

“I Was Healed of AIDS through the Prayer Transcending Space and Time”

Brother Leopard (New York International Manmin Church)

In June of 2009, I felt like I had become very weak. I coughed a lot and a skin tumor appeared along with pain. I received prayer of a few well-known pastors to be healed, but it was of no use.

I had medical check in Central Hospital in Brooklyn, New York. The result showed that I had pneumonia and AIDS. I was treated with strong drugs, but it became just worse. I felt pain even when I breathed.

However, I always thought that God would be able to heal me. In the meantime, Dr. Jaerock Lee came to my mind. I watched Peru Crusade and New York Crusade with Dr. Lee through the videos which my friend's mother gave to me two years before. As I watched, His power struck me.

I started to watch the programs of

Manmin TV through Internet in August of 2009. I felt like I talked to God face to face when listening to Dr. Lee's message. I listened very carefully with tears.

In particular, I came to have hope of healing when watching the amazing power of God that let the poor eyesight and hearing be recovered to normal. I saw many kinds of diseases healed, and the lame stand up and jump. I was so sure that Dr. Lee is a man of God because as said in Psalm 62:11, power belongs to Him.

I stopped going to hospital. I received Dr. Lee's prayer for the sick after listening to his message through the Internet. I could feel the pain disappear little by little and I got better. I only relied on God with fasting and prayers. Then, I came to have peace

and joy in my heart.

On October 16th, 2010, it happened to be my birthday. I received Dr. Lee's prayer at 5 A.M. and my room was filled with heat. My body became hot as well and I was sweating a lot.

Following day, I went to hospital. The doctor was so surprised after examination, because AIDS and pneumonia vanished completely. He said he could not believe and asked me to go to another hospital for retest. However, the retest result was just the same with the previous one. Hallelujah!

I have been leading a happy Christian life in New York International Manmin Church (Pastor James Shim). I give all thanks and glory to God who healed me through prayer transcending space and time.

“The 26 Year-lasting Psoriasis Dermatitis Disappeared”

Deaconess Soonjoo Yu (12-2 Parish, 2-2 Women's Mission)

What if dead skin cells kept peeling off from your body?

The psoriasis dermatitis had troubled me so much from the time I was a sensitive 14-year-old girl. My feelings were often hurt especially during my years in school. The times remained in my heart like a bruise. I worried about the eyes of others looking at me because of the dead skin cells that were on my body and my clothes. So I could not wear what I wanted.

My parents tried so hard to have me healed through medicine. When I took the medicine, I seemed to get better for the moment, but the symptoms appeared again and again. I could not be healed completely. Even when I turned 30 and became a mother, I still suffered from it.

This psoriasis dermatitis can be caused by the lack of moisture in the skin. It could lead to extremely itchy sensation and dead skin cells

“Our family becomes more united as one with love after giving glory to God with my testimony” (From the left: Deacon Jeonghui Lee; Brother Kyuhyun Lee; Sister Yeun Lee; Deaconess Soonjoo Yu)

to appear. It usually appears on elbows, knees, head, and bottom. It could be easy to develop chronic dermatitis and reoccur even after treatment.

It was spring in 2007. The psoriasis dermatitis was spread to my whole body that it was horrible to see. It had been only spots on parts of my body before, but it became very serious. Even a rough rash with small seed-like lesions was found. On the rash were dead skin cells.

I looked back on my life because I

felt that the cause of diseases lies in the wall of sin against God. One thing came to my mind. I went on a family outing to a ski resort in New Year's Day of 2007. At that moment, I thought to myself for a moment, ‘I have been working for the Lord earnestly. I think I can take a rest from the work for a while.’ Afterwards, I stopped praying and paid no attention to my God-given duty as a cell-leader. My Christian life was getting lukewarm.

The thought came up, and I repented

with tears. I began to remind myself of the love of the Lord who was crucified for me and think of ways to repay His grace. I tried not to be lazy in visiting my cell members and preaching the gospel. Even though the symptom of the dermatitis appeared on my face, I did not mind others' eyes, because I was so sure that I would be healed.

I received Dr. Jaerock Lee's prayer three times. After the first prayer, it became worse. But I had no doubt I would receive healing. After the second prayer, it went better little by little.

On April 27th, 2007, I was completely set free from the dermatitis which had troubled for 26 years after the third prayer. I glorified God with my healing testimony on the altar during Divine Healing Meeting in June, 2009.

Afterwards, my family came to have peace. My husband's tithe is increasing as he leads a fervent Christian life. My eight-year-old son serves God as a member of Children's Sunday School Praise Team. My six-year-old daughter has given glory to God by receiving many prizes in church events.

We give all thanks and glory to the Lord who healed me and made my family stand in faith.

