NO. 712 FEBRUARY 27, 2022

Healings and answers overflows by the great and amazing works of the Holy Spirit!

Real-time testimonies continued to be reported
at the online 'Divine Healing Meeting'

At 11 pm on January 21, the Friday All Night Worship Service was broadcast live worldwide through the satellite, YouTube, and the Internet via GCN TV(www.gcntv.org), and the Divine Healing Meeting was held non-face-to-face for the first time in 2022.

Acting Senior Pastor Dr. Soojin Lee preached the message entitled "It will be cone as you confess with the mouth"(Romans 10:10), and led a time of praise and prayer for repentance and the fulness of the Holy Spirit. She then prayed earnestly with the handkerchief of power on which Dr. Jaerock Lee(Acts 19:11-12) had prayed, calling out the names of diseases for the patients.

In particular, testimonies were received in real time through phone calls and social media(SNS). Transcending time and space, believers in overseas countries as well as Korea received healings to their diseases and answers to the desires in heart. Their testimonies continued to give great glory to God.

Deacon Kyungja Lee(Age 66) had her bent waist

straightened while praising at the meeting, and Senior Deaconess Hyeran Lim(Age 55) testified that her whole body became hot after receiving the prayer and her eyesight was restored so she came to read letters clearly. Senior Deaconess Jaehee Jeong(Age 53) was cured of her back stenosis, and Senior Deaconess Soonhwa Kim(Age 52) testified that the feeling of suffocation and heartburn went away.

Deacon Seokjo Hong(Age 59) had a crack in his spine by a traffic accident, and it was painful when he moved. However, when he received prayer at this meeting, the fire of the Holy Spirit came on him and he was completely healed. Also, Deacon Seonmi Jeong(Age

42) had severe pain and swelling in her left armpit. However, after receiving prayer at the meeting, the swelling subsided and the pain disappeared. Deacon Fu Yan Jie(Age 41) testified that his right shoulder pain had been cured, and Deaconess Zhou Gui Hua(Age 45) was healed of pain and tiredness all over the body.

Deaconess Bunsun Park(Age 57) suffered from pain in her left shoulder after the vaccination, but as soon as the sermon at the healing meeting began, she suddenly felt a tingling sensation in her left shoulder and the pain was completely gone, and she was free from the aftereffects of the vaccination.

Shashi(Age 25) from India was cured of incontinence, and Kavita Roy(Age 32) testified that her feet hurt so much that she could not even stand. However, after receiving prayer in the meeting, the pain was completely gone.

Rufino Yauri(Age 78) from Peru was healed of knee pain, and Hasansana(Age 42) from Mongolia was healed of back pain. Edwin Niño(Age 38) from Colombia, who was healed of tonsillitis and stones at the Divine Healing Meeting in December last year, testified that his headache disappeared at the meeting on this day. In addition, various testimonies are continuously reported at home and abroad.

Senior Pastor Rev. Jaerock Lee

“If you meet God who is Light, come out of darkness, and abide in Light, everything will prosper with you and you will be able to resolve all kinds of problems in your life.”

No matter how pitch dark it is at night, the darkness is gone when the sun rises. In the same manner, if you dwell in Light, just as the sunlight drives away darkness, your problems will be resolved, and God’s answers and blessing will come upon you. Moreover, you can lead other people to Light.

Let’s now delve into what ‘Light’ and ‘darkness’ spiritually refer to and how we can cast off darkness and dwell in Light.

1. God, the Origin of Light

God created the heavens, the earth, and all things in them. Nothing is impossible for Him. He can heal any kind of disease and solve any kind of problem in your businesses or family. Thus, meeting God is the most definite way to solving all your problems. On top of that, it is the way to gain eternal life. If you believe this, all among you must be eager to meet Him.

Since He is Light, any of you can meet Him as long as you follow the Light. Here, the ‘Light’ spiritually refers to God who is eternal and perfect with no darkness at all. James 1:17 says there is no variation or even shifting shadow with Him.

Once again, ‘Light’ spiritually refers to God Himself and it is also the word that represents the very best perfectness. In fact, it is impossible to describe God with a mere word, but for mankind to understand Him better, a word is necessary, and the word is the ‘Light.’

