Glory Be to the Lord in Israel the Remotest Area of the Gospel!

Crystal Forum's Music Festival Contributing to the Prosperity of Israeli Christianity

Israel is the birthplace of the gospel, but it is a Jewish country where Christians find it hard for them to keep their faith. The Israeli Christian churches have worked more energetically through Dr. Jaerock Lee's 777-day Israeli ministry that started on July 23, 2007. In particular, since Dr. Jaerock Lee's Israel United Crusade 2009 was conducted, Israeli Christian churches have been united and held praise festivals annually (Photos: local praise singers and Manmin's performers in 2014 Crystal Music Festival).

Israel is the holy land where traces of the Lord still linger intact. On a quiet evening there, praises to the Lord resounded towards heaven.

On May 24, 2014 at 6 in the evening locally, the Crystal Music Festival, hosted by Crystal Forum (Israeli Pastors' Association), commenced in the International Convention Center, Haifa, Israel. This event was attended by approximately 1,000 people from Russia, Ukraine, the Philippines, Finland, Lithuania, and Hong Kong as well as from Israel and South Korea. It was broadcast live to more than 180 countries via TBN Russia.

Several Israeli churches' praise singers' teams and Praise Leader Rose Han, Vice Chairperson of Manmin's Performing Arts Committee and the Power Worship Dance Team lifted up the name of the Lord high with beautiful performances. In addition, local pastors preached short messages between performances and led prayer. Praises and the Word were harmonized, which added more to the grace received.

Manmin's performers delivered opening and finale performances. They were complimented by people for accurate pronunciation of Hebrew, Russian, and English in singing and creative

choreography. Attendees said they felt happy because of the beautiful wardrobes and props that caused the people to feel Heaven.

Praise Leader Han offered praise with the God-given song "Heavenly Glory" sung in heavenly language. After listening to the song, many attendees said that they were full of emotion as if they had seen an angel from heaven. When the Power Worship Dance Team performed a traditional Israeli dance, the congregation danced together as one and glorified God.

Pastor Daniel Rozen, President of Crystal Forum, expressed his gratitude saying, "We have achieved

great developments so far because of Dr. Jaerock Lee's love and prayer."

Pastors of Crystal Forum said they had had many difficulties in performing their ministry due to financial problems and Jews' disturbances. In the midst of these times, Dr. Jaerock Lee financially supported them with his heart and love. The power of his love made them his disciples who preach the holiness gospel and the works of power. They are now holding this event where they boldly praise the name of the Lord thanks to Dr. Lee's love and prayers (More on Page 4).

Dr. Jaerock Lee proclaimed the holiness gospel and

demonstrated the works of God's power by going all over Israel for three years from 2007 to 2009. By doing so, he encouraged and strengthened Israeli Christian churches.

For this occasion, Israeli pastors formed the organization called Crystal Forum. They invited Dr. Jaerock Lee to Israel and conducted Dr. Jaerock Lee's Israel United Crusade in September 2009. This crusade was live-broadcast to around 220 countries.

Since then, Crystal Forum has performed its ministry actively. They hold Crystal Music Festivals and glorify the Lord with praises each May.

“When I show faith, God removed even the root of melanoma”

My little toe hurt in November 2013, so I got an operation to fix up the toe. In the meantime, I found out a round and little spot on my sole. But I had no pain so I didn't consider it serious.

One day, I found out again a strange thing on my sole. The spot turned dark and big. My husband said about the possibility of melanoma (skin cancer which is dark tumor in skin cells), saying he had seen it on the Internet.

On January 20 2014, I had a biopsy in a cancer-specialized hospital. I heard that the result would come out two weeks after then. My parish members helped me with one-week-vowed prayer for my healing.

Though I didn't know what disease I had exactly, I thoroughly repented of my past days because I knew that diseases come from sins. On January 29, I received Dr. Jaerock Lee's prayer after preparation with faith and heart.

Later the hospital gave me the biopsy result. I had melanoma passing the early stage and it had roots. But I was sure that I would be healed because I had received Dr. Lee's prayer. I didn't lose heart and tried hard to practice the Word of God with joy and thanks to please God. And I received the prayer for the sick every worship service. Then, I heard good news.

On February 27, I had a tumor removal surgery and another biopsy. It showed that no root of melanoma was found. On April 23, the sonogram test revealed that there was no tumor transferred into other body parts. Hallelujah!

I give all thanks and glory to God who let me experience His love and power.

◀ God Is Love ▶

Unless He Reveals to His Beloved Ones...

“We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him”
(1 John 4:16).

