Sister Minkyung Lee (1-1 Canaan Mission)

Sister Minkyung Lee is playing percussion instruments as a member of Nissi Orchestra

Last November, I had a stomachache, and severe pain troubled me a lot. However, I did not take it seriously thinking that I would be ok after receiving Dr. Jaerock Lee's prayer. For a month after that I had been fine, but I started to feel serious pain again. As a result I had a gynecological examination in a big hospital.

My ultrasound result showed that I had a 3 cm ovarian cyst. The doctor said, "You are still young. But how could you neglect your health like this?" He added that it was a very rare case for women in the early twenties to have such a cyst. He went on to say that if the cyst became larger or turned out to be malignant 2 months later, I would have to undergo surgery.

I came to examine myself. I had thought I could be healed just by Dr. Lee's prayer without repentance. I started to realize my wrongdoings. I had not completely cut off worldly things using the excuse of my family members who did not believe in God. I broke peace with them and wanted others to understand me. I repented of those sins and fasted.

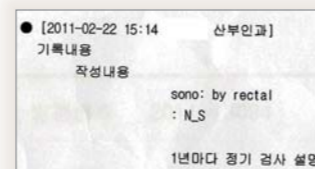

While offering a vowed prayer, on February 21st, a day before another ultrasound, I became filled with the Holy

Spirit more than usual. I went to bed after receiving Dr. Lee's prayer recorded on the telephonic Automated Response Service. I had a dream in which someone knocked my house door. It sounded urgent and a voice told me, "Sister Minkyung Lee, Dr. Lee is coming." I was in a hurry to see him. The bright light there took my breath away. He showed me a big smile saying, "I am here because I want to see you. Now I am leaving." He hugged me in his arms and then disappeared.

I was so convinced that I had been healed because I had such a vivid dream after repentance. I visited the hospital to see my ultrasound result. My doctor said, "Fortunately, the ovarian cyst disappeared." How glad I was! Since then, I have enjoyed happiness listening to Dr. Lee's sermons and praises. I have led a happy Christian life understanding the heart of the Lord more and more. I am eager to pay back His grace all the more.

## “My Son's Mid Fingers Were Straightened Out!”

Deacon Soochan Kang (Masan Manmin Church)

“What? What is wrong with his fingers?”

In 2008, after my wife Deaconess Mikyung Yoon gave birth to my son Hyunho Kang, she stayed in a postnatal care center. Washing his hands, she noticed that his mid fingers of both hands were bent. The doctor said it was impossible for a new-born child like him to receive surgery, so we had to just wait.

My wife and I were so shocked that we fasted and prayed for our son, but there was no difference. I suggested to my wife that we stop watching TV and shopping online. To be honest, I had been immersed in online gaming and my wife in online shopping. I had hardly prayed for 2 years and did not keep the Lord's Day holy, but instead watched TV.

On November 26 of 2010, we repented of such sins and received Dr. Jaerock Lee's prayer. A few days later, his fingers started to straighten out little by little. Seeing his fingers get better, we came to have faith and decided to give 21-day vowed prayer during Daniel Prayer Meeting from January 1st. After our prayer, our son was completely healed. He can hold things tightly and well now. He has become more active. Hallelujah!

## “I Felt So Amazed by GCN and the Divine Healing Meeting of Manmin Central Church”

Sister Kilsoon Yang (Geumsan Gun, Chungnam Province)

“I have not believed in God for a long time. Do you really think that I will be healed by the prayer?” “Yes, mother! I have prayed for you. Many patients have received healing during the Divine Healing Meeting of Friday All-night Service. I believe God will cure you if you come to the church.”

I was inflicted with severe pain because of hemorrhoids. Since January of 2011, due to the severe bloody discharge I had to change my underwear 3 or 4 times a day. I needed to undergo medical treatment. Recognizing my pain, my daughter fervently prayed for me and tried to evangelize me.

On February 24th, she insisted that I go to Seoul with her. While staying at her house in Seoul, I watched various programs on GCN (Global Christian Network) such as sermons, praises, testimonies and so on as she asked me to do. After listening to Dr. Jaerock Lee's messages, I received his prayer for the sick. I attended the Divine Healing Meeting with Manmin Prayer Center President Mrs. Boknim Lee and received her prayer, too.

At 5 PM on that same day, I was watching GCN and as usual, I went to bathroom to change my underwear. How surprising! Not only was my underwear clean, but also hemorrhoids completely disappeared. I felt so astounded.

That night, I attended both the first half of Friday all-night service and the following Divine Healing Meeting with a longing heart. As instructed, I laid my hands on my sick part when Dr. Lee prayed for those who were sick. After the prayer, pain in my back that had troubled me for 3 years disappeared and after-effects of accidents were healed. Moreover, I became free from suffering insomnia, works of demons, and auditory hallucination caused by my idolatry in the past. Nowadays, I feel like I am living in Heaven. I give thanks to God of love who met and healed a person like me.

