"My Son and I Received Answers to Impossible Problems"

Angélica Osorio (Age 21, Colombia Manmin Church)

My son, Sebastián David Cely Osorio, was born with serious constipation. He always found it painful to have bowel movements. I used many folk remedies but nothing worked.

On April 7, in the handkerchief crusade, Pastor Mikyung Lee prayed with the handkerchief, and from then on he's had no problem. Furthermore, I was also healed of depression that I had for years! Hallelujah!

Love

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law." Gal. 5:22-23

Senior Pastor Rev. Jaerock Lee

The 9 fruits of the Holy Spirit in Gal. 5 is a signpost in our Christian life, along with the Beatitudes in Matt. 5 and spiritual love in 1 Cor. 13.

We can check the extent to which we have borne the fruits of Spirit; our heart has been changed into truth; we cultivated the Lord's heart, and what level of faith we have attained. Let us delve into the first fruit of the 9 fruits, love.

1. The Greatest of the Fruits: Spiritual Love

Love can generally be categorized into fleshly love and spiritual love. Fleshly love seeks one's own and it changes over time. Spiritual love seeks others' benefits and never changes in any situation.

Now, what is the difference between love in 1 Cor. 13 and the fruit of love in Gal. 5? The fruit of love includes self-sacrifice. It is a higher-level love than the spiritual love in 1 Cor. 13. If we fully cultivate the fruit of love, it means we can sacrifice our life for others, and it means we can love everyone. We can give our life even for our enemies.

God created Adam and gave him spiritual love. He gave him the abundance of the Garden of Eden and gave him the authority to rule over everything. However, Adam never experienced hatred or fleshly love that changes over time. Thus, he didn't know the true value of God's spiritual love. After a long period of time, he took in the deceitfulness of the crafty serpent and in disobedience he ate of the forbidden fruit (Gen. 2:17, 3:1-6).

Finally, sin came into Adam's heart. He became a man of flesh who couldn't communicate with God. He couldn't remain in the Garden and was driven out to this earth.

While being cultivated on this earth (Gen. 3:23) all his descendants experience the relativity of things opposite to that of love such as hatred and jealousy. They become further and further removed from spiritual love. Today, it is very hard to find any spiritual love not to mention the fruit of love.

Even though you express it very much, fleshly love eventually changes according to the situations

and benefits. People forget the grace they received and begin to complain. They even betray. They give only after they first receive. Or, they give only when it gives them some benefit. If you want something in return, or if you get disappointed when others don't give back to you, it is also a trait of fleshly love.

2. Giving One's Life

The love of each individual has limits. It is not easy to give your life even for those whom you love. However, God gave His only begotten Son to save the sinners. He is full of spiritual love (Romans 5:8).

Due to Adam's sin, all his descendants were destined to fall into the way of death. So, God sent His only begotten Son Jesus to this earth to redeem them from their sins (Rom. 6:23; Gal. 3:13; Heb. 9:22). Jesus died on the wooden cross instead of the sinners who were under the curse of the law, so anyone who believes can be saved.

God knew people would persecute and mock Jesus and eventually crucify Him. And yet, He sent Jesus to be crucified and confirmed His love toward us (1 John 4:9-10). The Savior Jesus also gave us His love in giving His life on the cross to redeem mankind from their sins.

God's love manifested through Jesus is the greatest love that never changes and that gives life.

3. Truthful Love Toward God

1 John 4:7-8 says, "Beloved, let us love one another, for love is from God; and everyone who loves is born of God and knows God. The one who does not love does not know God, for God is love." If we understand God's love deep in our heart and not just in our head, we will love Him sincerely. Even when we face unbearable hardships, or when we lose everything we cherish, our heart will not be agitated.

Soon after the opening of the church, I almost lost all 3 of my daughters. During the Friday all-night service, they were sleeping in the house which was in the basement. They suffered carbon-

monoxide gas poisoning along with a youth member. They inhaled the gas all night and had no chance of survival. However, I didn't resent God at all. But rather, I was thankful that my beloved children were in heaven where there are no tears, pain, or death.

But because the youth was a church member, I prayed God would revive him not to disgrace God. I prayed with my hand on him first, and then while I was praying for my 3rd daughter the young man woke up. While praying for the 2nd daughter the 3rd woke up, and the 2nd and 3rd came to as well. They are still healthy without any side effects and all 3 of them are serving God's kingdom as pastors.

If we truly love God, our love will not change in any situation. We'd only be faithful with all our life and just trust God's love completely. We wouldn't have any self-seeking when we take care of the souls; we'd just give everything without wanting anything in return. We'd genuinely sacrifice ourselves and give everything for others (1 John 3:16).

Since the opening of the church, I've gone through numerous trials in my walk of faith. I was betrayed by those who received grace from me and whom I treated like my family. Without fault or error I was groundlessly misunderstood by people and even accused by them.

