NO. 760 FEBRUARY 11, 2024 (Pastor Jaerock Lee Memorial Special)

Power

I am waiting for the day God will burst into laughter

Father,
This son was slow to oratorical skill,
Nor did I have good social skills.

But You changed me,
And made me a servant
Who manifests the power of God.
And what could be the reason
That I wouldn't serve the souls?

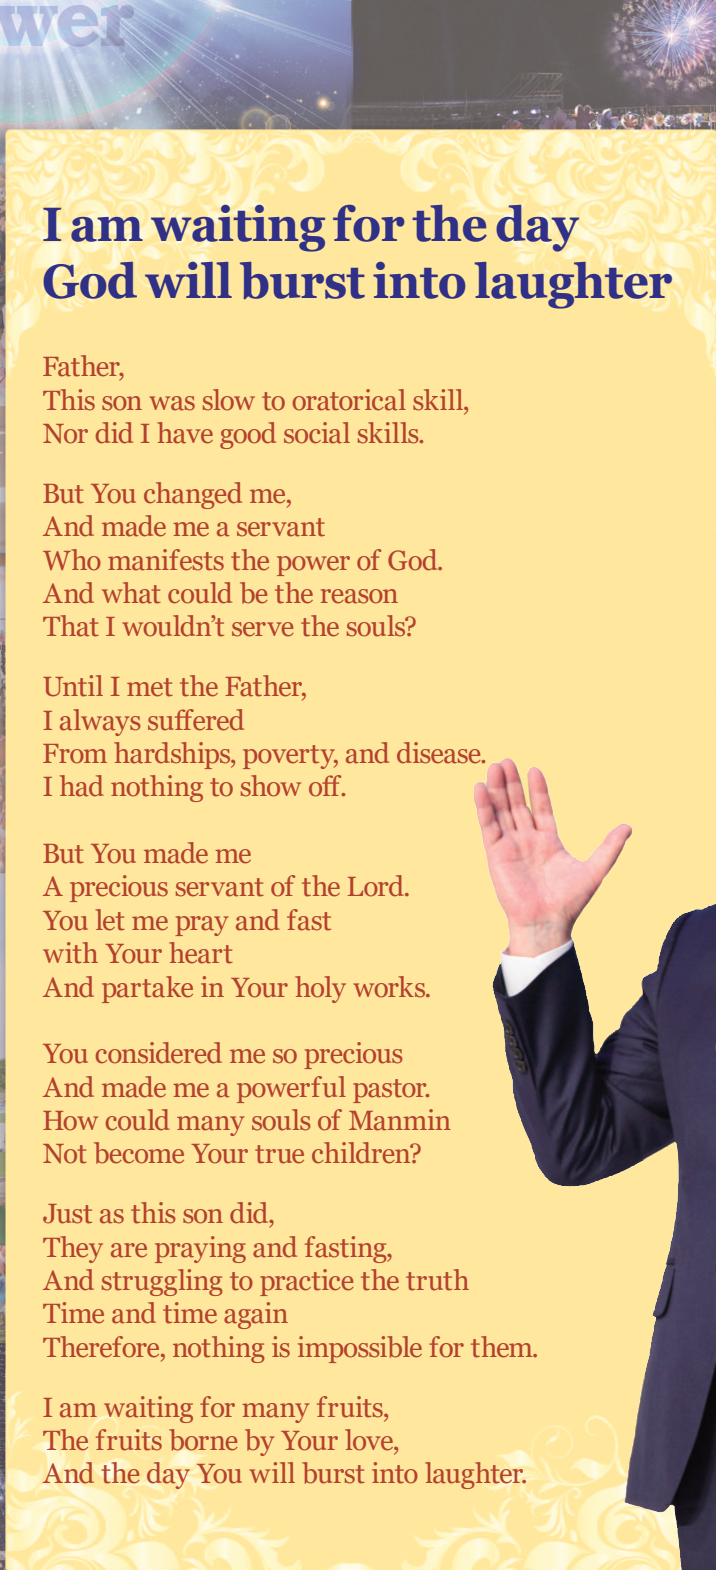

Until I met the Father,
I always suffered
From hardships, poverty, and disease.
I had nothing to show off.