NO. 238 JUNE 12, 2011

A Must-Read for All People, The Message of the Cross in 22 Languages A Touching Message Which Has Awaken Countless Souls and Given Them True Life

The Message of the Cross, Dr. Jaerock Lee's representative book, became a must read for all people in the world. Countless letters of thanks have been constantly received from the servants of the Lord and the believers who received grace through the book. Pastors have made requests that the book be translated in their languages saying they want to use the book for their ministry, because it delivers core messages for a proper Christian life.

The Vietnamese edition was published in April 2011, and as of June of 2011, it is now published in 22 languages: Korean, English (Simplified and Traditional), French, Russian, Spanish, German, Japanese, Tagalog, Arabic, Vietnamese, Estonian, Urdu, Italian, Indonesian, Tamil, Hindi, Thai, Finnish, Hebrew, and Nepali. So far it has been translated into sixteen languages including Greek and Portuguese and is now being translated from English into ten languages such as Armenian and Iranian.

The book includes answers to many believers' questions on

the message of salvation and the human cultivation such as ‘Why did God place the tree of the Garden of Eden?’, ‘Why is Jesus our only Savior?’, and ‘What

is the meaning of Jesus' last seven words on the cross?’. If we understand them, we can realize God's providence embedded in the human cultivation. Then, we cannot help but love Him. In

addition, when we gain realization about the providence of salvation, we will be amazed by His deep love and wisdom.

New York State Senator Dr. Ruben Diaz said, “I have not

known such a greater minister whom God has used, with the power of miracles and also a biblical Christ-centered word, as Dr. Jaerock Lee. His book, *Understanding the Message of the Cross of Jesus Christ*, has shaken my life and also the entire city of New York. I do not only endorse and commend this book, but I also commend his entire ministry. This book will transform nations and will be a great injection and contribution for the entire Christian church all over the world.”

Jose Ricardo, president of Nueva Vida Editorial Inc. for Spanish readers, stated, “This is the most Bible-based book I have ever read, and it has been constantly loved by many readers.” Dr. Richard Blake from the U.S. wrote review of the book on Amazon.com, “The Message of the Cross provides readers with the foundation of faith by letting them understand God's measureless providence and love. His book is based on the Bible, and his message is filled with unchanging conviction on the gospel of Jesus Christ.”

The World Holiness Center was Opened in the U.S.

gospel and ministry of Manmin Central Church all around the world.

The video with Dr. Lee's congratulatory message was presented. Elder Boaz Lee gave congratulatory comment and prayed in the opening of the event. Pastor Dr. Esther Chung delivered congratulatory message during Library Opening Ceremony. It was attended by around a hundred people from Israel, the U.K., Africa, Russia, and other locations throughout the U.S.

The center has a garden, a pond, a trail, and a small forest. In the building are a main hall, prayer halls, a library, and a guest house. Seminars, symposiums, and handkerchief healing meetings (Acts 19:11-12) will be held in the center with Dr. Lee's sermons.

Mongolian Missionary Dispatching Ceremony

On May 29th, Mongolian Missionary Dispatching Ceremony was also held during Sunday Evening Service. Missionary Anhbayar Ganbaatar is planning to preach the holiness gospel in Ulaanbaatar Mission Center in Mongol through the publication ministry. He came to Korea in February, 2008 harboring the vision to spread the holiness gospel in his home country, Mongolia. He finished the course of MMT (Manmin Missionary Training Center). He also has armed himself with the Words of God including ‘The Message of the Cross’, ‘The Measure of Faith’, and ‘Spirit, Soul, and Body’.

SEVEN CHURCHES

- The Church of Ephesus
- The Church of Smyrna
- The Church of Pergamum
- The Church of Thyatira
- The Church of Sardis
- The Church of Philadelphia
- The Church of Laodicea

The Letter of the Lord to the Church in Smyrna (1)

“And to the angel of the church in Smyrna write: The first and the last, who was dead, and has come to life, says this: I know your tribulation and your poverty (but you are rich), and the blasphemy by those who say they are Jews and are not, but are a synagogue of Satan.” (Revelation 2:8-9)

Smyrna was a city situated in Asia Minor and one of colonies of the Roman Empire. At that time, the people in Smyrna called the Roman Emperor ‘Lord’ (Kyrios) and thought there existed only one Emperor in the world. But the Christians believed and confessed that the real authority was not with the Roman Emperor but with Jesus Christ.

The members of the Church of Smyrna were persecuted by Jews who had moved to the area after the fall of Jerusalem. Many Christians even died as martyrs because they rejected worshipping the Emperor. The government of Smyrna collaborated with the Roman government and severely persecuted the Christians. Polycarp, a disciple of the apostle John and the first bishop of the church, became a martyr because he refused to worship the Emperor.

