## Let's Look at the True Blessing and Happiness in the Word

### Dr. Jaerock Lee's Books Bring about Change and Life

From left, Deacon Dongmin Seo, Deacon Lobho Kamuhanda Desire and his wife (DR Congo), Pastor Taekyu Moon, Brother Blessy (India), Sister Hansen (Faroe Islands), and Senior Deaconess Taeyoung Kim (They realized the love of God and their lives have been renewed through Dr. Jaerock Lee's books)

Sister Maiprind Weihe Hansen from Faroe Islands said, "I did not know what I lived for. But through Dr. Lee's books, I learned about righteousness, truth, and the spiritual world. Many questions that I had while reading the Bible were all resolved and I gained spiritual insight. After learning about the spiritual realm and Heaven, my heart became very peaceful."

She was born deaf. She is attending every kind of service and Daniel Prayer Meeting through a Nefsis Video Conferencing website. Moreover, through Dr. Lee's prayer of power, her ears opened and she came to be able to hear (Photo 5).

Dr. Jaerock Lee's book *The Message of the Cross* served as a turning point in the life of Brother Lobho Kamuhanda Desire of Kinshasa Manmin Church, DR Congo. He said, "This book is amazing because it explains why

Jesus Christ is our only Savior clearly such that no one can deny it. The questions about Manmin Central Church I had were all answered and gone. I concluded that Dr. Jaerock Lee is a true servant of God."

This led him to register in Kinshasa Manmin Church with his wife. After he became a member of the church, many changes happened to him. He used to be in financial difficulties and have some problems. But he gained faith through the Word and he prayed. As he did so, he was promoted to the rank of an army colonel. His wife also started to pray every day. His family became full of joy of salvation and hope for Heaven (Photo 2).

Dr. Lee's book *Love: Fulfillment of the Law* elaborates on spiritual love written in 1 Corinthians chapter 13. Deacon Dongmin Seo, Central Church read the book twenty times. He stated, "The Word of God that

I had as knowledge came to me as love. When my lips, heart, and thoughts lean towards the untruth, the message in the book naturally came to my mind and I stopped thinking of untruthful things. How thankful it is! I received blessing of spiritual growth" (Photo 1).

Dr. Lee's 100th book *Abraham the Friend of God* has been like a mentor for believers so that they can follow the steps of faith of Abraham the forefather of faith.

On January 4 in 2016, *Abraham the Friend of God* Review Contest Award Ceremony was held. Pastor Taekyu Moon of Miryang Manmin Church won the Grand Prize. He said, "After I read the book, I started to ponder upon what could please God although the situation was the same with what I had experienced before. The story of the book remains in my heart and works as a mirror that reflects my

life. When I pray and perform my ministry, I apply the messages of the book. I am excited" (Photo 3).

Elder Seokcheol Lee of Gumi Manmin Church received the Silver Prize. He stated, "The lessons in our daily lives 'wear' spiritual clothes in this book and came to us with spiritual realization. It is an instructive story. I want many people to learn about faith, obedience, reverence, and thanks from this book. I hope that more people will learn about them and the world will be filled with peace and consideration."

The genre of the books written by Dr. Jaerock Lee includes sermon series, theme sermon series, study books, testimony collections, column collections, and Christian essays. As of the date of January of 2016, there are 100 books in Korean and 300 volumes of the books in 59 languages.

Senior Pastor Dr. Jaerock Lee

“He will bring forth your righteousness as the light and your judgment as the noonday” (Psalm 37:6).

# The Sanctuary Full of the Glory of the Father

In Exodus chapter 40, we see where Moses and sons of Israel offer the tabernacle before God. Then God revealed His glory in front of the tabernacle and the glory of the LORD filled the tabernacle. Furthermore, when King Solomon finished the dedication of the temple and his prayers, the LORD God revealed His glory. What about today?

## 1. The meaning of ‘being filled with the glory of God’

1) ‘To be filled with the glory of God’ means there will be fullness of the fruits of spirit and whole spirit.

