

“Healing and Blessing Overflow in My Life after Meeting the Living God!”

Sister Uh Munghuh Toyah (53, Mongolia Manmin Church)

In 2004, I accepted the Lord Jesus but couldn't understand the true meaning of Christian faith. Although I had eyes I couldn't see the truth. I went to church only when I had the desire. I read the Bible and many religious books that were said to be good for the growth of faith, but my heart was still in distress and empty. I was not satisfied with anything at that time.

What was worse was that I suffered from Hepatitis C and arthritis and became mentally depressed. I started drinking to drunkenness which was very often the case with me. My 20-year-old son began to go the wrong way and I was possessed with fear in the thought that God would never forgive me at all.

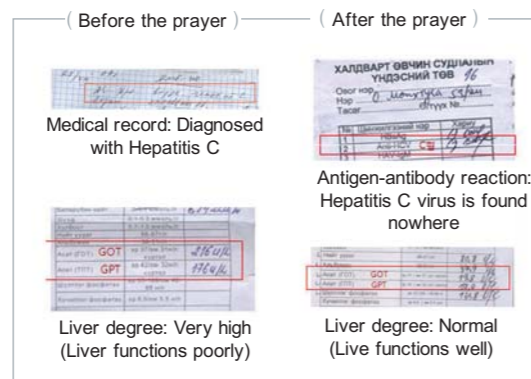

Listening to Dr. Jaerock Lee's message and witnessing God's powerful works through him

In March 2010, I was evangelized by the mother of Missionary Batzorig who is ministering to Mongolia Manmin Church, and was guided to the church. When I listened to Dr. Jaerock Lee's message via the satellite at the church, I was greatly touched. Through Dr. Lee's explanation in his messages, I easily understood the parts of the Bible I had not been able to understand through other preachers' messages and many religious books.

However, I attended the Sunday worship service only twice a month because I had to make a living and for other personal reasons. In September my case of hepatitis C became severe and the following month my abdomen was badly swollen with fluid retention. I became seriously lethargic and my whole body was swollen. The doctor warned me that I could develop liver cancer and advised hospitalization to receive medical treatments. But because I had seen and heard about the many healing cases manifested through Dr. Jaerock Lee's prayer, I really desired to receive healing through faith in God and the prayer without reverting to surgery.

Healed of severe Hepatitis C after repenting of my sins with tears and praying by faith

I attended the two-term Consecutive Daniel Prayer Meeting that began on October 11, 2010. I offered vowed prayer to God with a longing heart for an answer and I kept the Lord's Day holy. I was reminded of the mournful tears

and he began to attend church. He was healed of a herniated intervertebral disc and became to walk properly. My son didn't forgive his father from the heart before, but he changed and came to understand and forgive his

Senior Pastor Dr. Jaerock Lee had shed and his loving warning for the believers not to commit sins, and repented of my sins with tears and runny nose.

I thoroughly repented that I had not led a proper believing life for the previous 7 years since I accepted the Lord but rather befriended the world and enjoyed smoking and drinking. After that my whole body became hot with the fire of the Holy Spirit and my swollen abdomen was restored to normal.

I went to the hospital for the medical checkup on October 18, 2010 and the result showed Hepatitis C virus had disappeared and the liver had been completely restored to normal. The doctor said, "Hepatitis C is one of incurable diseases. It's so amazing to see you healed of Hepatitis C!" In addition, I was also healed of 3 years of arthritis and the weak functioning of the heart was strengthened. I will not need to go to the hospital anymore.

My family was evangelized and overflowed with joy

After that many happy things happened in my home. When I was healed, my husband's heart was moved

father. How happy I am that I've been at peace with my stepmother! I used to hate her and lead a painful life for a long time because I didn't forgive her in my heart. The reason was that my stepmother prohibited me from meeting my father and because he had drawn his last breath, I could no longer see him ever again. My hatred towards her caused me to rejoice when she was sick and to feel sad when she was prosperous and healed. But one day while praying I heard the Holy Spirit telling me to 'forgive your stepmother.' I repented and obeyed it and forgave her from my heart. Now everyone in my home is at peace.

