

“We Were Amazed at the Ministry of WCDN Confirming Divine Healing with Medical Data!”

WCDN (World Christian Doctors Network) is an international and interdenominational organization that gathers, analyzes and confirms divine healing cases that are taking place through prayers all over the world. The 7th International Christian Medical Conference was hosted by WCDN Italy and held in Rome, Italy. It attracted the attention of many medical doctors globally. The organizing committee chairman of the 7th conference and his fellow co-workers paid a 6-day visit to Manmin Central Church in gratitude and with longing hearts. This issue of *Manmin News* carries the interviews with these honored visitors.

“I Will Spread the News of Manmin Central Church and Muan Sweet Water!”

Dr. Cesare Ghinelli (Professor of University Hospital of Parma, Italy)

“I presented a divine healing case at the 7th International Christian Medical Conference held in Rome. WCDN is confirming the divine healing power of God at such an international conference and in the eyes of many medical doctors. It's a very powerful ministry.

I am so happy to visit Manmin Central Church which is so enthusiastically sponsoring the ministry of WCDN. I was greatly moved to see Dr. Jaerock Lee, Senior Pastor of Manmin Central Church placing an emphasis on the sanctification of each member and his sacrificial prayers for them. The broadcasting ministry of Manmin TV he is sponsoring was also amazing to me. On November 30th, we visited the site of Muan sweet water where, in the name of Jesus Christ, the salty water turned into sweet and potable water through the prayer of Dr. Jaerock Lee. We felt the presence of God during the stay there at the site. The weather was so good that we could submerge ourselves into the pool of Muan sweet water. What was more amazing was that after submerging our swimming garments became wet but my body had not become wet at all. When I return home, I'll introduce my experience of Muan sweet water and the ministry of Manmin Central Church at the program “30 Minutes with Dr. Cesare” of TBN-Europe.”

This Is Much More Amazing than the News I've Heard!”

Pastor Riccardo Alicino (General Secretary of WCDN Italy, Senior Pastor of Christ World Light Church)

“During my 40-year ministry in Rome, I have been serving the Lord to accomplish the spiritual unity of Christianity and this year I served as a member of the organizing committee of the 7th International Christian Medical Conference. This visit to Manmin Central Church made my dream come true. It was the same to me as it must have been when the queen of Sheba confessed when she visited King Solomon. Previously she had just heard about the fame of King Solomon and the name of God the LORD of hosts but she said: ‘It was a true report which I heard in my own land about your words and your wisdom. Nevertheless I did not believe the reports, until I came and my eyes had seen it. And behold, the half was not told me. You exceed in wisdom and prosperity the report which I heard’ (1 Kings 10:6-7). I was touched at everything I found at Manmin Central Church, including heaven-like performances, daily prayer meeting attended by thousands of church members, aquarium of Muan sweet water where freshwater fish and saltwater fish live together, church members full of the grace and the Holy Spirit, and Dr. Jaerock Lee's love and dedication. The same miracle of Muan sweet water's turning from salty water into sweet water as the change from Marah's bitter water into sweet water recorded in the Bible is such an amazing and unforgettable thing to me. I am really thankful for everything I have received at Manmin Central Church and through Dr. Lee.”

Q: “What do you think of the ministry of WCDN?”

A: “WCDN is evangelizing medical doctors, improving their faith and changing their attitudes about their patients. I invited around 70 medical doctors residing in Sicily to the 7th International Christian Medical Conference held in Rome. After the conference ended up so successfully, I saw that they gave thanks to God for the change of their attitudes about their patients. I am really thankful for the ministry of WCDN!”

Q: “As the Organizing Committee Chairman, how did you prepare for the 7th International Christian Medical Conference?”

A: “In 2007, as WCDN Director of Italy, I attended the 4th International Christian Medical Conference held in Miami, Florida, the United States. I saw doctors and medical professionals presenting and confirming divine healing cases performed by the power of God. I was so touched to find such a spiritual and high-class medical conference. Since then I had a desire to hold the same conference in Italy. I introduced the ministry of WCDN to a few fellow doctors in Italy and urged them to attend the 5th and 6th conferences held in Norway and Ukraine. Together with them I organized the 7th conference held in Rome.”

