A Letter from Abroad

"We have received great blessing through Dr. Jaerock Lee's sermon and prayer for the sick!"

My Christian TV broadcasting station in Bulgaria has performed its ministry via two satellites covering approximately 40 countries in Europe, Middle East, and North Africa and China. Recently our programs began to be aired on a cable TV that covers the whole nation of Bulgaria.

We broadcast Dr. Jaerock Lee's sermon series "*The Message of the Cross*" three times a week. My daughter Mel Belev is translating the messages into Bulgarian and I am dubbing them. My daughter has been moved by the messages and growing in faith.

It has been five months since we started to broadcast the

sermons, and we have received great blessing. Many viewers said they came to clearly understand the will of God through the deep spiritual messages and came to lead proper Christian lives.

In particular, countless viewers have called us or sent us messages to say they were healed of diseases or solved their problems after they received his prayer for the sick after sermons. They said they received his prayer and when they went to hospital they found out they were healed. When I hear such testimonies, I am so happy. Our viewers long to know more about the holiness gospel, so I want to publish and distribute Dr. Lee's books.

In December 2017, I visited Manmin Central Church and everything was wonderful. The praises they sang and the performances were so beautiful. They moved and did everything in orderly manner. They prayed fervently in Daniel Prayer Meeting and were full of the Holy Spirit in Friday All-night Service. Senior Pastor Dr. Lee and his church members served each other with love and humility. The church sets a good example for every church.

Dr. Lee's sermons give us deep explanations on the Scriptures and emphasize the need of becoming sanctified. It is a great encouragement for those believers who try to live by the Word of God at the end time when sin and evil are rampant. I am happy to join in this ministry of gospel of God and Jesus Christ and to join in Dr. Lee's ministry. May God bless you!

The Love of God (1)

“We have come to know and have believed the love which God has for us God is love, and the one who abides in love abides in God, and God abides in him” (1 John 4:16).

You can gain the right to become God’s children by believing Jesus Christ. But to become His ‘true’ children, you must understand the love of God and achieve it. This level of love is a deeper level even in the fifth level of faith. In other words, this level is the level of ‘the completion of whole spirit’ (Refer to the book *The Measure of Faith*).

To achieve this level of the ‘completion of whole spirit,’ you must understand both the love of God and His justice clearly. Then, you should combine them perfectly with no partiality. It is to accomplish justice based on love, and the level of fulfilling the law with love.

1. The Dimension of Love in God's Sight

Genesis 13 records an incident that happened between Abraham and his nephew Lot. Their possessions were so great that they were not able to remain together. Then, Abraham said to Lot, “Please separate from me; if to the left, then I will go to the right; or if to the right, then I will go to the left.” He gave his nephew the choice of the better land. To seek others’ benefits other than one’s own and to rejoice with seeking others’ benefits itself without wanting anything in return as Abraham did is spiritual love.

The higher level of love is the love included as the first fruit in the Nine Fruits of the Holy Spirit. Only when you add ‘sacrifices that even can give one’s own life’ to the meaning of ‘spiritual love’ written in 1 Corinthians 13 can you give your life for the kingdom and righteousness of God and even for brothers in Christ. Then, you can also achieve the highest level of love that can give your life even for your enemies that hate you.

Though such love is in the highest level in the sight of people, the love of God is at an even higher level. Now let’s delve into this love of God.

1) Love to Sacrifice Oneself and Give Everything

1 John 4:10 says, “In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins.” God, who is Love itself, prepared everything for us first. He sacrificed Himself and gave up everything for us (1 John 4:16, 19; Romans 5:8).

God the Origin existed in the form of light that contains the original voice, and He alone filled the whole universe (Exodus 3:14; John 1:1; 1 John 1:5). At a certain point, He wanted to share His love and conceived the plan for human cultivation to gain His true children.

First, God the Origin divided the whole universe into a couple of different dimensions of spaces. Nehemiah 9:6 reads, “You alone are the LORD. You have made the heavens, the heaven of heavens with all their host, the earth and all that is on it, the seas and all that is in them. You give life to all of them and the heavenly host bows down before You.”

