■ GCN TV (Global Christian Network):
GCN TV has been broadcasting high-quality Christian performances of praise and prayer and such programs as 'Word of Life', the 'Works of Power', and 'Evidences of Creation'. The venue is broadcast via national broadcasters, cable television and satellites in 176 countries. (Mobile Web Service also available 24 hours daily: m.gcntv.org)

There are spiritual laws we can apply to resolve all problems in life and receive answers and blessings. You can learn how to resolve problems in the program entitled 'The Original Voice' broadcast on GCN TV (www.gcntv.org) every week at 9 A.M. and 8 P.M. on the Lord's Day.

'The original voice' is the voice God the Creator thunders. Even today, anyone who experiences and obeys the voice can be set free from poverty and diseases and lead a successful life. 'The Original Voice' on GCN TV is a high-quality program that helps its viewing audiences to believe God who created heavens and earth and all things in them and experience His works of Creation.

Based on Dr. Jaerock Lee's book *Thunder the Original Voice*, doctors in the fields of theology and physics, pastors, and broadcasters add to amazement and tone of emotion by giving explanations on each topic. By presenting biblical examples and testimonies, the program makes topics in the book such as 'Origin,' 'Heavens,' 'God the Trinity,' 'Justice,' 'Obedience,' and 'Faith' more understandable.

The producer of the program, Mr. Ohjoon Kwon, said, "We wanted to produce the program from a logical and objective viewpoint so that all viewers would be able to understand with both heart and mind. So I made attempts to include enough real-life testimonies as well as biblical examples." He added, "I am a non-Christian, but this program has caused me to establish closer ties to Senior Pastor Dr. Jaerock Lee and Manmin Central Church."

The program 'The Original Voice' has been receiving very favorable reviews. Sister Haesoo Kim stated, "This helps us clearly understand necessary information concerning the spiritual world by giving explanations and examples. This program is the primary reason my family members watch GCN TV."

Brother Daebok Lee said, "I came to know the difference between the offerings of Abel and Cain through the program. The reason why God didn't accept Cain's was because Cain didn't obey God when God told him to give the Blood Offering. Instead of obeying Cain gave the fruit of the ground to God, not blood. I will not forget this message."

Pastors' Conferences and Handkerchief Healing Meetings in Sierra Leone, Africa

For the three days, Jan. 19th to 21st, Pastors' Conferences and Handkerchief Healing Meetings were held in Shalom Church in Freetown, the capital city of Sierra Leone, with Bishop Dr. Myongho Cheong, chairman of United Holiness Church of Jesus Christ, Africa and ministering pastor of Nairobi Manmin Holiness Church in Kenya. Bishop Dr. Cheong gave lectures on 'Why Is Jesus Our Only Savior?' and 'The Providence Embedded in God's Creation and Human Cultivation.' A total of about 1,000 people attended the Handkerchief Healing Meetings held in the evening. They received the handkerchief prayer (ref: Acts 19:11-12). Through the prayer, those with poor eyesight came to see well and many people were healed of various kinds of diseases including cancer and after effects of stroke. They gave glory to God.

At that time Bishop Dr. Cheong was invited to appear on the news program of TV SLBC, the Sierra Leone State broadcaster, and was live-broadcasted talking about the ministry of Manmin.

At the invitation of Mrs. Sia Nyama Koroma, the first lady of Sierra Leone, he also led the special prayer meeting in the Presidential Residence. The Chairmen of Churches in Freetown and Christian leaders attended and prayed there together.

The God-glorifying Sanctuary on this Earth

“When the priests came forth from the holy place (for all the priests who were present had sanctified themselves, without regard to divisions), and all the Levitical singers, Asaph, Heman, Jeduthun, and their sons and kinsmen, clothed in fine linen, with cymbals, harps and lyres, standing east of the altar, and with them one hundred and twenty priests blowing trumpets in unison when the trumpeters and the singers were to make themselves heard with one voice to praise and to glorify the LORD, and when they lifted up their voice accompanied by trumpets and cymbals and instruments of music, and when they praised the LORD saying, “He indeed is good for His lovingkindness is everlasting,” then the house, the house of the LORD, was filled with a cloud, so that the priests could not stand to minister because of the cloud, for the glory of the LORD filled the house of God.” (2 Chronicles 5:11-14)

God gave Manmin members the vision for the construction of the Grand Sanctuary and He Himself has guided the church since its opening. He has increased the power of the shepherd and the measure of faith of the church members to reveal His glory to the whole world through the sanctuary built by His sanctified children. What then does this sanctuary that God wants really like? What kinds of qualifications must be met and how should we pray for the construction of sanctuary?

