## Biblical Signs, Wonders, and Powerful Works Exploded in Manmin Summer Retreat 2016

From August 8 to 11 in 2016, Manmin Summer Retreat 2016 was held at Deokyusan Resort in Muju, Jeonbuk Province. The retreat was attended by many people from over 30 countries and it was filled with God's glory.

God blessed the attendees with the optimum temperature through winds, clouds, and rain and also gave amazing answers and blessings to them.

On the first night, when the Speaker Dr. Jaerock Lee prayed for the sick after the seminar, a great number of people were healed of their diseases, threw away wheelchairs and crutches and came to walk, and came to see through the eyes that had gone blind.

Many healing works exploded in the meeting. Let us now share some of the testimonies and give glory to God.

### “It Is the Proof of God’s Walking with Him!”

Bishop Yaqub Paul,  
Chairman of United Bishop Council Pakistan

Dr. Jaerock Lee’s Pakistan Crusade 2000 had a great spiritual influence on Pakistan. The crusade was attended by many Muslims as well as Christians. It brought down answers and blessings upon them and many accepted the Lord. Since the crusade, Dr. Lee’s messages have been available on Isaac TV, and Pastor Taesik Gil has regularly visited us and held Pastors’ Seminars and Handkerchief Healing Meetings (Acts 19:11-12). As

a result, Pakistani Christians and Christian organizations could become united.

In August 2016, I visited Korea to join Manmin Summer Retreat. On the first day, August 8, I personally witnessed biblical signs. Before the retreat, Dr. Lee said that the blind would come to see, the lame would come to walk, and many would be healed of various diseases. He said that we would meet and experience the living God. Just as he told us, a number of people were set free from diseases and infirmities and testified to their healing.

It is the proof of God’s walking with Dr. Lee. I saw the ministry of power manifested in Manmin, and the members were very kind and full of love. I felt happy as if I was in Heaven. Hallelujah!

### “I Experienced a Miracle of My Blind Eye’s Coming to See”

Brother Sangyeong Park, age 51, Parish 4, Manmin Central Church

I had a car accident twenty two years ago and it hurt my brain. I had a major surgery of implanting artificial bones. I was diagnosed with brain lesions stage IV and my left eye went completely blind. I could not see even light with the eye. Before Manmin Summer Retreat 2016, Senior Pastor said that God would heal us of many eye-related diseases during the retreat, but I thought my eye was just an exception.

On August 8, it was the first day. I arrived at Deokyusan Resort late so I could not get to Jumping Park, the seminar venue, and received Senior Pastor’s prayer on GCN live broadcasting with my smartphone. During the prayer, I felt cool on my eyes and things came to look bright. A little bit later I could see people moving.

My blind left eye came to see! It was a miracle! Now I came to perceive the sunlight, read the big letters on calendars, and distinguish colors little by little.

### “I Was Born Deaf but Came to Hear!”

Sister Pangpurim, age 45, Malaysia

I could not hear at all from my birth. From July 2016, I started to attend Manmin Central Church on Sundays and received a lot of grace from the sermons through sign language interpretation. I heard about Manmin Summer Retreat and wanted to participate in it. I heard that 27 deaf people had come to hear in Manmin Summer Retreat 2015, and I earnestly longed to hear as well.

When I received Senior Pastor Dr. Jaerock Lee’s prayer, I felt itchy, hot, and cold in my ears. I felt that God was working even on me and shed tears. Surprisingly, I came to hear and have been hearing better and better. Hallelujah!

Senior Pastor Dr. Jaerock Lee

“The latter glory of this house will be greater than the former,’ says the LORD of hosts, ‘and in this place I will give peace,’ declares the LORD of hosts” (Haggai 2:9).

Through this church of Manmin, God has manifested powerful works unceasingly. Incredible works that are beyond people’s imagination have been displayed more greatly and more amazingly year after year. From now on I will largely explain in three aspects the things concerning the glory of God who has been with Manmin for the past 34 years.

### First of all, it is the glory that God Himself revealed to us.

John 11:40 says, “Jesus said to her, ‘Did I not say to you that if you believe, you will see the glory of God?’” As spoken, God Himself has revealed His glory to those of us who have relied on Him completely.

In the early times of this church, God performed fervent works according to my faith. People with all kinds of diseases recovered their health, the demon-possessed were set free, and critically ill patients who were sent to this church on stretchers were healed and became normal. At that time, many people in the market next to the church witnessed such miracles. When they saw sick people, they said “Go to Manmin Church” and spread the news about the church.

