NO. 729 OCTOBER 23, 2022

Our Father God

The establishment service of Manmin Central Church on Oct. 10, 1982.

Right from the opening, Manmin Central Church had such rapid church growth through signs and wonders. We have been accomplishing world evangelism greatly. Many members received answers and blessings and their faith has been growing.

of our church has been in the providence of Father God, and in the grace of Father God, and it was a process of revealing the glory of God. It was God the Father who established this church and refined us, and it is also God the Father who will lead us and receive glory through us.

On the occasion of our church's 40th anniversary, I will talk about the Father God who has been making this church what it is today, in three aspects.

1. Our Father God is love itself.

God existed as Light and Voice that filled the entire universe. He is glorious being who exists by Himself transcending all space and times. And this God at a certain moment made a plan.

He wanted to gain some beings who would understand His heart, share love with Him, and enjoy limitless glory with Him forever. With this purpose, all things were created and the work of human cultivation began. In the course of human cultivation, God first chose

the sons of Israel to show His love to all souls.

Through the history of Israel, God wanted all peoples of the world to come to Him by realizing that the nation that reveres and loves God is blessed, that God is full of love, and that they should also revere and love God.

We can sense the delicate love of God if we just consider the process of the Exodus. While they were passing through the wilderness, God covered them with the pillars of cloud during the day and protected with the pillars of fire at night. God gave them manna and quails when they were hungry and God let water gush out from a rock when they were thirsty.

This delicate love of the Father was given not just to sons of Israel but also all children of God. He shows His love again and again so that eventually they will understand the heart of the Father God in their heart, and they will be changed as children who love God from their heart.

It was such great love of God that

1992 Holy Spirit Explosion Crusade (Above)
The Two Week Consecutive Special Revival Meeting (Below)

But our ways were not just easy. We also went through times of trials where we couldn't see any way out, and we sometimes had to pray in mourning and with hot tears. But the final outcomes were always blessing, and there was always the evidence of God being with us even while we were going through trials. Such evidence only kept on increasing.

In this way, every moment

At the overseas united crusades conducted by Dr. Jaerock Lee, various diseases were healed, and the blind came to see, the crippled came to walk, and through the explosive works of the Holy Spirit, countless people accepted Jesus Christ.

I who was before death met God. It was God's love that He gave me the calling to be a pastor, let me open this church, and let this church have great revival and become a world-famous church.

God asked me to become a pastor at a relatively old age. He also asked me to preach the holiness gospel and change the sin-stained souls in this evil generation. And to be honest, it was not something I could do with my strength. Especially, I could not fulfill with my own strength the command of God telling me to fill up New Jerusalem with completely sanctified souls. But God did all the word every moment.

We started with 13 members including 4 children in 1982, and now it has grown up as a denomination that has many branch and associative churches worldwide. In particular, In the 2000s, we've had united crusades in the United States, Peru, Honduras, India, Pakistan, Dubai, Russia, Germany, Japan, Philippines, Uganda, Kenya, DR Congo, and Estonia.

Tens or hundreds of thousands, or even millions of people gathered at a time and experienced signs and wonders. They threw away idols and accepted Jesus Christ. God sent me to Israel to do a ministry of preaching Jesus Christ for three

years, which resulted in giving life and strength to Christianity there. God also let us spread the gospel through broadcasting and publishing.

GCN TV is broadcasting in 8 languages around the clock to the world. When God let us start this broadcasting ministry, we did not have technology, staff, or money to do it. But now, we spread the holiness gospel and the works of God's power in world-class video, leading Christian cultures.

We are also actively publishing. Today, we have 112 books published in Korean. 703 of these books have been translated and published in 62 languages. There are also 828 e-books in 66 languages such as English, Chinese, Spanish, Russian, Arabic language, and

Hebrews.

In addition, we have been continually receiving the testimonies of those who received grace by my messages through the Internet or YouTube, and experienced amazing works of the Holy Spirit.

