## “I really like the Word of life that cannot be heard anywhere else”

### YouTube Channel, ‘GCNTV HINDI’

Through the YouTube channel of ‘GCNTV HINDI’, the audience keeps testifying that they have accepted Jesus Christ and are living a blessed life by listening to Dr. Jaerock Lee’s sermon and experiencing the works of healing and answers by his recorded prayer for the sick.

Pastor John Kim, Delhi Manmin Church in India, opened a YouTube channel in May 2014 and carried out social media ministry in earnest through ‘GCNTV HINDI’ in 2017.

This was to create an environment where the members who received grace during the pastoral seminars and handkerchief meetings (Act 19:12) in each region could continue to hear the gospel of holiness in order to

grow their faith.

Dr. Jaerock Lee’s sermon videos such as ‘The Ten Commandments’, ‘The Message of the Cross’, ‘The Measure of Faith’, ‘Heaven’, ‘Hell’, ‘Love Chapter’, ‘The Beatitudes’, etc. and prayer for the patients’ video were dubbed in Hindi and shared through the YouTube channel.

Viewers who watched the video expressed their gratitude, saying, “I really like the Words of life that we can’t hear anywhere else”, “I experienced grace and blessings when I practiced God’s Words”, “My family, where there were quarrels, is at peace with love” and etc., and the number of subscribers has steadily increased.

As of January 2022, the number

of subscribers exceeded 20,000, and the number of views of Dr. Jaerock Lee’s prayer for the sick recorded 1.76 million, the sermon ‘The Ten Commandments’ 62,000, ‘The Message of the Cross’ 37,400, and ‘The Power’ 29,000.

Not only this, more than 50 house churches were planted throughout India and 250 families became children of God.

In addition, ‘GCNTV HINDI’ not only broadcasts Manmin Central Church’s various worship services and Daniel prayer meetings in Hindi but also operates an online Bible academy and a Christian knowledge program based on Dr. Jaerock Lee’s sermons.

Local members who are devoted to each field, such as translation, dubbing, and subtitles, kindly answer calls from viewers day and night, and Pastor John Kim keeps meeting with viewers through video chat.

As such, continuous fellowship and faith counseling are possible even without face-to-face communication, so even in the midst of the COVID-19 pandemic, members living all over India are receiving many blessings by living a faithful life filled with the Holy Spirit.

Pastor John Kim said, “In order for more souls to reach salvation in the future, GCNTV HINDI plans to spread the gospel of holiness and the works of power to the whole world by expanding to other languages such as Marathi and Bangalore in India as well as Hindi.”

# Things of the Flesh and Things of the Spirit

“For those who are according to the flesh set their minds on the things of the flesh, but those who are according to the Spirit, the things of the Spirit. For the mind set on the flesh is death, but the mind set on the Spirit is life and peace” (Romans 8:5-6)

**The term ‘things of the flesh’ refers to individual elements of the untruth which are not manifested outwardly but have potential to be revealed in action, and ‘the things of the Spirit’ refers to everything that is done through the Holy Spirit in your heart.**

Just as 1 John 1:5 says, God is Light and in Him there is no darkness at all. To the extent that we cast away more of darkness and enter deeper into Light, we can receive God’s love and blessings. In order to enter into Light, we need to check our thoughts above all. It is because if we set our mind on the flesh, we may commit sin and eventually reach death (Romans 8:7).

So, let’s now delve into how to cast away fleshly thoughts and gain eternal life and peace by having spiritual thoughts.

## 1. Discern Between Things of the Flesh and Things of the Spirit

Romans 8:5 reads, “For those who are according to the flesh set their minds on the things of the flesh, but those who are according to the Spirit, the things of the Spirit.” ‘The things of the flesh’ refer to one’s sinful natures combined with the physical body.

After Adam’s transgression, all his descendants inherited his sinful natures and were born with sin, which is called ‘original sin.’ There is also ‘self-committed sin,’ which is the kind of sins that people commit themselves through the influence and instigation of Satan while living in this world. Such sins cause the truth to leak out from one’s body, and when the body is combined with sinful attributes that come through Satan, they are ‘flesh.’