1. The Temple of Solomon Accepted by God with Joy

The sons of Israel could not build the Temple right away. During their life in the wilderness, they always had to move to different locations at the command of God. The sons of Israel were able to build the Temple only when they had a united kingdom after conquering the Canaan Land and passing the era of the Judges.

King David loved God so much, and he prepared more than enough materials to build the Temple so that his son Solomon could build it. He prepared appropriate materials for the Temple’s size, structure, and decorations, and even for the dedicated things as gold and silver vessels and ladles, but he did not prepare them with his own thoughts. As written in 1 Chronicles 28:19, he prepared the things as God showed him. In the work of the Holy Spirit, God showed the detailed design of the Temple.

David’s son, Solomon actually began the construction in the fourth year of his reign. After 7 years, when they dedicated the Temple, the elders of Israel and all the heads of the tribes gathered before the Temple. They gave offerings that could not be counted. When the Ark of the Covenant was put in the Temple, the joyful praise filled the whole place.

The priests and Levites who sanctified themselves made themselves heard with one voice, offering up praises playing all the musical instruments. When they gave glory to God in one voice, the Temple was filled with clouds, and the priests were unable to stand while ministering because of the cloud.

2 Chronicles 7:1 says, “Now when Solomon had finished praying, fire came down from heaven and consumed the burnt offering and the sacrifices, and the glory of the LORD filled the house.” The people saw the fire come down from Heaven and bowed down in worship and gave glory to God. God gave them such great joy in their hearts, and this joy cannot be expressed with words.

2. The Spiritual Meaning in the Grand Sanctuary at This End Time

God let only David know the details of the structure of the Temple. He let us know the size, the structure’s plan, and the ornaments of the Grand Sanctuary in detail. What spiritual meanings are there in the Grand Sanctuary which God will fulfill in this end time?

First, the Grand Sanctuary is a monument in this physical space that shows the glory of God who is in spiritual space.

The Grand Sanctuary will be the greatest and best sanctuary in human history. It will reveal the power and dignity of the almighty God. As the darkness thickens

Senior Pastor Dr. Jaerock Lee

towards the end time, there are increasingly more buildings and monuments that lift up people, but it is difficult to find any monuments that manifest the glory of God.

Furthermore, within men’s thoughts, people even say it is wrong to build such a big church building. In this generation, God has given us the duty to build the Grand Sanctuary that will reveal the dignity and power of God.

This sanctuary will be splendid on the outside and the inside. It will have the glory of God, and have the flames of the Holy Spirit 24 hours a day. There will be words of life and fiery works of God’s power that revive the souls that continually spread the Word to the whole world. As read in Habakkuk 2:20, the Grand Sanctuary will become an ark of salvation where all the earth will see the glory of God and to which the ‘kings of the nations’ will come.

Second, the Grand Sanctuary is a monument that celebrates the victory of God in human cultivation.

The purpose of God’s creating human beings is to gain true children. They are the children who love God with sincere hearts and perfect faith and share their hearts with God. God had to go through a lot of pain to gain them. He had to undergo the pain of betrayal of the archangel Lucifer and the first man, Adam. He had to bear with the pain of His only begotten Son, Jesus, dying on the cross.

The ultimate goal of the enemy devil and Satan is for all mankind to neglect the way of salvation and stand against God. It is to cause the eventual failure of God’s plan for human cultivation. God prepared the way of salvation even before the ages and sent Jesus Christ. He also sent to us another Helper, the Holy Spirit. So those who have good consciences will accept the Lord upon hearing the gospel. Some of their hearts will be changed by the works of the Holy Spirit and come forth as true children who understand the heart of God.

Not just anybody can build the Grand Sanctuary just because they have money and authority or the technology. Only the true children of God can build it. They are those who have become sanctified by casting away every form of evil. For this reason, when the Grand Sanctuary is actually built, God will be comforted for all his painstaking mourning that He had to bear since He planned human cultivation. In other words, the Grand Sanctuary will be a monument that celebrates the victory of God in human cultivation.