In February of 1983 I conducted the first revival meeting outside the church, and God performed an amazing sign. A woman who had not been able to walk and suffered from the aching pain in her joints for more than 10 years got up, jumped and walked by the Word and prayer. This news spread to neighboring villages in a short time and from

the next day many more people attended. A woman who had been bent 90 degrees came to be normal and leprosy was cured. God not only performed healing works of diseases but also controlled aerial phenomena including weather on each church occasion.

On August 1, 1983 when we departed for the first summer retreat, such an occurrence happened. Heavy rain that was pouring down in the morning stopped instantly. He caused rain to stop and sent rain to finish a long drought. On numerous occasions He changed the course of typhoons and hurricanes or let them just die out.

On July 28, 1989, the typhoon, “Judy” was rushing toward our nation, South Korea, with great intensity. The force of the typhoon was so strong that it was expected to bring so much harm and loss. At that time, we were to leave for Summer Retreat the next week. I prayed with my church members to drive the typhoon away during Friday All-night Service. Then, from that time the strength of typhoon ‘Judy’ weakened a lot and the next day the news said it had died out with no serious harm in our area. This annual summer retreat has become a regular course of events in which we can meet and experience God who controls the weather.

### Secondly, let me talk about the glory of God revealed through the shepherd of Manmin.

And, in John 14:12 Jesus promised, saying, “Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father.” From that time when I was called as a pastor I concentrated on the word and prayers and tried my best to receive strength and also power. As that result, even in my seminary student days, working of miracles occurred through me and I opened this church after receiving power. The power manifested at that time was in the level at which God guaranteed my prayer of faith.

In July of 2000, beginning with Uganda Crusade that was featured on CNN, a new dimension of powerful works began. In October of the same year, through the Pakistan Crusade, the holiness gospel and

powerful works were spread in an Islamic country and God was greatly glorified.

In 2001, at the Kenya Crusade many kinds of diseases including AIDS were healed, and at the Philippine Crusade, Jesus Christ was declared in a Catholic country. In 2002, the Honduras Crusade swept across the Central and Southern Americas like a spiritual hurricane and the India Crusade was recorded as ‘the best’, ‘the greatest’, and ‘the most’ in the Indian Christian history. Countless souls were led to salvation.

In 2003, the gate of Middle East ministry was opened and through the Russian Crusade, the holy fire of the Spirit was set ablaze mightily in spirit and body in the frozen land. In 2004, through the Germany and Peru Crusades the nearly extinguished fire of the Holy Spirit was again set ablaze in Europe and Latin America.

In 2006, the Democratic Republic of Congo Crusade was successfully held under the support of the President and the government, and New York Crusade was a monumental event in New York, USA.

From the July of 2007, I performed the three-year Israeli ministry according to the word of Father. This enabled Christianity in Israel to gain strength and influenced orthodox Jews. The three-year Israeli ministry was concluded as the Israel Crusade in September of 2009. In the center of Jerusalem in Israel, Jesus was declared as the Messiah and Savior. It was a miraculous and historical hour.

We had such a long journey for 10 years and revealed the glory of God to all peoples of all nations in accordance with the church name of ‘Manmin’.

God taught me how to control atmospheric phenomena on my own and let me put it into practice. This year He let me grasp how to harbor temperature in my heart and adjust it. It’s because the controlling of temperature leads to the controlling of atmospheric pressure, humidity and wind and then naturally the controlling of weather. Even without wind but only with the controlling of temperature the pleasant weather can be given. With the controlling of temperature I can decide whether to let moist wind or dry wind blow. With the controlling of temperature I can

create clouds or disperse them. Then, naturally I can let rain come down or let rain clouds go away. Even during the rainy season you don’t have to be concerned about rain or typhoons.

The power of controlling temperature is surely necessary in accomplishing the providence of God in the end time of the ages. Natural disasters are frequently taking place in every corner of the world due to global warming. The influence of global warming is terribly serious. If I am able to control temperature at my will, I can prevent such natural disasters and moreover lessen and stop them. If a leader of a state or a country sends a prayer request to me with faith, it will be deemed as an action of faith by God and God will work. Thus, the Word of God written in Isaiah 60:3 “Nations will come to your light, and kings to the brightness of your rising” will be fulfilled through this church, Manmin.

### Thirdly, it is the glory of God revealed through the flock of Manmin.

The providence for this end time of the age Father God intended to fulfill through Manmin is tremendously huge. Our Jesus didn’t perform His ministry alone but seventy people and His twelve disciples accompanied Him (Matthew 10:1; Luke 10:1).