2. Relationships among Faith, Goodness, Righteousness, and Spirit

You may have learned about faith first when you started your believing life. It is because only when you have faith in Jesus Christ and are forgiven of your sins can you gain eternal life and heaven. It is just as

God Is Light

“This is the message we have heard from Him and announce to you, that God is Light, and in Him there is no darkness at all” (1 John 1:5)

John 3:16 reads, “For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life.”

But faith is categorized into two types. They are fleshly faith and spiritual faith. The former is faith as knowledge with which you just know the contents of the Bible. But this faith is not accompanied by works of faith, so it is actually considered faith that is dead. In contrast, spiritual faith enables you to believe the creation of things from nothing. It is living faith and true faith that is followed by works.

What, then, is the purpose of possessing this spiritual faith? We need spiritual faith to recover the image of God that mankind lost after the transgression of the first man Adam. With this faith we should resemble God who is goodness Himself. That is, we must cast away every form of evil and achieve ‘goodness.’

Here, the standard to tell how much goodness we have achieved is ‘righteousness.’ ‘Righteousness’ refers to the act of casting off sins, keeping the Word of God, and obeying Him with faith. It is following the truth only with “Amen” even when it does not agree with one’s thoughts, experiences, and knowledge. God’s children must unchangingly practice righteousness. However, what is the reality you can see?

Someone is impressed by the Word telling him to forgive others. He may forgive at first, but he cannot when things do not agree with his own thoughts and benefits. It is because he has changing mind which belongs to the flesh. That is why he cannot keep accomplishing righteousness. We must continue to forgive others until the end as Jesus said we should forgive up to seventy times seven times. This attribute of ‘unchangingness’ is that of spirit.

But in order to achieve ‘spirit’, we must have love. The act of righteousness that Jesus showed by being crucified to redeem all mankind from sin was possible because He had love (Romans 5:18).

In other words, righteousness comes out through

love, and the end result is 'spirit.' When you enter spirit, you will be able to unchangingly believe and obey God and do His will. When you achieve spirit in all aspects of your life, you can achieve whole spirit (1 Thessalonians 5:23). At the level of whole spirit, everything you do will come out as 'light.' You will be able to reveal God's glory everywhere you go and be followed by the works that show God is with you. While 'spirit' refers to internal traits, 'light' involves external traits that come out from the internal traits.

We call the star at the center of our Solar System 'the sun.' In fact, we do not see the sun, but we see the sunlight. Similarly, God is spirit (John 4:24) and He is also Light. It means that God is perfect spirit with no changing at all, and the external traits of spirit we can see is Light.

But it does not mean that we can give out light only when we enter the level of whole spirit. Even though you are a novice believer, you can give out light that corresponds with the level of your faith.

Ephesians 5:9 reads, "For the fruit of the Light consists in all goodness and righteousness and truth." That is, the fruit of the Light is composed of goodness, righteousness that is the standard of goodness, and truth that means unchanging trait of spirit. Therefore, we can bear the fruit of the Light when we show goodness and the acts of righteousness in a spiritual way which is unchanging.

Let's suppose a person has not reached the level of spirit. Goodness that he has cultivated in his heart may be revealed as an act of righteousness. But it could change according to situations to the extent that he has flesh. Therefore, though people say they all believe God, they have different degrees of goodness, righteousness, spirit, and light. It also results in different amount of God's love and grace that comes upon each of them. But if you enter spirit, you will have enough goodness to move others' hearts and can unchangingly show it in acts of righteousness. If you enter whole spirit, you can practice the righteousness of faith, obedience, and action with the heart of the best goodness and without changing.

Abraham, the father of faith, is the example. God told him to offer his only son Isaac as a burnt offering. It was the final test of his faith. He completely obeyed the Word and offered him since he considered that God is able to raise people even from the dead.

He wholeheartedly trusted and obeyed God this way, so he was regarded as righteous by God. And his perfect goodness was also recognized so he was even called the friend of God who is goodness Himself. God finally set him as the father of faith and his acts shine as light on all of us who believe God.

3. Things of Darkness against Light

While there are things of Light, there are also things of darkness that stand against Light. In a nutshell, darkness covers all things that belong to sin. It includes works of flesh, things of flesh, and things

that are deemed righteous in your own sight but evil in the sight of God.

