Special Praises Offered up to the Lord God

At 9 PM this past March 11, Pastor Soojin Lee the president of Pastors' Association led a special praise session for 2 hours. It was the 1st day of the 2nd term of the 2-term consecutive special Daniel Prayer Meeting. It was a special moment to offer to God praises

that please Him.

Isa. 43:21 says, "The people whom I formed for Myself will declare My praise." It began with "Let Us Sing of His Love Once Again" and was followed by "There's Sunshine in My Soul Today" and "When Peace, Like a River, Attendeth My

Way", which the attendees sang with all their heart.

Psa. 37:4 says, "Delight yourself in the LORD; and He will give you the desires of your heart." The attendees were filled with the Holy Spirit and also received divine healings and blessings.

Elder Byeong Yong Han Inaugurated President of Anseong City Social Welfare Council

On March 21, 2019, Elder Byeong Yong Han of our church was inaugurated as the 5th president of the Anseong City Social Welfare Council.

"I will try my best to become the priming water in the civilian social welfare sector," he said in his inauguration message that he gave in the presence of many leaders of the city including the Mayor.

In his younger years he reached the bottom of his life after he went bankrupt and became an alcoholic. However, he began attending our church in 1988 and his life began to turn around by the messages and charitable help.

Since then he dedicated his life to social welfare work, serving the senior citizens like his own family in Manmin Welfare Center and Rainbow Village.

Disorder of Vestibular Function Healed During Praises

Yei Ok Lee (Age 57, 5th Parish)

meeting started. The conditions deteriorated. I'd fall forward in the morning. I was nauseous and had loss of appetite. I was dizzy even while sleeping and I had to hold on to my pillows.

I was admitted to a hospital for tests on March 4. The diagnosis was migraine and vestibular function disorder. Vestibular function is what enables you to physically balance yourself.

The doctor said it couldn't be cured any time soon and told me to come back if the medicines didn't work. The medicines helped alleviate nausea but the headache and dizziness persisted.

When I heard about the special praise session, I wanted to give

glory to God by receiving the divine healing. I prepared with prayers and with faith in the almighty God.

March 11, on the day of the special praise, I was still having a hard time, but I quit taking medicines with faith and went to the church. I sang with all my heart and I perspired profusely. I received the fire of the Holy Spirit.

The next morning, something amazing happened. I could get up without any problem. I got better and better and all symptoms are gone now. Hallelujah!

Now, I go to work with a healthy body by God's grace. I give all thanks and glory to God the Father and the Lord.

I began to have severe headache from mid-February, one week before the special Daniel prayer

Love Rejoices with the Truth

“Love is patient, love is kind and is not jealous; love does not brag and is not arrogant, does not act unbecomingly; it does not seek its own, is not provoked, does not take into account a wrong suffered, does not rejoice in unrighteousness, but rejoices with the truth;” 1 Corinthians 13:4-6

Senior Pastor Rev. Jaerock Lee

Unlike other apostles, the apostle John was not martyred. He received the revelation of Jesus Christ and spread the gospel and God's will widely.

Nothing pleased him more than hearing that the believers were trying to live by God's word, the truth. In 3 John 1:4 it says, “I have no greater joy than this, to hear of my children walking in the truth.” We can see the reason why he was called an apostle of love.

If we possess spiritual love, we will not only refrain from evil but put the truth into practice. Furthermore, we will rejoice with the truth. Love is an expression of rejoicing with the truth.

The truth refers to Jesus Christ and furthermore the gospel and the entire Bible. If you love God and are loved by Him, you'd definitely rejoice with Jesus Christ and the works of the gospel. You'd rejoice with the expansion of God's kingdom.

Now, let us delve into the meaning of rejoicing with the truth more specifically.

1. Rejoice with the gospel of Jesus Christ

The essence of the gospel is that anyone who believes in Jesus Christ can be saved and go to the kingdom of heaven.