In this year 2016 and next year, the fruits of whole spirit will be enough to open wide the gate of the third stage of take-off. A lot of people will go out everywhere with the handkerchief I lay my hand on and preach the holiness gospel and manifest powerful works (Mark 16:20). Even though you are not to go into the world carrying the handkerchief of power, you can glorify God in any circumstance.

Just as a small ray of light is outstanding in a deep darkness, if you continually show good deeds unchangingly in this sin-filled world, God’s glory will be surely revealed.

Dear brothers and sisters in Christ, John 13:32 says, “...if God is glorified in Him, God will also glorify Him in Himself, and will glorify Him immediately.” As said, I pray in the name of the Lord that you will give glory to Father God and receive and enjoy the glory He will give to you.

# “Big Explosion of Power, Optimum Temperature, Systematic Management, and Unity of Love!”

Rev. Aleksandr Samonov,  
Bishop of The Association of Christian Churches  
“Union of Christians” of the Kaliningrad Diocese (left)

From second left, Mr. Aleksandr Vlasov, Director of ICCC in Russia (International Christian Chambers of Commerce); Rev. Valerii Trenogin, Bishop of The Association of Christian Churches “Western Ural mission”; and Rev. Vladimir Osipov, Bishop of United Holiness Church of Jesus Christ, Russia

I learned about Manmin through Russia United Crusade held in 2003 (Photo 1). At that time, Russia had been unstable and chaotic, and Protestant churches had been split without a sense of unity. But the crusade caused them to become one. Unfortunately, however, there has been no such crusade in the country until now.

In Russia Crusade, I witnessed powerful works manifested by Dr. Lee. I vividly remember people glorifying God with their healing testimonies.

Since then, I have been interested in the ministry of Manmin. Lately I met Rev. Vladimir Osipov and heard about Dr. Lee’s ministry of awakening the whole world including Russia with the holiness gospel.

The ministry caused my heart to grow burning with fervor because we had longed to meet a pastor that preaches the holiness gospel and manifests the power of God. It is because we live in the end time when sins are rampant and churches do not even talk about holiness. We finally organized Churches’ United Council under the name of All Nations.

In order to see and experience Manmin’s ministry working with the holiness gospel and powerful works in person, we participated in Manmin Summer Retreat 2016. We had the knowledge of the holiness gospel by reading Dr. Lee’s books and watching some video clips. We could feel how earnestly the Manmin members long to become sanctified and sacrifice themselves. We were really surprised when we saw the members praying every night in Daniel Prayer Meeting. We realized that this is how we apply the holiness gospel to our real lives, not just having it as knowledge.

Moreover, we received a lot of grace when we saw how much the members love God, the Lord, and the shepherd. Particularly, we were so moved by Dr. Lee’s sincerity and love for God and his flock from little children to the elderly.

On the first night of Manmin Summer Retreat, so many people were healed all at once and they testified to their healing. When we arrived in Seoul, we experienced the scorching weather we had never experienced before, because it is not that hot even in summer in Russia. But amazingly it was not hot in the retreat venue, and it was just good for us to have the Seminar (Photo 2).

On the second day, the Athletic Meet was held. I was surprised and thought of how a church could organize such a systematic and well-organized event (Photo 3).

I also felt the works of God in cool winds, clouds, and the temperature. The most amazing thing was the members’ unity. No one showed discomfort.

All of them looked happy and united as one in

the grace of God.

I cannot express with mere words what I felt during Camp Fire Praise and Worship on the last day. The magnificent and big stage, the sound, the gorgeous firework, and the attendees’ shouts of fervor were what I had never experienced before (Photo 4).

Moreover, Dr. Lee led the praise himself though he is the Senior Pastor of this big church. I felt his humbleness and love.

On Wednesday afternoon, we went up to the mountain by gondola to see dragonflies and the beautiful nature. And we reached the top by walking around 600m. My legs got a little stiff since I do not usually work out, and I had indigestion and stomachache. But when I jumped and praised in Camp Fire Praise and Worship, my legs became normal. When Dr. Lee prayed for the sick in the middle, stomachache disappeared.

I will remember what I saw and learned and try more in order for the work of revival to happen all the more greatly through the holiness gospel in Russia.  
Hallelujah!

### ***“I Collapsed Due to Cerebral Infarction But I Got Up from the Wheelchair!”***

Deaconess Jeongok Jeong, age 67, Busan Manmin Church

On February 26, 2016, I collapsed suddenly and was sent to hospital. I was diagnosed with cerebral infarction. I stayed in hospital for over five months. I was treated with medication and relied on a wheelchair. By my husband's help, I received Senior Pastor Dr. Jaerock Lee's prayer for the sick on smartphone every day. I prepared for Manmin Summer Retreat by listening to the sermon tapes "The Message of the Cross".

