## “Congratulations on the 36<sup>th</sup> Anniversary!”

On October 10, 1982, Manmin Central Church had its foundation service under the slogan, “Arise, Shine,” and since then it has now grown to become a mega-sized global church with more than 11,000 branch and associate churches. Beginning in 2000, the church conducted fourteen overseas crusades in countries that included the U.S., Israel, and India and these crusades led innumerable people to salvation. As of this year, 2018, we are still actively accomplishing national and global evangelism via the Global Christian Network (GCN) broadcast ministry that covers approximately 170 countries; the literary ministry which has published Rev. Dr. Jaerock Lee’s books in 61 languages; the World Christian Doctors Network and the Manmin International Seminary.

# True Love

“...The scribes and the Pharisees brought a woman caught in adultery, and having set her in the center of the court, they said to Him, ‘Teacher, this woman has been caught in adultery, in the very act. Now in the Law Moses commanded us to stone such women; what then do You say?’...He straightened up, and said to them, ‘He who is without sin among you, let him be the first to throw a stone at her.’...And Jesus said, ‘I do not condemn you, either. Go. From now on sin no more.’” (John 8:1-11)

The word ‘love’ itself makes us happy. If we had one whom we can share unchanging love with throughout our whole life, we couldn’t be happier. People may profess they love each other with their very lives, but their love is mostly looking out for their own benefit; such love eventually decays and changes.

God tells us in the Bible that true love is to seek others’ benefits and give joy, hope, and life to others, and it never changes forever. Spiritual love is the only true love; and this spiritual love can only be given from God. The love of God is beyond the imagination of a man. Its height, width, and depth are infinitely unimaginable.

To open the way to salvation for all mankind, God allowed His only begotten Son Jesus to be miserably crucified. Jesus also demonstrated the love of God to the whole world by willingly taking the cross. His love covered our transgressions and became the power to renew us. In the love, we also came to profess our hope for heaven. Let’s now delve into the true love Jesus showed to us.

## 1. His love is forgiveness and mercy.

Jesus showed His mercy from His innermost heart to people no matter how cruel sinners they were. He desired to save those dying souls to the point of sacrificing His own life.

In John 8 is found a woman who was caught red-handed in adultery. The scribes and Pharisees brought her to Jesus to test Him, so that they might have grounds for accusing Him. They said to Him, “Now in the Law Moses commanded us to stone such women; what then do You say?”

According to the Law of Moses, she had to be stoned to death. However, Jesus did not tell the people to ‘kill her according to the Law.’ He rather opened a way for her to survive.

In response to their question, Jesus stooped down and with His finger wrote on the ground. And He said, “He who is without sin among you, let him be the first to throw a stone at her.” What did He write on the ground? It was the sins of the people surrounding her that Jesus

wrote on the ground.

First, He wrote only general sins such as hatred, anger, greed, stealing, adultery, and arrogance. Until then, the people had not realized the list of sins was applicable to them. However, when Jesus wrote on the ground second time, they turned pale. This time, Jesus wrote down in detail the situations of the sins they committed with details like the time and place and the specific sin that was committed by the people there.

When they saw their own sins that were written down, unless their hearts were as hard as iron, they could not cast a stone at the woman. One by one, they put the stones down and left the place. It would be the same as to condemn themselves if they stoned her while seeing their sins that had been written down.

When all of them left the place, only Jesus and the woman were left. Jesus then said to her, “Woman, where are they? Did no one condemn you?” And He continued to say, “I do not condemn you, either. Go. From now and sin no more.” Even if Jesus forgave her, if she continued to live in sin, she had no other course but to fall into destruction. That is why He earnestly told her not to commit sin any more.

Of course, not all sinners can change, even if you show mercy to them and forgive them. Some of them would change and receive salvation, but some others would do evil standing against God till the end, so that they cannot reach salvation. Jesus also knows this fact, and He surely knows each man’s heart so well. However, do you think Jesus would say, “Show mercy to this person because he will soon repent, but that person will

not repent even if he is given an opportunity for salvation, and so give up on him.”? Or do you think He was in agony, thinking, “Do I have to sacrifice Myself for those evil people?”