Concerning ‘flesh,’ Apostle Paul said in Romans 7:18-25, “For I know that nothing good dwells in me, that is, in my flesh...I find then the principle that evil is present in me, the one who wants to do good... So then, on the one hand I myself with my mind am serving the law of God, but on the other, with my flesh the law of sin.” As he said, if we do not serve the law of God but serve the law of sin with our flesh, it means we do not

keep the law of God, and the result is to fall into the eternal death in hell.

Next, ‘the things of the flesh’ refer to individual elements of the untruth which do not come out outwardly but have potential to be revealed in action. That is, it encompasses all dirty things that lie hidden in the heart such as hatred, falsehood, adultery, and arrogance. People of the world do not regard such internal attributes of sins hidden in hearts as sins.

But God looks at men’s inner hearts. Even if they do not commit sin in action, if they have sinful attributes in their hearts, God considers them as having sins. Suppose one is full of hatred in heart, but he pretends not to have hatred. Then, he is committing sin of hypocrisy as well as that of hatred. They are serious sins before God.

When ‘the things of the flesh’ come out in specific and evident actions, we call such actions ‘works of the flesh,’ or ‘deeds of the flesh’. Galatians 5:19-21 states, “Now the deeds of the flesh are evident, which are: immorality, impurity, sensuality, idolatry, sorcery, enmities, strife, jealousy, outbursts of anger, disputes, dissensions, factions, envying, drunkenness, carousing, and things like these, of which I forewarn you, just as I have forewarned you, that those who practice such things will not inherit the kingdom of God.”

‘The flesh’ in the Bible refers to all things that are rotten, changeable, corrupt, filthy, and dirty. The body, the flesh, and everything that you see are flesh. If one has the things of the flesh and the deeds of the flesh, it means that he abides in darkness. Then, he cannot but be under the control of the enemy devil and Satan that have the authority over darkness. Unless he comes out of darkness and enters into Light, he cannot help staying under the authority of death. Then, he may encounter difficulties in his business and workplace, he may be sick, or meet with trials.

What, then, is spirit? ‘Spirit’ is something unchangeable, eternal, clean, and perfect, and it is the truth and life itself. So, spirit belongs to God. When the Holy Spirit comes into our hearts, He gives birth to

spirit in us (John 3:6) and we can bear the fruits of the Holy Spirit one by one (Galatians 5:22-23). Thus, the fruits of the Spirit are measuring criteria to assess how much we have cultivated our hearts into spirit.

Next, the things of the Spirit refer to everything that you do with the Holy Spirit dwelling in you. Doing good before God like prayer, evangelism, charitable work, good deeds, and volunteer works is all included in the things of the Spirit. Thus, as you bear more of the Holy Spirit's fruits, you will think more of the things of the Spirit and eventually reach eternal life and peace.

Whether a person follows the flesh or the Spirit, it can be discerned through deeds. Say someone slaps on your right cheek for no reason. If you follow the Spirit, you may turn your left cheek for him thinking of the love of the Lord's crucifixion. You may pray for those who persecute and hate you. You may not feel sad nor disheartened. You may always rejoice and give thanks in God's will. Furthermore, if you can love even your enemies in the Lord's love, you will receive God's love and blessing and bear the fruit of Light which consists in all goodness and righteousness and truth (Ephesians 5:9).

## 2. Differences between People with Fleshly Thoughts and with Spiritual Thoughts

### 1) When they believe and meet God

God desires all men to be saved and come to the knowledge of the truth (1 Timothy 2:4). But in order to reach salvation you need to open your heart first, accept Jesus Christ as your Savior, and enter within the boundaries of salvation that God has set. Moreover, if you want to experience God's answers, you must follow the Spirit and keep the Word of God all the time.

But those who follow the flesh do not keep the Word of God since they seek their own benefits. And as they befriend darkness without keeping the Word, they cannot come under God's protection. That is why they often fall into trials and afflictions or meet with difficulties or accidents.

Meanwhile, those who follow the Spirit worship in spirit and truth to meet God during worship services. As they want to obey the Word of God, He can protect them. Their souls will prosper, everything will go well with them, and they will enjoy good health.

### 2) When they have diseases

People think that diseases are usually caused by germs or viruses or their rough use of their bodies. They naturally rely on hospitals or medicine. But those with spiritual thoughts do not think of the worldly means. They want to find answers in the Word of God.