Q: “What's your impression upon meeting with Dr. Jaerock Lee, Founder and Board Chairman of WCDN, and visiting Manmin Central Church which he founded?”

A: “I believe Dr. Jaerock Lee has been spreading the gospel of the Lord very powerfully just in the same way the apostles of the Lord did. I was so touched to see him love his flock with the heart of the father and fulfill the will of God devotionally. I felt his fervent passion for sanctification and his bearing many burdens of the church and church members. The performances by Nissi Orchestra, the choir and special singing teams at the worship services are really blessed and touching.”

“I Was So Pleased to See the Founder and Board Chairman of WCDN!”

At the Sixth Anniversary Celebration Healing Crusade and Seminar Of Chennai Manmin Church Conducted in India, the Prayer Center President, Boknim Lee, Played a Historical Part in Making All of India Our Parish

The Chennai Manmin Church invited Mrs. Boknim Lee President of Manmin Prayer Center to lead its 6th anniversary service and healing meeting.

On December 3rd, the healing crusade she conducted was attended by many people including Dr. Paul Ponraj, India's Director of WCDN (World Christian Doctors Network), Rev. Vincent, President of Arulvaku GCN TV and Board of Directors of Chennai Industrial Employees Prayer Fellowship. The attendees crowded the inside and outside of the sanctuary of Chennai Manmin Church.

At the healing crusade, President Lee delivered the message titled “God the Healer” and testified that she met the living God when He healed her husband, Rev. Dr. Jaerock Lee. She has continued to live in the great blessing of God because she has led a faithful Christian life in fervent and unchanging prayers. After preaching, she sincerely prayed for the sick with all her strength. Many believers were healed of heart disease, burns, hemiplegia, complications of diabetes, and many other diseases and various pains and glorified God. A 4-year-old boy named ‘Kihor’ testified that he had not been able to speak because he developed a cyst on the tongue but the cyst

disappeared shortly after receiving the prayer and he came to speak.

The following day, on December 4, President Lee led a seminar for pastors and church leaders. This seminar was attended by many pastors and church workers not only from Chennai but also from Tambaram, adjacent to Chennai; Puducherry State 5, hours away by bus; Delhi, 3 hours away by plane and Madurai, 10 hours away by train. She delivered the message titled with “True Heart and Perfect Faith” and in her message she eagerly asked them to accomplish true hearts and perfect faith to glorify God. After the seminar, she gave 150 sacks of rice to the church with love.

In the morning on December 5, she led the Sunday morning service at Chennai Manmin Church and delivered the message titled with “Fervent Prayer” based on James 5:16. She urged them to pray with all their hearts for the kingdom of God, for the many souls, for the church, and for the shepherd. In the evening on the same day she delivered the message titled “Early Church” based on Acts 2:43-47 and then celebrated the 6th anniversary service.

This anniversary was celebrated with beautiful performances by the Power Worship Team of Manmin Central Church, the Power

Worship Team and Children's Praise Team of Chennai Manmin Church, and then Pastor Persiyal Rajadurai, who ministers to Madurai Manmin Church, led the congregational praise.

Pastor Joseph Han, currently ministering to Chennai Manmin Church, was commissioned

as a missionary to Chennai, India in 2001 and the Miracle Healing Prayer Festival with Dr. Jaerock Lee was held at Marina Beach in 2002. Since that time many healing crusades and pastors' seminars have taken place. Now 300 local churches have joined in the ministry of Manmin as branch churches and the holiness gospel is blossoming in Southern India through various ministries of WCDN (World Christian Doctors Network), MIS (Manmin International Seminary), GCN (Global Christian Network) and Dr. Jaerock Lee's books.