Our church had great trials and crises that seemed impossible to overcome. But God was always with us even during the trials. After such time passed, we could see why He allowed for us such time through the fruit of blessings. As explained, our Father God has guided us with so much endurance and love to establish this church and our denomination, to let us accomplish world evangelism, and to let the faith of church members grow up.

Various shapes of rainbows and various types of aurora-like lights that confirmed the God of love being with us and added hope and faith in heaven.

The Confession of Faith

1. Manmin Central Church believes that the Bible is God-breathed Word that is perfect and flawless.
2. Manmin Central Church believes in the unity and the work of God the Trinity: God the Holy Father, God the Holy Son, and God the Holy Spirit.
3. Manmin Central Church believes that we are forgiven of our sins only by the redeeming blood of Jesus Christ.
4. Manmin Central Church believes in the resurrection and ascension of Jesus Christ, His Second Advent, the Millennium, and the eternal heaven.
5. Members of Manmin Central Church confess their faith through "The Apostles' Creed" each time they come together and believe in its content verbatim.

"[God] Himself gives to all people life and breath and all things." (Acts 17:25)
 "And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:12)

2. Our Father God is great.

The God of love created men and the entire universe, and He controls all things in them. His power is limitless, and to Him nothing is impossible.

changed the sea water into potable sweet water, and He even shows divine healing through that water. In every important event, He shows us various rainbows and other things to prove that He is with us.

stopped. When there needed rain on the contrary, God showed His greatness through rain. In the India crusade in 2002, they had such a severe drought, but from the moment I set foot in that land, it began to rain. In Israel crusade in September 2009, it rained in the next day I prayed on the pulpit to quench the long-lasting drought.

The God of love controlled all the weather conditions to be the best at each summer retreat. Even in the midst of a heat wave warnings, we had the athletic events in a very cool weather in the middle of the day. In the camp fire, it was so cool that we did not sweat although we were jumping and praising God.

But I believe you can experience the power of God through divine healing more directly than other means. Divine healings have been fervently taking place ever since the opening to this day. Many rare diseases, severe and incurable diseases including AIDS, severe atopic dermatitis and other skin diseases were healed at a moment with God's touch.

Many couples had a baby although they were infertile for several years or even decades; fetuses with Down's syndrome were born without it through prayers; so many fetuses' gender was changed through prayer. So many members were protected even in big traffic accidents where the vehicles had to be scrapped. Other than these, even if I mention only important works of God that happened until now, I won't be able to mention them all.

2022 Manmin Summer Retreat with the subject, "With Faith, Nothing Is Impossible" (Above) GCN, Urim Books, and WCDN delivering the gospel of holiness and the works of power (Below)

In the Bible, we can see many records of the powerful works that were manifested through men of God. Fire was brought down from heaven, and great rain came down after 3 and half years of drought. Sea was parted, the flow of river was stopped, and undrinkable bitter water was changed into drinkable sweet water. Such works of power were also manifested through Jesus and His disciples. Demons were driven out, the disabled were healed, and even the dead were brought back to life, let alone healing of diseases.

This power of such great God was manifested in this church, too. God

Around the summer retreat every year, He sends to us swarms of dragonflies. By this He shows to us the power of God who governs all things and who brought down Ten Plagues. Through the aurora-like lights that the church members take, He let us feel how beautiful the original light of God is, thereby increasing our heavenly hope and faith.

The power of the great God is also shown through weather conditions. In the summer retreat in 2013, we experienced a scene as if like in a movie. Just like the Red Sea was parted, such thick layers of clouds were split open and the heavy rain

“We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him.”
(1 John 4:16)

Senior Pastor Rev. Jaerock Lee

In addition, just as demons and various diseases left through the handkerchief taken from the body of the Apostle Paul (Acts 19:11-12), the gospel of the Lord spread rapidly through the amazing works of the Holy Spirit that appeared through the handkerchief of power that I had prayed for and spread the gospel around the world, and the world evangelism has been actively carried out. Handkerchief healing meetings are constantly being held all over the world, such as Kenya, Colombia, and India, and Pastors' Seminars and Leaders' Conference are continuing overseas under the theme of "The Message of the Cross" and my other sermons, to light the lamp of the truth on the souls of the world.

