

The Books Filled with the Heart and Will of God, “I Want to Spread Them to Overseas Chinese All Over the World”

Ms. Deborah Tang (President of Malaysia Manmin Publisher)

In June 2000, I received a leaflet publicizing a revival meeting with the title of ‘Anybody Who Believes in the Lord Can Receive Healing.’ One of my legs was shorter than the other and I was also pregnant. I walked with a waddle at that time. Seeing the leaflet, I accepted the Lord because I wanted to be healed. When I listened to and learned about the Word of God, there were all these secrets to receiving blessings in both health and wealth!

I was so amazed by the fact that the good God is my spiritual Father. I wanted to lead a Christian life that was pleasing to Father God.

I tried my best to keep the Sabbath, give tithe, and keep the Ten Commandments according to what I learned. I threw away all things such as pottery or dolls that had the images of dragons and various images since I learned they are ones that God really hates. Then, my legs started to be recovered to normal and I was financially blessed, too.

The more I realized the will of God, the more clearly I wanted to understand it. I was eager to know about Heaven and Hell in detail.

Chinese people live.

Many of the readers have received a lot of grace and have given their testimonies. They confessed, “I discovered what was wrong with my Christian life and repented. Then, I received healing and financial blessings.” Others also stated, “I came to realize the providence of salvation and my Christian life has changed. I am very pleased to know I have to pray in the name of Jesus Christ not just the name of Jesus.”

I also have experienced the works of God through the handkerchief on which Dr. Lee had prayed on my visit to Korea. After I prayed for the sick with the handkerchief, those who had relied on a wheelchair came to walk and some were healed of blood cancer.

I want to keep sharing the love of God and blessings with innumerable people and spread the holiness gospel by publishing and distributing more books. I pray in the name of the Lord that we at Manmin Publisher will fulfill the will of God who desires all people to receive salvation. I give all thanks and glory to our Father God who blesses me to become a tool used for spreading the holiness gospel.

After reading Dr. Jaerock Lee's book, *Heaven I*

In August 2007, I received Chinese edition of *Heaven I* authored by Dr. Lee as a gift from an acquaintance. I was so glad that I could read the book cover to cover in a short while. I was surprised by the existence of different dwelling places in Heaven and different glories according to the measure of faith. I was fascinated by the best dwelling place, New Jerusalem. At that time, Heaven that had been only a vague notion in me came clearly to my mind, then the hope for Heaven overflowed in my heart.

I really hoped to see Dr. Lee who delivered the will of God in such a clear way. A few days later, I came to visit Manmin Central Church in Korea. I could feel Dr. Lee's love through the church workers who served me with all their hearts as I was greeted and came from the airport.

Manmin Central Church had everything including the word of life, praise, and prayer. Nothing was lacking. I could see the church's world mission activities when visiting many departments. Finally, the day came. I had a visitation time with Dr. Lee. How can I express the joy that I felt at the moment with mere words? He is the one who satisfied my spiritual thirst and showed the way to meet Father God. I came to be filled with the Holy Spirit seeing Dr. Lee who is gentle and humble. The church members also gave out the fragrance of Christ as true Christians, which made me realize the power of the holiness gospel.

I start Malaysia Manmin Publisher that spread the holiness gospel

I returned to my country with 500 books of Dr.

Lee's of every kind. I began becoming immersed in the precious books such as *The Message of the Cross*, *The Measure of Faith*, and *Hell* which are full of valuable messages. I listened to around 300 of his sermons in the series like ‘Beatitudes’, ‘Chapter of Love’, and ‘Ten Commandments’. My Christian life has changed and my faith has grown up since then.

I also spread his books to others. The books teach us the core of the Bible. So the more we read them, the more widely our spiritual eyes open and the more clearly we come to know the heart and will of God. We can experience the works of God when we obey the words written in the books. Reading them, I came to be filled with earnest heart that I want to spread the holiness gospel.

But there was a problem. It cost me a lot to buy the books and have them shipped to Malaysia from Korea. During my visit to Korea when I met Dr. Lee and later dipped myself in the Muan Sweet Water Pool, I finally decided to publish the books in my country. At the end of 2010, I started ‘Manmin Publisher’ with the heart that desires all people to receive salvation and go to Heaven.