3. How to Completely Fulfill the Duty of Building the God-glorifying Sanctuary

‘The God-Glorifying Sanctuary on this Earth’ is the sanctuary that will proclaim that God has fulfilled His plan of human cultivation by gaining true children in this sin-filled world. Also, the Canaan Sanctuary will be built as one of the annexes of the Grand Sanctuary, and it will show that the number of the sanctified believers has been filled through tears, mourning, and times of devotion. Now, what do we have to do to completely fulfill the duty of constructing the Canaan Sanctuary and the Grand Sanctuary?

First, we have to recover the image of God the Father completely.

God has expended so much effort to make us what we are today. He taught us many secrets of the deep spiritual realm and let us experience the power to lay the foundation of our faith. He has increased our faith through revival meetings, conferences, and overseas crusades over these many years. Especially, during this past year, God let us ride on the rapid flow of spirit along with the original lights of God. Through these things there are now so many believers who stand on the rock of faith. Many of you have come into spirit, and several of you are in whole spirit.

But we have to run forward more earnestly. Those who are not standing on the rock of faith yet have to do so quickly. Those who are already standing on the rock of faith have to go into spirit, and those who are in spirit into whole spirit. Those who are in the whole spirit must reach the full measure of the Christ. This is the way to more quickly build the Canaan Sanctuary and the Grand Sanctuary.

Second, we must continually store up the prayers of faith and love.

Of course, you have already been storing up so much prayer, but until the actual building is constructed and stands before us, we must continue to pray with all our hearts. If you are praying with a more earnest heart than when you build your own homes, you can think of what to pray for in detail.

You can pray for the money to build the Canaan Sanctuary and the Grand Sanctuary to come in quickly. You pray for all the administrative and legal matters to be taken care of properly; engineers with the best technology and good hearts will come; and that they will be built as quickly as possible. Also, you might pray that the workers who are in charge of overseeing the construction to be united as one and work in faith. Pray that there will be no mistakes, that the enemy devil and Satan will not disturb or disrupt the processes. Pray that each detail of the building will be according to God’s will. In addition, you should earnestly pray that all believers of Manmin will be sanctified quickly so that they will build the sanctuary as one.

I hope all you beloved believers will continue the march of faith. I urge you to quickly have the full measure of the Christ and store up fervent prayers for the construction of the sanctuary. In doing so, I pray in the name of the Lord that you will become like the foundation stones of the Canaan Sanctuary and the glorious Grand Sanctuary that will be revealed.

The Twelve Foundation Stones of the City Wall in New Jerusalem

New Jerusalem is the most beautiful dwelling place in Heaven and filled with God's glory. The City of New Jerusalem is cube-shaped. That is, it has the same measure in width, length, and height. The city is built with pure gold, like clear glass and precious gem stone. The wall is tall and its material is jasper. There are 12 pearl gates on which the names of 12 tribes are inscribed. There are 12 foundation stones on which the names of 12 apostles are inscribed.

“The foundation stones of the city wall were adorned with every kind of precious stone The first foundation stone was jasper; the second, sapphire; the third, chalcedony; the fourth, emerald; the fifth, sardonyx; the sixth, sardius; the seventh, chrysolite; the eighth, beryl; the ninth, topaz; the tenth, chrysoprase; the eleventh, jacinth; the twelfth, amethyst.” (Revelation 21:19-20)

※Here are the colored stones on this earth that are most similar to ones in Heaven.

The First Foundation Stone: Jasper

Faith

Jasper stands for spiritual faith. Just as a building can be safe only with firm foundation, you can lead a proper Christian life only when you have firm faith. Thus, faith is the basis of a Christian life. The spiritual faith in the Word of God doesn't change, so it naturally leads to the deeds of obedience. The best example of a biblical figure that has such spiritual faith is Abraham, the father of faith.

The Second Foundation Stone: Sapphire

Uprightness and Integrity

Sapphire stands for upright and integrity of the truth, which stands firmly against any temptations or threats of this world. In other words, it means the "upright heart" that deems all of God's will to be accurate. A good example of it in the Bible is found in Daniel and his three friends.

The Third Foundation Stone: Chalcedony

Innocence and Sacrificial Love

There are grey, blue, and red colored chalcedonies. Generally, chalcedonies are semi-transparent, whitish stone. This stone spiritually symbolizes innocence and sacrificial love. When one is able to sacrifice himself for the kingdom of God with the pure heart that has no fault, this is the heart of spirit contained in chalcedony. We can understand this heart through the heart of Ruth in the Old Testaments times.