Most people do not want to show mercy to those who do not seem to be worthy of forgiveness. When impudent people do not show their gratitude but do evil even when they were treated in goodness, people neglect them thinking, “It is not worth it to deal with them.”

But, it was not so with Jesus. He loved even people like Judas Iscariot; until the very end when he could still repent and turn back, He loved him. He was even crucified not only for those who followed Him, but also for those who nailed Him on the cross.

Now, what about you? Both you and I were all sinners, and we were destined to receive the punishment of death. But by the mercy of God, we were forgiven and came to have hope for Heaven. If we do not show mercy to others, we are like those who could

stone others even though they had seen their sins written down in front of them.

By the way, some people easily come to a conclusion about others, saying that they are ‘being discerning of others.’ They may even conclude how they feel saying something like: “I have examined him so far and found that his heart is hardened and that he does not understand the truth even when he is told what the truth is,” or “He always says he will do better, but in the end he has not changed at all.” They think it is not worth the time and effort to take care of such people with all their strength. However, this is not discerning in a spiritual sense. Instead it is judging, condemning, and

indicating that the person is giving up on the individual without mercy. No matter how many shortcomings someone has, you cannot but show mercy to him if you regard him as a soul.

## 2. His love never changes.

When people are greatly indebted to someone else, most of them may confess their love for the person. But the true love is the love that never changes not only in good times but also in hard times. It is the love that never changes no matter how many years pass by.

It is also true when you love God. If you truly love God, your love should never change no matter how severely you may be afflicted or disadvantaged as a result of that love. Even if you undergo trials from time to time, you do not hold any bad feeling against God, but you rather continue to devote yourself to His kingdom faithfully.

When Apostle Paul had hardships while preaching the gospel, his love did not change. Even when he was severely beaten, bled, was imprisoned, or as he drifted in the deep sea for a night and a day, he gave praise to God from the depth of his heart.

He did not have the slightest unjust feeling thinking, "I was faithful according to the will of God, so why should I be beaten and shamed? Why did God let me be cast into the sea like this?". He rather happily said, "Such a mere sinner like me can undergo trials like this for the sake of the Lord's name."

You may not always have peace and happiness when accomplishing the work of God. In 2 Corinthians 1:8-9, Apostle Paul said, "We were burdened excessively, beyond our strength, so that we despaired even of life; indeed, we had the sentence of death within ourselves."

Likewise, there were times when I had to drop down as if I was dead. There were so many heart-breaking incidents. Even at those times, I never thought, "Why did God make me face this kind of thing? I only believed and obeyed God, so how could this be?" I only believed that whether I live or die, my entire life is God's and the Lord's. Even if I become as low as the dregs at the bottom of the barrel and even if I lose everything and am faced with death, I only make the confession, "God, I love You, and thank You."

You may say that you can give up even your life for God when you have fervent love for

Him. But even after you have given your whole life for Him, if you still have to give it all again, could you give it with the same heart as the first time?

Let's say that you have given all your possessions, remained completely faithful, and even given up your health repeatedly, but now, if you are to give it all up again, could you give it with gladness? If you have true love, you will not have any feeling of injustice or misunderstanding, even if you end up in a very low position instead of enjoying glory after you have given up all again and again. If you accomplish this true love, you will receive the ultimate level of love from God.

## 3. His love understands others' hearts.

Some people give their love to others according to their own standard. Instead of giving what others want, they give what they want to give, and they also expect to receive what they think they should receive in return.

But true love is being able to stand in the other persons' shoes, consider their hearts and give what they want and need. Even when they do not give anything in return, true love is not having unjust feeling or misunderstandings about it. Even worldly people closely study what others like and what pleases them in order to win their hearts. When you love God, you should also understand the heart of God.

Our Lord Jesus did just that. The will of God for Jesus was that Jesus should be crucified to accomplish the providence of salvation. Jesus knew that this was the will of God, and completely obeyed.