But You made me
A precious servant of the Lord.
You let me pray and fast
with Your heart
And partake in Your holy works.

You considered me so precious
And made me a powerful pastor.
How could many souls of Manmin
Not become Your true children?

Just as this son did,
They are praying and fasting,
And struggling to practice the truth
Time and time again
Therefore, nothing is impossible for them.

I am waiting for many fruits,
The fruits borne by Your love,
And the day You will burst into laughter.

Pastor Jaerock Lee's life Featured with works of faith And the walking with God

**On April 17, 1974,
he miraculously met God
at the door of death**

Pastor Jaerock Lee had wandered at the threshold of death for 7 years due to various diseases. On April 17, 1974, he was guided by his second eldest sister at a divine healing meeting. When he got down on his knees, he was completely healed of all his diseases and accepted the Lord.

He began reading the Bible diligently and tried to live according to God's will. He was so thirsty for God's words that he attended many revival meetings and obeyed whatever will of God he understood. He fasted as often as possible, cried out in prayers, and threw away sins to the point of shedding blood so as to abide in truths completely.

Finally, he was called as a servant of the Lord and entered a seminary. He devoted himself to the Word and prayers and prepared to found a church, dreaming of becoming a witness of the Lord who would spread the gospel to the ends of the earth and lead countless souls to the path of salvation according to God's vision and Jesus Christ's Great Commission.

**On July 25, 1982,
he opened a church and
it grew to be a congregation
of 10,000 in 9 years**

On July 25, 1982, the founding service was offered to God at a small building of 66 square meters and attended by 13 believers including children.

He completely believed in the signs and wonders recorded in the Bible because he encountered the living God at the door of death, and he cried out in prayers every day to proclaim God the Creator and our Savior Jesus Christ with great power and to lead as many souls to salvation as possible. As that result, the gift of healing and the power of God were given to him; many people from all over the country were healed of all kinds of diseases and signs and wonders were manifested at church events.

On October 10 of that year, about 100 people gathered and offered establishing service. As an imitator of early churches, they gathered every day, and broke the bread of truths and prayed fervently so that the church made a great revival. Its registered members numbered 3,000 in January of 1987 and 10,000 in March of 1991.

Since the founding of the church, he was active in book ministry and broadcasting ministry. His testimonial memoir *Tasting Eternal Life before Death* was published in April 1987, and a church newsletter *Manmin Joong-*

ang News (Currently renamed to *Manmin News*) was printed in May that same year. His testimony was dramatized and broadcast by Christian Broadcasting System and he appeared on the program 'Renew Us' in August. He was invited as a speaker to many revival meetings and his sermons were broadcast via many domestic and overseas radio stations. Then, many pastors gathered to listen to secrets of church revival.

**In July 1991, he formed
a new denomination and
actively performed domestic
and overseas ministries**

In July 1991, he founded the United Holiness Church of Jesus Christ by God's guidance and took the lead in national evangelization and world mission. He was appointed as Permanent Chairman of Christianity World Revival Mission Association, Practical Chairman of Liberation's 50th

Anniversary Nation's Unification Jubilee Crusade, and president of many religious organizations and played an important part in nationwide religious events.

In 1993, Manmin Central Church was selected as one of the World's Top 50 churches by U.S. magazine *Christian World*, and in 1996 he received an Honorary Doctorate of Divinity and Ph. D. in Ministry.

In May 1993, a Two-week Consecutive Special Revival Meeting was held and many were healed and experienced the Spirit's fiery works. The church laid the foundation in world mission by conducting crusades in Washington D.C., Los Angeles, and Hawaii of USA, Tanzania, Japan, and Argentina. In addition, believers' faith grew rapidly and its registered members exceeded 30,000 in 1994.