The Fourth Foundation Stone: Emerald

Righteousness and Cleanliness

Emerald symbolizes the beauty and tender green of the nature. It spiritually symbolizes righteousness and cleanliness and stands for the fruit of the Light as recorded in Ephesians 5:9. That is, only when we are harmonious and perfect in goodness, righteousness, and truth can our righteousness be recognized as the true righteousness by God. David and Esther are good examples of the heart. (2 Samuel chapter 24 and the Book of Esther)

The Fifth Foundation Stone: Sardonyx

Spiritual Faithfulness

Sardonyx stands for faithfulness. The kind of hardworking faithfulness recognized by God is to do your duty with all your heart, mind, soul, and life. And this kind of faithfulness has to be actualized in all areas: church, workplace, and family. But it still has to be followed by spiritual faithfulness that casts away sin and evil from the heart. God said Moses was faithful in all God's household as written in Numbers 12:7.

The Sixth Foundation Stone: Sardius

Devotion and Passionate Love

Sardius has a transparent, dark reddish color like ruby or the carnelians. It spiritually symbolizes devotion and passionate love in accomplishing God's kingdom and righteousness. The passionate love for the Lord, the fervor and endeavor for salvation of other souls is represented by the red color of sardius. The very biblical figure that has this kind of heart is the apostle Paul.

The Seventh Foundation Stone: Chrysolite

Mercy

Chrysolite includes olivine that gives out the olive color. It spiritually stands for mercy which is to understand in truth somebody who cannot be understood at all and to forgive in truth a person who cannot be forgiven at all. Deacon Stephen is a good biblical example. (Acts 7:60)

The Eight Foundation Stone: Beryl

Patience

Beryl has a blue or dark green color. It spiritually symbolizes the patience in everything in accomplishing God's kingdom and His righteousness. There are different sorts of patience in truth: patience to change the heart, patience between men, and patience between God and us to receive answers from Him.

The Ninth Foundation Stone: Topaz

Spiritual Goodness

Topaz has a transparent, blend, and reddish orange color. The spiritual heart symbolized by topaz is spiritual goodness. Its spiritual meaning is to seek goodness recognized by God within the Holy Spirit. Those who have spiritual goodness in them will naturally bring out that goodness in their words and deeds as written in Matthew 12:35. They give out the aroma of the Christ showing moral virtue and love to people around them.

The Tenth Foundation Stone: Chrysoprase

Self-control

Chrysoprase is one of chalcedonies with semi-transparent blue and green color. It spiritually stands for self-control. To accomplish the kingdom of God according to the given order and make everything beautiful there must be self-control. We have to discern everything with the truth and follow the desire of the Holy Spirit to have self-control. John the Baptist, who made ready the way of the Lord by living a life with self-control, had the heart symbolized by Chrysoprase.

The Eleventh Foundation Stone: Jacinth

Purity and Holiness

Jacinth as a transparent, bluish color spiritually stands for purity and holiness. Purity God recognizes refers to a state of having no sin and being clean without any spot and blemish. We can have such sincere and pure hearts to the extent that we act according to the Word of God as written in Hebrews 10:22. The biblical figure with this heart is Enoch. (Genesis 5:21-24)

The Twelfth Foundation Stone: Amethyst

Gentleness

Amethyst has light violet color and is transparent. Amethyst has such an elegant and beautiful color and spiritually stands for gentleness. To be spiritually gentle is to have a mild and warm character along with a broad heart to accept everybody. Moses as a very humble man, more than any man who was on the face of the earth embraced the countless Israelites in his heart and guided them according to the will of God.

“God is the Great Healer!”

Dan Wooding

(founder and international director of ASSIST and Assist News Service)

One day in 1960, I got a letter from my mother. It was about my father's critical health condition. She said, "He's got late-stage intestinal cancer. He's got a maximum of three months to live!"

At that time I was in Canada but I went back to be with my mother in Great Britain. I prayed for him fervently with my mom and sister who had good faith. God answered our prayers. My father miraculously recovered his health and lived for 30 more years. This incident led me to accept Jesus as my Savior. But I began to become distanced from God again as I worked as a journalist in the U.K.

One of my friends told me, "Dan, God gave you talent as a good journalist, yet you are writing such low-quality articles. I want you to write about the persecution and the martyrdom of Christians in Uganda."

I founded the Christian press commentary 'Assist News Service'.