The temple is the place where God the Creator places His name. It’s a holy place where honor and praise are offered up to God. It’s a place where the words of the Bible are proclaimed and the bread of life is supplied. Above all, it is a holy place where God, who is spirit, makes His presence and communicates with us men, the creatures.

The tabernacle was the beginning of the temple that contained such meanings and the meaning was continued by Solomon’s Temple and the Temple of Zerubbabel. But all these temples were destroyed. However, God planned for a temple of true meaning to be constructed at the end time.

He wanted to accept a temple which is offered up to Him by the true children who have recovered the image of God, that is, by those who have recovered the heart of the Lord who is Goodness, Love, and the Light. Because I have known this providence of God, I’ve been preaching continuously since the opening of the church that we have to cast away all forms of evil,

struggle against sins to the point of shedding blood and cultivate the heart of spirit and whole spirit. I’ve been warning you about sins and taught the core messages of holiness, which were ‘Love Chapter’, ‘Nine Fruits of the Holy Spirit’, ‘Beatitudes’, ‘Measure of Faith’, and ‘Spirit, Soul, and Body’. But some souls were spiritually insensitive toward such messages as though they were spiritually blind or deaf.

For such souls my heart was broken and I lost my strength, but I just kept on preaching again and again. Then at the end of that road precious fruits were waiting for me. The fruits are the pastors, leaders, and members who would become strength to me by knowing the shepherd’s heart and becoming one with him through trust. They are the fruits of spirit and whole spirit. Through these men of spirit and whole spirit, God is guiding so many others to pass the rock of faith and to go into spirit and whole spirit. Through this flow, the ‘Sanctuary Full of the Glory of the Father’ will be accomplished.

## 2) The glory of God will be revealed greatly through those who have become one with the shepherd

There must be complete trust in order for you to play the main roles in leading all peoples to salvation. It was explained that those who are united with the shepherd by trust will go out to each place of the world. For this, God allowed various trials in various areas. You said you loved the shepherd and you were thankful for the grace given through the shepherd, and for such profession of yours to become true, God let you fill up the measure of justice. In so doing, fruits of spirit and whole spirit that are made by complete trust and love have and will continue to come forth. As they dedicate themselves for God’s glory, His glory will be revealed all over the world.

As Habakkuk 2:14 says, “For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea,” countless souls that can be saved around the world will come toward God seeing His glory. This is the meaning that the Father’s glory will be full, and when these things happen through you members, our church will be filled with the Father’s glory.

## 2. How will the Father’s glory be revealed specifically?

### 1) It will be revealed through the fruits we bear through our God-given duties

When this church achieves the 100% of the power of re-creation, so many ministries will have to be done by you and me. Then, the fruits of whole spirit and spirit will participate in this ministry at the frontline carrying the power of the shepherd. They will go out throughout this country and to the whole world, to their respective areas and take the lead in saving souls.

Then, the Father’s glory will be revealed greatly as said in John 15:8, “My Father is glorified by this, that you bear much fruit, and so prove to be My disciples.” Such a ministry is not carried out only by pastors. The leaders in the church such as district, group, and cell leaders or mission group and small group leaders should not just take care of the souls. They should also become the fruit of spirit and whole spirit and participate in this ministry.

You should change the souls by breaking their freewill through the words of authority which penetrate even to the division of soul and spirit and bones and marrow. When you pray with the handkerchiefs, there must be works of the Holy Spirit such as demons leaving, diseases being healed and life problems being resolved (Acts 19:11-12).

For such a ministry to become fully active there must be supporting staff in various areas, too. Some must help the preachers in the field, some others should take care of administrative works, and still others need to work in performing arts or as technicians. But the important thing is that even though they are just supporting roles, they too must become fruits of spirit and whole spirit in accomplishing this ministry.

For example, if the grace comes upon the congregation through the praise songs and performances, they will come to repentance and the power of darkness will leave them. TV crews can also make programs that have the power and authority of God so that myriads of souls will be awakened and they will come toward life and change.