Many people have sought the truth throughout the history. They have philosophy and many other ideas to get the answer to the fundamental questions like, “What is the purpose of life,” and “What is life's true value?”

The truth is Jesus Christ, and without Him no one can go to heaven. John 14:6 says, Jesus said to him, “I am the way, and the truth, and the life; no one comes to the Father but through Me.” Jesus Christ is the only way of salvation.

We can gain eternal life and go to heaven only when our sins are forgiven by the blood of Jesus Christ. It is only natural that we rejoice with the truth because we have come to live a valuable life knowing the purpose of it. Those who rejoice with the truth should spread the gospel. They should also fulfill their God-given duties. They rejoice when the number of those who are saved is added to (1 Tim. 2:4).

However, some get jealous when other people

get the fruit of their evangelism. Some churches are jealous when other churches are having a revival and giving glory to God. Such mindsets obviously do not rejoice with the truth.

If we have spiritual love, we will rejoice when the kingdom of God is accomplished greatly. If others bear the fruit of evangelism, we will rejoice and give thanks. We will rejoice when other churches are growing. This is love that rejoices with the gospel.

2. Rejoice with everything that belongs to the truth

Love rejoices with seeing, hearing, and doing all the things that are of the truth, such as goodness and love.

Those who rejoice with the truth would rejoice in even a little act of goodness. They feel God's word is as sweet as honey. They take pleasure learning and reading the Bible. They take pleasure in practicing God's word. They obey God's word that tells us to love, serve, and forgive even those who give us a hard time.

David wanted to build the Temple because he loved God, but God didn't allow it, for David had shed a lot of blood with his hands as a soldier (1 Chron. 28:3). Even though those killings were inevitable ones in the battles, he was not the right person to build the Temple.

Although he couldn't build the Temple with his own hands, he prepared all the building materials so his son, Solomon, could build it. David was filled with overwhelming joy while preparing the materials with the people (1 Chron. 29:9).

Those who rejoice with the truth will rejoice with other people's prosperity. They can't even imagine envy, jealousy, or secretly wanting others to fail. They mourn when they see unrighteousness.

Those who rejoice with the truth are inclined towards hearts of goodness such as uprightness, integrity, honesty, etc. They rejoice with words and acts of goodness. God also rejoices over those people (Zeph. 3:17).

However, you don't have to be disheartened even if you do not rejoice with the truth yet. God will acknowledge your effort as rejoicing with

the truth.

3. Try to believe God's word and practice it as it is

It's a rarity to find anyone who rejoices with the truth right from the beginning. When they have darkness and untruth in their heart, they harbor evil thoughts or rejoice with unrighteousness. However, as they are changed and cast away untruths, they can rejoice only with the truth, but they have to exert effort to do so.

Not everyone is always happy attending worship services. New believers might feel tired because they don't understand everything. However, the act of coming to the church itself is their effort to obey the word of God. It is to rejoice with the truth, receive salvation, and go to the kingdom of heaven.

Eventually they will hear God's word, believe in God, and believe that there is heaven and hell. They learn everyone receives different amounts of rewards, so they try to sanctify themselves and become faithful. Even though one cannot rejoice with the truth 100%, everybody tries to do their best within their measure of faith. This is also to rejoice with the truth.

4. Hunger and thirst for truth

We rejoice with the truth because only the truth can change us. When we hear the gospel and live by it, we get eternal life and we begin to change into a true child of God. When we're filled with hope of heaven and spiritual love, our faces shine with joy. We're also happy that we are loved by God and God's people.

Therefore, we have to hunger and thirst for truth in addition to rejoicing with the truth. Just as our body craves food and water when we're hungry and thirsty, we have to crave the truth so we can be transformed quickly. The more spiritual love we have, the more we will eat and drink the truth.

Eating and drinking the truth signifies we diligently take the bread of and practice God's word. The Bible is the treasure box that gives us solutions to all life's problems, secrets of blessings, the way of salvation and eternal life. We can be

blessed when we stay near God's word.