# God the Healer

“And He said, ‘If you will give earnest heed to the voice of the LORD your God, and do what is right in His sight, and give ear to His commandments, and keep all His statutes, I will put none of the diseases on you which I have put on the Egyptians; for I, the LORD, am your healer.’” (Exodus 15:26)

The God of love wants all the people to stay away from all kinds of diseases and enjoy good health. He sent His only begotten Son to this earth and opened up the way for everyone to receive healing by faith (1 Peter 2:24). As there is no effect without cause, every disease arises from certain causes. Therefore, if you figure out the causes and solve them, you will be healed quickly.

## 1. General Causes of Diseases

### 1) The result of one's own sin

“The diseases on you which I have put on the Egyptians” in Exodus 15:26 involve all kinds of diseases on the earth. The scripture shows God's justice and promise that if we live by His Word, He will protect us from any and all kinds of disease. Thus, if you have some kind of disease, you need to check if there is anything you do not obey according to God's Word.

Moreover, you have to determine the reason why you are afflicted with diseases in order to receive healings. In other words, you should find out what you did that was not in accordance with God's will. When you turn from your ways and act in accordance with His will, you will be healed. You must not commit such sins again after receiving healing. This is because something worse happens to you if you sin again. (John 5:14)

### 2) The result of disobedience to physical order

There are some people in anguish from certain diseases even though they do not commit sins. It is because they do not keep the physical orders. For instance, stomach disorders can be caused by eating irregularly or overeating. Smoking or drinking can lead to cancer or liver disorders. You might have diseases because you do not take care of your health. All those are attributed to your carelessness. That is, you do not cherish your body that God gave you, and you break the physical laws affecting the body.

### 3) The result of neuroses and other mental disorders

Many people in modern society are under severe stress. They live in the anguish of mental disease such as nervousness, pressure, anxiety, and tiredness which can trigger physical diseases. We will be set free from such mental diseases as long as we forgive, understand, and love others according to the Word. In other words, if there is no hatred or anger in our heart, our emotions will not be stirred, but just become free from any kinds of mental diseases. On the contrary, if we still have evil, our emotions will be stimulated and it can lead to mental disorders and even physical diseases.

### 4) The result of works of the enemy devil

Even though they attend church, some believers are demon-possessed or controlled by evil spirits and then fall sick. This is because they say they believe in God, but do evil going beyond the limit of God's justice. Nevertheless,

Senior Pastor Dr. Jaerock Lee

when they repent thoroughly and turn back from their sins, God will heal them and set them from works of evil spirits.

If the patients are not sane and unable to repent for themselves, their family members should become united as one and repent on their behalf and then receive prayer for the sick by faith. Even though they have been tormented from those mental disorders and diseases the devil brought on them because they forsook God's will and distanced themselves from the truth, they will be completely healed and released if they thoroughly repent and turn back.

## 2. Other special causes of diseases

### 1) When one pays for the penalty of the other's sin tied with him in a spiritual cord

As recorded in Jeremiah 31:30, “But everyone will die for his own iniquity; each man who eats the sour grapes, his teeth will be set on edge,” and in Ezekiel 18:20, “The person who sins will die. The son will not bear the punishment for the father's iniquity, nor will the father bear the punishment for the son's iniquity; the righteousness of the righteous will be upon himself, and the wickedness of the wicked will be upon himself,” each individual is principally judged and punished not because of others' sin but because of his own sin.

But there are rare cases where a believer falls sick because he/she is bound to other members of the family in spirit with a spiritual cord. Such a case commonly happens between a wife and a husband or between children and parents, but there are siblings who are tied up by a cord of spirit from time to time. It's because when one family member has sinned, another member doesn't commit the sinned member to God but instead prays to God suggesting a certain provision or conditional situation. Then, it leads to creating a spiritual cord between them, and the latter falls ill because he has to pay for the punishment of the other's sin.

### 2) The result of ancestors' extreme idolatry

When ancestors had called upon demons and worshiped idols to an extreme for generations, the generational family members may fill the amount of evil piled

up for a long period of time with their sins, and then the family members are put under a curse. Children in such families are usually born with incurable diseases or infirmities and the family members constantly have troubles and trials and become alcohol or drug addicts and mental patients.

When they are about to believe in God, evil spirits disturb them to prevent them from believing in God. But a faithful believer in the Christ can be set free from those curses due to his ancestors' extreme idolatry even though he is born in a cursed family. God's justice applies precisely to anyone's life, but He places love before justice. If you have completely cultivated your heart into spirit and attained to the level of whole spirit, Satan cannot affect you at all and you have nothing to do with a spiritual cord with.

Dear brothers and sisters, Jesus Himself took our infirmities and carried away our diseases by His scourging and shedding of His blood. That's why there is no reason for believers in Jesus Christ to be afflicted with diseases (Matthew 8:17). I hope that you will meet the God of healing and answers and enjoy good health and a happy life by the power of the Lord.

The excavations of Pompeii show us its developed culture and architecture through a paved street, amphitheatre, baker's shop, fresco wall murals, private baths, and mosaic floors.

