Senior Pastor Rev. Jaerock Lee

Why Is Jesus Our Only Savior? (1)

“And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved” (Acts 4:12).

As the appointed time came, God the Son came to the earth in flesh as Jesus and fulfilled the duty of the Savior completely.

Continuing from the previous edition, I will explain why only Jesus Christ is qualified to be the Savior of mankind based on the law of the redemption of the land (Leviticus 25:23-25).

1. It is because Jesus came to the earth in flesh as man

Leviticus 25:25 is a provision for “the law on the redemption of the land” and is read as follows: “If a fellow countryman of yours becomes so poor he has to sell part of his property, then his nearest kinsman is to come and buy back what his relative has sold.” Just as the nearest kinsman can come and buy back the land his relative has sold, the task of recovering Adam’s descendants who have been handed over to the enemy devil, must be carried out by “the nearest kinsman” of Adam.

Who then, is Adam’s “nearest kinsman”? It refers to a man, a man who, just like Adam, has spirit, soul, and body. We are reminded in 1 Corinthians 15:21-22, “For since by a man came death, by a man also came the resurrection of the dead. For as in Adam all die, so also in Christ all will be made alive.” The first condition to become the Savior who redeems mankind from their sins is that he must be a man.

Jesus is the Son of God the Creator. So, how could He be “the nearest kinsman” of a man? Philippians 2:6-8 says, “Who, although He existed in the form of God, did not regard equality with God a thing to be grasped, but emptied Himself, taking the form of a bond-servant, and being made in the likeness of men. Being found in appearance as a man, He humbled Himself by becoming obedient to the point of death, even death on a cross.”

John 1:14 tells us about Jesus, “And the Word

became flesh, and dwelt among us” and John 1:1 reminds us that “the Word was God.” The phrase “the Word became flesh” tells us that God donned the body of a man with flesh and bones, and came to this world.

Jesus was born in the body of a man in order to redeem mankind from their sins. Since He was a man, Jesus felt fatigue, hunger, thirst, joy, and grief. When He was hung on the cross, Jesus even shed blood and felt an excruciating pain.

There is an undeniable piece of evidence that testifies to Jesus’ having come to this world as a man. We know this from how the history of mankind is divided into the time before Jesus’ birth (“B.C.” for “Before Christ”) and the time since Jesus birth (“A.D.” for “Anno Domini” which in Latin stands for “In the Year of the Lord”).

In other words, the method by which we calculate and trace the history of mankind attests to the truth that Jesus indeed came to this world as a man. Therefore, Jesus satisfied the first condition of ‘being the nearest kinsman of Adam’ because He, who is the Son of God, came to the earth in flesh.

2. It is because Jesus is not a descendant of Adam who sinned

When God created man, He gave Adam and Eve the seeds of life—the sperm to the man and the egg to the woman—and allowed a new life to be conceived through them. Contained in the sperm and the egg is the information concerning hereditary influences and traits, such as the parents’ nature, personality, characteristics, outward appearances, and even habits. This is why the children resemble their parents in terms of appearance, physical figure, nature, habits, and the like.

After Adam sinned, the sinful attributes of forefathers have been passed down to their

posterity, and this is “the original sin.” Hence, every person becomes a sinner the moment he is born because of the sinful attributes he has inherited from Adam and his forefathers. Romans 5:12 reads, “Therefore, just as through one man sin entered into the world, and death through sin, and so death spread to all men, because all sinned.”

As death was put upon all mankind because of the sin of one man Adam, all his descendants are effectively sinners. If one person is a sinner, he cannot redeem another person from his sins.

For instance, suppose your brother has a large debt and finds himself on his way to imprisonment. If you also have a large debt of your own and find yourself on your way to imprisonment, you do not have the ability to help your brother and pay back his debt. By the same token, while the Savior who is to redeem the mankind from their sins must be a man, He must not be a sinner. However, since all Adam’s descendants are sinners born with the original sin, they cannot redeem others from their sins.

In other words, no man who has ever been born can satisfy the second condition for the Savior. Who, then, can satisfy the second condition in being the Savior, that He must be a man but not a sinner? Of all the people who have ever been born on the earth, only Jesus, the only begotten Son of God, is a man but He is not a descendant of Adam, or “a sinner.”

In physical terms, Jesus is a descendant of David and His parents are Joseph and Mary. Yet, Matthew 1:20 reminds us that Jesus “has been conceived of the Holy Spirit” and Matthew 1:23 tells us of the prophecy regarding Jesus’ birth, “Behold, the virgin shall be with child, and shall bear a son, and they shall call His name Immanuel.”

Jesus was not conceived through union of Joseph’s sperm and Mary’s egg but by the power of the Holy Spirit. It was not a difficult task for the almighty God to impregnate Mary with Jesus by the power of the Holy Spirit. Jesus was conceived by the Holy Spirit and only “borrowed” the body

of the Virgin Mary, thereby Jesus is not Adam’s descendant and because He did not inherit any hereditary influences and traits, Jesus was not born with the original sin.

Keep in mind that while the Virgin Mary conceived and gave birth to Jesus, she cannot be His “mother.” With the advancement of science and technology, if a fertilized egg were bred in a machine and a child was born after 9 months, the child would not refer to the machine as its “mother.”

The relationship between Jesus and the Virgin Mary can be viewed in this manner. For this reason, Jesus never called or referred to Mary as “Mother” in the Bible but instead used the word, “Woman” (John 2:4; John 19:26). The expression “the mother of Jesus” was used only by Jesus’ disciples to refer to Mary, and she should not be an object of our worship. Always remember that we are to worship and pray only to God the Trinity.

I will continue on with the message in the next issue of *Manmin News*.