Until all people reach the way of salvation Manmin Publisher has mainly published Dr. Lee's books. Now we have Dr. Lee's eight books such as the English edition of *The Law of God* and Chinese editions of *The Message of the Cross*; *Tasting Eternal Life before Death*; *Spirit, Soul, and Body I*; *Heaven I & II*; *God the Healer*; and *Awaken, Israel*. The books are spread throughout many countries such as India and countries where many overseas

The Manmin Bookstore that President Deborah Tang runs is located in the eastern area of Malaysia where many Christians dwell. The holiness gospel and the power of God are being spread out from the bookstore.

We Give Thanks to God who Let Us Bear Abundant Fruit

Manmin Central Church celebrated Thanksgiving Sunday Morning Service. The celebration is one of the three main feasts named in Exodus 34:22 that are celebrated by Christians. The church gave thanks and glory to God who has given much grace and abundant blessings along with its branch church members who attended the service through GCN TV.

During Thanksgiving Sunday Morning Service, Senior Pastor Dr. Jaerock Lee preached the message under the title of ‘God of Abundance’ taken from 1 Kings 17:12-16. He talked about the three reasons why the widow of Zarephath could receive blessings. Citing her example, he urged the members to obey the word of

God with truthful hearts, to cherish men of God, and to get rid of the greed in their hearts.

During Thanksgiving Sunday Evening Service, Senior Pastor Lee introduced the three reasons for which we can give thanks to God in the message entitled ‘Love of Father God’ based on John 6:55. He told the members

to express their gratitude to God who has given us the following three things: the grace to let them live a life as God's children; the heart of thanksgiving in all things; and the heart and strength with which we can be changed. Then, branch church members from both in and out of Korea together with members in Seoul

participated in the Ceremony of Holy Communion through GCN TV. It was a meaningful time for all to engrave in their hearts the love of the Lord who sacrificed Himself to save all human beings. A week ago, on Sunday, November 13th a Ceremony for Baptism was also held in the main sanctuary of Manmin Central Church.

Senior Pastor Dr. Jaerock Lee received the plague of appreciation from Drug Enforcement Administration of the U.S. Department of Justice

Senior Pastor Dr. Jaerock Lee received the plague of appreciation from DEA (Drug Enforcement Administration) of the U.S. Department of Justice. On October 17, Timothy J. Landrum visited GCN TV and gave the plague of appreciation saying “We give this plague with appreciation for the valuable contribution of Rev. Dr. Jaerock Lee in support of the Drug Enforcement Administration.”

Last year, Rev. Dr. Jaerock Lee also received President's Volunteer Service Award from the U.S. President Barack Obama on the recommendation of the Federal Bureau of Investigation, U.S. and Drug Enforcement Administration of US Department of Justice. He was named as an honored member to the DEA citizens' Academy's International Advisory Board.

GCN TV Appeared on CNN I-Report

On November 11, CNN I-Report, which is a major media broadcaster of Citizen Journalism, reported about Manmin TV (GCN TV at present). Reporter Serhienko covered the ministry of GCN TV that has spread the holiness gospel through the modern technology of Dr. Jaerock Lee's broadcast ministry (<http://ireport.cnn.com/docs/DOC-702936>).

Elder Boaz Lee, president of GCN TV is quoted as saying, “We harbor vision to prove the authenticity of the Bible by showing miracles that are written in the Bible to those who do not believe in the biblical miracles.”

Thanksgiving

“Oh give thanks to the LORD, for He is good, For His lovingkindness is everlasting.” (Psalm 107:1)

I give thanks and glory to God who blesses us to celebrate Thanksgiving Sunday. This year as in the past, God has given us water and sunshine for plants bearing fruits. No matter how much men toil and how hard they work, they cannot gain any fruit without the grace of God. But when men live in abundance and have so many good things, they easily forget about being grateful. We often forget about the grace of God that He gives to us in our daily lives.

There are so many things to give thanks for as God's children. But some people just keep on complaining even though they have received eternal life and blessings. Through this message, I hope you will remember the things for which you should be grateful and offer up your sense of gratitude for His grace and praise Him from the bottom of your hearts. What then do we have to remember and give thanks for?

First, we have to give thanks for the grace of salvation

There are so many things to give thanks for, but the greatest among all is the grace of salvation. The only begotten Son of God, Jesus came down to this earth in human body form. He experienced poverty, hunger, tiredness, the cold, the heat, and all other human sufferings. He took all kinds of contempt and pains and finally died on the cross. For our sins to be forgiven, He accepted the curse, shed His blood, and died.

