## “God Desires to Lead All Peoples to Salvation”

### The Series of Sermons “Heaven” and “Hell” Change Countless Souls throughout the World

After death, our bodies are buried, but our spirits are immortal and will live forever in a different place. We will dwell either in the beautiful Heaven or in the horrible Hell.

From May, 1984, God gave Senior Pastor Dr. Jaerock Lee a detailed explanation about Heaven. The account includes life in Heaven, the Garden of Eden and the Waiting Place in Heaven. The dwelling places assigned to each person according to his/her measure of faith from Paradise for those who barely receive salvation to New Jerusalem for those who become sanctified and work faithfully in all aspects were clearly revealed. Dr. Lee delivered the messages about Heaven twice with thirty sermons the first time and 59 sermons the second.

In addition, God gave a full account of Hell to him as well. Afterwards, the “Heaven” and “Hell” sermon series have been delivered to the world through books, TV, and the Internet. They have awakened countless souls who were in spiritual slumber and led them to salvation.

Sister Cheisusun, age 35, from Taiwan Manmin Church said, “I was guided to the church and listened to the sermons on Heaven and Hell. Then, I realized that I would go to Hell if I continued to seek worldly pleasure as I desired. I cut myself off from my desires for the world and desperately tried to pray. I came to have peace in mind and hope for Heaven.” She has delivered the love of God, who had given her true happiness, to her family and guided them to the church. Her father, who had a serious case of dementia, was healed and became normal again through Dr. Lee’s prayer on his picture.

Brother Alekandr Tabaranu, age 32, in Moldova, watched Dr. Lee’s sermon Hell on TBN Russia and experienced changes in his life. He said, “I had spent days in pain because I committed sins although I thought I was living a Christian life. When I heard that people in Hell would be salted with fire, I was greatly shocked. Afterwards, I searched for Dr. Lee’s sermons on the Internet and listened to them. I became a true Christian who does his

best to achieve sanctification of heart and have now guided many people.”

His mother, Tazinia Tabaranu, was dying of an acute pulmonary heart condition, was healed after she received Dr. Lee’s prayer that was recorded during a worship service.

Deaconess Soonja Cho, age 63, living in Florida, USA, was very surprised to see the consistency of the sermon “Hell” with the biblical records. Afterwards, she listened to Dr. Lee’s sermons on the website of Manmin Central Church and became filled with the Holy Spirit. She confessed, “If I had not met Dr. Lee, I would have continued thinking that I was on my way to Heaven though I was not.” She has delivered Dr. Lee’s sermons to her American friends and acquaintances and shared the bread of life with them.

God has given more and more detailed explanation on Heaven and Hell every year. The explanations given to Dr. Lee have been compiled as two books. They are the two volumes of *Heaven I & II* and *Hell*. *Heaven Part I* has been translated and

distributed in 32 languages, and *Heaven II* in 21 languages. The book *Hell* is now in 34 languages.

The books are available nationwide in Korea at Kyobo Book Center, Youngpoong Book Store, and Yes24. They are also available on amazon.com, which is one of the biggest book stores in the world; Baker & Taylor, a retailer shop in the U.S.; and Anchor, a Christian retailer shop. The books have been distributed world-wide. Additionally, their e-book forms are available on Kindle, iBooks, and Google Play Book forms.

A reader states on the book review website, goodreads.com, “From the moment I opened the book, the amazing and powerful message fascinated me. I felt Dr. Jaerock Lee has deep fellowship with God, and he explained in full detail about the Garden of Eden; about the heavenly dwelling places that are given according to each one’s measure of faith; and heavenly life, environments, and facilities including the golden road, the cloud cars, and the angels that serve heavenly citizens.”

Senior Pastor Dr. Jaerock Lee

“And there is salvation  
in no one else; for there is no  
other name under heaven  
that has been given among  
men by which we must be saved”  
(Acts 4:12).