Among the seven churches, only the Church of Smyrna received only advice, without any praise or rebuke. What advice did the Lord give to them?

1. The first and the last, who was dead, and has come to life, says this

The Lord introduced Himself as ‘The first and the last, who was dead, and has come to life’. What does it mean?

‘The first’ means that He is the first of the resurrection. Since the transgression of Adam, all his descendants had been destined to die forever because of the spiritual law that says ‘the wages of sin is death’. However, Jesus was crucified on behalf of them and redeemed them from all sins. He rose again from the dead on the third day and became the ‘firstfruits’ of the resurrection.

‘The last’ refers to the Lord’s second coming in the air. When the Lord comes in the air, all the works of human salvation will also be over. Those who believed in the Lord and died and those who meet the Lord alive will all come out as the fruits of resurrection. Of course, there is the ‘gleaning salvation’ during the Seven Years of Great Tribulation, but for the most part, the

Senior Pastor Dr. Jaerock Lee

works of salvation will be finished. The era of the Holy Spirit will also come to an end. Therefore, ‘the last’ refers to the second coming of the Lord in the air when He harvests ‘the last fruits.’

The Lord, who is the first and the last, was dead and has come to life. This refers to the resurrection after the crucifixion. This is a crucial part in our Christian life, because only when we believe in the resurrection of the Lord can we receive salvation (Romans 10:9).

2. I know your tribulation and your poverty, but you are rich

The Lord knew the trials and poverty that the Church of Smyrna was going through, but He said, “But you are rich.” This is because, through the sufferings that we go through as believers in the Lord, when we overcome them with faith, our souls will become prosperous. We will receive God’s blessings, and blessings will also be stored as heavenly rewards. The trials that believers go through may seem similar to the trials that unbelievers go through, but actually they are very different. There are two major kinds of trials for believers.

In one case, we might be put under trials because we believe in the Lord. They are suffering for righteousness, so God will certainly repay it with blessings.

For example, there may be persecutions from unbelieving family

members or colleagues in the school or the workplace. Perhaps on weekends we used to go on picnics or outings with members of our family, but as we begin to attend church, we regularly attend church every Sunday. As a result, other family members may be somewhat offended or disappointed and persecute us. In this kind of situation if we show our love for them more

and serve them eventually God will move their hearts to accept the gospel. Then, naturally, persecutions will disappear.

On the other hand, if we still experience such persecutions after living as a Christian for many years, then we should check whether we are causing the persecutions because of the lack of wisdom. We may be full of the Spirit, but sometimes we may not control ourselves and speak unwisely, which causes an adverse reaction from our family members. If we are just a little wiser, we can avoid being persecuted by our family members.

There may be another kind of persecution which men of God receive. Moses, Elijah, Jeremiah, Isaiah, and other prophets, and the apostles Paul, Peter, and John loved God very much and were greatly loved by Him. But they were all persecuted for the Lord, the kingdom of God, and for other souls. They willingly endured it all. Because they looked up to heavenly rewards, they did not feel any difficulty and were never shy, bashful or ashamed, but instead they rejoiced. (Matthew 5:11-12)

The other kind of persecution is caused by Satan’s accusations against us for not living by the Word.

When we accept Jesus Christ as our Savior and become children of God, we become a citizen of the heavenly kingdom (Philippians 3:20). From that

moment, we have to obey the law of the heavenly kingdom as its citizens. Only then will we be protected and receive abundant blessings. On the contrary, if we violate the law of God, then, the enemy devil will accuse us and bring us to tests and trials.

Among those who are suffering for this reason, some people misunderstand thinking that God is giving them hard times. However, God does not give us any test or hardships as written in James 1:13. The reason why we are still suffering from tests and trials is because we are tempted by our own desires (James 1:14), violate the law of God, and commit sins. In this world also, if we violate the law, we will be punished. In the same way, when we violate the law of God, we will receive the retribution accordingly.

Because God is just, He cannot protect us from the trials and hardships brought on through accusations of Satan when we commit sins, even though we are His children. After all, it’s the enemy devil that brings tests and trials upon us, but it is also God’s love that He allows these accusations and the trials to take place. God wants His children who are going the way of death, to turn away, even through punishment, if that is the best way. God allows tests and trials to fall upon His children through the accusations of Satan. (James 1:15, Romans 6:23)

About this love of God, Hebrews 12:5-6 says, “And you have forgotten the exhortation which is addressed to you as sons, ‘My son, do not regard lightly the discipline of the Lord, Nor faint when you are reproved by Him; For those whom the Lord loves He disciplines, And He scourges every son whom He receives.’” Therefore, if we are going through any suffering, we should first check to determine what the cause is. If it was caused by our own mistake, we have to quickly repent and turn away so that we will come back into the blessings of the Lord again.

