

“My Daughter’s Family Was Completely Protected Amidst the Great Hanshin Earthquake 1995!”

Elder Sadao Takahashi (Ida Manmin Church, Japan)

My parents were Christians and I attended missionary schools in my teens. But after I entered college, I began drinking and hanging out with bad friends. Finally I stopped attending church. After I graduated from college and got a job, I began attending church again, but my life of faith was the same.

In May of 1994, near my house I found a church whose cross tower shone with neon light, and my wife and I attended Sunday morning service of the church. My faith was the worst at that time, but I came to the church with curiosity because there was rarely found a church that had neon-lighted cross.

The church I attended at that time was Ida Manmin Church which Pastor Seung-gil Ryu founded 3 months previously. Five months later, in October, reading the Bible, I realized God had guided me to the church through the Scripture Psalm 94:17-18, saying, “If the LORD had not been my help, my soul would soon have dwelt in the abode of silence. If I should say, ‘My foot has slipped,’ Your lovingkindness, O LORD, will hold me up.” Since attending the church, my heart was renewed and my life changed greatly.

I experienced a special grace of God in January of 1995 when the Great Hanshin Earthquake happened. Before the earthquake happened, I dreamt twice that my wife and two sons came out of the house but my daughter couldn’t come out of it. In that dream, she was crying for someone else’s help. My wife and I prayed for her and her family at Daniel Prayer Meeting. The following day the Great Earthquake struck. The area in which my daughter and her family dwelled was damaged most severely, and we couldn’t communicate with her for the following 3 days.

By that earthquake, a train was turned over, and streets and many buildings collapsed. But my daughter’s house was completely protected, and some people around her confessed they would worship the God of Christianity. I was so touched and grateful for the great love of God.

In April of 1995, I attended a special prayer meeting Mrs. Boknim Lee, Manmin Prayer Center President conducted during her visit to Ida Manmin Church for the church anniversary. When she prayed for me, my body became hot like fire and I contritely repented of my life with tears and runny nose. After that I quit drinking and began giving tithe and offerings and attending Sunday evening service. A little while later, I attended Daniel Prayer Meeting and the Dawn Prayer Services.

I was born in 1935, and I’m now 75 years old, but I am in good health enough to travel overseas by the grace of God. In 2009, I attended the 2009 International Multi-cultural Festival in Jerusalem Dr. Jaerock Lee conducted, and this year, I attended the 2010 Manmin Summer Retreat along with my wife. We also visited Muan sweet water site in which salty water had turned into sweet water by the power of God just the same as recorded in Exodus 15:25. There I was healed of my 4-year old case of athlete’s foot after submerging myself into the Muan sweet water pool.

While delivering the 4-session series message ‘The Seed of Life’ Dr. Jaerock Lee told us to listen to sermon more than 10 times and I obeyed. Listening to the sermon repeatedly, I experienced of my grey hair turning blackish little by little. Now the hair on the top and back of the head turned blackish. The pain on the right knee disappeared and I received unexpected financial blessing, too.

Just as recorded in Isaiah 46:3-4, “Listen to Me, O house of Jacob, and all the remnant of the house of Israel, You who have been borne by Me from birth and have been carried from the womb; Even to your old age I will be the same, and even to your graying years I will bear you! I have done it, and I will carry you; and I will bear you and I will deliver you,” I really appreciate abiding in the guidance of God and singing praise for God’s love displayed in different ways.

“Church Buses Carrying Happiness”

Manmin Central Church provides church members with transportation service for each Friday all-night service, both Sunday services and every Daniel Prayer Meeting. They are proud of many church buses that are carrying happiness for them. Every Sunday morning, Bus No. 25, driven by Deacon Jino Jung, departs from Hawolgok-Dong, Seongbuk-Gu, passes Hongneung, Wuisaeng Hospital, Jang-an-Dong, Jeon-nong-Dong, Dapsimni, Seobu-yichon-Dong, and then arrives at the church at 10:50 AM.

The driver of this bus Deacon Jino Jung (42) has driven this bus for 10 years. While driving the bus, he always smiles and renders services to the passengers without being provoked in any circumstance. As soon as the bus arrives at the church, he gets off ahead of others and helps them get off with joy-giving greetings saying, “Have a good service in the Lord!” He said in the interview, “We are all one as brothers and sisters in Christ, so it’s my duty to serve and help them come to church comfortably.” For 3 years at the Huikyong-Dong stop, he has always helped an old woman get on and off the bus holding her with his arms.