As explained, God is such great God who has been guiding this church until now.

3. Our Father God is good.

God is God of justice who judges each one's sins, but at the same time He is our great Father who is full of mercy and compassion.

Psalm 86:5 says, "For You, Lord, are good, and ready to forgive, and abundant in lovingkindness to all who call upon You." Also, Isaiah 55:7 says, "Let the wicked forsake his way and the unrighteous man his thoughts; and let him return to the LORD, and He will have compassion on him, and to our God, for He will abundantly pardon." As it says, God forgives with lovingkindness.

Even when the people of Israel

committed sins, God gave them numerous chances of forgiveness, showing to them endless mercy and compassion. It is the same for this generation full of sins and evil. In this ever increasingly darkening world, God has established this church to save even just one more soul. In this generation, people do not listen even if we tell them good things, and God has been showing us the evidence through powerful works with which we can believe.

Also, He gave us the holiness gospel so we could cast away evil from our heart and accomplish sincere heart and perfect faith. But even among those who were attending this church, many did not actually obey God's words.

But He opened a way of salvation again for those who could not even be saved, in love and justice. Furthermore, He's giving them chances time and again so they can even stand on the rock of faith and go into spirit.

As it is said in Joel 2:28, "... I will pour out My Spirit on all mankind;" God of goodness will work until the end of the days. I believe that through His good children who strive against sin to the point of shedding blood (Hebrews 12:4), abstain from every form of evil (1 Thessalonians 5:22), and pursue peace with all men

(Hebrews 12:14), He will let us deliver the gospel of holiness not only to those who are waiting for salvation with pure heart, but even to those who can hardly get a chance of salvation.

Dear brothers and sisters in Christ,

Our Father God sent Jesus Christ for all men to reach salvation, poured down the Holy Spirit, and opened the way of salvation wide. Also, He's working unceasingly in love and justice to change us to His true children who can enter the most beautiful heaven New Jerusalem, through the holiness gospel and works of power.

God will be with you so that the gospel of heaven can spread to the whole world, and He will receive glory more greatly. I pray in the name of the Lord that you may adorn yourself as the bride of the Lord well and dwell in the glory shining like the sun in Heaven.

I give all thanks and glory to God the Trinity of love who has been leading Manmin Central Church for the past 40 years Himself. Hallelujah!

Translated by Overseas Mission Bureau

“ It is an honor to be able to be with Manmin that fulfills the providence of God.”

Pastor Victor Gimenez

Age 48,
Ciudad Guayana Manmin Church,
Venezuela

In 2010, while searching the Internet, I came across the website of Manmin Central Church.

I was deeply moved by seeing the works of God's power performed by Rev. Dr. Jaerock Lee. I used to stay up all night reading his sermons such as 'The Message of the Cross', 'The Measure of Faith', 'Heaven', 'Hell', and 'Lecture on Genesis'. After registering with Manmin Central Church on the Internet, I attended Manmin Central Church's Sunday worship service every Saturday evening via GCN in real time.

I was also connected with Pastor David Jang of Colombia Manmin Church and continued fellowship. At the same time, I had a desire for Manmin Church to be planted in Venezuela. Listening to and learning from the Senior Pastor's sermons through the Internet, I clearly understood God's will about keeping the Sabbath day holy and the importance of sanctification and so on, so I had no choice but to share it with others.

I delivered Manmin News and 'The Message of the Cross' CD to pastors, and diligently delivered the powerful words of the holiness of Senior Pastor Dr. Lee through social network services.

Finally, on March 27, 2018, the first Manmin Church was built in Ciudad Guayana, Venezuela.