The same goes for administrative departments, too. We have other departments that take care of finance, IT, and other administrative works. If they receive the power of God, they will receive the heavenly wisdom, so that they will be guided to the best way.

### 2) It will be revealed through our good deeds as light and salt of the world

If you come forth as fruits of spirit and whole spirit, you will give glory to God in everything as said in 1 Corinthians 10:31. Also, you will give out the light and the aroma of Christ with your good deeds as in Matthew 5:16. Then, God’s glory will be revealed through you, the name of Manmin will be exalted, and many people will come to our church.

The construction of the Grand Sanctuary in itself is a great fruit that reveals God’s glory in the history of human cultivation. Also, by the time we build the Grand Sanctuary, God’s glory will be full in different places through you who will have become the fruits of spirit and whole spirit. The temple where such fruits gather and reveal God’s glory is the Grand Sanctuary. So, this Grand Sanctuary will be full of God’s glory as in itself and also because of you who will have gathered in it.

Suppose an athlete wins a gold medal in Olympic Games. It’s not just honor for him personally, but the glory is also given to his country, and the name of his country will also be lifted. And the country that wins the most number of gold medals will have the greatest honor. In the same way, when you become like pure gold through trials and reveal the glory of God all around the world, this church as well as you personally will receive great glory and rewards.

God wants to give you individually and Manmin church as a whole great glory and rewards through the sanctuary filled with the Father’s glory.

In 2016 the sanctuary filled with the Father’s glory will be revealed through you and this church of Manmin, and the construction of the sanctuary will come closer.

Dear brother and sisters in Christ,

At this end time, the glory of God will be manifested greatly through the construction of the Grand Sanctuary, and through the fruits of spirit and whole spirit (Psalm 37:6). I want all of us to enjoy the glory of that day all together. I pray in the name of the Lord that in doing so all of us will also be together in New Jerusalem, which is filled with the utmost beauty.

# How to Make Living a Christian Life Easy

God gives our Helper the Holy Spirit when we accept Jesus Christ and repent so that we can have faith, receive salvation and eternal life, and enter Heaven filled with happiness. When we receive the help of the Holy Spirit, it becomes easy to act upon the Word of God and lead a Christian life.

Anyone can recover the image of God that the first man Adam lost by sinning. Moreover we can achieve the heart of the Lord who is our Savior and attain a sincere heart in full assurance of faith (Hebrews 10:22). Of course, the gate is small and the way is narrow that leads to life (Matthew 7:14), but there are easy ways to pass through the gate.

Deuteronomy 30:11-14 also reads, "For this commandment which I command you today is not too difficult for you, nor is it out of reach... But the word is very near you, in your mouth and in your heart, that you may observe it." In this year of blessing, let's come closer to the most glorious heavenly dwelling place, New Jerusalem.

## First, we must have a clear goal.

God is alive, and the kingdom of heaven certainly exists. God repays us according to what we have done on this earth. This goal is not something vague. If we just follow the way that God has taught us, we will certainly achieve this goal. For example, in case of salespeople, they work day and night to achieve their goal. Although they are rejected and often hear insulting words, they do their best. It is because they have a clear goal, and also because they have hope for what they will gain by achieving the goal.

Furthermore, our goal is New Jerusalem, the most glorious dwelling place in Heaven. If we have this clear goal, we won't find it hard to keep God's commandments. Here, one of the most important things is faith. When we go step by step with thanks for the love of the Lord who sacrificed even His life to lead us to Heaven, we will reach the goal. To reach New Jerusalem it is important to go forward without looking back.

## Secondly, we must unchangingly go towards the goal.

The changing of the mind is such a great obstacle in a Christian life. If we set a goal, we must act upon it without the changing of mind. If we do not give up and have no changing of mind, we will never find it hard to lead a Christian life.

