspects.

First, an unchanging heart is the core of the heart.

Since Mary Magdalene gained new life through Jesus, she loved Him from the bottom of her heart. To become even a little strength to Him, she served Jesus with whatever little she had. It was exceedingly shocking to her that Jesus, who had done only good things and showed amazing works by the power of God, was suddenly taken away by Jewish soldiers!

Mary Magdalene hurriedly got up and ran to the court of the high priest. There she found Him tied with rope. The high priest, the scribes and the elders tried to obtain false testimony against Jesus, so that they might put Him to death. They condemned Jesus to death illegally saying, "He deserves death!" And they kept beating His head with a reed, and spitting on Him, and ridiculed Him by kneeling and bowing before Him.

In this situation Mary was never swayed in her faith and her love for Jesus. Rather, when Jesus was beaten by people, she felt severe pain as if she were being beaten herself. The passion of Jesus did not end there. He couldn't escape from taking the cruel penalty of crucifixion and death.

Because Mary Magdalene had an unchanging love in her heart, she was

Senior Pastor Dr. Jaerock Lee

or three times more offerings than in the beginning. This is a proof that we unchangingly love God with all our heart and our truthful hearts.

Next, we have to examine if we have loved God with all our strength. Let me explain with an illustration. When you were 9 years old, perhaps you could help your mother by carrying 5 kilograms of luggage. Then, at 15 or 20, you could carry a much heavier load of luggage. Now suppose you are already 20 years old, but you still take the same 5 kilograms weight in luggage for her yet you say that you unchangingly love your mother. Then, your confession of love is not true. In this sense, workers of God have to fulfill their God-given duties with all their hearts and all their strength. They have to try their best to be faithful in all aspects.

Thirdly, an unchanging heart is of sincere deeds and action.

After witnessing the resurrected Jesus, Mary Magdalene was filled with joy and hope, and all sorrows and pains departed from her. Since her love for the Lord was sincere and unchanging, she kept on showing deeds of love even after the Lord's ascension and all her deeds bore fruits. She bore the fruit of being the first witness to the resurrection of the Lord as He had commissioned her, and she tried her very best to carry out that commission.

She didn't feel sorrow or lose strength anymore even if the Lord didn't stay with her for some time. Instead she was filled with joy and hope because she believed and hoped she would see Him soon. Sometimes she didn't eat because of the lack of food and sometimes she was in a danger because of the Jews' persecution. But, until she went to stay by His side, she remained unchanging in spreading the love of the Lord and in bringing many others to know about His resurrection.

Anyone who loves the Lord from the depths and the core of the heart; anyone who loves the Lord with all their heart; and anyone who keeps doing it unchangingly will have same deeds and fruits revealed. The person who loves like this is sure to evangelize as many souls as possible and love them. They will love the shepherd who is leading them in deeds and truth, and they will accomplish complete sanctification through prayer in spirit and truth.

never weakened with doubt or fear. She followed the cross-bearing Jesus and even during His crucifixion she stayed beside Him with the greater power of love for Him. She felt the same pain in her heart that Jesus was suffering, and stayed near to Him until He drew His last breath because she couldn't leave her loving Jesus even for a moment. The unchanging love from the depths of her heart is the very proof that she had an unchanging heart for the Lord.

Second, an unchanging heart is a truthful heart.

It is recorded in Mark 12:30, "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength." We have to examine whether we have been truthful and unchanging in loving God with all our heart and with all our strength.

First, we have to examine if we have unchangingly loved God with all our hearts. In early days of our Christina lives, we have little knowledge of the truth, but we love God with all our hearts. To the extent that we learn and understand the truth, we can live our lives with the zeal of our first love for Him. When we are taught to keep the Lord's Day holy and to give our tithe, we do keep the Lord's Day holy and we pay the proper tithe. It is true that as we cultivate our hearts little by little with the truth, we also love God more fervently with all our hearts.

If we unchangingly continue loving God with all our heart as time passes, our faith will grow continually and cultivation of our hearts with the truth is two or three times more than in our early days. We also may give God two

Surveying the Footsteps of the Savior Jesus

Bethlehem Egypt and Nazareth Galilee Jerusalem

Egypt, the Refuge Land of Jesus the Baby and the Birthplace of Jesus

"So Joseph got up and took the Child and His mother while it was still night, and left for Egypt. He remained there until the death of Herod. This was to fulfill what had been spoken by the Lord through the prophet: 'Out of Egypt I called My Son.'" (Matthew 2:14-15)

Egypt is the world's 38th-largest country, and its population centers are concentrated along the narrow Nile Valley and Delta. This means that about 99% of the population uses only about 5.5% of the total land area. The country is located in the northeastern part of Africa, and is bordered by Libya to the west, Sudan to the south, and by the Gaza Strip and Israel to the east. Along the Nile are seen mysterious architectures including pyramids and the Sphinx. The Baby Jesus lived in Egypt until King Herod died. What did Jesus see and meditate on while there? The Nile area used to be one of Adam's favorite locations and it is the place where Moses was both rescued and cast out. The St. Sergius Church is in Cairo, in order to commemorate the fact Joseph, Mary and the infant Jesus took refuge in Egypt because of the persecution of King Herod.