God wants true children with whom He can share true love and even share secrets like close friends. Such a child was Enoch in Genesis 5. He walked with God for 300 years and was caught up to heaven alive.

The God of love walks with those good men who become sanctified and achieve the heart of God as with Enoch. He even wants to reveal spiritual secrets to them. To what kind of persons did God reveal secrets and the future?

1. God let Noah know about the judgment of flood

In Genesis chapter 7, it poured for 40 days as if a hole had opened from heaven. The whole world was submerged in the water. All mountains were under the water and all moving things on the earth died. However, Noah, his family members, and animals in the ark survived. It was possible because Noah had prepared the ark for the flood.

How was Noah able to prepare the ark in advance? In passages beginning from Genesis 6:13, God told Noah there would be flood and all men and animals would be destroyed. He also commanded him to build an ark and taught him in detail what material he should use and how big it should be.

Then, why did the God of justice reveal the secret only to Noah and let him receive the grace of salvation? Genesis 6:9 reads, “These are the records of the generations of Noah. Noah was a righteous man, blameless in his time; Noah walked with God.” The generations of Noah were full of evil and sin such that all people should be destroyed, but only Noah was a righteous man, blameless in his time. That's why he could walk with God and receive His great love.

After the righteous man, Noah, learned about the great flood, he spread the news widely so that people could avoid the disaster. However, no one believed him. In the end, only Noah together with his family entered the ark and were saved from the flood and no one else received salvation. Since Noah was a blameless man in his time, he completely believed the Word of God and could obey it. God revealed the judgment of flood to him and planned a new start.

Noah's deeds were from his love for God. God also loved Noah very much. That is why God let him know the spiritual secrets beforehand.

2. God let Abraham know about the destruction of Sodom

James 2:23 reads, “And the Scripture was fulfilled which says, ‘And Abraham believed God, and it was reckoned to him as righteousness,’ and he was called the friend of God.” Abraham, the father of faith, was close enough to God to be called the friend of God. It is very glorious and overwhelming for a man who was a mere creature to be called the friend of God, who is the Creator of all universes and the Judge. It also tells us how much Abraham had achieved the heart of God.

God revealed the great catastrophe that would come upon Sodom and Gomorrah to His loving Abraham in advance. In those days, Sodom and Gomorrah were filled with sins and evil so God's judgment was inevitable according to justice. God also allowed Lot, who was Abraham's nephew, to know about it beforehand as well so that he could avoid the disaster.

It doesn't mean that Lot was qualified to know God's secrets, but God considered Abraham, whom He loved. He knew that it would break Abraham's heart if something bad happened to his nephew.

When God told Abraham to offer his only son as a burnt offering, and though Abraham gained his son at the age of 100 and he was more precious than his own life, he offered him without hesitation. God knew this heart of Abraham. He loved him and even revealed secrets to him.

3. Throughout each generation God worked through proper people

In the Old Testament time, many prophets such as Jeremiah, Amos, Hosea, and Micah heard about the judgment to come upon Israel and the nation's restoration in the future from the living God. They proclaimed it to people and all their prophecies were fulfilled as they were spoken.

Senior Pastor of Manmin Central Church
Dr. Jaerock Lee

He is God's servant of love and power who has awakened people of all nations by spreading the core of the gospel following the example set by the Lord in manifesting the fiery works of the Holy Spirit.

Manmin Central Church opened with only 9 adults and 4 children in 1982. Through the works of the Holy Spirit the church has grown to become a mega-sized church with approximately 10,000 branch and associative churches world-wide. Just as Jesus preached and confirmed the word by the signs that followed His teaching, Dr. Jaerock Lee confirms that the Bible is the truth by showing the power of God.

He has conducted many overseas crusades such as in Uganda, Japan, Pakistan, Kenya, the Philippines, Honduras, India, Russia, Germany, Peru, DR Congo, the U.S., and Estonia since 2000 and he has shown explosively powerful works as in the Uganda Crusade that was reported by CNN.

He also preached in Jerusalem at the Israel United Crusade 2009. He proclaimed Jesus is the Messiah and it was broadcast live to approximately 220 countries. He is dedicated to the Word and prayer to accomplish the providence of God who desires all people of all nations to be saved at the end time by proclaiming the gospel to the end of the earth and achieving the mission of the ministry to North Korea.

The Bible prophesied about Jesus Christ who had been hidden before the ages from long ago and all the prophecies were accomplished. The 53rd chapter of Isaiah talks about how Jesus would come and says that Jesus would suffer due to men's sins and evil. It also prophesied that Jesus would die to redeem all men from their sins. Additionally, except for a few things that are still to occur, there are many prophecies in the Bible that have all been fulfilled no matter whether small or big.