I was not only healed of my disease but in the name of Jesus Christ I was also released from the pain in my heart that my hatred had caused, I offered 3-day fasting prayer to God for the first time. Now I want to serve and love God by coming forth as a sanctified child of God. I give all thanks and glory to God the Father who has rescued me from the pit of destruction. I also give thanks to Senior Pastor Dr. Jaerock Lee who has led me to possess beautiful heart with the gospel of holiness.

“Foot-and-mouth Disease Couldn't Attack Us by the Space-and-Time-Transcending Prayer!”

In December of 2010, an outbreak of foot-and-mouth disease (hoof-and-mouth, HMD) that had started in the vicinity of Andong City, Gyeongbuk Province passed through Gyeonggi Province and arrived in the Chuncheon City, Gangwon Province. There was an outbreak of the disease in the area of Gajung-Ri 1, Nam-Myeon, Chuncheon City, and a couple of members of my church were running cattle ranches in the area adjacent to that area.

Deacon Heekyoon Yoo (45) is raising 12 head of Korean beef cattle at 146 Gajung-Ri, Nam-Myeon, Chuncheon City and Brother Kyeongsuk Seo (67), has 70 head of dairy cattle in the Namsan-Myeon. Brother Seo hurriedly put Muan sweet water into the water that was being provided to the cattle and broadcast Dr. Jaerock Lee's prayer for the sick recorded in the telephonic ARS (Automated Response System) for the cattle.

On December 25, I met Senior Pastor Dr. Jaerock Lee and told him the current situation of the outbreak of foot-and-mouth disease in the Chuncheon City. He prayed for the believers to be protected from the outbreak in the name of Jesus Christ. How happy and impressed I was to watch TV news report that the disease had gone around the areas my church members ranched!

In the spreading of the foot-and-mouth disease, all the cattle within the 500-meter boundary of the outbreak of the disease were culled and buried. I am so thankful that God protected my church members and grateful for the prayer of Dr. Jaerock Lee. Hallelujah!

The Year of the Fulfillment of the Vision

“Let's Become United and Accomplish the Kingdom of God As Greatly As Possible!”

At the 2011 Opening Ceremony held on January 3, Senior Pastor Dr. Jaerock Lee said explosive works of the Holy Spirit would take place greatly and continually and urged all the pastors and Levite fulltime workers to be determined to cooperate with one another more closely and enlarge the kingdom of God more powerfully.

In the beginning of the New Year 2011, the Opening Ceremony was held on January 3rd. All pastors, Levite fulltime workers, and all the pastors from all domestic branch churches came together, were given the goals that they have to fulfill this year and started their ministry with great expectation. At this opening ceremony, Senior Pastor Dr. Jaerock Lee read the Scripture Isaiah 60:1-3 and said, "This verse was given our church by God when the church was founded. This year we will fulfill this Word and arise and shine."

At the New Year's Day Service offered on January 1, 2011, Dr. Jaerock Lee delivered the message with the title "The Churches that Arises and Shines". In his message he said, "There will be explosive works of the Holy Spirit that will continually take place this year through which we will be able to actively participate in national evangelization and accomplish world mission more powerfully."

Since the church was founded, we have been fulfilling God's providence for the end time of the world according to the will and

guidance of God. God has manifested so many powerful works and those works have allowed for church members to accomplish true faith and sincere love through a sequence of trials.

Last year the whole congregation of the church elevated the level of their faith and came to harbor fervent hope for New Jerusalem through unflinching love of God. This change and revival has caused all pastors, Levite workers and all believers of the church to become united and lay the spiritual foundation for the construction of the Canaan Sanctuary, the sanctuary that will have the beauty of God the Father.