# How Is It that Jesus Is Our Only Savior?

which belongs to God is a spiritual law directly related to human beings that were created from the dust of the ground (Genesis 3:19, 23). As all lands of Israel belong to God, Adam and his authority also belonged to God and could not be sold permanently.

As Adam committed sins, he became a bondservant of the enemy Satan and all Adam's authority went to Satan. Nevertheless, what was handed over to Satan must be given back to someone who is qualified to redeem it. Now let's delve into the four qualifications to become our Redeemer as stipulated in the Law of the Redemption of the Land.

## 2. The Four Qualifications of the Savior According to the Law of the Redemption of the Land

### First, he has to be a human being.

When a person sells his land, his nearest kinsman can buy it back for him (Leviticus 25:25). In the same manner, the one who redeems human beings who were sold due to sins must be Adam's nearest kinsman. Adam's nearest kinsman refers to a human being that consists of spirit, soul, and body like Adam. That is why neither angels nor animals can redeem us from sin.

1 Corinthians 15:21 reads, “For since by a man came death, by a man also came the resurrection of the dead.” That is, as sins came by the first man Adam, it should also be a man who pays for the sins and redeems mankind from sins.

To fulfill this, Jesus came to the earth in flesh. John 1:14 says, “And the Word became flesh, and dwelt among us...” and John 1:1 reads, “...the Word was God.” It means God who was the Word became flesh and came to this earth. Jesus came to the earth in flesh. He experienced hunger, thirst, joy, and sadness. He shed blood and felt pain when He was flogged and crucified. This is the proof of Jesus' coming to the earth in flesh.

### Second, he must not be a descendant of Adam.

A baby doesn't inherit only his parents' appearance and personalities, but he also inherits their sinful natures as well. When a new-born baby sees his mother breastfeed another baby, he tries to push the baby away from his mother and later bursts into tears. Nobody taught the infant hatred, jealousy, and envy. They were innately inherited and such sinful natures are called 'original sin'.

All human beings are conceived through the combination of a man's sperm and a woman's egg and it is in this way all humans inherit original sins from their ancestors and parents. But Jesus was conceived by the Holy Spirit and just 'borrowed' the body of Virgin Mary (Luke 1:26-38). Jesus did not come to this earth in the manner of a descendant of Adam who had sinned.

### Third, he has to have spiritual power.

Suppose a fellow soldier was taken as a captive by the enemy and you wanted to save him. Then, you need to have enough power to save him. In the same token, in order to redeem mankind from sins, the Redeemer has to have power to defeat the enemy Satan and save them.

In the spiritual realm, power is given to one who has no sin at all. Only the one who has neither original sin nor self-committed sin can defeat Satan. Original sins refer to sinful natures passed down through the descendants of Adam, and self-committed sins refer to sins people commit themselves throughout their lives.

All humans have original sins and self-committed sins, so no human has the power to redeem others. However, since Jesus was conceived by the Holy Spirit and He lived only by the Word of God, He had no original sin and no self-committed sins.

Human beings commit many kinds of sins while they are living

on the earth. They may hate or feel jealous of somebody in their heart even if they do not commit sins in action. Such feelings are deemed 'sin' in God's sight (Matthew 5:28; 1 John 3:15). Thus, no one can be deemed sinless.

### Fourth, he has to have the love with which he can give his life.

Suppose there is a man who is rich enough to pay off his sister's debt. However, if he does not have love for her he will not help her.

In the same manner, Jesus would have not redeemed mankind from sins if He had not loved us. This is because the redemption required tremendous sacrifices of Him. He was condemned as though He were a heinous sinner. He was mocked and scorned. And in the end He had to die on the cross. Jesus, who was the Son of God, took the suffering of the cross and died for sinners. He did it on our behalf. This is truly great love.

Jesus did not spare His life at all to redeem mankind from sins. He willingly took the miserable suffering of the cross to fulfill the plan of salvation of God who desires all people to be saved. It is just as 1 John 2:2 reads, “And He Himself is the propitiation for our sins; and not for ours only, but also for those of the whole world.”