In 2000s, he was recorded as a worldwide revivalist, and spread the holiness gospel via TV, books, newsletter, etc.

In March 2000, a biblical miracle occurred through his prayer: salty water on Muan's beach was made sweet. And amazingly, healing

works happened to those who used the water with faith. God's powerful works also occurred through his prayer recorded on ARS (Automatic Response System) or handkerchiefs he prayed on (Acts 19:11-12) or when they received his prayer online or when he laid his hand on their photos transcending time and space.

Since 2000 he had conducted mega-sized overseas crusades in dozens of countries. In July 2000, 'Uganda Holy Gospel Crusade' was reported on CNN, a global cable news channel, and through 'Pakistan Miracle Healing Crusade' he led in October, the holiness gospel was proclaimed in the Islamic Republic of Pakistan and the door to Middle East mission was opened.

In June of 2001, 'Kenya Holy Gospel Crusade' was broadcast on a government-run TV and many diseases including AIDS were healed, and in September, he led 'Philippine Spark of Revival Crusade' in the Philippines whose people were Catholics more than 90%. In 2002, 'Honduras Miracle Healing Crusade' brought 'Hurricane Jesus' to Honduras and Latin America by the works of the Holy Spirit, and 'India Miracle Healing Prayer Festival' brought

approximately 3 million in total to the Marina Beach and many were healed and accepted the Lord.

In 2003, 'Russia Miracle Healing Festival' was broadcast live to over 150 countries around the world through satellites. In 2004, 'Germany Christian Cultural Festival' paved a road to spread the holiness gospel in Europe, and 'Peru Healing Crusade' was successfully held with active support of political, press, and religious leaders including the president.

In 2006, he led 'DR Congo Miracle Healing Festival' under the government's active support and it was attended by more than 700,000, and filled with countless biblical miracles. He conducted 'New York Crusade' at Madison Square Garden in New York of USA and it was broadcast live to more than 200 countries via Daystar, TBN Russia, Cosmo Vision, and GCN TV, in which many powerful works happened by his prayer; the blind came to see, the deaf began to hear, and those who could not walk came to walk.

In July 2007, he began his three-year Israeli ministry in Galilee and spread the holiness gospel throughout the State of Israel including Eilat,

the southernmost region. In September 2009, 'International Multi-Cultural Festival' was held at ICC (International Convention Center) in Jerusalem and he proclaimed Jesus Christ is the Messiah and our Savior.

Many were healed and gave glory to God. This event was featured on world-renowned press including AFP and Reuters and broadcast live to approximately 220 countries via 33 TV stations including Daystar, En Lace, and TBN Russia.

In October 2010, he led 'Korean Cultural Festival in Estonia' in Tallinn and it brought the largest number of people in Estonian Christian history. Many were healed and accepted the Lord.

In January 2000, Manmin TV was launched and his TV ministry became active. In May 2004, GCN (Global Christian Network) was organized and he was inaugurated as Chairman of GCN. Afterwards, GCN USA was launched and began broadcasting his sermon via channel 17 of New York.

In 2004, WCDN (World Christian Doctors Network) was organized and led international Christian medical conferences at many world-famous cities. And MIS (Manmin International Seminary)

led pastors' seminars in many countries. These two organizations laid the firmer foundation in world mission.

In addition to miraculous healing works, Pastor Jaerock Lee's ministry was accompanied with signs and wonders: the best weather during summer retreats, appearance of extraordinary rainbows, swarms of dragonflies, eradications of newly-founded diseases including foot-and-mouth disease, swine flu, and Ebola virus, weakening and dying out of typhoons, and rainfall after a long drought. He manifested so many miracles and powerful works that he could prove the Bible is true and confirm God is alive and Jesus Christ is the only Savior.

In his early days of faith, he clung to God with many fasts and fervent prayers to have the knowledge of God's will before opening a church. God answered him and explained to him about many spiritual truths contained in the Scriptures so that he spread the holiness gospel as valuable as

treasure in heaven to countless souls around the world.