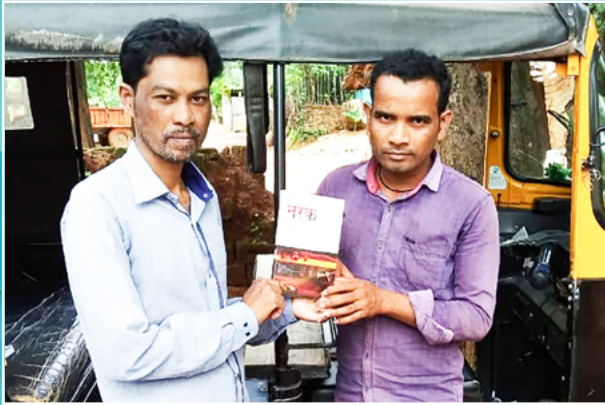

In July, Pastor David Jang visited Venezuela for the first time, and about 100 pastors from Guayana city gathered and received the prayer of the handkerchief of power (Acts 19:11-12) and experienced the works of the Holy Spirit, such as restoring sight and pain relief.

In September 2018, a meeting was held at the Guayana City Memorial Plaza, and the fiery works of the Holy Spirit were revealed in the presence of over 1,000 people. At the meeting organized by the Guayana Pastors' Council, 300 pastors and 200 pastors from Yaracuy State received grace and experienced healing of various diseases. With this, the second Manmin Church was planted in Valencia, Carabobo.

In March 2019, the third meeting was held with the earnestness of the Venezuelan pastors and showed how much they longed for the gospel of holiness and the ministry of Manmin. Also, the third Manmin Church was planted in the Coloncito area of Panamericano. Hallelujah!

After that, Pastor David Jang visited twice more, preaching the gospel of holiness to Venezuelans and giving glory to God by allowing them to experience the works of power.

It is a great honor for me to be able to be a part of Manmin's ministry of fulfilling God's great providence in the last days full of sin and evil. I sincerely hope that the works of salvation will happen to all the people of Venezuela through the ministry of Manmin.

“ I want more people to meet and experience the Lord through the holiness gospel.”

Ramlal Kashapp

Age 36,
Basta Manmin church,
Chhattisgarh, India, left

I'm a farmer in Chhatisgarh, India, and I am sharing the gospel with the people around me and neighboring villages.

On June 9, 2021, I came to know 'GCNTV HINDI' channel on YouTube in a group chat room run by Christians. Then, I participated in the Zoom worship service preached by Pastor John Kim online and received great grace.

The sermon, which I had never heard before, explained the spiritual meaning of God's Word easily and clearly. I also attended the Daniel Prayer meeting and heard the prayers of Mrs. Boknim Lee, Director of Manmin Prayer Center through Hindi interpretation, and learned what to pray for and how to pray.

What I am most grateful for after meeting Manmin is the fact that I have been able to know God's Word accurately and pray according to God's Word. In addition, I used to suffer minor illnesses often such as fever and cold, but now I am healthy without any of these. My wife's memory was not good, but it got better after receiving Senior Pastor's prayer for the sick.

Also, sharing the gospel has become easier for me. I used to exclaim and preach diligently saying, "Believe in the Lord. He is the Savior" but without knowing why only the Lord is our Savior.

However, through the Senior Pastor Dr. Jaerock Lee's sermon, 'The Message of the Cross', I was able to clearly understand why only the Lord is our Savior. And when I showed people the video of 'Power of God', in which countless souls from all over the world had been healed and had glorified God with testimonies through Senior Pastor's prayer, their hearts were easily opened, making it easier for me to preach the gospel.

Until then, there was no church in my village. I started building a church in the Basta area with the members I evangelized, but it took a long time due to financial difficulties. The members brought cement, toilets, pipes, etc., and whenever we had money, we bought bricks and proceeded with the construction.

Then I came to know Manmin, and I decided to make it a branch church of Manmin so that more people would hear the gospel of holiness and be guided to heaven. In the midst of God's delicate guidance, on June 17, 2022, we finally held the 'Basta Manmin Church Construction Thanksgiving Service' together with Pastor John Kim. Hallelujah!

My dream is for more people to know the Word of God accurately, feel the happiness of living in the will of God, and live a life of faith in which they meet and experience the Lord.