Many passengers of this bus say, “I am so touched to see him help the old woman get on the bus like she is his mother.” or “We are all getting along well like one family in joy and happiness.” Four years ago, Deacon Jung and a few passengers made the bus clean and adorned it with beautiful decorations with their own money. They have taken good care of the bus to keep it clean all the time. Elder Youngjo Kim (70) provides passengers in this bus with something to drink and gives juridical counseling to them as a professional writer of jurisprudence and Deacon Jongseop Choi volunteers in announcing some church notification and calls absentees.

The passenger believers prepare some desserts for all the passengers, so they can share them and spiritual conversation with each other until the service starts. Deaconess Yooja Lee (44) said, “It’s much better to share good talks in the Lord and a cup of coffee before the service.” In this friendly atmosphere, new believers soon become familiar with other members and enjoy the life of faith. Thus, the passengers in Bus No. 25 look so happy in their mutual love and joy in faith.

“Amidst Triangular Power of China, USA, and EU, What Will Happen to North Korea?”

Prophesied by Dr. Jaerock Lee at Sunday Morning Service

“I ask you to understand the world situations and be on the alert in faith.” On October 24, Dr. Jaerock Lee, Senior Pastor of Manmin Central Church delivered the message titled with “The Flow of World Situations” based on Amos 3:7, and in his message, he urged the church members to be aware by faith and understand the prophecy on the future of the world situation, especially concerning the three sided struggles between China, the US, and the EU.

For a long period of time China has been preparing to compete with the US. China increased their interest rate, but it’s not because of the pressure of the US, it’s because they think it’s beneficial for China. This is going to lead to a face-to-face stand-off between China and the US. With the recent sinking of the war ship, Cheonan, China did not want to withhold their opinion. Also, they recently had a hotly contested diplomatic conflict with Japan over an island, and this also showed their recent line of diplomacy. China is not succumbing to any of the pressures from the United States and some of the European countries concerning the revaluation of the yuan’s value. The conflict with the US currently is mostly about the economy. But, from this point on, they will have conflicts in other areas such as politics, diplomacy, and military. In this confrontation, the United States is the one that is going to receive a sharp blow. The resulting damage will not just affect the US, but all the countries that depend to a great extent on the US economy. Seeing this conflict between China and the US, the EU will feel that they will have to prepare themselves for any unexpected events. The EU knows that the odds are against them if they collide with China. So, they will not really speak up when there is a conflict between China and the US. Through this incident, the EU

will try to become more united in preparation for the future. When the time comes, China will try to get EU under their feet too. But they will realize that their predictions were wrong after having a clash with the EU. Through this, the tide will turn towards the EU from the very tight competition of the three parties. The US will try to find another way to show their power to the international community. It is the Middle East. This kind of action of the US will be a source of conflicts in the Middle East.

In the beginning of this prophetic message, Dr. Lee said, “The first and the second prayer points given by God the Father to our church for this year are ‘Flow of Spirit’ and ‘Measure of Faith’.” If you see the flow of spirit in our church now, I believe you realize why God has given us the prayer title of ‘Measure of Faith’ for this year. If you are still slumbering in faith without realizing the current state of your faith, you should understand that you are taking a different path than the flow of spirit given to our church. If any of you belong in this category, I hope you will be awakened through this message and participate in the flow of spirit.”

Dr. Jaerock Lee has prophesied on many things and those prophecies have been fulfilled. In 2000, while the former president of South Korea Mr. Daejung Kim was visiting North Korea at the invitation of Supreme Leader of North Korea, Jong-il Kim. The Supreme Leader expressed a desire to pay a return visit to South Korea. Many people of the press and journalists, not only in Korea but also around the world, acknowledged his expression and desire. But Dr. Lee boldly declared that Jong-il Kim, Chairman of the National Defense Commission of North Korea would never pay a return visit to South Korea. Since then the Supreme Leader of North

Based on the Word of the Lord saying, “Watch and Pray” Mrs. Boknim Lee, Manmin Prayer Center President is leading Two Consecutive Daniel Prayer Meetings that are on the going beginning on October 11th and going until November 21st. This prayer meeting is attended by thousands of believers in Korea alone and it is also broadcast live to the world on GCN and the Internet. Its main theme is ‘Blessing’ and they are praying for Estonian Crusade and spiritual power.

Fiery Prayer

"Therefore, confess your sins to one another, and pray for one another so that you may be healed. The effective prayer of a righteous man can accomplish much." (James 5:16)

Fiery prayer can be offered to God when we pray according to the will of God, inspired and influenced by and filled with the Holy Spirit. God joyfully accepts the prayer that is in accordance with the will of God, that is to say, the prayer of a righteous man. When God takes delight in someone's prayer, His joy is also delivered to that person's heart through the Holy Spirit. Then, he becomes more filled with and more inspired and influenced by the Holy Spirit. His heart and body are set ablaze by the fire of the Spirit and also his heart is filled with joy and thanksgiving. All these are the characteristics of fiery prayer. What then should we do in order to offer fiery prayer in spirit?