Exodus 15:26 says, "And He said, 'If you will give earnest heed to the voice of the LORD your God, and do what is right in His sight, and give ear to His commandments, and keep all His statutes, I will put none of the diseases on you which I have put on the Egyptians; for I, the LORD, am your healer.'" As

implied, diseases are caused by sin. Thus, if you have a disease, you need to look back upon yourselves, repent of your sins, and turn back from them.

Of course, there are other causes in addition to sin such as overeating, uncontrolled use of the body, or neurological or mental causes, or the enemy devil and Satan may bring diseases to some people. But the underlying cause of all these is also not to keep the Word of God. Therefore, in order to be healed, you must find things that you did against the Word of God and repent of them. Thereby, you can destroy the wall of sin against God.

King Hezekiah is a representative example who was healed of his disease by relying on God (2 Kings 20:1-7). He became mortally ill, but he did not lose heart nor use human methods. He just prayed to God earnestly. Then, God healed him of his disease within three days and added 15 years to his life span.

However, King Asa in 2 Chronicles 16 was different. He became diseased in his feet due to his sin, yet he did not seek God even in his disease but the physicians. He ended up in death due to the disease. These cases clearly show that spiritual thoughts result in life and peace and fleshly thoughts in death.

### 3) When they plan and supervise something

Managers in businesses may care most about profits. They may seek their own benefits with greed and extend their business. They may even borrow money and invest the money, but some of them eventually fall into bankruptcy and fail. Of course, some people may succeed as much as they tried, but things often turn into nothing because humans cannot predict even a few steps ahead.

On the contrary, those followers of the Spirit do everything for the glory of God. Whatever they may eat, drink and do, it is all for God's glory (1 Corinthians 10:31). Rather than thinking of immediate gains, they think of whether what they do is right in the truth or whether they seek others' benefits. They do not make a decision on their own thoughts or speculations, but they seek the will of God through prayer (Proverbs 16:3). When you hear the Holy Spirit's voice and are guided by Him through prayer, you can do everything without mistakes and be led to prosperity all the time.

Therefore, children of God who is Light should pray fervently, destroy fleshly thoughts and act according to the Word of God. When you abide in Light this way, you can hear what the Holy Spirit says to you clearly and walk in His guidance as well. Moreover, when you do the works of God, as the works belong to the things of the Spirit, you first need to demolish fleshly thoughts and receive the grace and strength of God and the Spirit's help.

## 3. How to Receive God's Strength and the Holy Spirit's Help

Romans 8:7-8 says the mind set on the flesh is hostile towards God. To the extent that you have such

fleshly thoughts, you will be more hostile towards God and cannot accept His Word. Moreover, you cannot illuminate your heart with the Light and cannot push yourself going to Light either. Then, you cannot please God. Let's now look into how we can receive God's strength and the Holy Spirit's help.

First, we must pray fervently. As Jesus achieved the work of God by prayer, we also need to be guided by the Spirit through prayer. We should realize what sins, righteousness, and judgment are, let the Spirit give birth to spirit in our hearts, and follow spiritual thoughts.

Secondly, we must act upon the Word of God immediately after we gain realization from the Word. The faith without work is dead, so in order to pursue the will of God you need to show faith accompanied by deeds and please God. Then, you can receive the strength of God and the help of the Holy Spirit.

Thirdly, we must receive strength from above through the work of repentance. Fleshly thoughts are hostile towards God, so you need to make peace with Him by repenting of such thoughts and demolishing the wall of sins against Him. Then, you can have peace in heart and the Holy Spirit will burn your sinful natures. And you will be given strength to follow the things of the Spirit.

Dear brothers and sisters in Christ, James 1:17 says,

“Every good thing given and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shifting shadow.” I hope you will be able to discern between the things of the flesh and the things of the Spirit, cast off the things of the flesh, always think of the things of the Spirit and abide in Light.

Children of the Light will receive blessing when they come in and go out, they will not borrow but lend, and they will become the head, not the tail. They will receive whatever they ask, seek, and knock on. I pray in the name of the Lord that you will come out from darkness quickly, enter into Light, completely abide in Light, and thereby enjoy prosperity in your life.