Dr. Lee urged all participants to first become united to be able to accomplish everything in unity saying, "It's never difficult to become united. You can become one only if each and every one of you loves God with all your heart and soul. Each of you must press on toward the goal of entering New Jerusalem and have the same heart as the shepherd's heart. Now you have to change your minds to accomplish the will of God. You have to become one in unity for the

glory of God and actively fulfill the Great Commission of the Lord with the holiness gospel."

And he placed an emphasis on prayer, saying, "You have to pray without ceasing. You can never become a man of spirit without praying." Next, he asked them to become united with one another in love and trust and share true love with one another like the early churches.

Lastly he encouraged them saying, "This church has been in the providence of God and He watches after each of you with His blazing eyes and loves you." After his message all the participants renewed their hearts and shook hands with him. After the 2011 Opening Ceremony, Senior Pastor Dr. Jaerock Lee had lunch at the church restaurant along with pastors and Levite fulltime workers.

In addition, on Monday January 3, the 20th term and the 20th session of the Daniel Prayer Meeting began with the title "Spiritual Restoration Campaign: Let's Enter New Jerusalem!" The believers of Manmin Central Church received the New Year with the fervent prayer and the fullness of the Holy Spirit.

Dr. Jaerock Lee's Books Displayed at the 2010 Delhi Book Fair

The Church that Arises and Shines

"Arise, shine; for your light has come, and the glory of the LORD has risen upon you. For behold, darkness will cover the earth and deep darkness the peoples; but the LORD will rise upon you and His glory will appear upon you. Nations will come to your light, and kings to the brightness of your rising" (Isaiah 60:1-3).

Senior Pastor Dr. Jaerock Lee

There are many churches and servants of God that preach the Word of God, but it is a rare instance in which the heart and will of God is correctly presented. It is just as what Amos says in 8:11, "'Behold, days are coming,' declares the LORD GOD, 'When I will send a famine on the land, not a famine for bread or a thirst for water, but rather for hearing the words of the LORD.'"

It is in times like these that someone has to preach about the gospel of sanctification which contains the true heart and will of God. That person also has to be able to manifest the power of God to confirm the word and reveal the glory of God world-wide.

1. Believers in God should shine the light in this age of darkness.

Today's generation is in pitch blackness due to sin. Sin and evil are rampant to an extent that words can't describe. Today's world is more stained with sin and evil than

the day when there was the Flood of Noah and the day when Sodom and Gomorrah met with the calamities of judgment.

Furthermore, sin and evil are not limited to just a couple of places or a few individuals these days. From a young child to an elderly man, without distinction in age, and irrespective of education, social position, or wealth, sin and evil are rampant. People are trying to become purified by means of 'rules and education', yet the world becomes more evil and is falling deeper into ever graver sin.

That's why Isaiah 60:2 reads, "Darkness will cover the earth and deep darkness the peoples." This Word indicates the current generation, the generation that exists today. What we need in this age as darkness is covering the world is the light. It is the Word of God which can enlighten the darkened hearts of people. We also need the power of God that confirms the Word spoken. Churches are supposed to play this role of 'shining the light', but it is

all but impossible to find such a church in this world. Such a church must point out sin by the Word of God and help people to change their lives. But, in many cases they can't or won't do it.

Even though sin and evil are so prevalent throughout the world, churches should never take a part in it. Churches should teach their people to understand the heart and will of God, and to live by the Word. However, there are many churches which don't preach the Word of God. Instead, their people are being taught to compromise with the world. There has to be a church that will arise and shine when people truly need the light in this dark world.

2. What is the church that arises and shines?

The church that arises and shines should cover the whole world with the holiness gospel and God's powerful works and fulfill the will and providence of God. Just as He had Noah prepare the Ark for the great flood, and just as He forewarned Abraham about the judgment in Sodom and Gomorrah to give a chance of survival to Lot and his family, there should be a church that can play the role of an ark of salvation in this end time.