Dear brothers and sisters in Christ, there were some people who were called saints, but none of them could solve the problem of their own sins much less the sins of others. Some others say there is a way of salvation in every religion, but it is no way true (John 14:6).

This is because according to spiritual law there are the four qualifications to redeem mankind from sins, and according to the four qualifications, there is no one but Jesus who is qualified as the Savior. Thus, Jesus Christ is our only Savior. I pray in the name of the Lord that you will believe it, receive the Holy Spirit, and thereby reach salvation.

There is the law in the spiritual realm just as there are laws in the world we live in. One of these is that a cost must be paid for sinners to be redeemed. However, the price cannot be paid by just anyone. The redeemer must be qualified according to spiritual law. What then are the qualifications?

## 1. The Spiritual Law Applied to Solve the Problem of Sins

The way for mankind to receive salvation is found in the law of the redemption of land. It is the law concerning land transaction in Israel where Jesus was born.

Leviticus 25:23-25 reads, “The land, moreover, shall not be sold permanently, for the land is Mine; for you are but aliens and sojourners with Me. Thus for every piece of your property, you are to provide for the redemption of the land. If a fellow countryman of yours becomes so poor he has to sell part of his property, then his nearest kinsman is to come and buy back what his relative has sold.”

Fundamentally, all the land belongs to God, and land cannot be sold permanently. Even if a person sold his land because he became poor, as long as his nearest relative is willing to pay the price for it, the land returns to him again. This law of 'the redemption of the land' contains the way for mankind to be saved. Let's look into it.

# Nothing Is Impossible with Faith!

God wants to give the very best thing to His beloved children.  
Many believers have testimonies because they believed and relied on the power of God.

## “I Was Healed of Pleurisy Caused by Pneumonia”

Deacon Kwangwoo Lee, age 44, Parish 11, Manmin Central Church

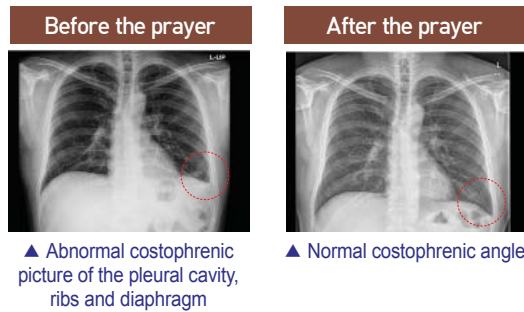

On February 9, 2017, I felt pain in my left armpit. It was getting worse over time. I could not move my body when I took a deep breath and coughed. On February 11, the pain was so serious that I could not sit nor lie down. I stayed up all night. After I received Senior Pastor Dr. Jaerock Lee’s prayer recorded on the Automated Response System (ARS), the pain eased a little bit.

On February 12, when I received Rev. Heesun Lee’s prayer of the handkerchief on which Dr. Lee had prayed (Acts 19:11-12), I felt something cool where I’d been hurting. That night I slept well and had almost no pain.

On February 13, I went to hospital and underwent a CT scan. The doctor told me that pneumonia had occurred ten days before and caused pleurisy to develop. He told me to receive hospital treatment. He said it would be dangerous for me if I didn’t because pleurisy is not easily cured without medical treatment. I was resolute and wanted to be healed by faith.

That night I went to Daniel Prayer Meeting. I repented that I had not understood others and had discomfort, ill-feeling, and hatred toward others. I repented with tears. Afterwards, the pain was completely gone and I came to live without any difficulties.

On February 17, I had a check-up again. The doctor said, “There is no pneumonia and no pleurisy. It shows no trace of pleurisy.” He said I am normal. Hallelujah!

## “I Was Healed of Serious Depression”

Deaconess Cynthia McMillan, age 57, Sydney Manmin Church, Australia

In late July, 2016, I became depressed after I was swindled out of a large amount of money. I was in great stress and pain. I repented of my foolishness and prayed day and night with tears. I couldn’t sleep because of deep sorrow and pain. I lost weight and my heart beat fast.