Many members of Chennai Manmin Church received healing through the handkerchief prayer of President Boknim Lee. They were also happy to receive 'Love' rice from her.

Believe in the Lord Jesus

"And [the jailer] called for lights and rushed in, and trembling with fear he fell down before Paul and Silas, and after he brought them out, he said, 'Sirs, what must I do to be saved?' They said, 'Believe in the Lord Jesus, and you will be saved, you and your household.' And they spoke the word of the Lord to him together with all who were in his house." (Acts 16:29-32)

When he arrived in Philippi during his missionary journey, the apostle Paul met a slave-girl who had an evil spirit of divination and profited her masters greatly by fortune-telling. Paul drove the evil spirit away from her. But when her masters saw that their hope of profit was gone, they seized Paul and Silas and dragged them into the market place before the authorities. Finally they were thrown into the inner prison and their feet were fastened in the stocks.

About midnight Paul and Silas were praying and singing praises to God, and suddenly a great earthquake occurred, and then the foundations of the prison house were shaken and immediately all the doors were opened and everyone's chains were unfastened.

When the jailer saw the prison doors opened, he supposed that the prisoners had escaped, drew his sword and was about to kill himself. Paul cried out with a loud voice, saying, "Do not harm yourself, for we are all here!"

The jailer called for lights and rushed in, and trembling with fear he fell down before Paul and Silas. And he said, "Sirs, what must I do to be saved?" The apostle Paul said, "Believe in the Lord Jesus, and you will be saved, you and your household" and spoke the word of the Lord to him and all who were in his house.

What do we have to do in order to powerfully and efficiently preach the gospel of the Lord Jesus the way the apostle Paul did?

First of all, we have to pray on a regular basis.

Just as we cannot live without breathing, if we don't pray, our spirit is finally led to death because prayer is the breath of our spirit. Then, we cannot communicate with God and cannot hear the Holy Spirit nor can we be guided or supervised by Him. So we cannot overcome the desires of the flesh and eventually we commit sins. Sin leads to the death of the spirit. When we don't pray, we meet with various trials and fall into temptations of the world.

In addition, because we don't receive power and strength from above, we feel burdened carrying out our God-given duties. If we commit the fulfillment of our duties to God through prayer and obey His will, we never find it difficult to perform those duties.

Today is the end time of the ages where sins and evils are rampant in the world and the enemy devil is prowling around trying to find someone to devour (1 Peter 5:8). Therefore,

Senior Pastor Dr. Jaerock Lee

we should stay awake and cry out in prayer always and also receive spiritual power from above so that we can keep our spirit blameless and protect the souls assigned to us from the attacks of the enemy devil and then fulfill our God-given duties completely.

Second, we have to arm ourselves with the Word of God recorded in the Bible.

If we have fully armed ourselves with the Word of God in the midst of fervent prayers, no matter what kind of problems of another believer we meet, we can be managed by the Holy Spirit to speak with the specific words of God that will help him understand what God's will is toward him. When we take care of the souls with spiritual words, they can courageously overcome any kind of trials and stand on the rock of faith.

The power that can affect change in the audience that is embedded in the message preached depends on the measures of faith of the preachers and their deeds of obedience to the Word of God.

When we do the will of God and teach others, the Holy Spirit works for them as far as the piercing and division of their soul, spirit, joints and marrow and they will repent of their sins with tears and rending of their hearts. Those who are assigned for some God-given duties should not only listen to and act by the Word of God but also make their spiritual bread of it at the proper measure worthy to teach others.

Third, we have to manifest signs by the power of God.

When the Lord's disciples spread the gospel, He confirmed their words with many signs and many people could gain salvation (Mark 16:20).

It is the same for the cells, districts and missions for which we have been given

charge. When signs and wonders are manifested as the proof of God's confirmation of our messages, we can accomplish many more works of God and accomplish greater revival. If a cell member falls sick or suffers from afflictions, the leader and members of the cell should be able to resolve his problem and heal his diseases as quickly as possible by praying in agreement.