When we're with a person we love very much, it'd be difficult to hide our joy. In the same way, we can't meet God now, but if we do love Him, it will show. We are happy just by hearing about the truth, and others will notice our happiness and joy.

Also, we'd burst into tears just thinking about God and the Lord, or by seeing a little act of goodness. The tears of thanksgiving or tears of mourning for souls will become precious gemstones in heaven that will be used as decorations in each one's houses in heaven.

Dear brothers and sisters in Christ,

I pray in the name of the Lord that you will possess this beautiful spiritual love and rejoice with the truth so that you will be loved by God in all aspects of your life.

27 YEARS OF CONSISTENT FAITHFULNESS

“Voluntary services add to my happiness on Sundays”

We have the 'Manmin Volunteers Group'. They take care of traffic control, dining hall services, washing dishes, usher's duty, parking lot guide duty, helping the sick with their wheelchairs, cleaning the sanctuaries, etc. Choonoo Lee (3rd parish) received '2018 Excellence Award' of our church for his 27 years of faithful voluntary services.

His Daughter's Atopic Dermatitis Healed by Prayer

Listening to the sermons of the Senior Pastor Rev. Jaerock lee in this church, I felt that they were the true words of God that could help me lead a proper Christian life. They taught me what sins are and how we can cast off sins in detail.

One day my daughter broke out with atopic dermatitis, but she was completely healed without any medical treatment after receiving the Senior Pastor's prayer twice.

After I experienced this power of God through my daughter, I was filled with the Spirit even more, and I wanted to do something for the church. I joined the volunteer's group in the church and have been doing the traffic control duty for the past 27 years.

I always thought about what the Lord would do

As a general secretary of the Manmin Volunteer's Group I try to watch over general aspects of the church on top of the traffic control duty. I make sure the church members are comfortable in attending worship services and having lunch.

I've felt the love of the Lord through our Senior Pastor Rev. Jaerock lee who always cherishes and serves the church members.

While performing our duties all

the volunteers including myself always think of what the Lord Jesus and what our senior pastor would do in the various situations. We do our voluntary work with faith and love for God and we are happy working.

Manmin Volunteers' Group is literally a group of volunteers, meaning no one forced them to do voluntary services. All the members try their best with the desire to serve the church members.

We go back home late at night on Sundays, and I feel very much rewarded and I get the feeling of happiness throughout the week.

Above all, we're happy because we know this earth is not everything, and we have the hope for New Jerusalem.

Health and prosperity as the whole family is faithful

I'm quite embarrassed to have

received the Excellence Award. There are many other volunteers who serve the members behind the scenes, and I believe I received it on their behalf. I made up my mind to keep the Lord's grace in my mind and work more faithfully.

My whole family has been so healthy that we never went to the hospital or take any medicines for the past 27 years. I am a volunteer, my wife is a pastor, and my daughter is a member of Crystal Singers. We are serving the kingdom of God faithfully. My wife is in charge of the 2nd Chinese parish that had a revival, and for that my wife also received Excellence Award as a pastor.

And God is blessing my work, too. Above all, I give all thanks and glory to God the Father for the blessing that my whole family is living with hope of New Jerusalem.

Healed of Keratohelcosis

Sejin Lim (Age 50, Jeonju Manmin Church)

On January 19, 2019, some dust went into my left eye while mowing the grass. It was itchy and the eye reddened. Next day, there was pain and tears were running down. On the 21st, my eye was filled with pus, and I couldn't read even big letters. There were also blisters in the eye.

I got a diagnosis and the doctor said it seemed to be fungal ulceration of the cornea, which was very difficult to cure and could lead to loss of sight. However, I heard there was going to be a special healing session in Manmin Central Church, so I went to Seoul on the 23rd and attended the Manmin Prayer Center meeting.

In the past, I was involved in a traffic accident that caused my rib to be fractured in May 2005. But when I received Rev. Lee's prayer just once, I was completely healed, even including my insomnia. For this reason I didn't want to rely on medicine at all. That night during the Daniel prayer meeting I realized why God could not protect me.