Senior Pastor Dr. Jaerock Lee

been asked. I urge you to pray in agreement with the Holy Spirit and to glorify God by receiving whatever it is that you asked.

my heart, the LORD would not have listened." Thus, I am eagerly urging you to get rid of every form of evil by circumcising your hearts and receive whatever you ask for by offering the prayer that is pleasing to God.

3. We should pray for the church, the shepherd, and the souls from the heart and with love.

We should not pray under obligation or pray unwillingly. With what kind of heart should we pray for the church? We have to pray with love for it and with a longing heart for the fulfillment of the providence of God in this end time of the world. If we become involved in idle thoughts and pray for other subjects during the prayer time for the church, then the aroma of the prayer cannot be offered to God.

It is the same with the prayer for the shepherd and the souls. We should not pray only with our lips repeating some prayer titles, but we should pray for the shepherd and the souls with love and faith from the heart. When we pray for the souls, we have to pray for them with the heart of the shepherd who wants to lead just one more person onto the path of salvation. We have to pray for them with the heart of the shepherd who eagerly wishes for the church members not to be tempted in this world full of evils and sins and not to commit sins anymore after repenting and turning back.

Also, we have to pray for the church affairs with the heart of the shepherd who wants to glorify God in everything and feels very sorry for even the most minute thing if it disgraces God. In the same way, in praying for the construction of a new sanctuary we should not only wish the things will go well but earnestly pray for the construction of the sanctuary with the love for God considering the temple of God as our own house.

Likewise, when we pray for anything with love and faith from the heart, all the contents of our prayer turn into beautiful fragrance and the fragrance is offered to God, as much as we offer the perfect fragrance of prayer we will be paid back with heavenly rewards. That's why when you pray in the name of our Lord Jesus Christ you can then offer fervent and fiery prayer in spirit.

1. We should not involve ourselves in our own thoughts in prayer.

Only when we are filled with the Holy Spirit, can we offer the prayer that is pleasing to God by the supervision of the Holy Spirit. If we pray in the inspiration of the Spirit, any prayer we offer can be in accordance with the heart of God. But the prayer we offer in our thoughts cannot be in accordance with the guidance of God. If the fragrance of our prayer is not pleasing to God, it cannot be a fiery prayer offered in spirit.

If we get involved in our thoughts while praying, we are led to ask for what seems good in our sight. Thus, we may pray to God, saying, "It would be better for me if You would answer this way" or "I wish You would answer in that way." When we pray in this way we are seeking our will and it is very difficult for us to be filled with the Holy Spirit.

Matthew 18:19 says, "Again I say to you, that if two of you agree on earth about anything that they may ask, it shall be done for them by My Father who is in heaven." "Two of you" here refers to a person who prays and the Holy Spirit dwelling in him.

"Two of you agree on earth and ask" means we become united with the Holy Spirit and pray under His supervision. This prayer that is offered in agreement with the Holy Spirit is very effective and powerful because God the Father fulfills whatever has

2. We should discover evil in our hearts and cast it off.

When we cast away evils from the heart, we can offer the prayer that is pleasing to God. Those who press on toward the goal of sanctification can discover the evils that remain in their hearts and try their best to throw them away. In that sense, those who long for sanctification do their best to become sanctified, repent and turn back from the sins they discover in heart. In doing so they do not build up the walls of sin before God even though they have not yet become sanctified. But some other believers fail to realize the evils revealed in action.

Those believers break peace with their self-righteousness. They have complaints and grumbling against the church and their seniors. When their rivals are praised they feel discomfort and openly express complaints. They even complain and slander those who praise their rivals. At times they are frustrated and lose strength even though they do not utter complaints or speak out in slanderous words. Their thoughts, words and deeds originally come from evils they have inside themselves. When they pray to God with this kind of evil, their prayers cannot reach the throne of God. It is just the same as recorded in Proverbs 15:29, "The LORD is far from the wicked, but He hears the prayer of the righteous," and Psalm 66:18 NIV, "If I had cherished sin in

The Holiness Gospel and the Manifestations of God's Power Are Awakening Europe

On October 30 and 31, 2010, Dr. Jaerock Lee conducted a united crusade in Estonia, a state in the Baltic Region of Northern Europe. The theme was "The Days of South Korea in Estonia 2010." Dr. Lee has conducted mega-sized and world-influential crusades in Catholic, Islamic, and Hindu-dominant countries. He conducted a powerful crusade in St. Petersburg, Russia in November of 2003, and in Oberhausen, Germany in October of 2004.