### TESTIMONY FROM A GCNTV HINDI VIEWER

## All pains from stomach ulcers disappeared.

Vinay Navrang (Age 25, Chandigarh Bilarspur, India)

I had to take a lot of medicine because I had stomach pain due to stomach ulcers for 6 years and suffered from headaches, chest pain and spinal pain. My parents, who were not well off, had a hard time paying for my medical treatment.

Whenever I suffered from pain, I used to search for pastors' prayers for the sick and receive it. Then one day, while looking for a prayer for the sick I happened to see Rev. Jaerock Lee's prayer for the sick and received it.

It's in the GCNTV HINDI. I made a call to Delhi Manmin Church whose number was on the screen. The sister who answered my phone said in a very kind voice that I could be healed and Dr. Soojin Lee would lead a healing meeting. And she sent me the link to access the Daniel Prayer Meeting and helped me to pray for my healing.

I sent my picture and prayer request to receive

her prayer at the meeting. I felt the presence of the Lord and thanked. I attended the meeting with anticipation and felt the strong work of the Holy Spirit.

Dr. Soojin Lee prayed reading diseases names with the handkerchief of power (Acts 19:11-12). When she said "stomach ulcers", my body started shaking. I felt like vomiting twice, but I focused on receiving her prayer. Amazingly soon all pains went away. Before I attended the meeting, I prayed, "God! Help this pain stop at least for only 1 or 2 minutes because it was unbearable", but after I received her prayer, all the pains disappeared in a moment. Hallelujah!

I give all thanks and glory to Father God of love who leads me the way to answers and blessings and heals me. And I thank Dr. Soojin Lee for her prayer and GCNTV HINDI.

## FEATURE STORY

## 5 points to check your goodness of heart

### 1. Do you feel sad or discouraged?

Some people feel discouraged by the thought that someone who prays less and is less loyal than themselves are recognized and praised. They have been faithful with all their time, money, and heart, but if no reward or fruit is given for them, they may become discouraged. It comes from envy and jealousy.

God says not to complain or envy against evil-doers or those who practice unrighteousness. (Psalm 37:1) If you are envious or jealous of others because you do not receive recognition and praise as much as you do, you must realize how bad it is.

Praying before God, being faithful, and fulfilling your duty is not to receive any reward, nor to be recognized or

praised. Of course, God will bless those who are faithful like this with fruits that are worthy of them even on this earth. Even if they do not receive any visible blessings on this earth, they will surely receive them as a reward in the future in Heaven.

Those who believe and hope for this will never feel sad or discouraged if they do not receive praise or rewards as much as they have been loyal. With the heart of a worthless servant (Luke 17:10), they did the work of God the Father, who loves them, gives them grace and blessings, and leads them to heaven, so it doesn't matter who knows or not.

### 2. Do you seek for others' benefit?

To yield is to give up the benefit that will come to you and to pass it on to others. However, seeking others' benefit goes beyond that level. It is the heart of helping others, even at the cost of self-sacrifice, so that they can

get more recognition and praise, and they can take the lead.

If you follow this heart in everything, you will be loved and recognized by those around you.

### 3. Do you have a heart of mourning?

Mourning for one's sins, mourning for the souls, and mourning for the kingdom of God are proper before God. On the other hand, there is mourning that is caused by evil. Some people lament about their own situation and feel sorry for what they do not have, comparing to others.

Even when they discover their own evil, they blame

others for not being able to have good parents or growing up in a good environment. It contains envy, jealousy, and resentment against God. If you have discovered your own evil, you should humble yourself, repent thoroughly, and ask for God's help. Only when you mourn this way, can you be changed.

### 4. Do you have a heart of yielding?

Even if it causes a huge loss to you, can you yield?

Each of us are members of the Lord. So, if you insist on your own way and asset that you are the most important, you can never achieve harmony with others (Romans

12:5).

We should have a heart of caring for and yielding to each other. This is also a kind of the heart that seeks other's benefit.

### 5. Do you rejoice with the truth?

In order to achieve a heart that rejoices with the truth, we must cast off envy, jealousy, and hatred from our hearts. There should be no trace of gossiping, judging, and condemning others.

Moreover, we should be able to rejoice even when someone we think is inferior to us is recognized and praised. Only then, we can be said that we have the heart that truly rejoices with the truth.

