People Who Met God

My happiness comes by you,
My joy increases by your company.

“I was healed of bronchial asthma that had plagued me for 67 years!”

Deaconess Junhwan Kim | 84, Chinese Parish 1 in Manmin Central Church

to my runny nose and phlegm. At that time, as medical technology was not advanced, I could not receive specialized treatment for my bronchial tubes and took only injections, thereby resulting in many injection traces on the buttocks and blood vessels.

Later I joined in Manmin Central Church and my life changed through the words of life and prayer and I was healed of various diseases such as high blood pressure, enteritis, and arthritis. But my chronic illness, bronchial asthma still tormented me.

In March 2024, in preparation of a Vowed Daniel Prayer Meeting, I was reminded of God’s healing of many diseases and believed that God would heal me of bronchial asthma. I harbored a strong desire of it. I

attended the Daniel Prayer Meeting for 21 days from March 11 and prayed earnestly for the divine healing of bronchial asthma.

On the first day, God’s grace came upon me like waterfall, and every night my heart was so much fervent and my body became so hot by the holy fire of the Spirit so that my clothes were soaked with sweat.

This happened to me every night and one day I felt my throat clearing up. After that, coughing, phlegm, and disorder of breath were completely gone. Bronchial asthma of 67 years was healed.

I am so happy that I can sing praises loudly and cry out in prayer freely. I give all thanks and glory to the Lord who has blessed me to meet the living God and lead a joyful life in faith.

I suffered from whooping cough at 17. Since then, I have been short of breath and have always had a hard time waking up in the morning with phlegm stuck in my throat.

Whenever I caught a cold, my trash was full of soft tissues due

“I was healed of shingles!”

Deaconess Jeong-ae Jeon | 65, Chinese Parish 1 in Manmin Central Church

In early March 2024, I developed pains in the lower right chest. A few days later something like hives came out and turned red. I realized it was shingles and instantly received Senior Pastor’s prayer for the sick

recorded, and then it got a little better. But it spread to the armpits and caused more itching and severer pain, and even blisters appeared.

I participated in a Vowed Daniel Prayer Meeting on March 11, and

earnestly prayed to God looking back on my past days. Ill-feelings, discomfort, hatred, envy, and jealousy and so on came up in mind, and I repented of them. I also prayed earnestly to be renewed by truths.

In Daniel Prayer Meeting, I desperately received Senior Pastor Soojin Lee’s prayer for a day-closing with faith every night. And pain and blisters gradually disappeared. On March 29 I was completely healed when I attended a Divine Healing Meeting and received her prayer for the sick.

This caused me to discover some forms of evil in my heart and to change into spirit casting them off so that I might succeed in every aspect and be in good health as my soul prospered. I give all thanks and glory to God for this grace.

“I was healed of herniated disc!”

I had run a restaurant about 20 years, which caused me to have backpain and a hard time. I always had pain and stiffness in the back and legs.

On December 18, 2023, I went to a doctor for a regular checkup and the doctor told me that the 4th nerve in the spine was seriously compressed. He recommended surgery. But I wanted to be healed by faith. I attended a 21-day Vowed Daniel Prayer Meeting on March 11 and earnestly prayed for spiritual change and healing along with morning fasting prayer.

On March 23, Women’s Mission Leadership Conference was held. It was beyond my condition. I couldn’t attend it in common sense, but I could barely attend with others’ aid.

Speaker Pastor Soojin Lee delivered an impressive message that seemed to reflect my previous days and my mind. Afterwards she prayed for all in attendance, and I felt as if electricity flashed through my body from head to toe. My body felt like flying in the air.

Senior Deaconess Hwasook Kim | 63, Parish 18 in Manmin Central Church

The pain and discomfort in the back and legs was gone and I was able to walk freely. I returned home comfortably. I participated in decorating Easter eggs and fruits to share them with those around us in commemoration of Easter and happiness and joy overflowed deep within my heart.

On March 29, I attended a Divine Healing Meeting with great emotion, and my heart was already moved at the preparatory praises.

Speaker Pastor Soojin Lee gave a touching message and fervently prayed for the sick. By her prayer my slightest pain was completely gone.

Next morning, I joined Easter-eggs sharing campaign, and we shared them with many neighbors. I had no pain on the back and legs at all until I came back home. I give all thanks and glory to Father God who gives His beloved children a healthy and happy life.

“I was healed of acute dizziness and vestibular neuronitis.”