While I was wondering how I could handle my problem, Pastor Peter Bae of my church advised me to visit Korea and meet with Senior Pastor Dr. Jaerock Lee. In early October, I paid a visit to Manmin Central Church during the 34th Anniversary Service. Thankfully, I shook hands with him. I felt like I was in Heaven since the celebration service and events were full of grace.

Back in Australia, I realized depression that had troubled me a lot had disappeared. I came to be in peace and I no longer suffered from insomnia. I have received financial blessings and paid off much of my debt. I am happy to live with hope for Heaven. Hallelujah!

## “I Came to Hear after 42 Years”

Senior Deaconess Jeongnim Kwak, age 64, New Gwangju Manmin Church

When I was 21, I had a lump in my neck. It was removed by surgery. During the surgery the nerves in my neck and ears were damaged. My ears started to ring day and night. The hospital said once nerves are damaged, it’s impossible to repair them.

I tried to endure it alone but the reality looked so harsh. Although I couldn’t hear well, I did not show my pain to anybody and just bore it.

In March 2016, I went to Seoul to join the central church’s Women’s Mission’s devotional service in the main sanctuary. While I was listening to Dr. Lee’s sermons, all of a sudden I heard a sound of a mosquito from my left ear! I asked a deaconess next to me if she had heard the sound of a mosquito. She said there cannot be a mosquito in there, so I thought I had heard something wrong and did not take it seriously. A little while later, I heard the sound again. I waved my hand near my ears to repel the mosquito.

Again, it happened a third time with the same sound I was hearing. Then it suddenly became quiet around me and soon I felt my ear open wide. I came to hear Senior Pastor’s voice clearly and loudly. My hearing ability recovered to normal after 42 years. Hallelujah!

## “I Was Set Free from Paroxysmal Dyspnea and Hepatitis C”

Brother Chendsuren, age 36, Mongolia Manmin Church

In 2011, I was diagnosed with hepatitis C, and I suffered from the hypo-function of my kidney, heart, and spleen. I had cold sweat all over my body and had poking pain in my heart. I ran out of breath easily when I climbed the stairs. I had many problems in my daily life. I received medical treatment in the hospital and went on a strict diet. Nothing changed.

In the meantime, in November 2015, as I started to go to Mongolia Manmin Church, I was healed of sudden onset shortness of breath [paroxysmal dyspnea]. For the previous fifteen years, I had difficulty breathing every night. I had to live in fear and pain. When I received the prayer of the handkerchief on which Dr. Jaerock Lee had prayed from Pastor Botzorig (Acts 19:11-12), I was healed of it at once. As I experienced the power of God right after attending church, I was given faith in the living God. While listening to Senior Pastor’s messages on GCN I realized that I had committed many sins.

In December 2016, I made a resolution and offered up a 31-day fasting and prayer. Blood came out through my mouth but I overcame difficulties with faith. After the fasting, blood came out sometimes but I did not worry.

On January 28, 2017, I received the prayer in the church’s handkerchief healing meeting. Afterwards, blood did not come out. It is more amazing that the medical check-up result in the hospital showed that I was healed of hepatitis C and my kidney, heart, and spleen are all normal. Hallelujah!

## “I Was Guided to the Best Way by the Grace of God”

Elder Jangseok Ahn, age 57,  
Parish 18, Manmin Central Church

After I worked for LG as an executive for 23 years, I transferred to a Japanese semiconductor company and worked as Development Chief Director. In September 2016 when I had worked there for 9 years, I was given a notice saying that they would not be able to renew the contract with me. They decided to change executives since the economy of Korea was progressing to disadvantage of the company.

I talked about it to my Senior Pastor Dr. Jaerock Lee. He prayed for me to be led to the best way. Then, I decided to get help from a social network that I had established and its headhunters. I spent very busy days making plans and carrying them out. Unlike my expectation, there were no offers that I wanted. From January 2017, I began to work as a CEO in a venture business my acquaintance had run. Since it was not my field, however, I was not satisfied with the work. In retrospect, I think I tried to make it on my own rather than asking for help of God through prayer.