And, God came to exist as God the Trinity: God the Father, God the Son, and God the Holy Spirit (Acts 13:33; Hebrews 5:5; John 15:26; Galatians 4:6). God the Son and God the Holy Spirit are originally one with God the Father, but they proceeded from God the Origin to exist independently. They have different roles, but their hearts, thoughts and power are one. That is why we refer to the three of Them as “God the Trinity” or the “Triune God” (Refer to *Thunder the Original Voice*). God the Trinity made all things necessary for human cultivation.

God made spiritual beings such as angels and cherubim to assist in His work. He also let Lucifer exist and allowed the rebellion to happen though He knew the betrayal would cause great pain to Him. From the beginning, He knew everything that would happen, but still He gave great love to Lucifer. He had to watch her betray Him and fall into destruction. It happened because it was necessary for human cultivation according to the justice. God’s pain was vastly beyond what people can even imagine (Genesis 1:2).

After all was prepared, God created man in His image. The first man Adam enjoyed limitless authority and power as the one loved by God. But he also betrayed God, and God suffered great pain from it. Adam and Eve were sent out to the earth and human cultivation began in earnest. From that time on, God had to show more dedication and effort to gain true children.

As human cultivation started on the earth, mankind was quickly stained with sin. Now God the Trinity had to endure greater sacrifices for mankind. That is, Jesus, who is God the Son, came to the earth in flesh and became the propitiation for mankind by the love of the cross. It gave inexpressibly great pain to God the Father as well as to Jesus who took the cross and died.

Nevertheless, God endured it because His love for people was greater than the excruciating pain from which He suffered. Although He experienced many betrayals of people, He didn’t destroy all of them with rage. But He endured sorrow again and again and finally gave up the life of His only begotten Son to save them. Nevertheless, the only thing He wants from us is to believe Jesus Christ and reach salvation. He just wants us to become His true children, enjoy all He has together with Him, and live in His glory forever.

2) The Love that Gives Opportunity Until the End and Gives Better Things

The love of God is revealed to people again through the ministry of Jesus. Jesus knew that Judas Iscariot would betray Him even when He called twelve disciples. But He called him as His disciple and wanted him to firmly hold on to the opportunities for renewal.

He did not treat him differently than the other disciples although He knew his heart. He even

**“Whole Spirit is the level of faith that pleases God (1 Thessalonians 5:23).

you must understand both the love of God and His justice clearly and combine them properly.
Only then can you achieve perfect love.”**

Excerpt from Leadership Conference “Love”

entrusted the money box to him. Judas Iscariot was not renewed even after the passage of time with Jesus. He even stole money from the money box. But Jesus did not rebuke him nor tell him to go away. It was because He knew that if he left Him, there would be no more chance for him. But Judas finally chose evil. Even after he decided to sell out Jesus, he appeared at the Last Supper and shared time with Jesus as before. Jesus tried to help him realize his evil in a way the other disciples could not notice. That is, He gave him opportunities until the end (Matthew 26:21-25).

Jesus did not worry about the pain He would suffer on the cross because of Judas Iscariot. But He lamented with mercy on him who would go to destruction. The Lord’s love was to bear, believe, and endure even the one who would betray Him as long as he had the slightest chance of renewal although it meant His own sacrifices and pains. Even when such people end up choosing the way of destruction, He does not hate or consider them negatively. He just feels merciful and takes pity on them.

The heart that gives everything and hopes for souls’ renewal despite anticipation of nothing being received; the heart that holds no grudge or discomfort though no one recognizes the love; the heart that gives opportunities until the end and helps people gain better things, such is the heart of the love of God and the Lord. We must achieve this love to complete the ‘level of whole spirit’.

2. God’s Justice that Perfects Love

Just as love is the heart of God, so is justice. Isaiah 30:18 says, “...For the LORD is a God of justice.” Justice refers to the rules and standard that God made. He not only set the justice but also abides by it Himself.

Psalms 37:6 states, “He will bring forth your righteousness as the light and your judgment as the noonday.” It means that nothing can be hidden or covered in the face of God’s justice as everything is revealed and seen under the noonday sun.

Thus, those who act in lawlessness are afraid of His justice because their evil acts will be unveiled under His Justice. On the other hand, the Justice of God is strong protection for those who live in the Light.

1) The Rules Set When God Created the Heavens, the Earth, and All Things

On the first day of Creation, the original light surrounded all things and the orders and rules were set among all creations and creatures (Genesis 1:3).