And yet, I just committed all the situations to God. I prayed God would show them mercy and forgive them. I prayed even for those who caused hardships to the church and left, that they'd repent and come back. Even in the face of such trials I believed God loved me, so I loved those souls with God's love.

4. To Bear Fruit of Love

We can bear the fruit of love to the extent that we cultivate holiness by casting away sins and evil from our hearts. True love can stem from an evil-free heart. Love doesn't give hard times or lay burdens on others but only gives them peace. It serves others by giving them joy and making their souls prosper.

Moses loved the sons of Israel so much that he wanted to save them even if it meant his name would be blotted out of the Book of Life (Exo. 32:32).

The apostle Paul also suffered many persecutions and threats to his life from both the Jews and Gentiles, but his only concern was for the churches and believers (2 Cor. 11:23-29). He didn't put even his own life before others (Rom. 9:3). He confirmed his love by martyrdom (John 15:13).

Some say they love God and yet argue and quarrel with brothers in faith over trivial matters. Even if they are doing God's work, if they don't like something they hold hard feelings toward others. Some of them are numb about those souls

that are spiritually dying.

I once professed I am willing to go to hell if I can save 1,000 souls by doing so. Of course, I know so very well what kind of place hell is, and personally, I wouldn't do anything that'd lead me to hell. However, if I can save the souls that would otherwise fall into hell, I would be willing to go there on their behalf.

Those souls might be the leaders or members of my church who couldn't go the way of truth even after hearing the word of truth and seeing powerful works. Or, they might be the souls that persecute our church based on their misunderstanding. They might be the poor souls that are suffering from wars and famine.

For this reason I am dedicating my whole life every day to save them just as Jesus died to save me. I know this is the most earnest desire of God the Father. My only concerns are to spread the gospel to more places; to let more souls believe by showing greater power; and to let them take hold of better heavenly places by showing the meaninglessness of this world.

Dear brothers and sisters, if you are full of God's love who gave His only begotten Son, you'd be able to love the souls of God with all your life. May you bear this fruit of love, go into the city of New Jerusalem, and share eternal love with God the Father and the Lord our bridegroom, I pray this in the name of the Lord.

Spreading 'Manmin' to Those Longing for Grace

Missionary Trip to Georgia, Armenia, and Ukraine

Georgia

On Sunday, April 7, there were gospel meetings in Grugina Gospel Church (pastor Georgi Chitade) and in New Generation Church (pastor Gella) in Rustavi Georgia. Elder Ronya Son of our church introduced Manmin's ministry and sang a special song. Pastor Oren Lev Ari of King of Glory Church in Israel delivered a message about the spiritual meaning of the Passover.

Pastor Oren Lev Ari has been participating in Manmin's ministry since Rev. Jaerock Lee's three year Israel ministry beginning in 2007.

Armenia

On Apr. 9, Tuesday, a pastors' meeting and gospel meeting were held in Golgotha Church (Bishop Rafael Grigorian) in Vanadzor, Armenia. Before 500 attendants Elder Ronya Son of our church introduced the holiness gospel and sang a special song.

Pastor Oren Lev Ari delivered a message under the title "God's Elect Israel and Holy Life". The attendees said they wanted to have a crusade with Manmin in Armenia to bless the Armenians and have a great revival.

Ukraine

On Apr. 11, another meeting was held in God's Kingdom Church (Bishop Stanislav Grechkin) in Kharkov, Ukraine. Elder Son preached about Light and Salt before 300 church members and prayed for them with the handkerchief on which our Senior Pastor prayed (Acts 19:11-12).

The next day, the 12th, they had a meeting with the local pastors and visited the home of Anton living in Kharkov. He is attending the service of our church on the Internet.

On the 13th, they had a fellowship with Bishop Yuri Konovalov of Gate of Heaven Church in Dnipro, Ukraine. On the 14th, they attended the Sunday service of the aforementioned church.

With 600 attendees, Elder Son again delivered a message about Light and Salt after his special song, and prayed for them. The worship service was live broadcast via Facebook. In the evening, they had a meeting with the church leaders in a church member's home.

My Wife and Mother Experienced Divine Healing in Georgia

Pastor Selvio Oganeshan, God's People Gospel Church

This past March my wife Karina suddenly had paralysis on her right side of the face. She couldn't eat or drink properly. I heard about the special healing session of Manmin Central Church and sent the prayer request.

Toward the end of March, my wife received the handkerchief prayer (Acts 19:11-12) of Pastor

Soojin Lee on a recorded video via YouTube. She recovered very quickly and soon became normal.

Also, my mother Svetlana also suffered from stomach cramps for many days. She couldn't take any medicine due to allergies. However, after she received prayer, she recovered completely Hallelujah!