On the first night, during the Seminar, I repented with tears that I did not have true faith though I had listened to Dr. Lee's sermons and seen countless powerful works. And I received the prayer for the sick. I was strongly urged in heart to get up from my wheelchair and I finally stood up. Amazingly, strength was given to my legs. I came to be able to walk!

### ***“The Black Horizontal Line Seen through My Left Eye Disappeared!”***

Deacon Changho Ma, age 54, Chinese Parish, Manmin Central Church

Three years ago, things looked blurred in my left eye and a black horizontal line was seen in the middle of my sight. My doctor told me that I had retinal vascular rupture and it caused bleeding. My left eye's vision started to fail and went worse rapidly. The black line seen made me see only two thirds of things. I had many difficulties in my daily life, but there was nothing I could do.

I attended Manmin Summer Retreat 2016. In Divine Healing Meeting, we sang the praise of repentance. I closed

my eyes and repented that I had befriended the world and had not lived by the Word. I shed endless streaming of tears. After I praised for a long while, I opened my eyes. I could not but feel astounded. The black line seen through my left eye was gone and things came to look so clear! Hallelujah!

I could not read words in the Bible, but now I can see everything clearly. I feel like the world around me changed! I am so happy!

### ***“I Can Carry a Heavy Baggage to the Fifth Floor without the Crutches!”***

Deacon Yongin Hong, age 53, Parish 1, Manmin Central Church

My backbone was crooked, and I even had herniated lumbar disc. It was very painful so I had a surgery in December 2015. But I still had the same pain. I relied on crutches in a thick waist support.

I wanted to be healed in Manmin Summer Retreat 2016. Before the retreat, I listened to Dr. Jaerock Lee's sermons repeatedly and repented that I had not loved others. I repented that I had hated them, not considering them. And I tried to live by the Word. On the first night of the retreat, I received Dr. Lee's prayer for the sick. Yet, I had more

severe pain until next day. But I believed that God had already worked on me.

On the third night, I was watching Senior Pastor who was leading Camp Fire Praise and Worship. I felt deeply moved by his sincere love for souls. He prayed again for us so that even one more of us could fulfill our hearts' desires. Then I suddenly wanted to stand up from my chair. I stood up for myself and came to walk without my crutches. After the retreat, I became healthy enough to carry a heavy baggage to the fifth floor. Hallelujah!

### ***“I Was Healed of Congenital Paralytic Strabismus!”***

Brother Kyuchan Yeon, age 16, Students' Sunday School, Manmin Central Church

I had congenital paralytic strabismus. I had to look at sideways to see better, and my eyes shook and vibrated so much that other people noticed it. My doctor said it was very dangerous for me to have a surgery and he didn't guarantee its complete cure even with the surgery.

I offered up a vowed prayer for a week in Daniel Prayer Meeting and deleted the things God hates on my smartphone. I prepared myself to be healed in Manmin Summer Retreat 2016. As I believed, I was healed by Senior Pastor's prayer in the retreat. I don't have to look at sideways. I can see well by looking straight and my eyeballs no longer shake. Hallelujah!

### ***“I Can See Things Clearly after I Was Healed of Nearsightedness, Astigmatism, and Xerophthalmia!”***

Sister Guo Quan Shu, age 44, Singapore

I had nearsightedness, astigmatism, and even xerophthalmia. Everything was out of focus and looked blurred. It was so uncomfortable in my daily life.

I felt like my eyes were covered with something like fog, and even eye glasses did not improve my vision. I often changed my glasses. In 2016, the symptom got even worse and I changed glasses three times. But there was no improvement.

Meantime, I took part in Manmin Summer Retreat 2016 and received Dr. Jaerock Lee's prayer for the sick. Then, things came to look clear and now I can read even small letters without glasses. Hallelujah!

### ***“Pain in My Shoulders Was Gone in an Instant!”***

Brother Lee Tuck Kuen, age 35, Malaysia

I have watched Senior Pastor Dr. Jaerock Lee's sermons on GCN in Malaysia and received a lot of grace. My wife suffered from infertility for three years after her miscarriage of our second child. But when Pastor Sooyeol Cho visited Penang Manmin Deaf Church for its 7th anniversary service in December 2015, she received the handkerchief prayer from him and received blessing of conception (Acts 19:11-12).

I participated in Manmin Summer Retreat 2016 with longing and received so much grace. I was even healed of pain in my shoulders that I had for five years. When I received Senior Pastor's prayer in Divine Healing Meeting on the first night, the pain was gone in an instant. Hallelujah!
