## Manmin's 34<sup>th</sup> Anniversary Filled with Glory

### Celebrated by Honored Guests from 20 Countries

Senior Pastor Dr. Jaerock Lee (Photo 1) gave all thanks and glory to God who blessed Manmin with its approximately 11,000 branch and associate churches and guests from Korea and other countries (Photos 6, 7, and 8). People had great joy and happiness through the celebration performances that God-given praises, instrumental performance, and dance expressed the beauty of Heaven (Photos 2, 3, and 4) and outdoor events (Photos 5, 9, and 10).

On October 9, 2016, Manmin Central Church had its 34th anniversary service and celebration performances. They were broadcast live on GCN that covers around 170 countries and on the Internet. Many people attended from 20 countries such as the U.S., Russia, Israel, Egypt, India, France, Australia, Colombia, and Kenya. Simultaneous interpretation was offered for attendees in nine languages including English, French, Spanish, and Russian.

Senior Pastor Dr. Jaerock Lee delivered messages in the Friday All-night Service, Sunday Morning Service, and Sunday Evening Service under the title of "Glory" based on Haggai 2:9. Through the messages, he reminisced on the

history of Manmin that has been carrying out national evangelism and the world mission for the last 34 years and he gave thanks and glory to God who has been with the church through manifestation of miracles, signs, and wonders.

The church's Performing Arts Committee rendered their celebration performance under the title "Glory" as well with God-given songs. The performance was subtitled "Glorious New Jerusalem" expressing the happiness and joy of those who enter New Jerusalem.

As the performers praised and danced, a special 260-degree mapping projection on the main screen, the walls, and ceiling was simultaneously coordinated with the live performance of Nissi Orchestra.

It was so beautiful that the attendees were able to audibly and visually sense the amazing beauty of New Jerusalem that increased their hope for Heaven.

Pastor Deborah Derilah Juma from DR Congo said, "Manmin Central Church shows the love of God. I became filled with the Holy Spirit and felt like we were in Heaven."

Sister Cynthia McMillan from Australia stated, "I suffered from insomnia, but after I shook hands with Dr. Jaerock Lee I was healed and have slept well since then."

Dr. Nikolai Iunchis said, "I was moved by the church members' service and love, and the high-quality performances. They were so expressive in power and filled with

spiritual inspiration."

In the church yard was a special photo stage with the images of colorful flowers, a flower carriage, a flower swing, and heavenly stairs of New Jerusalem. Men's, Women's, Canaan, and Young Adults' Mission members prepared food for the members. The invitees, members' families and relatives together had a great time.

During the second half of the Friday All-night Service, on October 7, the church had its Anniversary Eve Celebration Performance entitled "Glory" with the subtitle of "Wedding Banquet in the Air". The audience could feel the glory that they would have as the Lord's brides when they meet the Lord their Bridegroom in the air.

Senior Pastor Dr. Jaerock Lee

“So Jesus said to them,  
Truly, truly, I say to you,  
unless you eat the flesh of the Son  
of Man and drink His blood,  
you have no life in yourselves...  
For My flesh is true food, and My  
blood is true drink” (John 6:53-55).

In order to sustain physical life an individual must eat food and drink water to remain hydrated. Water allows the digestion and absorption of nutrients as well as the discharge of unnecessary wastes and poisonous materials from within the body. The same type of process applies in a spiritual sense.

After we accept Jesus Christ and are born again of water and the Holy Spirit, we gain the right to become God’s children. We must then ‘eat the flesh and drink the blood of the Son of Man’ to sustain our spiritual life.

Today let’s delve into the meaning of ‘eating the flesh of the Son of Man’.

### 1. Significance of “Eating the Flesh and Drinking the Blood of the Son of Man”

What does it mean to eat the flesh of the Son of Man? It is spiritually consuming the flesh of Jesus which is true food leading to eternal life.

John 1:14 tells us, “And the Word became flesh, and dwelt among us, and we saw His glory, glory as of the only begotten from the Father, full of grace and truth.” Jesus also described Himself as “the living bread that came down out of heaven; if anyone eats of this bread, he will live forever” in the first half of John 6:51.

Eating of the flesh of the Son of Man—God’s Word, the bread of life—is closely related to the

likening of Jesus to the “Lamb.” The way to eat it is recorded in Exodus 12 through the analogy of the Lamb on Passover.

Generally speaking a lamb obeys only the voice of its shepherd. They are gentle and provide man with only benefits. In the same manner, in obedience only to the will of God, Jesus has given mankind only good things and like a gentle lamb He became an atoning sacrifice for us. Among the lambs, those less than one year of age are especially pure as they have not yet mated and in spiritual terms, they are likened to Our Jesus who is spotless and blameless.