If we truly believe in this love, what kind of life should we live? We have to love God with all our lives, too. We have to live in the truth and in obedience to the word of God. Namely, we have to eat the flesh and drink the blood of the Son of Man. Then, we can reach perfect salvation.

John 6:53 says, "...unless you eat the flesh of the Son of Man and drink His blood, you have no life in yourselves." Therefore, to eat the flesh of the Son of Man, Jesus, is to take in the word of God. To take in the word of God is not just to know the words of the Bible as knowledge. We have to cast away evil and fill our hearts with goodness, love, and truth.

To 'drink the blood of the Son of Man' means that in addition to learning the word of God, we have to put the word we learned into practice with faith. Only then will the word of God that you have learned become your life and strength. The untruths that were in your heart will go out and it will be replaced by the truth.

Nobody in the world can solve the problem of sins for himself. We would be destined to suffer in the unquenchable fire of Hell if Jesus hadn't suffered such excruciating pain on the cross. We wouldn't be able to call God our Father if we didn't receive the Holy Spirit as a gift from God. So we must not forget the grace of salvation, but imprint it in our hearts and live only in light.

You have to realize in the depth of your hearts just how great the grace of Jesus is, a love so great that

Senior Pastor Dr. Jaerock Lee

He was crucified on the cross to save us. You know how painful is it if you just get burned on one of your fingers don't you? Then, how would you be able to bear the pain if you went into the eternally burning fire of Hell? The innocent Jesus had to suffer so much pain to save us from such a fire. How can we find any words to adequately give thanks and how can we ever repay His grace with anything?

God didn't just give us the grace of forgiveness. He lets us realize what sin and righteousness are and also He gives us the grace to cast away sins. No matter how much a man tries, he cannot cast away sins through his own effort. But with the grace and strength of God and the help of the Holy Spirit, we can cast away even the evil that is placed in the depths of our hearts. As we cast away sins and if our soul prospers, all things go well with us and we become healthy. We can receive anything we ask of God, and we can live without having any shortages.

But some people, even after receiving such blessings, do not give thanks if they are faced with some trials. They say they are in a situation where they cannot give thanks. But to those who truly give thanks to God even in difficult situations, God gives them something for which they can be really thankful.

Second, we have to give thanks to God in everything

Those children who have received the grace of salvation and call God, 'Father', can give thanks in all circumstances. Especially those of you who listen to the holiness gospel, you have many things to be thankful for.

You don't just hope for Heaven, but you long for the best dwelling place in Heaven, New Jerusalem. God gives us such a great blessing. He let our spiritual eyes open so that we can see the spiritual world. This is also because God wants us to have greater hope for New Jerusalem. By allowing us to see the world, He desires us to believe in the existence of the spiritual world and become sanctified.

Then, how much gratitude do you have for the grace that let you hope for such a gorgeous and glorious place as New Jerusalem, and how hard do you try to increase the hope in your heart? As Hebrews 11:1 says, "Now faith is the assurance of things hoped for, the conviction of things not seen," we have to secure the reality of New Jerusalem.

I hope you will realize and feel the grace of God who leads us to the way of salvation and gives us hope for New Jerusalem by letting us realize the truth. We have to count all the fleshly things as rubbish so that we may triumph over the world and run towards New Jerusalem.

There are also other things for which you can give thanks. You always listen to spirit-filled messages in this church full of the Holy Spirit, and your faith increases day by day as you experience the works of the living God all the time. The word of life, with which we can discover ourselves, flows down in our church. The word helps us clearly grasp what sins, righteousness, and judgment are and explains even minor untruth in detail. The fire of prayer keeps burning in Daniel Prayer Meeting every night. Even newcomers can receive strength to pray not long after registering. As long as they pray with their hearts, they can quickly come into spirit.

When our church accomplishes the great duties of world evangelism and construction of the Grand Sanctuary, you have the privilege to participate in the glory of it. Other than these common factors, how many more personal things do you have for which you can give thanks?

You can be thankful that you and your family are protected from all kinds of diseases, accidents, and natural disasters. You can give thanks that your workplace or business is at peace and prosperous. You can give thanks that even if you are in trials for not living by the word, you can quickly realize it, repent of it and change. If you face trials, even though you lived in the truth, you can give thanks believing that God will give you better things. You can give thanks that you have precious duties, that your soul prospers and you have rewards stored up in Heaven. There are only things to give thanks for on a sunny or cloudy day or rainy day, or no matter what.

