## “God’s Providence for Manmin at the End Time!”

### The 36<sup>th</sup> Anniversary of Manmin Central Church

On July 25, 1982 Manmin Central Church opened in God’s great providence to lead all people of all nations to salvation and on July 25, 2018, we celebrated the 36th anniversary of the opening.

On April 17, 1974, Senior Pastor Dr. Jaerock Lee met the living God on the doorstep of death after he had suffered many diseases. He was healed of all diseases at once by God and accepted the Lord. Afterwards he wanted to become an elder devoted to charitable work and mission work. However, God called him as a pastor in May 1978. He attended a theological seminary, dedicated himself to the Word and prayer, and fasted and prayed constantly.

While he prayed with 40-day fasting for the opening of the church, God told him ‘to open the church when the sun was scorching hot’. By His word, on July 25, 1982 he opened the church along with 12 other people at the age of 40. The church’s name ‘Manmin’ was given to him by God in an answer to his prayers. Even from the opening of the church, many signs and wonders unfolded and the Spirit and grace filled the church. It enabled the church to experience great revival.

In May 1986, Pastor Jaerock Lee was ordained as a pastor and great revival continued over time. In July 1991, the United Holiness Church of Jesus Christ was organized, and afterwards he actively participated in the national evangelism by working as a Joint Chairman of Holy Spirit World Explosion Crusade 1992 and Administrative Chairman of Peaceful Reunification Jubilee Crusade in 50th Anniversary of Independence. In 1993, the church was selected as one of the “World’s Top 50 Churches” by the *Christian World* magazine (US).

In July 2000, the church started conducting overseas united crusades in earnest beginning with the Uganda Holy Gospel Crusade. Dr. Jaerock Lee continued to preach God the Creator and Jesus Christ with explosive power of God in many other countries including Pakistan, India, Russia, Germany, Peru, and the United States.

On July 25, 2007, in celebration of the 25th anniversary of the church’s opening, Dr. Lee began his Israeli ministry in Nazareth. He visited Israel 12 times for three years and spread the gospel of Jesus Christ with the power of God. In September 2009, he led the Israel United Crusade in Jerusalem, the capital city of Israel. The church has continually performed the Israeli ministry and brought about great revival to the churches in Israel.

Our church has now grown up as a megachurch to have approximately 11,000 branch and associate churches all around the world. We will continue to accomplish God’s providence for the end time more greatly with the power of re-creation.

### “The Lord’s Great Commission Is Being Accomplished in the Explosive Power of the Holy Spirit!”

Elder Johnny Kim, Director of GCN

I have seen God’s providence and vision for Manmin being accomplished through Senior Pastor Dr. Jaerock Lee without the slightest error. He boldly testified to God the Creator and proclaimed Jesus Christ as our only Savior even in Muslim countries and a Hindu-dominant country. Since he confirmed his message by showing signs and wonders, numerous people accepted the Lord.

In July 2007, his Israeli ministry began in earnest as God had said when it opened. During the three-year ministry, the Messianic Jews in Israel were encouraged and strengthened against the many persecutions they suffered from until then. They have experienced revival since then, and invited our

church’s Performing Arts teams to their events every year. On the visits, Korean culture was introduced to Israel and our national prestige was enhanced.

Senior Pastor Dr. Lee has deeply communicated with God in the Holy Spirit’s inspiration by fervent prayer and fasting and obeyed the will of God. The church members have followed his example and prayed fervently. God has blessed me to meet such persons as He had prepared for the accomplishment of the world mission, and experienced amazing interventions of God countless times. I give all thanks and glory to God who has guided the ministry of Manmin.

# The Love of God (2)

“We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him” (1 John 4:16).

To complete the faith of whole spirit, we should understand the dimension of God’s love and His justice. We, then, should harmonize them without any partiality to either of them. It does not mean that we should show the exact same amount of love and justice that God has but it means that we should combine them appropriately depending on situations and people according to the will of God.

Even if you have cast off evil and come into spirit, it is likely that you lack goodness, love, and the knowledge of the truth. It may cause you to have difficulty understanding the love and justice of God well and combine them appropriately. Even if you have entered whole spirit, you may not be able to understand the love and justice of God perfectly. Thus, we are going to look into good examples of how God’s love and justice are harmonized.

## 1. God’s love and justice in perfect harmony

What if God judged you only according to His justice? If no second chance were given to those who sinned and no mercy were allowed for them, they would have to pay the price of sin according to the law of the spiritual realm.