In 1979, I went to Uganda and reported about the persecution that had been inflicted on Christians there. In 1992, I contributed an article about Evangelist Billy Graham's evangelistic crusade in Moscow, which proved my reporting skill.

Back from the crusade, my wife told me, "Even Evangelist Billy Graham thinks God uses your talent in writing, so why don't you work as a journalist?"

Indeed, I had refrained from working as a journalist before the crusade in Moscow because I felt so guilty for my rotten, selfish past life. However, at the advice of my wife I moved forward with renewed determination to

use my ability for God. This served as an occasion for me to found the 'Assist News Service' (www.assistnews.net).

Assist News Service is a press company like AP and Reuter. We cover stories about the world mission, the church under persecution, and things like that. We offer the news articles to about 2,600 press firms and thousands of subscribers.

I have won many awards from renowned figures such as Queen Elizabeth II as well as well-known organizations. I have been working as a commentator for UPI (United Press International). I have been kept busy interviewing many people, but there was one significant moment. It was when I met Dr. Jaerock Lee, Senior Pastor of Manmin Central Church.

I reported about Dr. Jaerock Lee's overseas crusades

I met Elder Johnny Kim, who is the general director of GCN TV at a SAT 7 (Arabic broadcaster) meeting held in the Republic of Cyprus in 2001. Through him, I came to know about Manmin Central Church. Since then, I've reported about Dr. Jaerock Lee's overseas crusades held in Russia, Germany, Peru, the U.S. and Israel. His ministry is extraordinary.

He conducted the overseas crusades in the countries where it was dangerous to spread the gospel. For example, his 2002 India United Crusade was held at Marina Beach, Chennai in India. At that time, the Tamil Nadu state government made attempts to stop the crusade, but Dr. Lee preached the gospel in front of a total of around three million people. A great number of people were

converted to Christianity.

Just as Jesus and His disciples confirmed the Word of God with signs even under severe persecutions, Dr. Lee testified to Jesus Christ with no fear whatsoever and showed wonderful signs and wonders in the countries that tried to block the gospel. I even started to inquire into the ministry of Manmin.

I also found myself interested in the ministry through WCDN (World Christian Doctors Network). I have covered the stories about the International Christian Medical Conferences hosted by WCDN in several countries. It is truly meaningful to present the divine healing cases based on medical data before doctors from all around the world. This also can testify to the authenticity of the Bible to people world-wide.

I was fascinated by the powerful works in Manmin Central Church

I have visited Manmin Central Church seven times so far. I felt the special love between its Senior Pastor Dr. Jaerock Lee and the church members. It was the first time for me to see a church where the pastor and the church members were so strongly united with the cord of spiritual love.

The messages delivered by him had spiritually strong power and the beauty in the praise and performances done by performing arts devotional teams reminded me of heavenly life.

I witnessed the gospel and the power of God proclaimed through the messages and prayer of Dr. Lee. So many people who had suffered from diseases and other problems

came to experience the grace and power of God by showing their faith.

Countless people have accepted Jesus Christ through the Manmin's ministries: GCN TV (Global Christian Network), publication ministries, Muan Sweet Water, Handkerchief Healing Meetings, just to name a few. I delivered the ministries to people around the world. Those who came to know Manmin ministries have paid the highest of compliments to the church. Netizens (an active participant in the online community of the Internet) in particular are especially impressed with the ministry toward North Korea and the WCDN's ministry.

I was healed of skin cancer on my forehead

In the early October, 2011, an amazing miracle occurred with me. One day, a tumor appeared on my forehead and grew. I was diagnosed with skin cancer and had surgery to get rid of it. But it was not completely cured.

On October 7th, I attended

the 29th Anniversary Eve Performance of Manmin Central Church. Senior Pastor Dr. Jaerock Lee delivered the message and prayed for the sick. I put my hand on my forehead right away.

At the very moment, I felt something like an electronic shock penetrate my forehead. I was convinced immediately that I had been healed and thought to myself, "This is miracle! It is a real miracle!"

Back in the U.S., I talked to my doctor about my experience while I was there and was retested. As I thought, there were no cancerous cells at all. I embraced my wife Norma being overwhelmed with joy before the miraculous work. I believe it was an astounding miracle that took place as God's answer to Dr. Lee's prayer.

God is the great Healer. There is no doubt that the same great miracles of God in the past are still happening today. Are you suffering from diseases now? I pray in the name of the Lord the miracle of God will be manifested for you as well!

Together with my beloved wife, Norma