However, if He had only wanted to accomplish His duty since taking the cross was His duty, all He would have had to do was to enjoy His life on the earth and then to be crucified on the cross at the last moment. But, Jesus understood the deep heart of God. He knew why God had sent Him to the earth; and He obeyed. Even though at times He was not able to eat and rest, in order to heal and teach just one more soul, He did His ministry with all His heart and strength.

Finally, when He took the cross and walked up Golgotha, He did not confess in His heart, "Father, I love You. Even though I am hurting and it is so difficult, I can do it for You, Father." This would be the confession of a child who does not understand the heart of his father even though he says he loves him.

Jesus said to God that many souls would receive salvation through His suffering, and He tried to reduce the sorrow of His Father God by all means available to Him. He even comforted God saying, "I can overcome all these sufferings with the overflowing love of the Father. Please don't mourn for Me and hold Your tears."

I hope you will love God with this heart of an adult child. Then, even when you do your smallest of duties, your attitude and its fruit will be different. You will not think only of accomplishing the duty. But you will also try with all your strength and heart to make the procedures and the results in a way God can be pleased.

When you visit a soul, if you understand the heart of God, you will not just diligently make the visit. Since you understand the heart of God who wants the person's soul to prosper, you will work with all your strength to make his soul prosper. Even when you meet with someone for just one time only, in order to give grace to him, you will fervently pray before you meet him. Then, you will eagerly long for the power and authority to change souls and solve their problems.

In addition, when you teach the truth, you must not teach as you see fit. That could hurt others' hearts or cause them to react with opposition. But you must pray and receive wisdom to understand others' hearts and have conversation with a humble heart. And then, you can make them open their hearts and accept the truth.

If you truly desire to understand others' hearts, you should be able to listen to the voice of the Holy Spirit. In order to understand even deeper, you should resemble God and change your heart into the heart of goodness and love.

Dear brothers and sisters in Christ, 1 John 4:16 says, "We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him." I hope you will be able to deeply think about the love of the Lord given to you once again and check your faith and love.

I urge you to check whether you have the heart of forgiveness and mercy, whether you can give never-changing love, and whether you love them while understanding others' hearts. I pray in the name of the Lord that by doing so you will become comfort and joy to God.

# New Jerusalem

## Filled with God's Glory

“And I saw the holy city, new Jerusalem, coming down out of heaven from God, made ready as a bride adorned for her husband... having the glory of God Her brilliance was like a very costly stone, as a stone of crystal-clear jasper. It had a great and high wall, with twelve gates, and at the gates twelve angels; and names were written on them, which are the names of the twelve tribes of the sons of Israel... And the twelve gates were twelve pearls; each one of the gates was a single pearl. And the street of the city was pure gold, like transparent glass... Then he showed me a river of the water of life, clear as crystal, coming from the throne of God and of the Lamb.”  
(Revelation 21:2-22:5)

In New Jerusalem, the holy city, is the throne of God who is holy. It is the place where God the Trinity dwells. How holy and glorious then it must be! The throne is at the center of New Jerusalem, and only those who completely obey the Word of God can enter the city and see His face.

“Pursue peace with all men, and the sanctification without which no one will see the Lord” (Hebrews 12:14).

“Blessed are the pure in heart, for they shall see God. Blessed are the peacemakers, for they shall be called sons of God” (Matthew 5:8-9).

### The River of Water of Life Starting from the Throne of God

The throne of God at the center of New Jerusalem is where God appears and stays to have conversation with His children, attend banquets, and govern everything in heaven. It is an interim place for Him to appear and receive worship from those children who are qualified to enter New Jerusalem. His permanent throne is in another space.

The throne in New Jerusalem is surrounded by a rainbow and thrones of twenty-four elders, and in front of the throne are the seven Spirits of God and a sea of glass, which is like crystal, spreading out. The sea reflects all kinds of lights around the throne. At the center of and around the throne are four living creatures that are full of eyes in front and behind. There are also countless heavenly hosts and angels serving and escorting Him (Revelation 4:3-6).