But the justice of God contains perfect love. He judges people according to the justice, but He still gives the maximum level of love within the boundary of the justice. It is because He desires to save one more single soul.

### 1) The Judgment of Flood

Genesis 6:5-7 reads, “Then the LORD saw that the wickedness of man was great on the earth, and that every intent of the thoughts of his heart was only evil continually. The LORD was sorry that He had made man on the earth, and He was grieved in His heart. The LORD said, ‘I will blot out man whom I have created from the face of the land, from man to animals to creeping things and to birds of the sky; for I am sorry that I have made them.’”

God must have endured over and over again until their evil went beyond the justice of the judgment. He could not but decide to judge them, but He still had Noah, who was the righteous man of the time, shout out about the imminent judgment. He let people know through Noah that anyone could be saved if they entered the prepared ark of Noah.

However, no one listened to Noah. In the end, the judgment was around the corner with only Noah’s family in the ark. Even at the moment, God gave the people the grace period

for seven days before the ark closed.

God waited for people again so that they could be saved by knocking on the ark. He judged the people but wanted to give opportunities whatever it took again and again. It was the earnest heart of God.

## 2) The Judgment of Fire in Sodom and Gomorrah

God said to Abraham in Genesis 18:20-21, “The outcry of Sodom and Gomorrah is indeed great, and their sin is exceedingly grave. I will go down now, and see if they have done entirely according to its outcry, which has come to Me; and if not, I will know.”

God is almighty, and He knows everything. He already knew that it would be necessary to destroy Sodom and Gomorrah. Nevertheless, He talked about the judgment to Abraham and said He would see if it was necessary. Why did He do so? It was because He had love for the people and wanted to save more people. He wanted to give them more opportunities to be saved through the righteous man Abraham’s intercession.

Abraham made pleas for the people in Sodom and Gomorrah to God several times. It was because he felt the heart of God who wanted to save more people and offered up the prayer with the heart of God. He finally received God’s answer. God said He would not destroy the cities if there were ten righteous men. Now God sent His archangel to examine the city of Sodom.

There were not ten righteous men in the big city, and they could not avoid the judgment of fire. In the meantime, God remembered Abraham, and sent Lot and his daughters out of the midst of the overthrow, when He overthrew the cities in which Lot lived. Through the justice Abraham piled up, his nephew Lot and his daughters were saved. This is how God completed the justice with love until the end.

Ezekiel 18:23 says, “‘Do I have any pleasure in the death of the wicked,’ declares the Lord GOD, ‘rather than that he should turn from his ways and live?’” In the justice, evil doers and sinners cannot but receive judgment because of evil and sin they have committed. But the God of love wants even such people to turn away from the way of death by all means. If they fill the minimum of justice for salvation, God earnestly wants to save them.

## 3) The Judgment of Nineveh

God manifested the justice in His boundless love even to the Gentiles as well as the Israelites. The good example was God’s

**“Whole spirit is the level of faith that pleases God (1 Thessalonians 5:23).  
To reach the level of the ‘completion of whole spirit,’ you must understand both the love of God  
and His justice clearly and combine them properly. Only then can you achieve perfect love.”**

Excerpt from Leadership Conference “Love”

warning on Nineveh.

God said to Jonah, “Arise, go to Nineveh the great city and cry against it, for their wickedness has come up before Me” (Jonah 1:2). In fact, it would not have violated the justice if He had immediately destroyed the city because their wickedness had come up even before God. But God had his prophet go to the city and cry out about the impending judgment. Why? It was because He wanted to give the people another chance to repent, turn away, and receive salvation.

His warning led to amazing consequence: the people in Nineveh including the king and his servants cried out in prayer with fasting. They even made their livestock fast together. They turned away from their wicked way and from the violence which was in their hands. They tried hard to bear the fruit that was proper for repentance. When He saw their repentance, God withdrew His anger and did not give them the disaster that He had declared (Jonah 3:10). It was what happened 760 BC.

Around 100 years later, God declared the destruction of the city Nineveh again through Nahum. The Book of Nahum describes the miserable judgement that would come upon Nineveh. It was a harsh judgment that there were many slain, a mass of corpses, and countless dead bodies and they stumble over the dead bodies. This time, the people of Nineveh did not repent after the warning. They ended up in destruction in 612 BC.

In fact, God had given the people in Nineveh an opportunity to be saved from the judgment that was necessary. But after only 100 years, their wickedness was so rampant again that it had gone beyond the justice for destruction.