God always wants to give only good things to His children. However, I wasn't thankful and I complained about many things. I departed from God and had the desires to take the meaningless things of the world. God poured down His grace on me. Whenever I repented with hot tears, I felt fire came upon my body.

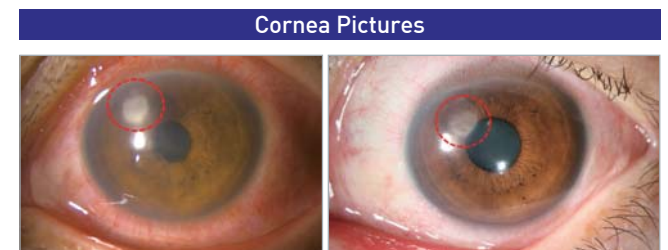

On the 24th, I attended the Manmin Prayer Center meeting where I sang the praises and listened to the message earnestly. As I repented, I kept on shedding tears during the praises, and I felt the fire of the Holy

Spirit came upon my face.

The Prayer Center director Mrs. Boknim Lee prayed for me with the handkerchief on which Rev. Lee prayed (Acts 19:11-12), and the itchiness and pain disappeared. I went outside to have dinner, and to my amazement I could read all the letters of the signs of the shops.

On January 25, in the special healing session in the Friday all-night service, my heart was filled with passion right from the praise songs. After I received the handkerchief prayer of Pastor Soojin Lee, I felt my whole body was refreshed and my eye condition recovered even more. I received a test on the 28th. There was no pus in the eye and the doctor said I was healed more than 90%.

After that, I prepared for the next special healing session in February with repentance and fasting. I felt the fire of the Holy Spirit once again, and my eye could see everything clearly Hallelujah!

Before Prayer:
Abscess due
to Keratohelcosis

After Prayer:
Abscess receded, only trace
of inflammation remains.

Hearing Impairment and Ear Noise Healed

I lost hearing in my left ear after a fight with one of my friends in Feb. 2017. I lost confidence because it restricted my communication with others. I was always nervous I might lose my hearing in the right ear as well.

In August 2018, while surfing on the YouTube, I saw the prayer for the sick of Rev. Jaerock Lee. I was impressed by his earnest prayer and I called the number on the video, Delhi Manmin Church.

Pastor John Kim suggested I listen to the series "Message of the Cross" by Rev. Jaerock Lee. I learned about why God placed the tree of knowledge, why God cultivates human beings, and the providence of salvation through Jesus Christ.

I had been a Christian but only nominally. However, listening to those messages I was filled with happiness and joy because my spiritual thirst was quenched. I began to attend the live-broadcast of Manmin Central Church's worship services on GCNTV Hindi channel, which changed my life.

On Jan. 14, 2019, there was a meeting of viewers of GCNTV Hindi channel, which I attended after fasting for a day. Pastor John Kim delivered a message and prayed for us with the handkerchief on which Rev. Jaerock Lee prayed (Acts 19:11-12). I could feel right at that moment that the hearing in my left ear was coming back.

After I fasted for 3 days, I attended the special healing session

in the Friday all-night service on Jan. 25. After the handkerchief prayer of Pastor Soojin Lee, I was able to hear very well. Hallelujah!

I prepared for this special healing session in February with prayers, listening to the Senior Pastor's sermons "Message of the Cross" and "Love Chapter". I realized I had loved the world and I had been full of hatred and anger. I repented of them. I was happy that I could realize my sins through the messages. After I received the prayer in the special healing session on Feb. 22 Friday all-night service, the ear noise was also gone.

As I shared my testimony and the living God with the people around me, now 15-20 people attend the live broadcast of worship services

Brother Kailash
(Age 26, Indore, India)

together on GCNTV Hindi channel. The senior pastor's messages are true words of life that can't be found anywhere else. I'd like to become an instrument to spread this blessed messages to numerous souls in India.