In case of a mountain-climber, if he thinks he wants to rest in the middle or he wants to go back down, then from that moment on he will feel it's difficult. On the contrary, those who keep going towards the goal do not think anything is difficult in any situation.

If you fix your hope in Heaven and make your goal entering New Jerusalem, you will naturally try to cast off untruthful things to achieve the heart of the Lord diligently. On contrary, if you are tempted by the worldly things and pursue them, you must feel it is hard to live in the truth. Or, if you want to give up in the middle or have changing of mind, you will find your Christian life hard. If you cast away this kind of heart and obey the Word, you will be able to manage a happy Christian life in God's comfort and joy.

In other words, once we cast off this changing of mind, it will become much easier for us to lead a believing life. Moreover, we can cast away other untruthful attributes more easily. As much as we try and act in the Word, we can quickly acquire the qualifications to enter New Jerusalem. If we cast away the changing of mind and desire to give up, we will receive power and strength from above. By doing so, we can be rapidly renewed and come out as the fruit.

## Thirdly, we have to be joyful and happy going towards the goal.

The reason why people climb mountains, even though it's hard, is probably because of the happiness they get after they climb the mountain. As we lead a life in faith in Christ, we will finally reach New Jerusalem. It is joyful and happy to achieve the goal. But some of you say that you feel it is hard when you discover the shortcomings in your Christian life. Some may think they do not want to cast them away. However, if we believe that we go nearer to our goal of New Jerusalem by discovering untruthful things, we can happily find them and cast them away.

Suppose you are climbing a mountain, and you are carrying a very heavy backpack. As the backpack feels heavier and heavier, you open your backpack and find out that you have so many unnecessary things in it. Then, you will throw them away. Never will you say, "I want to keep them." You will try to throw away unnecessary things as much as possible. The same goes with discovering your shortcomings and casting them out in your Christian life. The more you cast such things away, the happier you will become and the easier you will find it to manage your Christian life.

If we truly believe the love of God for us, it is not difficult to discover sins and cast them away. Even if we have to go through trials of faith, we will never lose joy and thanks in our hearts. If you find it hard to lead a Christian life now, you have to realize that you are now looking at the world and you have to adjust your mind-set and think 'it is easy and happy to lead a believing life!' There is definitely the most glorious heavenly dwelling place New Jerusalem. If you have this clear goal and you do not give up in the middle and do not change, any of you will lead a happy and joyful Christian life and you will dwell in the glory of God.

When I was eight years old, I was passing through my grandmother's cornfield. Then a sharp part of a leaf of the corn stuck me in my eye.

I went to hospital with my parents in a hurry. My doctor said that I should have surgery as soon as possible. The sharp part was taken out from my eye through the surgery, but things came to look blurred through the eye and soon I became blind in the eye. I tried many things to recover my eyesight but it was of no use.

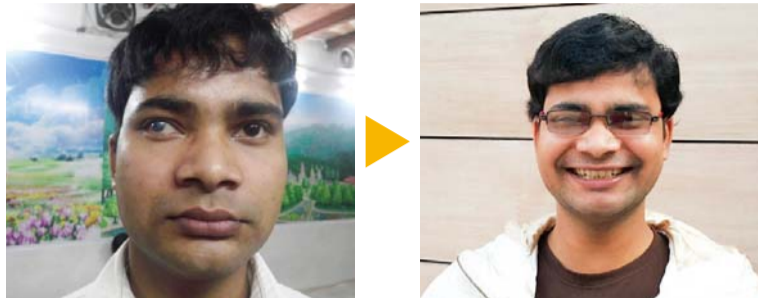

When I turned twelve, I had a corneal transplant and had two more operations but nothing worked. The doctor told me that there would be no more treatment available. My right eye was blinded and it started to appear strange. My friends teased me and made fun of my eye, so I was always in sorrow and cried. I was pessimistic and avoided others.

I felt weary in heart thinking of the hopeless future. Meantime, my cousin gave me a CD "The Power of God" and said that I would be able to be healed by the prayer of a powerful pastor. The CD presented many people's testimonies. They had incurable diseases but they were healed of their diseases after they received Dr. Jaerock Lee's prayer.