When the Plague of the Firstborn swept through all of Egypt striking all first born in the land, as depicted in Exodus 12:7-10, God instructed the Israelites to take a lamb for themselves and “take some of the blood and put it on the two doorposts and on the lintel of the houses in which they eat” the lamb. God also gave the people of Israel detailed instructions on how to eat the lamb.

### 2. Eating of the Lamb

1) It is not to be eaten “raw or boiled at all with water,” but roasted with fire.

Here, “fire” represents the fire of the Holy Spirit and we are to understand and make bread of God’s Word in the inspiration of the Holy Spirit (2 Peter 1:20-21). 2 Peter 3:16 warns us that interpretation of God’s Word not in the inspiration of the Holy Spirit but in a distorted manner will drive us away from the truth and ultimately lead us to destruction.

To “eat God’s Word raw” is the literal interpretation of God’s Word without understanding the spiritual significance embedded in it.

Consuming raw food can lead to indigestion or stomachaches. By the same token, “eating God’s Word raw” can lead to imprudent and false interpretations of the Bible.

For instance, Jesus tells us in Matthew 6:6, “But you, when you pray, go into your inner room, close your door and pray to your Father who is in secret, and your Father who sees what is done in secret will reward you.” Yet, nowhere in the Bible do we read about any fathers of faith praying in “an inner room”; Jesus likewise never prayed in an inner room but rather in a garden or at a remote place. It means that when we pray we must not be caught in worldly needs and concerns and thus repeat the same things but we must communicate with God from the depths of our heart.

Next, the lamb is not to be eaten “boiled at all with water”. This tells us that no elements of this world are to be added to God’s Word. The thoughts of man and his knowledge are extremely limited and no great ideology of this world is perfect. God’s Word surpasses any worldly knowledge and it is the only lasting and unchanging truth. Keeping this in mind, one must not testify to the knowledge or speculations of this world but to God’s Word found in the Bible as interpreted only in the inspiration of the Holy Spirit. Through this knowledge of the word imparted by the Holy Spirit, believers must be taught about the living God, ways in which they can meet Him, and the correct model of a life in Christ necessary for salvation.

2) “Both its head and its legs along with its entrails” as a whole must be eaten.

This means that we are to make bread of God’s Word found in all of the Bible, from Genesis to Revelation.

When reading the Bible, some people omit such difficult parts as Leviticus while others either refuse or are reluctant to believe in the instances of signs and wonders plainly recorded in the Bible. If people ignore or cull out parts of the Bible that are not in agreement with their thoughts, then what

remains is neither the Truth nor Faith.

Only ethics and morals would remain. On top of that, if they do not even harbor in their heart God’s commandments that are seemingly difficult for them to keep, they will not gain eternal life no matter how many times or how frequently they may read the Bible.

God’s Word is not to be taken in portions and parts but must be made bread as a whole. Then, we can gain eternal life.

3) No part of the lamb is to be left over until morning; any leftover must be burned with fire.

It means that they had to eat the lamb before the morning came. In spiritual terms, “night” refers to the period of time during which the enemy devil and Satan wield authority over this world. The “morning” signifies the time when the Lord will come back. We should eat all the Word of God—the flesh of the Son of Man—before the Lord comes back.

In the last days, as the world becomes increasingly drenched in sin and evil, darkness will only grow. When the Lord returns, the darkness will be driven away and the light will bring forth the morning. At that time, people will realize that everything that had been written in the Bible is true.

Therefore, before morning comes—before Our Lord returns—we must diligently make bread of all of God’s Word, complete our preparations as the Lord’s bride, and await His coming.

Dear brothers and sisters in Christ, the extent to which how well we have made bread of God’s Word will determine the quality of life in this world as well as in Heaven in terms of heavenly dwelling places and rewards.

Therefore, I pray in the name of the Lord that you will make bread of every bit of God’s Word and enter the most glorious place in all of Heaven.

**“Dr. Jaerock Lee Clearly Shows the Way to Meeting God and the Lord”**

Dr. Mikhail Morgulis, President of Spiritual Diplomacy, USA

For the last 10 years, I have maintained close relationship with Manmin Central Church and enjoyed spiritual excitement. God likes us expressing our love for Him. Dr. Lee shows his love for God in every one of his sermons. It is the main trait in them.

Many pastors talk about God and many believers want to come before the Lord, but the problem is that they do not know the direction to the Lord. However, Dr. Lee presents us the direction leading to God and the Lord by setting a good example

himself.

In the World Holiness Center that I am running are all of Dr. Lee’s books in different languages. There are especially many books written in Russian. This is because many people from Russian speaking countries such as Ukraine and Belarus visited there. We also present TV programs about Dr. Lee.

All Manmin performances show love for God, indeed. I felt the presence of God and the Holy Spirit while watching the celebration performance. It was not just because of it, but joy poured down from heaven upon Manmin. Hallelujah!

