MUAN SWEET WATER
The 17th Anniversary

At 11 A.M. on March 1, 2017, the 17th Anniversary of Muan Sweet Water of Power Thanksgiving Service and Celebration Performance were held at Muan Manmin Church located in Muan, Jeonnam Province pastored by Rev. Myeongsul Kim. Rev. Dr. Soojin Lee, Vice Chairperson of United Holiness Church of Jesus Christ delivered the message entitled "Glory to God" based on Psalm 135:3-6. Many pastors and members from the central church and branch churches attended as well as the many guests such as leaders and group directors from Muan-gun and local people also came to celebrate the anniversary.

The history of Muan Sweet Water dates back to March 2000. Muan Manmin Church was founded on an island connected to inland area through a reclamation project. The people could not get drinkable water from the wells they dug. The only water they got was salty sea water. They had to get water from a lake that was 3 km away.

Pastor Kim and the church members started to earnestly pray with the biblical record written in Exodus 15:25, saying, "Then he cried out to the LORD, and the LORD showed him a tree; and he threw it into the waters, and the waters became sweet..."

And they asked Senior Pastor Dr. Jaerock Lee to pray for their well. God accepted his prayer during his mountain prayer and changed the salty sea water into sweet drinkable water. It was named Muan Sweet Water.

During the last 17 years, a great number of people have been healed of many kinds of diseases and dying plants and animals came to life, and many hearts' desires have been fulfilled (Related testimonies on pages 3 and 4).

The Muan Sweet Water Site has become a holy land that pilgrims from all around the world continually visit. In March 2003, Muan Sweet Water Aquarium was set up in Manmin Central Church to testify to the power of God. The aquarium is a place where seawater fish and fresh water fish live together in the same water. Since the opening, it has been visited by millions of people.

In 2007 and 2010, the safety and excellence of Muan Sweet Water was confirmed by the seven kinds of tests conducted by the FDA (Food and Drug Administration of the United States). The result shows that Muan Sweet Water is abundant in minerals and contains three times more calcium than famous spring waters. In 2013, Muan Sweet Water trademark was registered in the US Patent and Trademark Office. Let's give all glory and thanks to God who gives amazing blessings and unfolds powerful works through the Muan Sweet Water.

“Bring the whole tithe into the storehouse, so that there may be food in My house, and test Me now in this,’ says the LORD of hosts, ‘if I will not open for you the windows of heaven and pour out for you a blessing until it overflows”
(Malachi 3:10).

Whole Tithe and Offerings (1)

be no shortage in the Temple of God so that the people might revere God and souls could be saved.

After the Exodus, God set apart the tribe of Levi from among the twelve tribes of Israel to be His. The sons of Levi were to do only the works that were in service to God. So, after sons of Israel went into the Canaan land, the other tribes received their inheritance of land, but the Levites did not. Instead of the land, they were to receive the tithe and other offerings given to God by the people (Deuteronomy 18:1-2).

Today, for the pastors and Levites working in the church, God Himself is their inheritance. The salaries for the pastors and Levites are given from the offerings the church members give to God. We are to spend the tithe and offerings only for the works of God, namely things that are directly related with saving souls.

2. The Reasons to Give Tithes

1) Giving Tithe Is the Proof That We Believe in God

A farmer worked hard and had a great harvest, but the farmer couldn't have gotten the harvest by his efforts alone. It is because the seed is made by God, and God is also the one who gives the soil, water, sunshine, wind, and rain for the seed to sprout and bear fruit. It is also God who has given us health and the wisdom to do the work.

Of course, today, there are many ways to earn money. But this principle applies to everything. In some way all industry has its base in nature. Everything in nature is made by God. After all, life itself and all things in this world came from God the Creator, and everything belongs to God. It's just that God lets us use and enjoy what is His to the extent that we work and toil for it.

To give the tithe is to acknowledge the sovereignty of God over all material things. God has given His children so many things, but He requested only that the tithe be

given to Him. Suppose a person does not even give just the tithe after receiving all those things.

Although God said it in the Bible, it shows that the person does not believe that God will pour into his lap a good measure pressed down, shaken together, and running over when he gives the whole tithe. It means that he does not believe the Bible and he does not have faith. If he doesn't believe God, he has nothing to do with salvation.

Is there anyone among you who thinks, “I surely believe in God, so why is it said that to give tithe is to believe in God?” God is spirit, and how can we who have physical bodies believe in God? God proved and showed His love by sending His precious Son Jesus, and Jesus proved His love by laying down His life for ours. It's the same with us. One of the most important ways to show our hearts is in material things.