With a faint hope of healing, I started to attend

When I received Dr. Lee's prayer after his sermon broadcast through GCN, the pain in my right eye subsided and I came to see some stuff with colors through the eye. But it was temporary. At that time I did not live by the Word of God and did not know how to receive answers. But for such a person like me, God let me

My pupil had become covered with something white, but it has been turning black again. I am so happy. With my grateful heart for the grace of God, I am volunteering in my church and trying to evangelize others. I give all thanks and glory to the living God.

experience the power of God the Creator for a moment.

Afterwards, I became assured of healing and began following the will of God. Through the sermons I learned about how to show my faith to be healed and received the prayer for the sick that I had saved in my cell phone every morning and evening. I also offered up a meal-fasting and prayer for 40 days. And I tried to live according to the Word of God.

In November 2015, Rev. Heesun Lee, Manmin World Guidance Pastor, visited our church to lead the church's 3rd anniversary service. After the message, she prayed with the handkerchief Dr. Lee had prayed on. And, a miracle took place to me!

The severe pain in my eye and headaches were gone. The tearing also stopped. Moreover, I came to see colors and light through the right eye. The eyesight got better and better, and I came to be able to recognize the image of things

## “The Holiness Gospel Is the Key to Happiness”

Senior Deaconess Eunyi Yang,  
age 54, Daejeon Manmin Church, South Korea

I was born into a Christian family but I had no hope for Heaven and had no assurance for salvation. In June 1988, I was working for a company in Seoul. An acquaintance from my hometown guided me to Manmin Central Church. When I listened to Dr. Jaerock Lee's sermon "The Measure of Faith", I came to have assurance of salvation and hope for Heaven.

The following year, I got married to Elder Daeyoung Park. I moved to Daejeon where he was working. But I was so thirsty spiritually that I moved again to Seoul. In August 1991, when Daejeon Manmin Church was established, I moved to Daejeon again and started a renewed Christian life. With joy that a branch church was set up there, I tried to do everything that I could do and became filled with the Holy Spirit.

When we got married, my husband's parents did not like us going to church. They said we believed in a religion from western culture that did

not care about ancestors. They told us not to come to their house because my husband did not bow before ancestral rites.

During my son's 100th day anniversary party, an amazing thing happened. My mother-in-law put rice before him and put a spoon in the rice, saying he should greet a god that is said to govern childbirth in Korea. Right then, my son screamed, burst in tears and was deeply shaken. He did not stop crying no matter how hard we tried to calm him down. I said to my mother-in-law, "You did what God hates. Take the spoon out quickly. We will offer up a worship service to God."

She took the spoon out in fear, and right away my son stopped crying, which amazed us. Seeing this, she said she had almost lost her precious grandson. She told us to do for him as we wanted because he is God's. Since then we have not performed ancestral rites. My parents-in-law accepted

the Lord. My brothers-in-law also registered in church and my family was evangelized.

In the meantime, we were faced with financial problems because my husband had taken out so many loans and invested the money in his business. Amid this difficulty, my father-in-law passed away and I had to take care of my mother-in-law who had become sick. While helping her just to go to the bathroom, I found out many evil things that I had not known about myself.

I tried to achieve the goodness of Ruth I had learned from Dr. Lee's sermon and served her with love from heart. In December 2012, my mother-in-law passed away and God allowed my husband to have a business and blessed him.

The greatest blessing is that God gave me grace that could renew my heart in the first half of 2015. I found that in performing my God-given duties, I had been doing only what I was able to do with my capacity. After I repented of this, I

started to think in others' shoes and work in God's view.

By relying on God, I began doing something that looked difficult to do with my personality, and I even changed my thoughts into positive ones by relying on the power of the Holy Spirit. In December 2015 I was blessed to achieve the heart of spirit by the grace of God. Hallelujah!