Urim Books has published his 112 books and 45 of them were translated into 75 languages. Many translations were printed into 766 books in 63 languages and published into 899 books in an electronic form in 66 languages. It also produced a total of 31 audiobooks.

Pastor Jaerock Lee has dedicated his life to preaching the gospel to every corner of the earth with an earnest desire to lead all peoples of all nations to salvation and to raising God's true children worthy of entering the City of New Jerusalem in heaven. Now he was called to God and is in His arms, but his faith and teachings are deeply engraved in our hearts. We hope to see him in the City of New Jerusalem in heaven before Father God and our Lord Jesus Christ.

Pastor Sergey Bocharnikov

When I first came to Manmin Central Church in 2005, I received a great welcome from believers. They served me excellently in everything. Every time Pastor Jaerock Lee saw me, he welcomed me warmly. He was truly kind and humble, so I wanted to imitate him. He showed us what the best before God is. His life was a great example to us and I believe it is the most important goal in our lives.

He led Israeli Christian churches and many Jews to the path of blessing, and many of us received the Lord's great love and blessings. His steadfast love for Israel gave us great strength and we could move forward. We appreciate his love and dedication.

On Sunday, January 14, 2024, Pastor Jongman Lee (Chairman of Christianity World Revival Mission Association) delivered a message at the memorial service for Pastor Jaerock Lee. He said in his message, "Pastor Jaerock Lee was sincere and humble. He was full of kindness and love. He was a precious servant of God, and by his prayers, many souls were healed and accepted the Lord. I hope Manmin Central Church will continually and boldly accomplish the vision God has given."

"Manmin is built on the foundation of truth"

Missionary Jane Mphologoma
(London Manmin Church, UK)

Before I came to Manmin Church, I was ill for years and had lost all hope. Because there was no solution medically, my stomach could not digest food. When I met Pastor Jaerock Lee, he prayed for me and I had such a feeling to testify my stomach moving. I felt very much hungry and carefully said to someone near to me "I'm so hungry. I want to eat." My husband said, "Don't do that please. You cannot eat." We moved to dinner and ate just Korean food for the first time. I ate three plates and nothing happened.

When I first met the late Pastor Jaerock Lee, his character touched my heart. When we first came here, I saw a very big ministry. I never expected to find such a humble servant of God. The way he welcomed us touched my whole body. I had a lot of questions and I had too many talks very fast. But he answered my questions with respect and huge humbleness.

I just want to tell you that Manmin Church is built on the foundation of the truth. Senior Pastor has left a lot of books which are translated into foreign languages and so many recorded teachings. Through Daniel Prayer Meetings, we are set free.

God is performing so many miracles because Manmin Church is built on the foundation of God's words of truth. We have to go out to the world and preach the gospel of truth and the holiness gospel of Manmin with no shame whatsoever. We are saying the truth and the truth will set us free.

"Let us press on with the holiness gospel, our spiritual treasure"

Pastor Alexandru Tabaranu
(Moldova Manmin Church, Moldova)

I would like to affirm that I could not have been here without Pastor Jaerock Lee. There was no hope within me but I began listening to his sermons and finally my life could change. So, I read his sermon scripts, meditated on them, and planted them into my heart. And I tried my best to put them into action.

The life of Apostle Paul is featured with sacrifice, and he wrote many Scriptures of the New Testament. After he died, his followers continued to read, meditate on, and engrave them into their heart considering them as God's words. In the same way, Pastor Jaerock Lee left behind the holiness gospel. We have to hold fast to his teachings to accomplish the kingdom of God and His righteousness and do our best to live by his teachings.

Who could dare say they should get rid of sinful nature hidden in heart? Only the holiness gospel presents us a signpost to throwing away sin and becoming sanctified to be pleasing to God. We all who have realized true value of the holiness gospel should be transformed by the teachings of holiness, come forth as God-pleasing children, and accomplish our God-given duties in the end time.