From the throne starts the River of the Water of Life, and it calmly flows as if it did not move and glitters gorgeously. It flows through every corner of New Jerusalem and every place of heaven and returns to the throne of God. The water tastes so sweet that people will feel fullness over the whole body when they drink it. They may drink straight from the river or drink it in pretty jade cups or golden cups. When they sit on the benches on both sides of the river, angels may get them the water.

### The Fabulous Spectacle of New Jerusalem, God's Best Present for Us

In the City of New Jerusalem are so many beautiful buildings made of many kinds of precious colorful gemstones and gold spreading out endlessly. At its center are the throne of God where the River of Water of Life starts and the throne of the Lord (Revelation 22:1), and around the thrones are the houses of Elijah, Enoch, Abraham, Moses, and Apostle Paul, those whose faith was recognized by God. There are also the houses of Mary Magdalene and Virgin Mary who loved the Lord to the utmost degree. Each of their houses has its own characteristic but all of them are magnificent and fabulous. With the mixture of lights coming out from the houses and the light of God's glory, the entire city seems to be alive.

The city is the best gift that God Himself prepares for His loving children. We will be very touched by His love and consideration when we get into

our own dwelling places in the city. Just like a bride who adorns herself gorgeously to please her bridegroom, God allows the houses to be decorated both outside and inside in the way that suits the owners' taste.

The houses in the city serve and harbor God's children, so that they can feel comfortable. They are full of joy and happiness. Since the houses are designed for those who resemble God to live in forever, the buildings are especially magnificent and beautiful and serve the owners' preferences. The Lord supervises the whole construction process, so how wonderful and fantastic they will be!

### A Cube-Shaped City Wall Decorated with Pure Gold and Jewels

God has made the city of New Jerusalem in the shape of a cube to express that He controls all things and the history in order, and fulfills everything until the end with precision. Revelation 21:16 reads, “The city is laid out as a square, and its length is as great as the width; and he measured the city with the rod, fifteen hundred miles; its length and width and height are equal.” The cubic-shaped New Jerusalem measures 2,400km in width, length, and height.

This huge city has big and tall city walls and twelve pearl gates on the four sides and is made on the twelve foundation stones (Revelation 21:12-14, 19-21). This symbolizes that no matter where one lives on this earth, the rules about the qualifications to enter the city are fairly applied to everyone.

The city wall is made of jasper (Revelation 21:18), and it is beautifully made with a variety of patterns and shapes on it through God's wisdom. The jasper is bluish-green, so when you see it you feel as if you watch the inside of water. The wall is clear and transparent, but the inside is not seen from outside while people within can see the outside of the city. So, they may see the city wall but they may feel as if it didn't exist. When light reflects off from this, it is beautiful like rainbows.

The city is decorated with pure gold that never changes forever and all kinds of jewels, and even the streets are made of pure gold. Even the sands that spread on each side of the river of the water of life are gold and silver. The jewels in New Jerusalem especially

vary in colors and brightness, so they shine beautifully with twofold and threefold layers of lights. It is not even comparable to any jewel on the earth because it is glossed by the power of God.

### Twelve Magnificent Arched Pearl Gates for Winners in the Race of Faith

The city has three gates on each side, north, south, east, and west. There is one angel guarding each gate. The angels are enormous enough to show the city's authority and dignity. When we have a close look at the gate, it is an enormous arch-shaped gate made with a single pearl (Revelation 21:21). It opens to the two sides and has a handle made with pure gold and set with jewels, but this gate opens automatically.

Some may think, 'There are many jewels in New Jerusalem but why did God make the gate with only a single pearl?' It implies His providence clearly and contains a spiritual meaning. No matter how beautiful and wonderful a building is, you cannot enter it if there is no gate. In this sense, the gates of New Jerusalem must carry a very important meaning and God made the gates with the material that can deliver the meaning very well. You may realize how precious pearl is when you look into the formation process of pearls.