Of course, other than material things, we can express our hearts through worship, prayers, praising, faithfulness, and charitable works. Also, each person's value is different. But material things to a great extent are comparable to life itself for most people. Jesus also said in Matthew 6:21, “For where your treasure is, there your heart will be also.” Therefore, if we truly believe in God, we will give the tithe, which is the minimum proof of our faith.

Of course, the act of giving the tithe alone will not decide whether or not salvation will be received. Some people give tithes with two-faced hypocrisy because of the eyes of other people. Or, some people can give tithes with faith, but they don't do it because they don't know the truth clearly. Some say we give tithes just to receive blessings. Some even teach that you will receive blessings by giving tithes, but you don't really have to do it. What we have to remember is that no matter how much we work for God, if we don't give tithes, we cannot be saved. But new believers who didn't give their tithe because

they didn't know can receive shameful salvation if they have the heart to give the whole tithe if they realize the truth.

2) We Can Receive Blessings as God Promised

God tells us to give Him tithes to give abundant blessings to His children.

Malachi 3:10 reads, “Bring the whole tithe into the storehouse, so that there may be food in My house, and test Me now in this,’ says the LORD of hosts, ‘if I will not open for you the windows of heaven and pour out for you a blessing until it overflows.”

He wants even those who have no faith, but doubt what He says, to test Him so that they can believe and obey. It's the love of God the Father who wants to save them and bless them even through such extreme measures. Parents always want to give the good things to their children. Likewise God also wants to give only good things to His children.

But even though He wants to give to us as much as possible, He cannot just give because there is justice in God's kingdom. If God gives blessings to His children without any proper reason, the enemy devil, Satan will object to it. Therefore, there must be a reason by which He can give us blessings. It's a law of nature that fruit will be borne only after we sow the seed and the seed sprouts. It's the same in the spiritual realm (Galatians 6:7).

To have the basis for God to give blessings, He commanded His children to give Him the minimum, and that minimum is the tithe. We can be surely recognized as God's children only when we give the whole tithe. Then, we can receive the blessings that God gives to His children.

Dear brothers and sisters in Christ, I pray in the name of the Lord that you will rely on this God who keeps His promises and who is full of love so that you will receive overflowing blessings.

Keeping the Sabbath, that is keeping Sunday a holy day, and giving the tithe are crucial in our Christian lives. Let's delve into giving the whole tithe continuing from keeping the Lord's Day holy.

1. The Meaning and Origin of the Tithe

The “tithe” refers to giving one tenth of one's income to God. The statute on tithes was officially established and the sons of Israel began to give it to God after the Exodus from Egypt. Of course, as written in Genesis 14:20, Abraham gave the tithe. It means he had already realized that he had to give tithe even before it was established as official statute.

As written in Malachi 3:10, “Bring the whole tithe into the storehouse, so that there may be food in My house”, God made the people spend the tithe that was given for accomplishing the works of God. Here, the storehouse is the storehouse in the Temple of God. ‘There may be food in My house’ has the physical meaning that there should be physical food, but also it has spiritual meaning. Namely, God is telling us to let there be food of life, the spiritual food to give to many souls. It means there should

“I Was Healed of Unspecified Paralytic Strabismus!”

Deacon Min Seong, age 48, Parish 19, Manmin Central Church

In early December 2016, my eyes felt very tired while I was driving. The next day, things started to appear to overlap. The symptom was so serious that there were many things I could not do.

I went to ophthalmic clinic and was diagnosed with unspecified paralytic strabismus. I went to other clinics hoping it was not, but the same diagnosis was given to me. They gave a written request telling me to go to another bigger hospital.

I was so seriously cross-eyed that eye glasses could not correct my vision. I had to wear an eye patch on one eye. I was having a hard time driving. Everything looked blurry and out of focus so I once damaged the wall of a house and had to have my car fixed. Even when I walked down the stairs, I was worried that I would miss my step.

I began to pray thinking of what might have caused it to happen to me. I had thought that it was OK to watch good movies, but started to enjoy watching TV and movies. I also did not live by the Word. I repented of them and sprayed

Muan Sweet Water in my eyes. I earnestly hoped to be healed.

On December 16, after Friday All-night Service, I was about to greet Senior Pastor. I was then given faith that I would be healed if my eyes just brushed his hand. I held his hand and touched my eyes to it. He said, “May the light come”.

Then my right eye became normal. But my left eye still had double vision. I tried to find what I had not repented and repented. On December 25, I received Senior Pastor's prayer to be completely healed. And my left eye started to get better and better. In early January 2017, both of my eyes

became normal.

Furthermore, I had no more farsightedness and my eye sight improved. I give all thanks and glory to God who healed me.

On January 26, together with his wife, Deacon Min Seong testified to Senior Pastor about his healing.