Just as Jesus said in Luke 18:8, "However, when the Son of Man comes, will He find faith on the earth?" It is now truly difficult to find faith. Many people still confess that they believe in the Lord and say, "Lord, Lord" but how many of them have spiritual love which makes them capable of receiving

salvation? Jesus said in Matthew 7:21, "Not everyone who says to Me, 'Lord, Lord,' will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter." People may say they live by the will of God in their own way. However, when precisely judged by the standard of God's Word, how many of them can courageously confess that they lived by the will of God?

The chances are that, even though there are so many verses in the Bible that point out sin, some church goers don't pay attention to any of them at all. They just say and believe such things as, "I will be saved because I go to church," "As long as I go to church, I can receive blessing," and "God is love. He forgives any kind of sin." They misinterpret the Word of God to have it fit with their thoughts.

It is in this kind of spiritual environment that we must shine the light with the Word of God. Then, those who have goodness in their hearts and those who truly want to believe in God will surely come to the light. On the other hand, there are people who hate the light. However, we should never give up on them. By all means, we should shine the light of salvation on them as well. To draw such people nearer to the Lord, we absolutely must have the power of God. Furthermore, it must be the explosive power of God. There has to be great explosive works of the Holy Spirit which exceed the powerful works recorded in the Bible. With this power, this church will accomplish national

evangelization and widen the door to the world mission. Then, kings and nations will come before us. By accomplishing this work, God adds to the number of souls who can be saved, and He accomplishes His providence.

3. We must win in the spiritual warfare with the Antichrist

One of the many important tasks that we have to successfully accomplish as 'a church that arises and shines' is in the battle against the antichrist. The forces of the antichrist have occupied the world much more deeply and widely than we expected. However, we should have the power as strong as theirs in order to accomplish the world mission which is the duty given to Manmin. To save just one more soul, until the Lord comes back again, we should go into every corner of the world. The broadcasting ministry, book ministry, handkerchief prayer meetings, seminars, and so on; there are so many things to do. As we are doing these works, conflicts with the forces of antichrist, both minor and major are going to be unavoidable.

Since we have the power of God that goes beyond imagination however, and despite their disturbance, we will surely accomplish the world mission which is given to Manmin in the providence of God. We need spiritual warriors who can do their jobs in the front lines of battle. That's why I've told you that we need servants of God and workers who are prepared. We can greatly accomplish the world mission as much as we want.

Eight Guidelines for Self-examination of a Beautiful and Fruitful Life of Faith

Many believers at Manmin Central Church are participating in the spiritual restoration campaign titled 'Let's Enter New Jerusalem!' They eagerly want to restore their first love for the Lord, pray fervently and become true children of God worthy of glorifying God. In order to accomplish the image of God and lead a beautiful life in the Lord, the one thing above all else is that we have to act by the Word of God. Here are the eight points that are an abstract of Dr. Jaerock Lee's series of messages titled "The God of Answers and Blessings" and are well worthwhile in helping us in examining our faith.

1 Do you read a chapter of the Bible and memorize a verse of the Scripture every day?

"How blessed is the man who does not walk in the counsel of the wicked, nor stand in the path of sinners, nor sit in the seat of scoffers! But his delight is in the law of the LORD, and in His law he meditates day and night." (Psalm 1:1-2)

The Bible is the record of the Word of God. It is His love letter that He has sent to us. It is the milestone that teaches us how to lead a life making us worthy of being called God's true children. It is also the messenger of God's comfort. The children of God who love Him always enjoy reading or listening to the Bible and meditating on it day and night. They memorize important verses of the Bible, meditate on them, keep them in mind and act by them so that they can maintain spiritual life and receive God's love and blessing (John 6:51).

2 Do you rejoice all the time?

"Rejoice always; pray without ceasing; in everything give thanks; for this is God's will for you in Christ Jesus" (1 Thessalonians 5:16-18)

True believers in the Lord always wait for the Second Coming of the Lord. They rejoice with the hope that they will be saved and enter the beautiful heaven and enjoy eternal life with Him. No matter how difficult and burdensome the situations and conditions are, they can always rejoice and give thanks because they believe God wants to give them the best. So, when they obey His Word and rejoice from their heart, darkness will disappear, blessings come upon them in spirit and flesh, and they experience His grace and strength.