I was in a car accident three years ago when I bumped into a trailer and bounced off my body. This caused my neck discs 5 and 6 to rupture, and I had to lie down or sit with my head back due to the pain. My daily life was very inconvenient, such as having to take a break several times while brushing my teeth due to pain in arms and shoulders.

At that time, I was told that there could be side effects if I had neck disc surgery, so I did not have surgery and took various injections such as acupuncture and steroid injections at various hospitals, and took medicine. But my condition did not improve.

Even the slightest movement made me sweat so much that my clothes were wet from the pain, and my body was always swollen. As time went on, the pain became so severe that I had to take opioid painkillers to endure it. I was discouraged because there was no sign of improvement despite all my efforts.

In the end, I felt that the only one who could completely heal me was God the Father. So, through GCN, I attended the Vowed Daniel prayer meeting, which started on November 22, last year, and prayed with my best with the desire to 'get healed at the Divine Healing Meeting on December 10.'

Then the grace of God the Father came, and enlightenment came within the inspiration of the Holy Spirit. I repented with tears

**“I was relieved  
of the severe  
pain of the disc  
in the neck!”**

**Deaconess Eunjoo Shin  
(Age 53, Canaan Mission)**

for losing my first love for God and looking at the world. After I repented, my heart felt refreshed, and I felt peaceful and happy when I was filled with the love of God the Father.

On December 10, I attended the Divine Healing Meeting through GCN, and miraculously, there was no pain at all. When Dr. Soojin Lee prayed for the sick while holding the handkerchief of power (Acts 19:11-12) that Dr. Jaerock Lee had prayed, I felt my shoulders warm. I could be sure that 'Father God is healing me.'

I was able to sleep comfortably that night with pain. However, I woke up because my whole body was so hot. After getting out of bed, going to a cool place, drinking cold water and cooling the body for a while, I was able to fall sleep again. The next morning, because I slept soundly without pain in years, I felt refreshed and light as if my body was flying.

Not only that, I had a herniated disc and scoliosis because I lived almost leaning on it. But I woke up in that morning and when I sat on the toilet, I heard a popping sound from my lower back, and the back pain disappeared. When I got up and moved around, my body felt refreshed and cool.

I am very healthy now. I give all thanks and glory to God the Father, who waited for me with love, and gave me true happiness.

## “My eyesight improved, so I have no symptoms of astigmatism and I can see clearly.”

Sr. Deaconess Hyeran Yim (Age 55, the 15<sup>th</sup> Parish)

Ahead of the Divine Healing Meeting in January, I thought, ‘I need to receive prayer to improve my eyesight.’ This is because I had the symptoms of astigmatism, which made things look blurry, and made my eyes tired and red. It caused me have headaches, too.

Watching the Manmin Magazine what was broadcasted at the Friday All-night Service on January 21, when the Divine Healing Meeting was held, I felt very sorry before God the Father, because it was a testimony of healing after repenting of not being thankful for the healing through the work of power.

In fact, I too had the experience of being healed of astigmatism a long time ago. Astigmatism started gradually when I was in high school, and after pregnancy

and childbirth, I often had red eyes and headaches. At that time, I received prayer for the recovery of my eyesight at the Special Revival Meeting, led by Dr. Jaerock Lee. I also received his recorded prayer for the sick and sprinkled the Mu-an Sweet water. Then, my eyesight recovered, the symptom of astigmatism disappeared, and I came to see clearly. Of course, the redness in my eyes disappeared and my headache was gone. However, as the years passed, I forgot gratitude and let it go without glorifying God with a testimony.

After receiving grace from Manmin Magazine’s testimony, I eagerly longed for an answer with the heart of ‘I must receive healing today and give glory to God’. The fire of the Holy Spirit came up me

when Dr. Soojin Lee prayed while saying, ‘recovery of sight’ among the names of patients received from home and abroad. After that, my eye vision recovered, and I was able to see clearly. The symptoms of tiredness and redness of the eyes and headaches all disappeared. Hallelujah!

In the second week of January, after the 3rd vaccination shot, I had severe headaches and dizziness, so I couldn’t do anything. But after receiving the Day-ending prayer of Dr. Jaerock Lee at the Daniel prayer meeting, all the symptoms disappeared, and I recovered my strength.

I give all thanks and glory to God the Father of love who answers and blesses me so that I can meet and experience the Lord when I ask for it.