Dr. Jaerock Lee's 2004 Crusade in Germany Activated the Ministry in Europe

The Germany Miracle Healing Festival 2004 with Dr. Jaerock Lee brought many people, not only from Germany, but also 40 other countries including the UK, Spain, Netherlands, Italy, France, Poland, and Belgium. This festival was broadcast live to 76 nations.

At this 3-day festival, Speaker Dr. Jaerock Lee delivered 3 messages: "God the Creator" "Why Is Jesus our Only Savior?" and "The Power of the Holy Spirit." After preaching, he prayed for the sick each night and many people were healed and testified to their healing. Blind eyes were opened to see and ears that could not hear came to hear. There were those who stood up from their wheelchairs and those who threw away crutches. They were able to walk and they came up to the stage and testified to their healing. The audience was so touched at these spectacular miracles performed by the Holy Spirit. They glorified God with great acclamation and adoration.

The Germany festival was translated into 8 languages—German, English, Spanish, Russian, French, Chinese, Japanese, and Tamil. Pastor Claudius who was the German translator at the festival said Dr. Jaerock Lee's message was fundamentally deep and exact in spirit.

Pastor Gerard Uthayakumar, President of the HolyGod TV

and Senior Pastor of the Fountain of Life Church attended this festival and became assured of the launch of his broadcasting ministry. He said, "I have felt very sorry for the decline of Christianity in Europe and thought Christian broadcasting ministry is urgently necessary." In February of 2005, he launched the HolyGod TV Station in France with his own money. Currently not only the HolyGod TV but also a few more TV channels including Love World TV, Vision Heaven TV, Alfa Omega TV, TBN-Russia TV, CNL TV, and Life TV are broadcasting GCN-produced programs to the entirety of Europe.

In addition, the gospel of holiness and God's power are spreading to many Europeans through Dr. Jaerock Lee's books and *Manmin News*. As of 2010, 30 books among Dr. Lee's 60 books have been translated into 47 languages, and 123 editions of those 30 books were printed into 23 languages. His major books include *The Message of the Cross*, *The Measure of Faith*, *Heaven I & II and Hell*. And *Manmin News* is being printed and distributed in 17 languages weekly, biweekly or monthly, and it is playing the role of the herald of spreading the holiness gospel and many testimonies performed by the power of God.

International Christian Medical Conferences and 'The Message of the Cross' Camp in Europe

WCDN (World Christian Doctors Network) is an international and interdenominational organization in which Christian medical doctors gather divine healing cases performed by prayers and verify the power of God the Creator. The ministry of WCDN is very effective in spreading the holiness gospel to Europeans who are seeking logic and reason.

The 5th, 6th and 7th International Christian Medical Conferences were held in Trondheim of Norway in March

of 2008, in Kiev of Ukraine in October of 2009 and in Rome of Italy in May of 2010 under the auspices of WCDN. Many European Christian medical doctors who attended these conferences unanimously agreed, "It is quite unprecedented to confirm the divine healing cases with science and medicines."

The 'Message of the Cross' Camp has been held for young European people. It was hosted by MMT (Manmin Missionary Training Center) 4 times: The 1st Camp in France in 2006; the 2nd in Switzerland in 2007; the 3rd in Belgium in 2009 and the 4th in Finland this year. Through this camp, many young Europeans listened to the Word of life, experienced various works of the Holy Spirit and spiritual changes, and gained true life. Miracle healing meetings with the handkerchief Dr. Jaerock Lee prayed on are regularly taking place at the branch churches of Manmin Central Church in Europe.

The Days of South Korea in Estonia 2010 was broadcast live to 220 nations

The on-going European ministry of Manmin Central Church and their dedicated prayer for Europe has resulted in a united crusade with Dr. Jaerock Lee to take place in Estonia. Wherever Dr. Lee has conducted crusades, he confirmed the authenticity of his messages with the many following signs and helped countless souls accept the Lord and possess true faith. The Estonian crusade held in October 30 and 31 was also broadcast live to 220 nations on aired TV, cable TV, satellite TV, and via live-broadcast Internet streaming.

At this Estonian crusade, explosive works of the Holy Spirit were manifested and numerous people experienced and glorified God after receiving blessing and healing. This crusade encouraged the backsliding European Christian community and set the believers in Christ aflame by the Holy Spirit.