Matthew 5:18 reads, "For truly I say to you, until heaven and earth pass away, not the smallest letter or stroke shall pass from the Law until all is accomplished." As said, God's Word is surely fulfilled. The Bible also records things that are yet to happen, which are: the Lord's coming in the air, the Seven-year Tribulation, the Millennium Kingdom, and the Great White Throne Judgment.

The Lord's coming in the air, in particular, has been given great interest by believers in God since the Lord's resurrection and ascension. God revealed the Lord's coming in the air and signs of the time in many parts of the Bible.

Daniel 9:20-27 and Chapter 12 uncover the secrets of the end time such as things related to "seventy weeks". Daniel 12:4 says, "But as for you, Daniel, conceal these words and seal up the book until the end of time; many will go back and forth, and knowledge will increase." Just as prophesied in this Scripture, unlike the time of Daniel, many state-of-the-art means of transportation and mass media communications have been developed and knowledge has increased today beyond comparison to any other time.

The Apostle John also knew the deep things of the end time well enough to write the Book of Revelation in the Bible. Revelation records the end time more specifically and in more detailed ways. In this way, God unveiled things that would happen at the end time to His beloved ones. Then, did God want future generations to be ignorant of the meanings of them? No, He didn't.

He allowed them to be written in the Bible so that future generations could understand their meanings and His will in them and act upon them. 2 Peter 1:20-21 reads, "But know this first of all, that no prophecy of Scripture is a matter of one's own interpretation, for no prophecy was ever made by an act of human will, but men moved by the Holy Spirit spoke from God." Every prophecy of the Scripture was made in the inspiration of the Holy Spirit, so it should be interpreted in the inspiration of the Holy Spirit as well.

Then, what kind of man can interpret the sixty six books of the Bible in the inspiration of the Holy Spirit? He should be a man who is greatly loved by God. For such a man, God interpreted and explained the secrets recorded in the Bible in full details. Today, which is the end time, God still does nothing unless He reveals His secret counsel to His beloved one (Amos 3:7).

4. Unless He reveals to His beloved one...

Then, what kind of man can interpret the sixty six books of the Bible in the inspiration of the Holy Spirit?

He should be a man who is greatly loved by God. For such a man, God interpreted and explained the secrets recorded in the Bible in full detail.

In this end time, God still does nothing unless He reveals His secret counsel to His loving one.

In the Bible, Jesus talked about things to come such as signs of the end time. When He went to the Mount of Transfiguration, for instance, He took only three disciples with Him. They were Peter, James, and John. He allowed them to see Him talk to Elijah and Moses. He told them not to tell anybody what they had seen until He rose from the dead. He trusted the three disciples more than any others, so He could show them the secret things.

God showed Apostle Paul Paradise and let him know ahead of time that he would be shipwrecked and what would happen when he arrived in Jerusalem. When he was about to leave for Asia to preach the gospel, God stopped him from going there through a vision and made him go to Europe instead.

Therefore, we should long to be a person who feels and understands God's heart with clear inspiration and be a person who can read the depth of His heart and who dwells perfectly in His love by resembling Him, knowing His love, and practicing His words completely. This kind of person abides in God and God in him as written in 1 John 4:16.

If there is such a person, why doesn't God reveal secrets that will happen? The reason God cultivates men on the earth is love. He wants more souls by any means to realize His true love and enter the love and reach salvation (2 Peter 3:9).

Noah foreknew that there would be great flood, and Abraham interceded for Sodom and Gomorrah knowing the judgment to come upon the cities. Just as they foreknew, shouldn't there be men of God who know about the end time, and are prepared to lead countless souls to salvation by proclaiming about the end time to the whole world?

We should be such people. God started human cultivation with love and is completing His work with love. We should become sanctified and fulfill the duties that God entrusted to us to fulfill His plan.

The most necessary thing for us to do is to love. Only with the power of love, is everything possible. When perfect love is accomplished in our hearts and we practice the love completely, we will gain the qualification to dwell in New Jerusalem. Moreover, we can understand the secrets of the end time and be qualified to lead innumerable souls to the way of salvation.

Dear brothers and sisters in Christ, 1 John 4:16 reads, "We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him."

We should be God's true children by abiding in God and letting Him abide in us. In other words, we should make His Words the bread of life in our hearts and practice the truth. By doing so, we can be the children of the Light. Then God can trust us completely and reveal spiritually deep secrets to us and share deep love with us.

I urge you to cast away every form of evil by all means and live perfectly according to the Word of God. I pray in the name of the Lord by doing so you will share deep love with God and walk with Him all the time.