For example, there are the things of the flesh such as unrighteousness, wickedness, greed, evil, envy, murder, and strife and the deeds of the flesh such as immorality, impurity, sensuality, idolatry, sorcery, and enmities. They sound evidently like darkness when we just hear the words. But there are some attributes that you may look upon as righteous but God regards as evil. In this case, you may not think of them as darkness. But when light shines, darkness must be uncovered.

In the Bible, Jesus began to show His disciples that He must go to Jerusalem as the appointed time came and suffer many things from the elders and chief priests and scribes, and be killed. Now Peter said to Him, "God forbid it, Lord! This shall never happen to You." But He rebuked him, saying to him, "Get behind Me, Satan! You are a stumbling block to Me"(Matthew 16:21-23).

Peter thought that it was for Jesus that he dissuaded Him from going to Jerusalem. But in the sight of God, he set his mind on man's interest and it was darkness. That is why Jesus said in John 12:46, "I have come as Light into the world, so that everyone who believes in Me will not remain in darkness." Thus, when you come to Jesus and follow the truth that He taught such as Spiritual Love, the Beatitudes, and the Fruits of the Holy Spirit, anyone of you will not remain in darkness and come to the Light.

4. The Reason People Cannot Come to Light

First of all, it is because they like darkness and hate light (John 3:19-20). They like better the worldly pleasure and money and prefer to live for their own benefits, so they hate the Word of Light telling them to follow the truth and goodness. They also misunderstand the truth in their own thoughts. They may say, "I am doing good. Isn't it enough? Why do you say there is salvation only in churches?" They may acknowledge God but they do not know why they are sinners and why they have to accept the Lord. That is why they do not come to church.

Next, some believers may stumble because of other believers. They may make excuses of not going to church saying that some believers look dishonest and hypocritical. But they should know not all people in the churches believe in the Lord.

Matthew 7:21 reads, "Not everyone who says to Me, 'Lord, Lord,' will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter." Only those who listen to and keep the Word of God have true faith. If one says he believes God but he acts in the same way the worldly people do, he has nothing to do with God and there is no salvation for him.

If people see such churchgoers, close the doors of their hearts, and lose salvation and eternal life, how foolish they are! I hope that you will see people of

Light who set a good example of faith and come to God wisely.

5. Blessings for Walking in Light

God clearly gave a promise. Mark 11:24 says, "Therefore I say to you, all things for which you pray and ask, believe that you have received them, and they will be granted you." Matthew 9:29 reads, "It shall be done to you according to your faith."

But some believers seem to come to God who is Light and diligently lead their Christian lives, but they still suffer from diseases, or problems in businesses or families. What is the reason? It is because they think they abide in Light but they actually do not.

There is a difference between coming to Light and abiding in Light. Even if people come to Light once, it does not necessarily mean that they abide in Light. They may go back to darkness. If then, they can never say they are in Light.

Let's say you hated someone but received much grace from God and stopped hating him. But you come to hate him again later. Then, you cannot say you are in Light. Even if you are abiding in Light, you

must come closer and closer to Light until you reach the perfect level of Light. When you come to abide perfectly in Light, you can have confidence before God and receive whatever you ask for as read in 1 John 3:21-22.

Dear brothers and sisters in Christ, if you meet God who is Light, come out of darkness, and abide in Light, everything will prosper with you and you will be able to resolve all kinds of problems in your life.

I pray in the name of the Lord that you will walk as children of God who is Light, bear the fruit of the Light, and thereby glorify God.

Translated by Overseas Mission Bureau

A letter from a 'GCNTV HINDI' viewer from India

"My husband is recovering after escaping the crisis of leg amputation."

Raja(Age 42) and he has been suffering from diabetes for two years. He injured his toes and heel while driving a car four months ago, and he had to be hospitalized for two months because the wounds got worse.

Due to diabetes, his wound did not get well, and his leg was even getting numb. The doctor said it could be life-threatening if his leg was not amputated. I was

Praise the Lord!
I am Sarla(Age 38) from Tamil Nadu, India. I would like to share with you about something wonderful that happened to my husband.