Dear brothers and sisters in Christ, Psalm 50:23 says, "He who offers a sacrifice of thanksgiving honors Me; and to him who orders his way aright I shall show the salvation of God." I hope you will always remember the endless love of God and glorify God by speaking words of thanks all the time.

In doing so, I urge you, that you will give comfort to the heart of God the Father who has been cultivating us for a long time with so many tears, so much mourning, and such great patience. I pray in the name of the Lord that God will accept your aroma of thanks and give you more blessings in your life every day, and finally lead you to New Jerusalem.

Beautiful Fruit God Has Given to Us

What is the biggest blessing in our lives? The answer is to enjoy happiness in beautiful Heaven where there are no tears, no sorrow, no pain, no disease, and no death. We can receive the blessing by accepting Jesus Christ and gaining citizenship in Heaven. Moreover, those believers who act in the will of God can enjoy blessings that their spirit and soul are prosperous and everything goes well with them on earth. They also can enter the most beautiful dwelling place, New Jerusalem.

Celebrating Thanksgiving Sunday, we will look back on the grace that God has given us for the past year and give all thanks and glory to Father God who let us bear beautiful spiritual fruit.

◆ **Manmin Central Church has prayed for its prayer titles of 2011:** Church that Arises and Shines (Isaiah 60:1-3); Children who Glorify God (Hebrews 10:22); Sanctuary that Has the Beauty of God the Father (Isaiah 60:4); and Explosive Power of the Shepherd (John 14:12). Keeping them in mind, church members pray to receive answers in the sanctuary every night.

God helps those who pray with faith to stand on the rock of faith and guides them to higher levels of faith, that is, the levels of spirit and whole spirit. In particular, the powerful works of the Holy Spirit manifested through the original sound and light have instilled confidence in them and led them to receive answers to their hearts' desires. In other words, the power of God has borne abundant fruit in a different dimension.

◆ **God the Origin, before the Creation, existed in the form of light that contains the sound.** He filled the whole original universe. The original light was rainbow-colored, gorgeous, beautiful, and bright. It was rolling like flowing water. The similar light on earth is the aurora light.

There is no word 'aurora' in the Bible, but there is verses that describes it. Ezekiel 1:28 says, "As the appearance of the rainbow in the clouds on a rainy day, so was the appearance of the surrounding radiance. Such was the appearance of the likeness of the glory of the LORD. And when I saw it, I fell on my face and heard a voice speaking." Revelation 4:3 reads, "And He who was sitting was like a jasper stone and a sardius in appearance; and there was a rainbow around the throne, like an emerald in appearance." Those verses above talk about the original lights that are like rainbow-colored aurora lights.

◆ **The works of aurora lights that emanate from the spiritual world have been manifested in different colors and shapes.** In particular, the lights help men change and circumise the hearts of man. When we just make up our minds to change and act in the Word, they help us get rid of sinful natures, self-righteousness, self-framework, and fleshly thoughts that have never been easy to cast away. We also can cultivate

our hearts into spirit, which resembles the heart of the Lord.

Also, diseases and germs are burned, broken bones come together and are set, ruptured nerves are connected, and dead cells are regenerated by the aurora lights. The lights can even solve the problems that took place in those who are bound by the works of Satan due to their worshipping idols.

Since the aurora lights contain the powerful works of God, through the lights many members are quickly becoming sanctified and healed of diseases. They are also receiving blessings both in spirit and body. They can stop natural disasters and calamities from occurring and protect us even in such a disastrous situation. They control the flow of the world and change the point of time when something happens.

◆ **Many images made with the beautiful aurora lights** have been taken using the cameras in the members' cell phones. This is another present that was given by God in May 2011. Our God has stayed with us through signs, wonders, and powerful works since the founding of the church.