“Israel Ministry Is Not Hard Now”

Pastor Sergey Vocharnikov
(Nazareth Living Spirit Church in Israel)

I am a Jew who was born in Ukraine. My family moved to Russia, where I met my wife and accepted the Lord. My wife's family members were Messianic Jews and my father-in-law was a pastor. In 1989, my wife, her family and I moved to Haifa in Israel and started the mission work.

In early 1990, when the former Soviet Union opened, many Jews in Russia moved to Israel and we tried hard to evangelize them. I became a pastor in 1994 and started my ministry in Nazareth where Jesus grew up. But it was not easy to preach the gospel in Israel where people believe in Judaism.

The Crystal Forum was founded for the unity of Israeli pastors

One day in 2004, I received a phone call from Pastor Alexander Yepp in Germany. He was chairman of Organizing Committee of Dr. Jaerock Lee's Germany United Crusade 2004. He urged me to attend the crusade saying that a well-known revivalist would come. I couldn't make it so my assistant pastor attended and he delivered the life-filled message of Dr. Lee and amazing powerful works that had unfolded there to me.

When I heard about the fiery works of the Spirit, it moved my heart deeply. Although it had been ten years since I opened the church then, I was still experiencing difficulties due to finances and persecution by Jews. But Dr. Lee's ministry caused me to have a new vision for preaching the gospel in Israel.

In October 2005, I paid a visit to Seoul to attend Manmin Central Church's 23rd Anniversary event. The Performing Arts Committee's performance reminded me of Heaven. Above all, I realized that Dr. Lee's messages and the Daniel Prayer Meeting that was held every night were driving forces for the church's revival.

I was assured that I had received an answer to my prayer in which, for a long time, I had wanted to meet a spiritual mentor and evangelize Israel. So I had my church registered as Manmin's branch church. Afterwards, I attended Dr. Lee's united crusades in DR Congo and New York in U.S. in 2006. I witnessed many people were healed of their diseases and received answers and glorified God. I was touched by them.

From July 2007, Dr. Jaerock Lee preached the holiness gospel and the works of power 12 times for 3 years from Nazareth in North to Eilat in South. In particular, on July 25 in 2007, he began his Israeli ministry by holding the first meeting in my church, Nazareth Living Spirit Church, which moved my

heart deeply.

His 3-year ministry encouraged Messianic Jews in Israel. As its fruit, Israeli pastors organized Crystal Forum (Israeli Pastors' Association) in a sense of unity.

Jesus Christ was proclaimed in Dr. Jaerock Lee's Israel United Crusade

In September 2009, Dr. Jaerock Lee conducted the Israel United Crusade at the International Convention Center in Jerusalem, which is the center of Israel. The crusade was broadcast in approximately 220 countries via 33 broadcasters. Dr. Lee boldly proclaimed about God the Creator and Jesus Christ. In fact, a number of foreign pastors preached in Israel but there had been no pastor who clearly taught about why Jesus is our only Savior and its spiritual meaning. But, Dr. Lee preached about it even to Jews and confirmed the authenticity of the works in the Bible by showing powerful works.

Israel is the birthplace of the gospel but its people have not accepted Jesus Christ as their Savior. The very few Messianic Jews were ostracized in the society and were discouraged. But after the crusade, Messianic Jews became energetic and have performed active ministry with Crystal Forum at the center.

Many pastors here have received great grace from both his sermons and Dr. Lee's ministry of sanctification. Since I've come to realize what a sanctified life is, I have tried to cast away sins, even in heart and thoughts, and I taught my church members to do so.

Many pastors visited Israel from other countries because it is the holy land where Jesus was born. When they saw us preaching the gospel under hardship in this country of Judaism, they said they would help us, but I met no one who kept the promise.

However, Dr. Jaerock Lee has taught us the providence of God in which the gospel returns to Israel, 'the remotest part of the earth' and he continued to give us financial and spiritual support without sparing. So Israeli pastors also boldly preached the gospel and conducted many overseas crusades with the handkerchief on which Dr. Lee had prayed (Acts 19:11-12).

I also lead crusades with the handkerchief every year in India. I experienced powerful works such as infertility being healed and alcoholic patients becoming normal. I give all thanks and glory to God who has achieved the providence of the end time through Dr. Jaerock Lee.

Dr. Jaerock Lee's Israel United Crusade 2009 was held in the ICC Jerusalem, the center of Israel. He preached the message and showed the works of power with his prayer for the sick, which glorified God.

The crusade was broadcast in more than 220 countries via public TV, cable TV stations, and satellite, which caused countless people to receive salvation, answers, and healing.