# What Happened to Pompeii, a Resort City of the Roman Empire?

The Bible records that two biblical cities of Sodom and Gomorrah were totally destroyed by the fire from heaven, and the history testifies that two Vesuvian cities Pompeii and Herculaneum were destroyed and completely buried by the catastrophic eruption of Mount Vesuvius. The destruction of those cities gives a significant lesson to us who are living in this age that is full of evils and sins.

Pompeii was an ancient city, close to the Bay of Naples, in the Italian region of Campania. It was a port city located at the mouth of the Sarno River in the southeastern area of the volcano Mount Vesuvius. This city was an important passage between other countries and the Roman Empire, and a prosperous center of agriculture and commerce. Pompeii was also a resort city with many visitations of wealthy Romans.

But on August 24, 79 AD, Pompeii and Herculaneum were instantly destroyed and buried by the catastrophic eruption of Mount Vesuvius. This catastrophe is recorded in [www.AllaboutHistory.org](http://www.AllaboutHistory.org) as the following: “As early as ten o'clock on that fateful August morning, a plug of pressured lava blew skyward. No one expected that Mount Vesuvius would spew forth fire twenty miles into the sky, revealing a gigantic umbrella pine-shaped cloud. The inverted ‘mushroom cloud’ produced a 24-megaton eruption -- one thousand times more powerful than the bomb that leveled Hiroshima. As the deep-Earth magma frothed and cooled, it shot ‘sponge stone’ (pumice) skyward at a velocity nearly twice the speed of sound.”

## An Ancient City Was Completely Destroyed and Buried by the Eruption

The city of Pompeii had been completely buried and forgotten until its excavation was started in 1599 to dig an underground channel to divert the river Sarno. The continual excavations thenceforth have not only given us a vivid vision of a daily life of a Roman society, but also helped us understand the culture, morality, and religion of the Roman Empire.

The city's magnificent culture and arts are revealed through the discovered relics including indoor running water, a thriving marketplace with mills and baker's shop, an amphitheater for entertainment, beautiful frescoes and wall paintings, public baths, cobblestone streets, sidewalks and many private shops, and so many. Those paintings and inscriptions on the walls show us how corrupt they were in religion, moral and culture, and how severely they were indulged in sexual immoralities.

## Two Biblical Cities Sodom and Gomorrah Were Also Completely Destroyed

The destruction of the biblical cities Sodom and Gomorrah is well recorded in 2 Peter 2:6 that reads, “If He condemned the cities of Sodom and Gomorrah to destruction by reducing them to ashes, having made them an example to those who would live ungodly lives thereafter,” and in Jude 1:7 that reads, “just as Sodom and Gomorrah and the cities around them, since they in the same way as these indulged in gross immorality and went after strange flesh, are exhibited as an example in undergoing the punishment of eternal fire.”

These two verses and the 19th chapter of Genesis tell us

how grossly the residents in the two cities went over the moral limitations in the sight of God. The residents indulged themselves in lustful pleasures and sexual immoralities, and also grew imbued with many other sins.

God rained on Sodom and Gomorrah brimstone and fire from heaven and overthrew those cities, and all the valley, and all the inhabitants of the cities, and what grew on the ground (Genesis 19:24-25). The places were completely devastated and have not been inhabited ever since. Today the very location that the two cities were destroyed is located by the Dead Sea. The areas that housed the two cities looked like a garden of God and like the land of Egypt. It was well irrigated everywhere (Genesis 13:10). But, they are now occupied by a salt lake whose surface and shores are 423 meters (1,388 ft) below sea level, the lowest elevation on the Earth's surface on dry land.

## How to Be Saved from the Judgment of God's Justice

How could Lot and his family gain salvation from the judgment of fire in the city of Sodom? It was mainly because God considered his uncle Abraham. When God told Abraham that He would judge and destroy Sodom and Gomorrah, Abraham earnestly prayed for the salvation of his nephew Lot and his family and eventually a chance for salvation was given to them.

Shortly before the fire of God's judgment covered the city, Lot forsook everything he had including all his possessions and cattle and fled away from the city. He told his sons-in-law, who were to marry his daughters, that the judgment would come, but they thought he was jesting. Lot's wife followed him, but in the middle of her flight, she defied the warning of God that forbade her to turn back, and looked back to the worldly city and turned into a pillar of salt.

The Bible clearly records the signs of the coming back of the Lord and the end time of the world are characterized mainly by the many more appearances of wars, famines, and many disasters that take place all over the world.

The world is becoming filled with many more man-made disasters due to the development of science and civilization, but there remains a way for them to be saved through the effective prayer of a righteous man in accordance with the will of God. It's because the God of love gives everyone a chance for salvation until the last moment and God is amazingly manifesting explosive power of the Holy Spirit to lead many souls to believe in the Lord Jesus Christ and receive salvation.

The believers in the Christ should continually press on to enter the kingdom of Heaven without looking back at the world and seeking any worldly pleasure, and also fill their hearts with the love for the Lord so that the worldly things can never enter their mind.