God could have said, “I gave an opportunity to them and forgave them of their sins when their sins were unforgivable. Now I can’t help.” But He did not. He wanted to give another chance to them through Nahum. He gave His hand to save them until the last moment, but the people did not hold the chance this time and went the way of destruction.

#### 4) Seven-year Great Tribulation

When the Lord comes to the air, people with faith to be saved will put on the resurrected body and be taken up to the air in a moment. It is the end of human cultivation, and people who are left on the earth will suffer in the miserable Seven-year Tribulation. Among them, however, are people who had never heard about the gospel. God will not say to them, “Human cultivation has ended. You have no chance anymore.” But He will also show the way of salvation to them. That is, He will let them hear about the gospel through one hundred and forty-four thousand preachers that are written in Revelation.

When they preach about the Lord, some people will come to realize that Jesus is the only Savior for them. Those who accept the Lord through the 144,000 preachers will face relatively comfortable death in natural disasters or wars during the Tribulation and reach salvation. They could not be taken up to the air because they did not know the gospel, but God gave the last chance of salvation to those people who have the minimum level of goodness.

Unlike them, there will be people who can receive salvation only through miserable martyrdom. They are chaff-like believers who knew the gospel and said they believed but did not have true faith before the Rapture. They can hold the last chance of salvation only if they keep their faith without receiving the mark of the beast even in the harsh tortures. It will be fortunate if they receive salvation even by doing so, but very few will receive salvation that way. Thus, God wants all believers in the Lord not to be left in the Seven-year Tribulation but to be taken up to the air with true faith.

He has shown and will show the Holy Spirit’s explosive works in this last chapter of human cultivation until the Lord’s coming lest chaff-like believers come out. Even if chaff-like believers are left behind on the earth, God still opens the way for them to keep their faith through martyrdom.

The way will be presented in this church, and that is the reason we should construct the Grand Sanctuary. We will leave various materials in the Grand Sanctuary so that people on the earth will be able to keep their faith and martyr. Even during the dreary judgment of justice, God will place His love on the earth.

## 2. The Lord’s love and justice in perfect harmony

### 1) The ministry of the cross

According to the spiritual law, “The wages of sin is death,” sinners should receive eternal punishment. But God wanted to open the way of salvation even for them, so He looked for the way within His justice. The way was that Jesus received the curse of the law, “The wages of sin is death.”

According to the justice, “he who is hanged is accursed of God,” Jesus redeemed us from the curse of the law by dying on the cross. As the justice says, “Without shedding of blood there is no forgiveness,” He redeemed us from sin by shedding His precious blood. Since He paid the price to save sinners according to the justice, the way of salvation was open wide for those who accept Jesus Christ. He fulfilled the law with love without violating any law.

### 2) Love and justice for the woman caught in adultery

Jesus also performed His ministry in

perfect harmony of love and justice. For instance, the scribes and the Pharisees brought a woman caught in adultery.

They said to Jesus in John 8:5, “Now in the Law Moses commanded us to stone such women; what then do You say?” The woman should be stoned to death in accordance with the law. But the reason why they asked the question was to test Him. They also heard about His teaching. They heard that He had taught people to love even enemies and forgive brothers in faith up to seventy times seven.

If Jesus said the woman should be stoned to death, it could be inconsistent with His own teaching. If He told them to forgive her, He would be considered to teach against the Law of Moses. He did not come to abolish the Law or the Prophets but to fulfill. That is, He came to fulfill the Law with love.

If He suggested she be forgiven and saved though she was caught in adultery, it would violate the Law. But if He said she should be stoned according to the justice, it would be justice with no love. Thus, Jesus had to find a way to save the woman without violating the Law. If you love someone, you will see the way.

Jesus wrote the sins on the ground that the scribes and the Pharisees had committed and said, “He who is without sin among you, let him be the first to throw a stone at her.” When the people there saw their own sins being written on the ground, they had qualm of conscience and left one by one. There were no one who judged and stoned her. Jesus saved the woman in love without violating the justice. Jesus said to the woman, “I do not condemn you, either. Go. From now on sin no more.”

If people who received such great grace of salvation commit sin again, it will be harder to receive forgiveness than before. It is because there is limit in extending the boundary of the justice through love. That is why He did not forcefully stop betrayal of Judas Iscariot although He kept giving him chances to turn back.