Nazareth, the Childhood Home of Jesus after Death of King Herod

"So Joseph got up, took the Child and His mother, and came into the land of Israel. But when he heard that Archelaus was reigning over Judea in place of his father Herod, he was afraid to go there. Then after being warned by God in a dream, he left for the regions of Galilee, and came and lived in a city called Nazareth. This was to fulfill what was spoken through the prophets: 'He shall be called a Nazarene.'" (Matthew 2:21-23)

Nazareth is about 25 kilometers (16 mi) from the Sea of Galilee (17 km as the crow flies) and it is the capital and largest city in the North District of Israel. The Nazareth Range, in which the town lies, is the southernmost of several parallel east-west hill ranges that characterize the elevated tableau of Lower Galilee.

In the area of Nazareth, the virgin Mary heard the words of the angel of the Lord saying, "And behold, you will conceive in your womb and bear a son, and you shall name Him Jesus" (Luke 1:31). The New Testament speaks of Jesus as 'Jesus of Nazareth' or 'Jesus the Nazarene' (Mark 1:24, 10:47, 16:6; Luke 4:34, 18:37; John 18:5, 7; Acts 2:22, 4:10, 6:14) because Nazareth is His childhood home that He lived in until He began His public ministry. In Acts 22:8, when Paul asked, "Who are You, Lord?" He answered, "I am Jesus the Nazarene, whom you are persecuting." While growing in Nazareth, Jesus always communicated with God through prayers and meditation on the Word in preparation for His 3-year public ministry.

In the city of Nazareth is the Church of the Annunciation that was established at the place the archangel Gabriel announced to the virgin Mary Jesus would be born of her. The Church of St. Joseph is 50 meters away from there, commemorating the place of Joseph's works of carpentry.

Jesus Prepares for His 3-year Public Ministry in Nazareth

Jesus is the Son of God who is the Word that became flesh, and came to this earth in a human form. While living in Nazareth, Jesus concentrated on having deep communication with God and prepared for His public ministry by prayer and the Word. Many people, and even not just a few believers, think Jesus helped Joseph with various carpentering works. Since Mary understood who Jesus is, however, she would not have let Him help Joseph with carpentering work. When the virgin Mary was pregnant with Jesus appeared before Elizabeth, who was pregnant with John the Baptist, Elizabeth recognized who the child was that Mary was carrying and spoke out in words of prophecy. The virgin Mary didn't treat Jesus as her son but served and cared for Him with love and sincerity.

The truth that Jesus spent His childhood communicating with God through prayer and meditation on the Word of God is confirmed secondhand by Scriptural record beginning in Luke 2:41. When He was 12 years old, Jesus went up to Jerusalem to celebrate the Feast of Passover along with Joseph and Mary and after the feast Joseph and Mary found on the way back home from Jerusalem that Jesus was not with them. They returned to Jerusalem in 3 days and found Jesus in the Temple of God. Jesus was sitting in the midst of the teachers listening to them and asking them questions. All who heard Him were amazed at His understanding and His answers. This lets us know how deep and wide His knowledge of the Bible was.

The Ministry in Nazareth was Dr. Jaerock Lee's First Step in His Ministry in Israel

On July 25, 2007, on the 25th anniversary day of Manmin Church's opening, Dr. Jaerock Lee initiated his ministry in Israel at Nazareth. Dr. Lee, while leading the Wednesday evening service at the 'Spirit of Life Church' in Nazareth, said, "When God told me about the mission in Israel a few years ago, He had said that the beginning of my ministry for Israel would occur exactly on the same as the day of the founding of our church. God told me that the ministry in Israel would start on that day. What kind of place is Nazareth? It's the place where Jesus grew up. It's the place where Jesus lived until He began His ministry, and it was where He was always in communication with God and He meditated on the Word of God. It's the place where He prayed with all His energy and fervor for the forthcoming ministry. It's a very meaningful place which captures the traces of Jesus."

Dr. Jaerock Lee proclaimed that the Jesus they had crucified 2,000 years ago is the Savior and the Messiah for whom they are still waiting. On July 27th he had a meeting with local pastors. They were touched at that meeting. They asked him to lead healing meetings at their local churches. During his second visit to Israel, on October 10, he led the second healing meeting at the 'Spirit of Life' Church and delivered the message titled with 'Faith'. It was during the Wednesday evening service, but still the sanctuary was crowded with so many people. It is interesting to note that a few Arab pastors and believers attended the healing meeting, so additional chairs were needed.

On April 20, 2009, a seminar for pastors was held at the 'Spirit of Life' Church. A woman who had cancer was completely healed on the spot. Many pastors in attendance were so amazed at the manifestations of God's power. They came to have true faith and spread the gospel in the cooperation with Manmin Central Church. Later they received the prayer on the handkerchiefs from Dr. Jaerock Lee. They are now performing their ministries more powerfully with the handkerchief Dr. Lee had prayed on.

"([God] Himself gives to all people life and breath and all things." (Acts 17:25) "And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)