**“This is the Space of Love Full of Spiritual Energy”**

Dr. Oleg Ostreiko, Chairman of 2017 WCDN Conference Russia Organizing Committee

I learned about Manmin when I participated in WCDN’s conferences. The church’s 34th anniversary celebration performance was gorgeous and wonderful. It was like a heavenly festival that exalted the name of God, and it was full of love. I like it very much. The praises, dance, and music are all so good. I will never forget it.

When I paid a visit to Muan Sweet Water Site, I felt God’s love. At the moment I arrived at the site of a miracle where salty water from the sea changed into sweet water, I could feel spiritual energy. When I dipped myself in the water, I was so peaceful and happy. My wife Lyudmila saw the Lord smile with her spiritual eyes opened.

In 2017, WCDN Conference Russia is to be held in St. Petersburg. It will be a festival for God, for medical doctors, and for believers.

Every minute and every second I spent meeting people who truly love God and receive His love in Manmin Central Church was so precious to me and gave me happiness.

**“I Am Longing for the Word and Power to Change Many People in My Country”**

Bishop Gerges Morgan Poktor, Chairman of Pentecostal Churches of Egypt

Every time I visited Manmin Central Church I felt Dr. Jaerock Lee’s power become greater than before.

He conducted a meeting in Pakistan where the majority of people were Muslims. He healed many people of their diseases, and in the meeting many people accepted the Lord. Afterwards, Pastor Taesik Gil was sent and glorified God with countless healing works manifested through the handkerchief on which Dr. Lee had prayed (Acts 19:11-12).

The same kinds of works also occurred in Egypt. It has led to spiritual change in my members, and driven away the enemy devil and Satan. Many people came to the church and extended their thanks to God. Even Muslims registered after they experienced the powerful work.

I am trying to learn more about and follow Dr. Lee’s teaching. I will spread the holiness gospel and distribute Dr. Lee’s books because his message heals one’s life and it is high level teaching.

**“The Believers Who Love God with Hearts Are So Beautiful”**

**Bishop Olumasai Nicholas Omutyangoli,  
Chairman of Kenya  
Evangelism News Churches**

I was deeply moved when I heard that heavenly dwelling places are divided in accordance with each one’s measure of faith. Besides, the holiness gospel showed me the way to become a true Christian who really loves God. I talked about it to the pastors of the 65 churches in my denomination, and with their agreement we decided to join Manmin.

I wanted to see the man who received the Word through a multitude of times of fasting and prayer. I came to Korea for Manmin Central Church’s 34th anniversary to learn more with expectation of new works God would do for us. The word of life and the testimonies of healing and answers were so great.

Above all else, I was touched by the church members who love God with heart. And it was amazing to see them pray for more than two hours every night. I would like to keep united with Manmin where God’s grace and blessing are overflowing.

**“We Should Let People of the World See This Beautiful Performance”**

**Dr. Andre Gasiorowski, Founder and  
President of Helping Hand Coalition**

In Israel, I was really looking forward to my visit to Manmin Central Church which is like Heaven to me. If I am asked to express the amazing experiences in Manmin with one word, I will say, “Love”. And there were passion and longing for Heaven and great yearning for God. They represent Manmin Central Church.

All of Senior Pastor Dr. Jaerock Lee’s sermons converge into a simple and core message that he wants us to become sanctified and go to the most glorious Heaven. The performance was amazing. I felt like I was in Heaven, and it was so great that I couldn’t express how great it was. I believe that this wonderful performance ought to be spread to the whole world.

Helping Hand Coalition is going to prepare an international event that celebrates the 70th anniversary of the State of Israel. It will be hosted by the President of Israel, and many Christians will come to bless and support Israel. I am inviting Dr. Jaerock Lee to the event. I am going to miss everyone in Manmin so much. May God bless you!

**“I Had Difficulty Walking Due to Arthritis in My Knees,  
But I Was Healed”**

I spent a half of my salary on treatment of arthritis in my knees for the past month. But it became worse and I could not walk properly.

I really wanted to visit Manmin Central Church in Korea, so I prayed with tears. In fact, it seemed almost impossible to come but I managed to come to Korea with a lot of medicine.

Before Friday All-night Service on October 7, 2016, I received Senior Pastor Dr. Jaerock Lee’s

prayer in person. Amazingly, my legs came to feel light and I felt the symptoms improve. The next day, I had no pain and the swelling subsided. I was very happy.

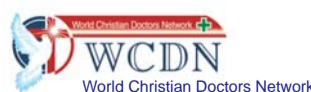

On Saturday, October 8, we went on a tour of Seoul. I walked and went up and down the stairs just the same way other people did and I had no pain at all. I give thanks to the Lord who healed me, and to Senior Pastor who prayed for me.