His name is A.S.

at a loss as to how I would live if my husband had his leg amputated.

In the meantime, in December 2021, through the YouTube channel 'GCNTV HINDI', I heard the news of a Divine Healing Meeting led by Dr. Soojin Lee. My husband and I attended it and received prayer earnestly.

After that, my husband's wound gradually recovered, the affected area decreased, and the sensation in his leg was restored. The doctor said he no longer had to have his leg amputated. Hallelujah!

Through this experience, my husband also accepted the Lord as his Savior, and now he and I are attending worship services of Manmin Central Church through YouTube. I give my tearful thanks to God for healing my husband, and I ask you to pray for my husband's complete healing with love.

The temple construction that pleases God

The God-pleasing sanctuary is the passageway to blessings. Since it is directly related to the souls' salvation, building God's temple is not only a reward in heaven, but also a shortcut to blessings on earth. However, you cannot please God just by building a sanctuary with a lot of finances.

The temple of God refers to the visible body of the Lord, the church, but it also refers to the hearts of God's children. When we accept Jesus as the Savior, the Holy Spirit comes into our hearts, helps us to live by the truth, and leads us to the kingdom of heaven. Likewise, because the Spirit of God dwells in our hearts, our hearts are a temple of God. (1 Corinthians 3:16)

Therefore, the temple construction that pleases God is building a holy temple with the aroma of the hearts of God's children who long for His sanctuary, the aroma of their sanctification, and the aroma of their prayer.

The vision of construction of the Grand Sanctuary given to Manmin

King David also made all the preparations for building of a temple during his life, but because he shed a lot of blood at wars, God had his son Solomon build the temple. In this way, it is very important whether the person who wants to build a temple is proper in justice or not.

God entrusted our church with

the mission of building the Grand Sanctuary in the end time. He wants to receive the Grand Sanctuary built by the members of Manmin who have achieved sanctification without any blemishes or spots. So, God is growing our faith in order to make each of us the foundation stone for the Grand Sanctuary.

The Grand Sanctuary is a symbol that shows the glory of God in the spiritual space in this physical space. It is the largest and best temple in human history that reveals the power of majesty of God Almighty. It is the ark of salvation where the fire of the Holy Spirit burns brightly for 24 hours, the vitality is stirred by spiritual words and amazing power, and the nations and kings visit with longing for God.

It is also a monument commemorating God's triumph of human cultivation. The reason God created and cultivated man is to obtain true children. At the end of human cultivation, many souls will come out as true children in the works of the Holy Spirit, and the Grand Sanctuary will be built with their hands.

Therefore, the very fact that the Grand Sanctuary is being built is a proof that God has finally acquired true children, and He will receive comfort and great joy by seeing the Grand Sanctuary about His endurance and mourning through the years of cultivation.

When God accomplishes something, He always works in a way that is proper in justice. The most important condition of justice necessary for the construction of the Grand

Sanctuary is 'What kind of hand is it built by?' No matter how wealthy you are, no matter how powerful you are, the construction of the Grand Sanctuary cannot be accomplished without a proper person to build it.

In the Old Testament era, external sanctification and physical circumcision were practiced, but now, in the era of the Holy Spirit, we have to achieve sanctification of the heart through the circumcision of the heart. We should build a temple of the heart that is worthy by casting off every form of evil and cutting off the attributes of the flesh that are foul and stinky. (Ephesians 2:22)

The reason that the Israelites, who easily conquered the city of Jericho, suffered a devastating defeat in the battle against the small city of Ai, was because the person named Achan violated God's Word and sinned. So, we should not think, 'It will be okay without me.' We have to become joy with perfect faith and obedience, and we have to build a temple of the heart by sanctifying ourselves.

God wants everyone to become one in the construction of the temple. To become one is to obey the words of the leader who's leading in front, at your own position, and to work together in one mind towards one goal in any situation and environment.

What God really wants from us is that none of us gets left behind in this flow of spirit, that we all enjoy the glory of the temple, and that we all run fervently only with the hope for New Jerusalem.

“I’ve been healed of AIDS!”