Whenever those healing miracles and signs happen, many believers come to do their best to come together, improve the levels of their faith and are filled with the Holy Spirit so that the number of those who gain salvation increases day by day.

Fourth, we have to take care of the souls with love and allow for them to be united in one heart.

The spiritual state of the souls depends on the measure of the true and spiritual love of the leader who cares for them. When we pray for them, provide them with spiritual bread and diligently take care of them, they feel an intimate fellowship as part of a family.

A cell leader has to have delicate sense of interest to the point of knowing how many spoons his cell members have in their homes, and closely examine whether there are some who are suffering from difficulties or persecutions. When he cares for the members with that delicate love, the members follow him from the heart and come to trust one another until they speak out even secrets they cannot share with their family.

Fifth, we have to set aflame the fire of evangelism.

When we ourselves evangelize and take care of the souls, we can feel the heart of the shepherd. When we evangelize, we become filled with the Holy Spirit. In the same way, evangelism brings revival to a church and leads evangelists to gain many kinds of benefits including the blessing of the prosperity of their soul.

In order to ignite the fire of evangelism, we have to lead many church members to pray fervently and plant faith and hope into their hearts. If we spread the messages confirmed with the signs performed by the power of God and help them become united by taking care of them with spiritual love, they will have fervor for evangelism themselves and voluntarily evangelize many others.

May you come forth as competent workers of God, lead numerous souls to the path to salvation and powerfully accomplish the kingdom of God, in the name of our Lord Jesus Christ I pray!

The Holy Sanctuary That Will Be Built by the Fragrances of Heart, Sanctification and Prayer

The sanctuary that is pleasing to God is also a gateway to our blessing. The construction of the temple of God is closely related to the salvation of souls and brings us heavenly rewards and also is shortcut to receive blessing on earth. But God-pleasing sanctuary is not built just with abundant finances.

Construction of God-pleasing Sanctuary

King Solomon fully understood how pleasing to God and how blessed it is to construct the temple of God, so when he built the temple of God he made it the most beautiful by decorating everything in the temple with gold (1 Kings 6:20-22, 9:2-3). While the Israelites were passing through wilderness after liberation from the bondage of Egypt, they brought the best things among what they possessed in order to make the tabernacle of God by the command of Moses (Exodus 36:2-7).

When His children build the temple of God with the best things they have, God wants to receive their heart. The temple of God refers not only to the church, the body of Christ, but also to the hearts of the children of God where the Holy Spirit dwells. When we accept the Lord Jesus as our Savior, the Holy Spirit comes into our heart and dwells therein. And the Holy Spirit leads us to live by the truth and urges us to enter the kingdom of Heaven. Thus, the heart of the believers in Jesus Christ is the temple of God because the Holy Spirit dwells in it (1 Corinthians 3:16).

Therefore, in order to build the temple that God desires and is pleased with, God's children whose souls are prosperous, have to build the holy temple of God with the fragrances of their hearts, sanctification

and prayer in the midst of their longing hearts for the sanctuary.

The Vision of the Grand Sanctuary

During his reign, King David prepared many things necessary to build the temple of God, but God stopped him from actually building it because David shed too much blood in warfare. Instead, God allowed for his son, Solomon, to build the temple of God. This tells us how important it is for the builders of the temple of God to be in accordance with the justice of God.

Since its founding, Manmin Central Church has been commissioned to build the Grand Sanctuary at the end of the ages. God wants the Grand Sanctuary to be built by the believers of Manmin who have become sanctified and prepared as the beautiful brides without blemish and spot. Prior to building the Grand Sanctuary, God is refining and improving the faith of the believers through the process of the construction of the Canaan Sanctuary. It is because He wants every believer of the church to be the foundation of the Grand Sanctuary.

The Grand Sanctuary is the symbol of the appearance of the glory of God, who dwells in the spiritual space, in the physical space. It will reveal the almighty power and majestic dignity of God and be

recorded as the finest, the most magnificent and the largest sanctuary of God. It will be remembered as a symbolic ark of salvation where the fire of the Holy Spirit is aflame 24 hours, spiritual words are proclaimed, God's amazing miracles are manifested and many kings of the nations come toward God.