“My Ten-month-old Grandson Swallowed a Screw Bolt, But He Was Protected”

Deaconess Kabyeon Park, age 59, Parish 28, Manmin Central Church

On January 23, 2017, I was taking care of my grandson. I left him alone for only a moment before I came back to him. I found the screw bolt on the drawer's handle missing. He had been playing with it. The bolt was 1.5cm long, so I looked for it in a hurry because it could be very dangerous if my grandson swallowed it.

Although I looked everywhere for it, it was nowhere to be found. He looked normal playing but I had him drink Muan Sweet Water and receive Senior Pastor Dr. Jaerock Lee's prayer for the sick on GCN just in case. Afterwards, I paid attention to him with a prayerful heart, but he was as normal as usual.

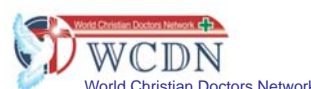

On January 26, three days later, I received Senior Pastor's prayer for my grandson when I went to his residence to greet him on the Lunar New Year's holiday. When I came out from his house my daughter called me and she said she had found the screw bolt in my grandson's excrement. But nothing problematic happened to the boy for the three days. I give thanks to the God of love who protected him.

“I Became a Big Fan of Muan Sweet Water after Being Healed of Many Diseases”

Sister Maya Devi, Delhi Manmin Church, India

In May 2016, my right thumb was itchy as if it was bitten by a mosquito. As I continued to scratch, the affected part formed pus and bled. I had great pain. At that time, it was very hot at 50 Celsius degree in India. Moreover, as power failure frequently happened, it was impossible to use the air conditioner and the fan. It caused skin diseases to become pandemic.

Even my shoulders were swollen and it caused me great pain. I could hardly move my right arm. I applied medicine and took painkillers but the symptoms got worse and worse.

I decided to receive healing from God and stopped taking

medicine. I sprayed Muan Sweet Water on the affected areas. I received Senior Pastor Dr. Jaerock Lee’s prayer for the sick recorded on my cell phone. Then, an amazing thing happened. The wound that seemed incurable was healed quickly and the pain and swelling were gone. In early June, it was completely healed.

My husband, Brother Sunil Kumar, was healed of a stomach disorder, and he no longer had nightmares that had troubled him. As he kept the Lord’s Day holy, he received a great financial blessing. With grateful hearts for the grace of God, we joyfully volunteered in the church. Muan Sweet Water is my household medicine! My family members are all healthy without even having a cold or fever.

I give all thanks and glory to the God of love. And, I also give thanks to Senior Pastor who prayed for us.

“Through Muan Sweet Water, I Was Healed of Uterine Cancer and Degenerative Arthritis”

Deaconess Youngja Park, age 52, Chinese Parish 1, Manmin Central Church

When I was in China, my mother and sister, who attend Manmin Central Church, tried to evangelize me. In 2011, I registered in the church online. It was hard to get Muan Sweet Water in China. When I applied a little bit of the water left in a cup, I got double eye lids! I felt amazed and happy.

In March 2012, I had a continuous discharge of blood. In the hospital I was diagnosed with last stage uterine cancer. The doctor told me that I should have uterus removal surgery. My mother heard about it and offered up fasting and prayer. And she asked for Senior Pastor’s prayer. He prayed for me on the altar and, by receiving his prayer transcending space and time on GCN, I was healed of uterine cancer.

In September 2013, I moved to Korea. As I started to lead my Christian life in Manmin Central Church, I was healed of degenerative arthritis that caused great trouble for the last 20 years. I give all thanks

to God who planted faith in me by getting double eye lids through Muan Sweet Water.

“I Was Healed of Burns through the ARS Prayer and Muan Sweet Water”

Sister Eunhye Oh, age 12, Gumi Manmin Church

On April 27, 2016, I boiled water in an electric kettle for instant cup ramen. When I poured the water in the cup, I poured it on my left thigh by mistake. It was so hot but I immediately received Dr. Jaerock Lee’s prayer recorded on Automated Response System (+822-830-5320). I received the prayer seven times and the heat I was feeling was gone.

I sprayed Muan Sweet Water on the burnt parts all day and received handkerchief prayer from the pastor ministering to Gumi Manmin Church that evening (Acts 19:11-12). The next day, I had blisters but I had no pain as I continued to spray Muan Sweet Water and received Senior Pastor’s prayer. I even could practice sprinting. I won first place in the 100m sprint match and the relay race in the Sports Day in school on the following day.

On April 30, I attended the Fullness of the Holy Spirit Prayer Meeting led by Rev. Heesun Lee, Manmin World Guidance Pastor in Woolsan Manmin Church. After I received the prayer of handkerchief, it was quickly healed. Only in three weeks, even scabs all fell off and it was totally healed. I give thanks to the Lord who healed me perfectly with no scars.