3 Do you continually pray in accordance with the will of God?

"Call to Me and I will answer you, and I will tell you great and mighty things, which you do not know" (Jeremiah 33:3)

God has mercy on new believers who have just begun their life of prayer and are struggling with drowsiness, tiredness and idle thoughts during prayer time. But there are those believers with long years of faith who habitually doze or become entrapped in meaningless repetition at the prayer time. There are even those who cease praying for a long time. They have to examine if they have love for God in their hearts. As record in 1 Samuel 12:23, believers should not commit the sin of ceasing to pray and pastors and servants of the Lord have to do their best to pray always.

4 Have you murdered your brother?

"Everyone who hates his brother is a murderer; and you know that no murderer has eternal life abiding in him" (1 John 3:15)

If you really believe in God and love Him, even if you hated someone before, you will come to love that person. If you still have ill-feelings against anyone, then you have to acknowledge that you have hatred within you. Through fervent prayer you have to discover the original reason that caused you to hate him and solve the problem as quickly as possible. Then, you have to plant love in your heart. As much as you come to love that person, hatred weakens and you throw away various evils of envy, judging, condemnation, hot-temper and slandering all of which have their roots in hatred.

5 Do you have lust toward the other sex in your mind when you see him/her?

"I say to you that everyone who looks at a woman with lust for her has already committed adultery with her in his heart" (Matthew 5:28)

Today the worldly culture is so lustful and sensual that many people think it strange not to have passion, love and desire for the opposite sex. In fact it is considered natural. Many children observe, take in and develop improper emotions or twisted knowledge about sex in their childhood. These aberrant thoughts and such twisted knowledge may have caused them not to consider lustful desires as sin, but after accepting the Lord they have to look at them with the standard of the Word of God. If they fervently pray for lustful desires not to arise in their mind and make all their efforts to cast them off, they can be liberated.

6 Do you have the mind of a thief?

"You shall not steal" (Exodus 20:15). "You shall not covet your neighbor's house; you shall not covet your neighbor's wife or his male servant or his female servant or his ox or his donkey or anything that belongs to your neighbor" (Exodus 20:17)

The mind of a thief refers to the desires to covet or steal the other's possessions. People have covetous desire when they want to gain benefits without labor. Broadly speaking, even if you use somebody else's things, even small things such as a pen, paperclip or even scratch paper with no feelings of conscience, it proves you have the mind of a thief. It is less acceptable to take that which is God's. Financial dealings or exchange of money seeking financial opportunity or to become a guarantor for another brother in faith is not permitted according to Proverbs 11:15. You should not seek temporal and passing benefits but instead walk the right way looking forward to the blessings God will give you later.

7 Do you evangelize at least one soul every year?

"For since in the wisdom of God the world through its wisdom did not come to know God, God was well-pleased through the foolishness of the message preached to save those who believe" (1 Corinthians 1:21)

Those who love God and are loved by Him have overflowing joy and happiness in their lives. When they open their mouths they spread the secrets of happiness to as many people as they are able. Those who love God, come to love the souls. They can measure the heart of God, who considers a single soul as more valuable than the whole universe, and thus do their best to evangelize many others. Some believers have a desire to evangelize, but do not do well because they have little courage. But the most important thing is their desire to obey the Word of God so that they try their best to spread the gospel. Whether in season or out of season, God lets them reap the fruits of evangelism.

8 Do you live in peace with everyone?

"Never pay back evil for evil to anyone. Respect what is right in the sight of all men. If possible, so far as it depends on you, be at peace with all men" (Romans 12:17-18)

Where peace is broken the enemy devil always works and God is not present. If peace is broken wherever you go, you have to realize it is attributed to your fault. When you have no barrier of sin against God you can be at peace with God. And when you resemble the Lord and accomplish His heart, you can live at peace with your neighbors, and when you don't have to struggle with sins and untruths anymore. You can have peace within you.