And the Grand Sanctuary is the monument commemorating the completion of God's providence of human cultivation. The reason that God created and has been cultivating humankind is to gain true children. At the final period of the history of human cultivation many souls will come forth as God's true children by the works of the Holy Spirit and by their hands the Grand Sanctuary will be built.

In this sense, the construction of the Grand Sanctuary means God has gained His true children, and when God sees the completion of the Grand Sanctuary, He will be comforted and delighted for all that He has endured and mourned during the history of the cultivation of mankind.

God does everything according to the justice of God. The most important condition in the law of justice for the construction of the Grand Sanctuary is the sanctification of the builders. No matter how great the power and no matter how much wealth we have, if we are not spiritually qualified to build it, it cannot be built.

Accomplishing the Canaan Sanctuary of Blessing through Sanctification

The Old Testament asks them to circumcise the body and emphasizes the deeds of observing the Law, while the New Testament urges us to accomplish sanctification through the circumcision of our heart. From this standpoint, we have to build the temple of our heart worthy to enter the Canaan Sanctuary by throwing away all forms of evil and taking off all kinds of fleshly attributes that are filthy and foul (Ephesians 2:22).

The Israelites were seriously defeated at the battle against the city of Ai after they had easily conquered the city of Jericho. It was because a man named Achan disobeyed the command of God and committed a sin. In this sense, none of us should think, "It doesn't matter in accomplishing the Canaan Sanctuary for me to commit such a little sin."

Every one of us should please God with perfect faith and complete obedience, and sanctify our hearts and build the temple of our heart that is worthy to enter the Canaan Sanctuary.

God wishes that every member of the church will become united in the name of Jesus Christ in accomplishing the Canaan Sanctuary. 'Becoming united in the Lord' means each member should obey the leader at his respective position and everyone has to achieve one goal with one heart in any circumstances and any situation. What God really wants us to do is for every of us to enjoy the glory of the Grand Sanctuary in the flow of the spirit without falling short of the goal. He really hopes all members of Manmin have a longing heart to enter the city of New Jerusalem and even the center of the city.

The Tent of Meeting

While the Israelites were passing through desert, God let them build the portable dwelling place of the divine presence of God through Moses so that they could move anytime. It was also called the Tabernacle which means the 'Tent of Meeting' and 'tent-sanctuary'. The Tabernacle is largely divided into two parts: the Holy Place and the Holy of Holies (Exodus 30:18, 20, 39:42, 40:2). The more detailed description of a "tabernacle" is as follows: an inner shrine (Holy of Holies, Exodus 26:33), the ark of testimony (Exodus 26:34), table for showbread (table of the bread of Presence, Exodus 25:30), the altar of incense (Exodus 30:27), an outer chamber (Holy Place, Exodus 26:33), the seven-branched lampstand (Exodus 30:27), the altar of burnt offering (Exodus 30:28), the laver of bronze (Exodus 30:28), and the stand (Exodus 25:28, 30, 36-39). The Tabernacle has the only entrance gate eastward (Exodus 27:13-16), which symbolizes Jesus Christ is the only door to salvation.

Solomon's Temple

In 967 BC, in the fourth year of his reign, King Solomon began building the temple of God and completed it 7 years later. When he dedicated the temple to God, the glory of the LORD of hosts filled the temple (2 Chronicles 7:1-3). King Solomon built the temple in accordance with the directions of God and decorated it with gold and jewels. The place where the temple of God was built is the same place where Abraham had offered his only son, Isaac, as a burnt offering at the Mount Moriah (Genesis 22:2), and God had appeared to David and David prepared a burnt offering on the threshing floor of Ornan the Jebusite (2 Chronicles 3:1). At this same place, David offered a burnt offering when he was disciplined by God for numbering the people of Israel (1 Chronicles 21).