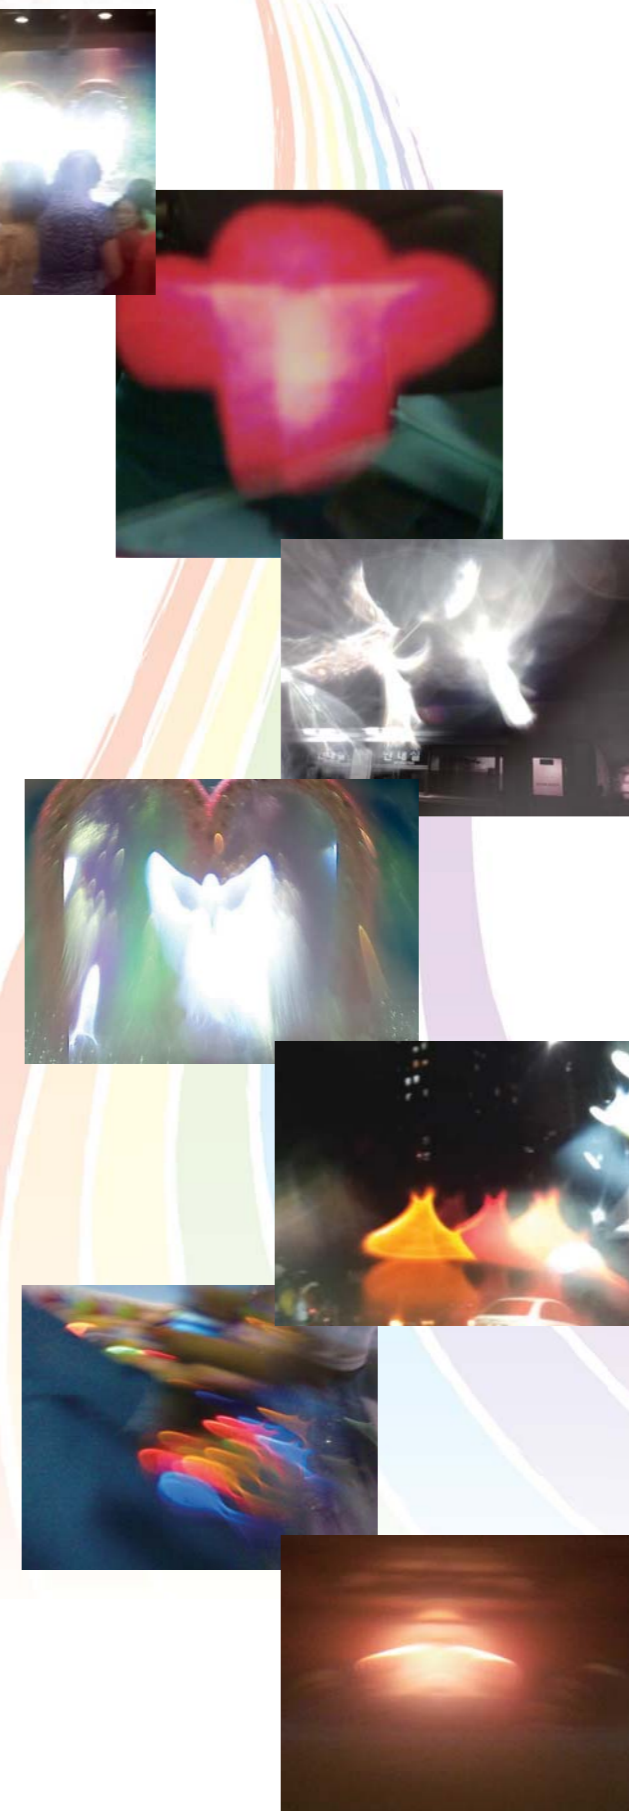

Photos of such aurora lights have been taken in Manmin's ministerial areas all over the world at the same time. The reason why God let so many people in many places see the lights is to save souls and show the great love of Father God. By doing so, He wants to lead them into spirit and whole spirit since He desires to have true children who completely resemble the Lord.

The aurora lights have shown up in different shapes and colors because they are shown as different spiritual worlds open. By showing the lights, He let people realize God can bend lights, form shapes, and create images with them as well as to show them without image. He wants us to realize God the Almighty can do everything.

◆ **God gave Manmin Central Church a special providence on the construction of Canaan Sanctuary and Grand Sanctuary.** Above all, He wants His children who are sanctified to construct the sanctuaries. The beautiful aurora lights are God's special grace and strength to let the members ride on the spiritual flow for the construction of Canaan Sanctuary.

God includes the message of love in the aurora lights saying, "I love you. New Jerusalem is so beautiful. I am holding you fast."

In the rest of 2011, I hope you will realize the deep love of God, believe in Him, and act in His will, ride on the spiritual flow, and become a beautiful man of spirit. I pray in the name of the Lord that you will become a precious tool used for works of the Holy Spirit.

Photos of various kinds of images made with aurora lights have been taken in the church with members' cell phone cameras