For instance, such rules as “the earth rotates once a day and revolves around the sun once a year” were set. Other orders and rules among the sun, the moon, other planets, and countless stars that would be created were all set on the first day. The earth as well as the universe has its natural laws such as “Water flows down hill, it freezes below zero and boils above 100 degrees Celsius” and “The season changes in the order of spring, summer, fall, and winter.” All these are among the laws of justice.

When God created man on the sixth day, He

also established the order and rules in His justice so that the body of men can operate according to consistent rules. Such rules are: ‘people can function only when provided with energy through food, they should sleep, and they must not use their body beyond the limits set’. That is why people ought to live according to the justice of the physical world to stay healthy.

2) Justice Necessary for Human Cultivation

Salvation, judgment, answers, blessing, punishment, and disasters are necessary for human cultivation. They are wrought according to the justice set by God. Even unbelievers say, “As one sows, so shall he reap.” The rules of the justice in the truth were more clearly set than any other rule and they apply without any error. The law of justice concerning the consequence of sin is written in the Bible such as in Proverbs 16:18 that says, “Pride goes before destruction, and a haughty spirit before stumbling” and James 1:15 that reads, “Then when lust has conceived, it gives birth to sin; and when sin is accomplished, it brings forth death.”

There are also some rules in the justice that people of the world may not understand such as Matthew 10:39 that says, “He who has found his life will lose it, and he who has lost his life for My sake will find it.”

What the worldly people might have thought truth may change over time, but the justice of God never changes. To the extent that we understand the justice of God, we can more easily receive His answers and blessing and solution

to problems. The justice is like formulations of mathematics, so when you apply the justice to a cause, you can guess its consequence. You also can find a cause of a problem when you apply the justice to its consequence.

Of course, the justice of God is the combination of many rules entangled like the warp and weft of fabric. To the extent that you go into deeper levels of spirit, you can unravel the rules more exactly. Suppose several people each committed a murder, and it was a capital offense. But their intentions and situations might be all different. If the judge knew their inner hearts and found factors that mitigate the crime’s gravity in the case of one of them, he might try to find the way he could avoid the death penalty within the boundary of the law.

This is also applicable in a spiritual sense. Different people solve a problem in different ways respectively depending on the level of their love and goodness. To the extent that they know the justice they can find a way to give life to others better.

In order to know about justice well, you must arm yourselves with the knowledge of the truth. That is, you must diligently read, listen to, hear and understand the Scriptures in order to put the rules of God’s justice written in the Bible in your hearts. Only when there is justice can love be perfected, and the combination of love and justice leads to perfect love, which is the fulfillment of the law.

Sister Dayoung Kim (8th grader in Yewon School)

Won the First Prize in 2018 International Trumpet Guild Youth Competition

The 2018 International Trumpet Guild Conference was held in San Antonio, Texas in U.S. from May 29 to June 2. On the last day, Sister Dayoung Kim, a member of Performing Arts Committee, took part in ITG Youth Competition and won the first prize.

“I had to send the recording of my performance to ITG in the preliminary round. I couldn’t do it well right before the deadline. I received Senior Pastor Dr. Jaerock Lee’s recorded prayer on Automated Response System and recorded it. I was amazed because I succeeded at once after the prayer. After I got a call that I passed the preliminary, I did not have much time to prepare for it because of concerts and school tests. Without perfect preparation, I had to leave for the United States on May 28. I felt nervous because I couldn’t perform a certain part well even during the final rehearsal.

But the day before the competition, I offered up Friday All-night Service through the live broadcasting and received the recorded prayer of Senior Pastor. Next day, I performed in the competition. I was really surprised to perform well at the part that had been hard. I even won the first prize. I was so thankful to the Lord. I give thanks to Senior Pastor who prayed for me.”

The panel of judges in the competition said concerning her performance, “She showed her understanding of attractive aspects of the music in her performance. Her techniques were impressive, and she played all variations exactly.” She won the first prizes in Woohyun Gwanak Competition, Music Association of Korea Competition, and Seoul National University Gwanak Competition. She performed with Incheon Philharmonic Orchestra and was selected as Kumho Prodigy Artist.