Most pearls are made by pearl oysters. When a hard, foreign substance like a grain of sand gets into the oyster, the oyster feels very sharp pain, as if a needle is piercing into its flesh. Then the oyster covers this foreign substance, the cover is the nacre, and it becomes beautiful pearl. Like this pearl, God's children also have to endure with pain until they recover the image of God fully. They can have gold-like faith worthy of entering New Jerusalem only by enduring every persecution and sorrow. They can pass through the pearl gates of New Jerusalem only when they are winners in the battle of faith. To express this process, God let the gates made of pearl (Hebrews 12:4; Revelation 2:10).

When we pass through the pearl gates, we will shed many tears of deep emotion and thanksgiving because we are reminded of our journey and race of faith in which we have tried hard to cast off evil, be faithful with life, and fulfill our God-given duties. We will also eternally give thanks whenever we see the gates, thinking of the love of God who guided us there and of the people for whom we feel thankful.

### Flowered and Bejeweled Streets, and Street of Gold That Is Clear as Glass

After you pass through the arched pearl gate thinking of the past days that you achieved victories, the magnificent splendor of the city will come into your sight. When you put your steps into the castle full of the light of God's glory, hear angels' praises, and smell the fragrance of flowers, you cannot express the magnificence and great happiness with mere words.

The first thing that catches your eyes is the street that spreads endlessly. It is made of pure gold that is like transparent glass (Revelation 21:21). When you walk on the street, it feels very soft. On both sides of the street are beautiful flowers that welcome God's children with their beautiful colors.

The street of gold that is like transparent glass symbolizes that only those who achieve pure and clear hearts that are like glass can enter New Jerusalem the best dwelling place in heaven. Also, since it is the place you

can enter only when you have faith and earnest longing, the gold that stands for spiritual faith is the material for the street.

Additionally, there are flower streets and jewel streets. When you walk on either of them, you will feel a different sense of happiness. The flower street is not like there are flowers on both sides of the street, but the street itself is made of flowers and you can walk on them. When you walk on the street, you may feel soft and cozy as if walking on a carpet. Though you walk on them, the flowers are not crushed or damaged. The flowers give out beautiful aroma with joy when God's children walk on them. The aroma permeates through their whole body and gives them joy and fullness.

The jewel street is colorful and beautiful with the brilliance from the jewels itself, but when our heavenly bodies walk on them, more beautiful light will come out. The jewels also give out fragrance, which adds more joy to people on it. There is a feeling of tension similar to that which they could feel on the water of the Earth, and there is also a refreshing and wonder-like feeling. But this street is made only in or near the houses of those who make great contributions to accomplishing the providence of human cultivation as well as achieve the heart of the Lord.

"Behold, I am coming quickly, and My reward is with Me,  
to render to every man according to what he has done..."

Blessed are those who wash their robes, so that they may have the right  
to the tree of life, and may enter by the gates into the city"

(Revelation 22:12-14).

### To Gain the Right to Enter New Jerusalem, the Most Beautiful Heaven

A person is not necessarily saved just because they accepted Jesus Christ. They have to act in the will of God, have their hearts circumcised, and achieve the heart of the Lord. Only then can they reach salvation (Matthew 7:21). If they act in untruth even after they accept the Lord, their names that were written in the Book of Life will be blotted out and there will be no salvation for them.

Revelation 22:14-15 says, "Blessed are those who wash their robes, so that they may have the right to the tree of life, and may enter by the gates into the city. Outside are the dogs and the sorcerers and the immoral persons and the murderers and the idolaters, and everyone who loves and practices lying."

Here, 'robes' spiritually refer to our hearts and deeds, and washing robes means repenting that we did not live by the Word of God and coming to live by the will of God. To the extent that we live by His Word more and more, we can pass through the gates of heaven one by one from the gate of salvation: from Paradise to those of the first, second, and third kingdoms of heaven, and the twelve pearl gates of New Jerusalem.

But there are people who cannot enter heaven although they call out the name of the Lord and attend church such as those who repeatedly practice untruth as a dog returns to its vomit; the sorcerers who mislead people to worship gods in a false manner; immoral persons who commit adultery including spiritual adultery which is to love something or someone more than God; the murderers including spiritual murderers who make other children of God stumble or those who hate others; and the idolaters including the spiritual idolaters who love anything more than God.