I give all thanks and glory to God who taught me what it is like to rely on Him and guided me to the best way.

In the meantime, Special Daniel Prayer Meeting started on February 20. I prayed earnestly to bear the fruit of blessing and offered up my prayer during the whole 42 days. After one session of the prayer, I received job offers from two companies but they thought my work experience was too much for them. The offers ended up being withdrawn for the unexpected reasons.

I believed God would guide my way as Senior Pastor prayed for me and prayed relying more on God. On the 40th day in the last week of Special Daniel Prayer Meeting, I was given a job offer as a General Manager from LG Electronics' affiliated components company which went public on KOSDAQ. Its sales reached 100 million dollars. The CEO asked me to tell him everything I wanted, and he accepted my requests. I was inaugurated in the position on April 1. Hallelujah!

## “I Became a Mom after Space-and-time Transcending Prayer for the Blessing of Conception”

Sister Kavita, age 25, Delhi Manmin Church, India

In March 2013, I got married and enjoyed my life as a newlywed. After I had a miscarriage, however, I could not have a baby no matter how hard I tried. I had a check-up and the doctor told me that I would not be able to have a baby. He did not even know the cause. It was so painful to me.

My husband consoled me and suggested going to more experienced doctors. I saw many doctors but their answer was the same.

My dream was shattered, and I had no hope anymore. We spent much money on fertility clinics and came to have a large amount of debt. In the misery of the situations, I cried all day. It even caused me to have chronic headaches.

In the meantime, I heard good news from an acquaintance. She talked about the powerful works manifested by Dr. Jaerock Lee, Senior Pastor of Manmin Central Church. She said if I receive his prayer I might have a baby.

At that time, I was so weak that I often collapsed. I could not eat well either. In winter of 2013, I went to Delhi Manmin

Church for the first time by the help of my family. I received the prayer of the handkerchief from Pastor John Kim (Acts 19:11-12). Amazingly, I came to eat well right away and my condition of health recovered. I came to live normally.

▲ Sister Kavita's family (on very left) with her sister, brother-in-law, and nephews and nieces

With thanks for the grace, I tried to live by the Word of God and spread the grace of God and the Lord and powerful works manifested by Dr. Lee. My family and relatives were guided to the church.

Afterwards, I was urged from my heart to receive Senior Pastor's prayer.

In the middle of March 2016, I sent my prayer request for my conception to Manmin Central Church to receive Senior Pastor's prayer. Less than a month after he prayed for me, I conceived a baby and on January 19, 2017, a pretty and healthy girl was born. Hallelujah!

That was not all. My husband received the money he had not received from his workplace. We could pay all the debt back. I give all thanks and glory to God who changed desperation into hope. I also give thanks to Senior Pastor who prayed for me.

## “I Was Healed of Amblyopia, a Chronic Headache, and Poor Eyesight”

Deacon Seongkyu Kim, age 46, Parish 2,  
Manmin Central Church

In my early twenties, while I was working on fixing a car, a welding flame flew up on my right eye. From then, my eye vision was failing. When I looked into the distance, it often looked like the air was shimmering in my right eye. It caused me to have a severe headache. My left eye was also failing so my eye sight was 0.8/0.2.

I had to wear eye glasses when I drove. The difference of the both eyes' vision caused me to have a headache. It was hard for me to focus on something including reading books. When it got dark, it was even harder to see.

I really wanted to be healed of it. In August 2016, during Summer Retreat, I received Senior Pastor Dr. Jaerock Lee's prayer for the sick with longing and was given faith that my eyesight would improve. Afterwards, I was offering up worship service as usual but the captions on the monitor looked very clear unlike before. I came to see well even at night.

On October 21, my eye vision test showed my eyesight had improved to 1.2/0.7. I give all thanks and glory to God.