The choice was in Judas’ hand, and it was his free will. But Jesus tried to hold him so that he could use his free will for goodness. Although He embraced him until the end, he ended up choosing the way of destruction in his evil. God could not stop him against his will because it goes against the law of human cultivation if He stopped him.

Dear brothers and sisters in Christ, if you have love of God, you won’t hate sinners though you hate their sins. You may pray for them and try to find ways for them to receive God’s forgiveness and have hope again. I pray in the name of the Lord that you won’t judge or condemn others but will plant perfect love for them as Jesus did and thereby become God’s true children.

# Manmin Renews the Life and Ministry of Christians Worldwide

Dr. Andre Gasiorowski,  
President of Helping Hand Coalition, Israel

**“Manmin Members Are Happy Thanks to the Shepherd’s Devotion and Love”**

I solved many personal problems by the powerful prayer of Dr. Jaerock Lee, and my wife was also healed of her back problems by his prayer. I believe that such powerful works as Dr. Lee has shown can be performed only because he achieved sanctification and devoted his whole life to prayer and fasting with a great sense of duty for the kingdom of God. Such works cannot happen just with simple knowledge of God and a little bit of communication with Him.

On my visit to Manmin, I experienced the happy life of living in God’s healing, answers, and blessing. When I met Dr. Lee, I was impressed by his absolute love for the church members and his humbleness as a servant of God. He showed me a great example of how we can become God’s friend. When I saw him, I made up my mind to become renewed.

Manmin’s ministry has expanded more and more over time and has shown good examples of how the work of God should be accomplished. I want to continue helping the ministry of Manmin and become a witness of God who works with Dr. Lee.

Mr. Sergey Velbovets,  
President of INVICTORY MEDIA GROUP, Canada

**“True Faith to Serve God Sincerely Is Found Here”**

Manmin Central Church and Dr. Jaerock Lee have shown how true Christians should live. Many people have learned true devotion to God from them and received healing and answers through Dr. Lee’s prayer. My wife also experienced the work of his prayer seven years ago. At her 9th month of pregnancy, she did not feel any movement of her fetus for a few days. But right after she received his prayer, our baby began to move again.

While I have met many influential pastors all around the world, there are very few who are always ready to serve the church members for 24 hours every day as Dr. Lee has done. It is necessary that pastors perform their ministry with such attitude as Dr. Lee’s and reach the life of the church members. We will do our best to spread his ministry to pastors all over the world.

I am very grateful to learn the holiness gospel that is void of the influence of worldly trends. In his messages, Dr. Lee points out sins that God hates and emphasizes that we should become His true children who live by the Word of God.

I am very honored to have been able to join in his ministry.

**“I Stopped Drinking Alcohol and Taking Drugs, and My Life Has Been Renewed”**

Before I learned about the ministry of Manmin, my life was like a ship adrift in the middle of the ocean without a compass. I am from Cuba, but after I lost my parents, I moved to Ecuador. After I got fired from my job, I lived in loneliness and pain and began to drink alcohol and smoke marijuana.

I attended a magic school and performed magic for a living in shows held in hospitals, schools, and theaters, and TV shows for children. While working, I befriended the world more. I drank alcohol, took drugs, and smoked. My lungs started to be damaged, and the aftereffects of the surgery on my leg fracture caused me to suffer from pain in my ankles and back. I came to have chronic allergic rhinitis and

nerve disorder.

I started to look for the word of life that could save me from the darkness. In 2015, I happened to read an article concerning Dr. Jaerock Lee and Manmin Central Church on the Internet. Dr. Lee’s testimonies moved my heart. I started listening to his sermons and prayed. I received healing of my diseases through his prayer for the sick! I turned over a new leaf. I stopped drinking alcohol, smoking, and taking drugs. I was healed of chronic allergic rhinitis and my lungs became normal. I was set free from the allergenic nerve disorder as well.

After I received such amazing grace, I spread my testimonies to other people and “The Message of the Cross” delivered by Dr. Lee. I join in the worship services of Peru Manmin Church or Colombia Manmin Church via YouTube and now study Dr. Lee’s messages through SNS. I also read *Manmin News* in Spanish on the church’s website.

I hope the word of life will be delivered to more people and that many more including my family and friends will be saved. I also wish to visit Korea and see Dr. Lee in person someday. I extend my heartfelt thanks to Senior Pastor Dr. Jaerock Lee who led me to seek God every day, love Jesus Christ, and pray in the Holy Spirit.