God's Blessings Overflow!

Minseok Seo (Age 47, 23rd Parish)

I was raised in a Christian family but I departed from the Lord gradually. But in 1996, my sister guided me to Manmin Central Church. She was healed of hyperthyroidism completely by the prayer of the Senior Pastor Rev. Jaerock Lee. She was full of the Holy Spirit.

That next year, I attended the Summer Retreat and experienced an amazing wonder. I could feel the living God again. I repented of all my past, quit all the drinking and other worldly things.

Since I got married in 2000, I began to pick up church duties as a small group leader, group leader and mission group leader.

In December 2009, I got a job and began to sell insurance for Lime Financial Service. The majority of its employees are Christians. I tried to commit everything to God and be faithful, and my income increased.

In the 2nd half of 2018, I saw some people who forsook the grace of the Lord for their personal benefit. I was heartbroken, I stopped praying. I lost the fullness of Spirit, and I didn't have any sales for a long period of time. Obviously my family suffered financially.

Around that time our company offered flower offerings for the 2019 New Year's Service. While listening to the message, the Holy Spirit spoke to me in my heart. The word 'spiritual warrior' touched my heart strongly, and I got a desire to receive financial blessings to support the kingdom of God.

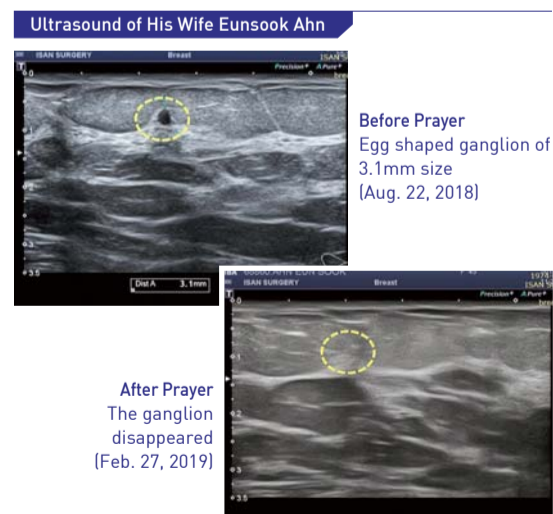

I made up my mind to never again cease to pray. Even when I went to other cities, I found branch churches and attended the Daniel Prayer Meetings, or I prayed in the motel with the GCN TV broadcast on my mobile phone. Also, I tried to fulfill all my church duties as a leader. I tried to be honest when interacting with clients.

Seeing all these efforts, I believe that God led me to meet good clients who quickly signed. I felt God was helping me and in January 2019, God blessed me to get the No. 1 sales figure in my company for the first time in 9 years. Hallelujah! God's blessings didn't stop there.

My wife Eunsook Ahn had a 3.1mm big ganglion on the right chest, but it completely disappeared after she received the handkerchief prayer of Pastor Soojin Lee (Acts 19:11-12) in the special healing session in February.

My 1st son is a senior in high school, and he was healed by the Senior Pastor's prayer when he had festering little toe when he was young. My 2nd son injured his right knee but he recovered very quickly after Mrs. Boknim Lee, prayed for him.

I give all thanks and glory to God who let my whole family experience the love of the Lord and have hope for heaven.

"My Wife's Parkinson's disease and My Blindness Were Healed!"

Deacon KeKesuren
(Age 64, Mongolia Manmin Church)

Early this year, I experienced an amazing work of God. I was constantly tired, had swollen abdomen and pain. I was diagnosed to have cholecystitis. I looked back on my Christian life, received Rev. Jaerock Lee's prayer for the sick with faith, and prayed with the handkerchief on which Rev. Lee prayed. I felt the pains and other symptoms began to disappear. In mid-January, my medical exam showed no problem.

My wife Ondarakh also has a testimony. She was diagnosed with Parkinson's disease in 2003. She tried all the treatments but conditions only got worse. She had muscle paralysis, so she couldn't walk alone. She couldn't eat or move by herself. I was worried I might lose her.

But in 2017, after she received prayer in the handkerchief prayer meeting in Mongolia Manmin Church, she recovered very quickly. She can walk alone. She cooks and eats well. She attends all kinds of worship services and prays, living in God's grace.

In fact, I lost my sight in my left eye when I was 17, which led me to indulge myself in drinking and gambling. In 2014, I went to South Korea to meet my daughter and began to attend Manmin Central Church.

In 2015 I returned to Mongolia, so I went to Mongolia Manmin Church. In October 2015, I received the handkerchief prayer of missionary Batzerig, and my back that required surgery was healed and vision returned to my left eye. Hallelujah!

I give all thanks and glory to God the Father who guided me to this church so I could experience the works of the Holy Spirit and live with the hope of heaven.