If you truly have hope for heaven, you need to come to church, accept the Lord, receive the Holy Spirit, and have Him give birth to spirit in you. And you should have your heart circumcised and cast away sins and come to dwell in the truth. In order to enter the city of New Jerusalem, furthermore, you need to fulfill your duties perfectly in addition to casting off every form of evil and becoming sanctified.

# “We Proclaim God the Creator, Jesus Christ the Savior, and the Holy Spirit’s Explosive Power!”

National Evangelism and the World Mission are what the church has been praying for and endeavoring to achieve for the last 36 years. Following the will of God who desires all people of all nations to be saved and led to the knowledge of the truth, the church has delivered His heart in a variety of means including the Literary Ministry, Broadcast Ministry, pastors’ seminars, the handkerchief prayer meetings (Acts 19:11-12), Manmin International Seminary, and World Christian Doctors Network. In this special edition, let’s look into how GCN and WCDN have performed their ministries.

## WCDN

**World Christian Doctors Network (WCDN) Attests to God’s Powerful Works Based on Medical Data**

In February 2004, Dr. Jaerock Lee founded WCDN, an organization of Christian medical doctors that come from all over the world. They gather to prove the Bible’s authenticity by verifying divine healing cases happening today.

To awaken people living in this spiritually devastated end time, WCDN (President, Dr. Gilbert Chae) annually holds its international conferences transcending denominations and presents many healing cases that people were healed by God’s power, not with medicine, along with medical evidences.

With its 21 branches around the world, the organization has performed its active ministry. Recently, it held the 15th International Christian Medical Conference in Poland in June 2018 with representatives from 17 countries in attendance. In June 2019, its 16th conference will be held in Israel, the birthplace of Jesus.

“Healing by prayer is totally biblical!”

“I experienced God the Healer!”

“This great ministry enables me to go beyond the limit of medicine!”

Dr. Daniel Fuentes Acosta, Ob/Gyn specialist, Director of WCDN, Mexico

Dr. Daria Wojnar, psychiatrist, President of WCDN Poland Conference 2018 Organizing Committee

Dr. Hew Wei Yen, family medicine doctor, Singapore Manmin Church

“I met Dr. Jaerock Lee through the ministry of WCDN. He seems to search for the presence of God whenever and wherever he goes. I was deeply touched by his life and ministry full of love for souls. He prays for the sick and performs the ministry of healing, which is very biblical. In addition, he has glorified God with great and amazing healing and miraculous works just as Jesus said he who believes in Him will do greater works than the works that He did.”

“I had a backache caused by herniated lumbar disc, and it also caused numbness to my right leg. Because of the symptoms, I could not walk for more than an hour. I felt soreness in my lower back and my two toes were numb. But I was set free from the symptoms after I received Dr. Jaerock Lee’s prayer in October 2017. I came to be able to walk for a long time and sleep well too. When God worked, it happened in less than no time and I myself experienced His work!”

“As a doctor, I sometimes felt helpless for some patients when I could not tell them the cause of their diseases. But now I can because I learned about the root of diseases through Dr. Jaerock Lee’s message. So, I talk to them about the testimonies presented in WCDN international conferences when they needed any help. There are so many healing cases by Dr. Lee’s prayer that were medically proven including dermatitis, neurologic, respiratory, cardiac, and gastric diseases, stroke, blindness, deafness, auto-immunity system disorders, and cancer.”

By producing various differentiated programs with the word of life and powerful works, GCN has satisfied spiritual thirst of numerous viewers throughout the world. GCN has presented the keys to solving people's problems and given them opportunities to receive God's healing.

I was also saved from the pain caused by my fractured cervical vertebra that had been damaged in a car accident."

**Brother Bampa Sela Omer,**

"I was diagnosed with AIDS and heard that I did not have many days left to live. I wanted to be healed and watched the VOD of Manmin Summer Retreat 2015. When I received Dr. Jaerock Lee's prayer, the fire of the Holy Spirit came upon me and I became very hot. Then, spots, scars, and dizziness that the disease had brought me were all gone! I am very healthy now!"