The Church of Smyrna not only

suffered from trials, but also poverty. As we believe in God and come to the Lord, we can receive blessings of health and wealth as our soul prospers. But sometimes, believers may suffer from poverty like in the case of the Church of Smyrna. Even though we may work harder than when we did not believe in the Lord, we may still face persecutions in the workplace, or we may be treated unfairly. Because we cannot keep the Lord’s Day holy while working for our present company, we may have to quit or move to another workplace. Because of something like these, we may have financial difficulty. But it is caused by faith in the Lord, it will not last long. Even though the other person keeps on persecuting us, if we just treat him with goodness all the time, he will also submit. Finally, the Lord will pay us back with overflowing blessings.

Additionally, there is poverty suffered as a result of one’s own will. Suppose we are able to enjoy many things. But because we love God, we do not spend for ourselves but only for the kingdom of God. We voluntarily put ourselves in a situation of self imposed poverty with thanks. God will repay us with so many rewards in heaven. Also even on this earth, He will make our souls prosperous and give us health. So, we are actually ‘rich’.

Smyrna was the city of wealth, but the Church of Smyrna was poor. However, the Lord praised them saying they were actually rich. Jesus is the Son of God the Creator, and all wealth is

His. But, He was born in a stable and laid in a manger. (2 Corinthians 8:9) While living on this earth sometimes He was hungry and other times He had no place to lay His head. He slept in the wilderness. He did it to redeem us from poverty.

Therefore, we who believe in the Lord should not be poor, but we should give glory to God in the richness we have. But it is not that all children of God will become rich unconditionally. As written in Deuteronomy chapter 28, we have to listen to His word and keep all His commandments to be rich.

If we truly live by the Word of God and act in the light, we cannot face trials and tests. Even if we do, they will go away very quickly. Above all, the eternal heavenly kingdom is ready for God’s children who are saved. Also, as their souls are prosperous, everything will go well with them even on this earth. Therefore, we are richer than anybody.

3. The blasphemy by those who say they are Jews and are not, but are a synagogue of Satan

Historically, many Jews settled in Smyrna. They collaborated with Roman government and killed many Christians. Jews are the chosen ones of God, but at the time of Jesus, the Jews were the ones who did not recognize Jesus as the Son of God and persecuted Him. They judged and condemned Jesus with the frameworks of their knowledge of the Law and the tradition of elders. They finally crucified Him.

Even today, among the believers in the Lord, there are people who disturb the works of God. Though they attend church, when some things are not in agreement with their opinions and beliefs, they judge and condemn.

As said in Revelation 2:9, “The blasphemy by those who say they are Jews and are not, but are a synagogue of Satan,” the Lord says that these people are not Jews. It means they cannot be called children of God. ‘Jews’ as used here refers to the chosen ones of God, and today it implies those who believe in God.

Even if people may seem to have faith and appear to be good, if God does not recognize their faith, it is of no use. If their words and deeds are not those of God’s children, they are only those who say they are Jews and are not. Everything will be revealed on the day of Final Judgment. (Matthew 13:49-50)

We can discern by seeing the fruits in their lives. If they are men of God, they have to bear the fruits of the Holy Spirit. They should love the truth, have peace with everybody, and bear the fruit of good words and deeds.

If the fruit is envy, judging, condemnation, hatred, and quarreling, then this is certainly the work of Satan. When there are two or more people who receive this kind of work of Satan within the church, then, it is called a ‘synagogue of Satan.’

Today, because of the synagogues of Satan, many churches are suffering difficulties. If there is quarrel among

believers in church, the Holy Spirit cannot work. Love will cool down, the fire of prayer is quenched, and church revival stops. Moreover we should be on the alert because a synagogue of Satan can take root anywhere around us.

For example, when you listen to words of untruth, you join the conversation. Because you don’t do so out of evil you might consider it lightly. But even that could lead to false rumors.

Until we completely cast off all forms of evil from us, we are unaware that we have wicked minds. So the evil inside us may come out at any time according to given situation. Some people verbally express their complaints and resentment habitually. Even at the moment when they have to unite their hearts, they give out words of opposition all the time only because they don’t like others’ opinion so much. But they themselves do not realize what they are doing. These people quietly look for those who agree with their ideas. If we thoughtlessly talk with these people and agree with them, we may unknowingly become a part of the synagogue of Satan.

Therefore, we should not agree with any words of untruth, but rather we have to be awakened with the truth. Darkness goes away if light comes. If we only see good things, hear good things, speak good things, and think good things, the synagogue of Satan cannot stay in the church. They will have to go away by themselves.