Deaconess Aesoon Lee | 61, Parish 3 in Manmin Central Church

On Saturday, March 23, I had a high fever and took antipyretics a few times. But it did not work. Two days later I went to the hospital and took cold medicine according to the doctor's prescription. Then, my fever subsided, and I could go to work.

Next morning, I had cold sweat and no energy at all. Then I was exceedingly dizzy and felt like collapsing down immediately. I hurriedly called 119 for an ambulance. At the hospital, I could not open my eyes because of nausea and dizziness. At first the MRI, X-Ray, and CT scan on my head showed no problem, but finally I was diagnosed with vestibular neuronitis.

Vestibular neuronitis is a disorder caused by vestibule inflammation and the loss of the sense of the balance and accompanied with acute dizziness. The doctor told me to be hospitalized, but I was

back home.

I could hardly walk by myself due to severe dizziness, but that night I came to Senior Pastor Soojin Lee assisted by my district leader. She prayed for me with the laying of her hand on me.

I attended Daniel Prayer Meeting through my smart phone at home. But I could not concentrate because it looked like blurred a lot. I closed my eyes with the phone on the chest, and at the same time I was reminded of my past wrongdoings and repented of them with tears. After a while I opened my eyes and all were clear to my vision with no dizziness at all.

Next morning I felt so much refreshed as if nothing had happened to me. I went to the office normally. I give all thanks and glory to our Lord Jesus who redeemed us from all kinds of diseases and infirmities by His scourging and bleeding.

The law of the redemption of the land and human salvation

There is no savior in the world but Jesus Christ, and no one can be saved without accepting Jesus Christ as their Savior. Why is then Jesus our only Savior?

As a country has its law, so does the spiritual realm have its law. All men were destined to death according to a law and we can be forgiven and saved according to another law as well.

By the law which dictates, “in the day that you eat from it you shall surely die,” and “the wages of sin is death”, Adam and all his descendants who sinned were destined to die. And by the law which reads, “you are slaves of the one whom you obey”, all men who sinned became a slave to the devil, the ruler of sin.

In the same way, men can be liberated from the punishment of death and saved only by a law of the spiritual realm. Which law do you think explains that men who were destined to death can be redeemed from the bondage of the devil and get back the right that had been handed over to the devil?

It is the law of the redemption of the land. It was in accordance with this law that God predestined the way for human salvation in His mysterious wisdom since before the ages.

Leviticus 25:23-25 reads, “The land, moreover, shall not be sold permanently, for the land is Mine; for you are but aliens and sojourners with Me. Thus for every piece of your property, you are to provide for the redemption of the land. If a fellow

“And there is salvation
in no one else; for there is
no other name under heaven
that has been given among men,
by which we must be saved.”
(Acts 4;12)

countryman of yours becomes so poor he has to sell part of his property, then his nearest kinsman is to come and buy back what his relative has sold.”

The land basically belongs to God and thus should not be sold permanently. If a poor countryman sold part of his properties, his nearest kinsman could buy it back or he himself could when he became rich again. This is how the law of the redemption of the land explains.

The people of Israel, God’s Elect observed His law, and made a contract of selling and buying the land with a condition that the land should not be sold permanently. The contract includes a detailed procedure of selling and buying the land and how it can be redeemed later. The seller and the buyer sign on it in the eyes of over two witnesses.

One copy of the signed contract is sealed and in custody in a warehouse of the Temple according to their decree, while the other is displayed unsealed at the entrance of the Temple so that the seller’s nearest kinsman may buy it back at any time. Or the seller can

redeem it when he becomes rich again.

It is a law related to trading the land in Israel, but is spiritually a law related to the way of salvation of men who were formed of dust from the ground. Genesis 3:19 reads, “By the sweat of your face you shall eat bread, till you return to the ground, because from it you were taken; for you are dust, and to dust you shall return.” And Verse 23 reads, “therefore the LORD God sent him out from the garden of Eden, to cultivate the ground from which he was taken.”

Men who were formed of dust are closely connected to the law of the redemption of the land. According to this same law, men who sinned were handed over to the devil and can be redeemed and return to God as well. As the land in Israel all belongs to God, so Adam and his right belonged to Him. So the law dictates that they should not be sold permanently.

When Adam sinned and was handed over to the devil, a contract was made between God and the devil because Adam belongs to God. Now Adam was a slave to the devil and handed over all his authorities to the devil, but the devil had to return Adam and the authorities when a person worthy to redeem them according to the law of the redemption of the land would come.

This is how the law of the redemption of the land presents a way to save mankind who sinned and are destined to death.