Ruth (Age 52, Kenya Nairobi Manmin Church)

I was living with the rent after renting out a small house. And I suffered a lot from a life full of sins and most of all I lived a miserable life with AIDS. It was hard to even walk, so I always lied down. Then, I gradually fell into depression. When my anger suddenly arose, I quarreled with the tenants.

The most heartbreaking thing is that my daughter was born with AIDS. I tried everything with my young daughter to cure AIDS but it was of no use.

Headache, chills, dizziness, stomach ulcers and other symptoms got worse, and I lost the hope of life due to severe stress. I suffered from more severe depression in despair.

My neighbor Elizabeth asked me to go to the church in March 2019 and I registered at Nairobi Manmin Church with my daughter Wambui (Age 19). One day, while listening to Rev. Myongho Chung’s sermon,

I realized the endless love of Father God, and my life changed by His grace. After I repented of acting in a cold and rude manner, my heart turned into a warm heart by God’s love.

By the help of the Holy Spirit, my heart was changed and I lived a new life in the Lord. Then, I got the faith that I could be healed of AIDS by prayer.

In early 2021, my daughter and I received Rev. Myongho Chung’s prayer with the handkerchief of power (Acts 19:11-21) to be healed of AIDS. After that, we gained weight and the symptoms like headache, chills, dizziness and stomach ulcers disappeared, and all the pains were gone.

I always had to walk with someone else’s help due to leg pain, but now I can walk well by myself. I couldn’t wear shoes because my wounded feet didn’t heal due to AIDS, but the wounds healed so I can wear shoes. What I am more grateful for is that my daughter recovered

her memory. Hallelujah!

With so much gratitude for God’s grace, I wanted to do something for His glory. So, in last November, I decided to do my best to work voluntarily and evangelize people for the 21st anniversary of Nairobi Manmin Church. From the time I made up my mind, Father God not only kept my body in the best condition but also gave me peace, joy and financial blessings.

I am no longer a slave to sin and the world but the fruit of God and the Lord who love me with endless love and care. I would like to thank Rev. Dr. Jaerock Lee who raises me with the holiness gospel and Rev. Myongho Chung who teaches me to obey the Word.

I give all thanks and glory to God the Father who is alive and healed me of AIDS with His limitless, great and amazing power.

“I’ve been healed of hepatitis C, and the pain in my right cheekbone and hip joint has gone!”

Senior Deaconess Jungok Heo (Age 51, Chinese Parish)

19:11-12) at the Divine Healing Meeting on September 13, 2021, the coldness left my body and the pain in the right cheekbone disappeared. But the pain in the right hip joint still remained. It hurt when I walked or sat down.

At the Divine Healing Meeting on December 10, I had to press my hip joint with a hard stuff while listening to the sermon, because it hurt. I received her prayer with anticipation and slept. When I woke up next morning, I found there was no pain.

In addition, the Chinese Parish leaders had a meeting with Mrs. Boknim Lee, President of Manmin Prayer Center on December 6, and she prayed for us in the meeting. She prayed for each of us laying her hand on our shoulders with the handkerchief of power, and I was healed of Hepatitis C at that time.

I had a blood test and abdominal ultrasonography at the hospital on the 7th, the test results showed only signs of hepatitis C treatment without any abnormalities. Hallelujah!

I almost died due to ectopic pregnancy in 1996 when I didn't know God and the Lord.

The doctor told my husband to prepare for my funeral. Then he cried out, “O God! Please save her.” After miraculously reviving, I saw God's powerful works manifested by Rev. Dr. Jaerock Lee while I was watching the Russia Crusade conducted by him in 2003, and accepted the Lord.

And the following year, I moved to S. Korea because I loved him and Manmin Church. I was so happy to lead my Christian life as a member of Manmin Central Church, which I had longed for so much. As I gained a new life by God's grace, I diligently carried out the church duties as a cell leader and a sub-district leader. This year, I'm serving as a district leader.

I want to be a loyal worker who refreshes His heart because so great is the love and grace of God the Father who healed me and who wants to give me good things. I give all thanks and glory to the Lord of love who saved me.

I run a skin care shop with my husband. As I massage all day long, my right cheekbone and hip joint started to hurt always at some point due to the poor blood circulation.

When the Acting Senior Pastor, Dr. Soojin Lee prayed with the handkerchief of power (Acts