Brothers and sisters in Christ, as you better understand and acknowledge the fact that no one else on the earth except Jesus Christ is qualified to be the Savior of mankind, I pray in the name of the Lord that each of you will quickly possess the conviction of salvation by faith and come to enjoy all the authority and blessings entitled to you as a child of God.

Engraving in Heart

He first loved us.

God the Father is so pleased when we, His children, worship Him and lift Him up high with all our heart and soul.

Since God desires a true child who can share love with Him, He is pleased with what we have prepared with our best out of love for Him, and He blesses us back.

Even before the ages, God the Father prepared many things and sacrificed many things for each and every one of you.

For complete human cultivation, God Himself suffered from betrayal, and He gave in His only begotten Son Jesus to be killed by His creatures.

He did so only to guide you and help you resemble the image of God and become His true child.

Since Jesus knew such a heart of God as this, He became a grain of wheat that falls into the earth and dies, God can harvest much fruit.

Since the Holy Spirit is the heart of God Himself, until those who believe in Jesus Christ and become children of God reach complete salvation, He loves them more than they love themselves, and helps them, and takes care of them when they are weak

As you can see, God the Trinity first showed His great love to us.

“We love, because He first loved us.” (1 John 4:19)

excerpted from Dr. Jaerock Lee's Message,
“How to please God”

“Blessings overflow after I became gentle like a sheep.”

Deaceon Changhee Lee (52, 3rd Chinese Parish)

I’ve been attending church since I was 20, but I had a lot of questions about the Bible. Since I was guided to Manmin Central Church in December 2014, I’ve been listening to Dr. Jaerock Lee’s sermons; Lectures on the book of Genesis, Lectures on the book of Revelation, Lectures on the 1st Book of John, and so on. While I was listening to the messages, something attracted my heart. Listening to the messages for 3 months, I wanted to pray. So, I started attending Daniel prayer meeting and offering tithes.

After I listened to Senior Pastor’s messages for a year, I said to myself, “Yes, this is the true Christian life. I should seek for others’ benefit, not mine.” I understood the origin of man who consists of spirit, soul and body. I put down my ego and changed. Moreover, I witnessed the power manifested by Senior Pastor’s prayer. I was grateful to realize that this power belongs to God (Psalm 62:11).

In 2017, I took my mother (Deaconess Hyungsun Kim, 84) who lived with my elder sister to my house. She didn’t like the idea of living with me first, because I didn’t listen to anyone and I had hot-temper before I joined Manmin church. I often argued with others because of my quick temper. I was also drinking, smoking, and gambling back then.

However, she was so surprised to

see that I was completely changed. She said, “Not only the character but also your face is changed. You are like a gentle sheep.” She went to my church with me then.

At the end of last year, she felt from stairs and hurt her right arm badly. she couldn’t move it from pain for about a month. At the 2020 New Year service, however, when Pastor Soojin Lee prayed for the congregation with the handkerchief that Senior Pastor, Dr. Jaerock Lee had prayed on, the pain completely disappeared so she could move her right arm freely.

In addition, she couldn’t kneel down because of knee pain for decades, but the pain also disappeared after receiving the handkerchief prayer of Pastor Geumran Hwang, and she came to kneel down. Hallelujah!

She witnessed my change, and experienced God’s power. She now even dances with joy. And my elder sister also came to attend Manmin church.

I used to say why I was the only one who had a hard life, but now I’m surprised to see myself rejoice. All of these were possible thanks to the Word of life and the grace of the Lord. God gave me a longing heart to be more deeply changed. I give all thanks and glory to God who blessed me to live every moment in His grace.

“My son born with AIDS was healed!”

Akiles Srivastav (30, Uttar Pradesh, India)

One day in 2016, one of my relatives got a traffic accident. To donate my blood which was the same blood type with his, I had a blood test. And the doctor said I had AIDS. I couldn't believe it. I said to the doctor, "I didn't do anything wrong." Then, he only said I could have been infected by needles.

I didn't take it seriously at that time because I didn't believe him. However, in 2017, my son was born with AIDS. I fell into despair at the crushing news.

While my wife and I were trying to cure my son, we were introduced of Youtube channel, "GCN TV Hindi" and found Dr. Jaerock Lee's prayer for the sick. Later, through the sermons, "Message of the Cross", I was blessed to understand the Lord more deeply.

In February 2019, my 15 month old son began to have a ringworm

on his right cheek, which continued for 7 days. My heart was burning to watch him. However, I heard that the divine healing meeting would be held in Feb. 22, in Manmin Central Church. With an earnest heart for my son's healing, I attended the meeting live on GCN TV Hindi and received Pastor Soojin Lee's prayer (Acts 19:11-12).

Then amazingly, my son's skin disease became clean on the very day. It gave me faith. So, I stopped giving him medicines to be divinely healed and I started to attend worship services of Manmin Central Church on GCN TV Hindi.

And in June, the HIV carrier regular test result of my son turned out to be non-reactive. It's a miracle. Hallelujah!

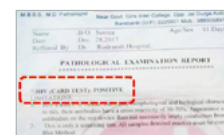

I was so sad that my son was born with HIV from parents and had to take medicines for his whole life, but

God amazingly healed him. I feel like I'm dreaming.

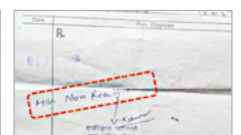

My wife and I have more confidence in faith and listen to Senior Pastor's messages and receive his prayer for the sick every day. Although he doesn't take medicines, he is healthier than before without any symptoms.

I want to glorify God through his complete healing soon. I am grateful to Senior Pastor, Dr. Jaerock Lee who helped my son to be perfectly healed of incurable disease.

Test result of his son

Before the prayer:
His son showed a positive reaction to AIDS test in December 2017.

After the prayer:
Doctor's opinion that he's not reactive to AIDS test in June 2019.