My family members used to worship idols and we lacked love as well. When I was little, I was frequently spanked by my parents. It caused me to have depression and I even attempted suicide. After I got married, I began to attend church with my husband. I wanted to be

“I was healed of depression and heart disease and gained peace in my family!”

Deaconess Hu Ann Hoong, age 41, Sarawak, Malaysia

Thankfully, in August 2014, Deacon Lu Khai Seng and we came to have a place for offering worship services together in the building where his business is in Sibu, Sarawak. Now around 30 people gather and join in Manmin’s worship services and Daniel Prayer Meeting via GCN.

consoled and lead a happy life, but I often argued with him. There was no peace between us.

In December 2010, I heard about Manmin Central Church from Deacon Lu Khai Seng. I read *Manmin News* and watched the DVD “Power”. I was surprised by the powerful works of God that happened in the church and received great grace. Afterwards, I had a mysterious dream, in which I was listening to a sermon and praising in a strange place with many people who spoke a different language. I soon found out it was Manmin Central Church.

I wanted to know more about the church and Senior Pastor Dr. Jaerock Lee. I met Ms. Deborah Tang, President of Malaysia Manmin Publisher through Deacon Lu Khai Seng. I heard about the holiness gospel that clearly explains

spiritual meanings embedded in the Scriptures and presents the way to become God’s true children.

I also learned that things with certain images such as dragons are idols. I threw all such things away at home. Afterwards, I felt so good and happy. My family members began to read Dr. Lee’s books including *The Message of the Cross, Heaven, The Measure of Faith, Hell*, and others. We were blessed so much through the messages. We also had GCN TV connected and began to join Manmin’s worship services.

After I received Dr. Lee’s prayer for the sick during every worship service, I was healed of chronic headaches, depression, and heart disease. Blessings came upon my husband’s business, and we became a family full of happy laughter without arguing.

My family members and I have frequently visited South Korea to attend the church’s seminars, summer retreats, and special events. Every time we visited, we witnessed the works of the Holy Spirit and became filled with the love of God and the Lord and increased hope for heaven. So, we visit Korea whenever we can. The beautiful holiness gospel renewed my life, caused me to be healed, and made my family happy.

To deliver the word of life to other people, we have displayed Senior Pastor’s 300 books in my husband’s business and also promote his books in book fairs. I give all thanks and glory to Jesus Christ who allowed me to meet the precious shepherd, receive healing and have a happy family in true faith.

“I was healed of appendicitis by the work of the Holy Spirit like a cool wind!”

Senior Deaconess Kisuk Lee, age 73, Parish 1, Manmin Central Church

On March 23, 2018, I had an inexpressibly severe pain in my abdomen. I felt something like electricity in my back. I also had headaches and fever. After I drank only a little water, I had dry heaves and it was even hard for me to urinate.

The next day I had an ultrasound and it indicated appendicitis. It could develop into peritonitis when it burst. I was in great danger. But I was sure that I would be healed by Senior Pastor Dr. Jaerock Lee’s prayer.

I had attended other churches before I came to Manmin, but I had been spiritually thirsty. I asked God in prayer to guide me to a church where I can hear the word of life and meet the living God. After I piled up such prayer, I was led to Manmin Central Church. From then, I witnessed countless signs, wonders, and powerful works that happened in the name of Jesus Christ through Senior Pastor.

On the 25th, I went to church on a wheelchair to receive his prayer. When I received his

prayer, I felt cool as if a fan was turned on towards my chest and abdomen. The cool wind refreshed me and I was set free from abdominal pain instantly. Then, I could stand up from the wheelchair. I soon was able to walk! On the 28th, I got another ultrasound and it showed that I had been healed of appendicitis. Hallelujah!

I have experienced the power of God several times. One day when I got up my head smashed into something very hard by mistake. I had dry heaves and felt like my whole body froze. So, I was sent to emergency room at a hospital. My MRI shows that there was bleeding in my brain.

However, when Senior Pastor prayed for me in the name of Jesus Christ, the pain was soon gone. After a few days, I had a medical test again and it revealed I was cleansed. I give all thanks and glory to God who healed me and blessed me to live with joy and thanks. I also extend my heartfelt thanks to Senior Pastor who protects us in Jesus Christ by his prayer of power.

Senior Deaconess Kisuk Lee and her daughter Deaconess Eunju Shin
